village Facebook page and I'm just gonna

0:01:54.789,0:01:57.659
share the

0:02:07.009,0:02:10.670
okay John would you please do the roll

0:02:27.950,0:02:38.430

0:02:31.980,0:02:53.790
Wallace here okay we're gonna get

0:02:38.430,0:02:55.470
started I'm sorry I have to get the can

0:02:53.790,0:03:01.620
everybody see the projects for

0:02:55.470,0:03:07.620
discussion or no no you see the agenda

0:03:01.620,0:03:09.239
yeah yes okay so the John zorroski we're

0:03:07.620,0:03:15.930
gonna start with you and we're gonna

0:03:09.239,0:03:16.620
talk about projects for discussions good

0:03:15.930,0:03:20.069
evening everybody

0:03:16.620,0:03:21.780
John zorroski Casey engineering just go

0:03:20.069,0:03:24.000
through the project list I'd have sent

0:03:21.780,0:03:27.389
it out to you there you go

0:03:24.000,0:03:30.090
so Franny Reese Park is obviously

0:03:27.389,0:03:33.780
construction stopped on the 27th due to

0:03:30.090,0:03:36.150
the kovat orders from the governor

0:03:33.780,0:03:37.739
Ciccione is moved on to an essential

0:03:36.150,0:03:41.190
construction project and probably won't

0:03:37.739,0:03:42.989
be back till August which the completion

0:03:41.190,0:03:46.109
date right now is September 11th that'll

0:03:42.989,0:03:51.620
probably need to be adjusted moving on

0:03:46.109,0:03:58.220
the pedestrian safety improvements tap

0:03:51.620,0:04:03.319
887 16.7 for the d-o-t did approve the

0:03:58.220,0:04:06.959
project the contract has been signed

0:04:03.319,0:04:09.709
contact contact is working through the

0:04:06.959,0:04:12.450
why we work from it I'm in submittals

0:04:09.709,0:04:15.030
the pre-bid meeting will be scheduled

0:04:12.450,0:04:17.370
once that's done construction probably

0:04:15.030,0:04:19.139

will begin around late June

0:04:17.370,0:04:21.989

and the completion date on that is

0:04:19.139,0:04:24.810

October 17th 2020

0:04:21.989,0:04:28.229

I'm utility improvement contract five

0:04:24.810,0:04:32.010

I'm gonna roll out there yeah there we

0:04:28.229,0:04:34.400

go okay we are working with the town

0:04:32.010,0:04:39.419

just to coordinate some of the utilities

0:04:34.400,0:04:43.949

working back and forth with Cpl we're

0:04:39.419,0:04:45.930

moving ahead on that once we get things

0:04:43.949,0:04:49.560

worked out with them we'll be going to

0:04:45.930,0:04:54.060

the Department of Health and the DPW for

0:04:49.560,0:04:56.669

approvals the USDA funding application

0:04:54.060,0:04:58.740

that is pretty much ready to go we just

0:04:56.669,0:05:02.400

need a few bits of information from the

0:04:58.740,0:05:04.500

village mostly financial stuff and that

0:05:02.400,0:05:09.870

is a rolling deadline so we can submit

0:05:04.500,0:05:14.030

that whenever we get it done we did do

0:05:09.870,0:05:17.400

an EFC listing for the projects the I've

0:05:14.030,0:05:18.900
the water main projects we can do them

0:05:17.400,0:05:21.060
all as twelve-inch if that's what the

0:05:18.900,0:05:24.090
village wants to do one of the listings

0:05:21.060,0:05:27.210
was for the water supply facility the

0:05:24.090,0:05:29.370
new building and then also before we put

0:05:27.210,0:05:32.490
in for replacing and upgrading both the

0:05:29.370,0:05:35.479
de la Verne in Willis tank the grease

0:05:32.490,0:05:38.400
trap projects moving forward the EPA

0:05:35.479,0:05:40.410
brownfields is on hold

0:05:38.400,0:05:42.979
although there's some murmuring about

0:05:40.410,0:05:49.110
moving forward on the bleacher leecher e

0:05:42.979,0:05:50.760
the you got a rollup again the sewer and

0:05:49.110,0:05:54.389
water infrastructure study is

0:05:50.760,0:05:55.650
essentially it's been submitted it's

0:05:54.389,0:05:57.630
been circulated we're waiting for

0:05:55.650,0:06:01.050
comments I think furthers been doing on

0:05:57.630,0:06:03.810
that that's on hold and podgy Terrace

0:06:01.050,0:06:07.500
main and water main extension we're just

0:06:03.810,0:06:09.979
waiting for additional action requested

0:06:07.500,0:06:09.979
by the village

0:06:32.370,0:06:37.380
well I mean once the if the order gets

0:06:35.009,0:06:38.819
lifted and essential projects can move

0:06:37.380,0:06:40.169
forward then we can push a little bit

0:06:38.819,0:06:41.759
but right now he's trying to keep his

0:06:40.169,0:06:46.500
his workforce

0:06:41.759,0:06:48.840
you know employed the thing where the

0:06:46.500,0:06:51.240
construction can go back I mean they can

0:06:48.840,0:06:53.190
go back to work well that's the

0:06:51.240,0:06:55.380
governor's order until that's lifted he

0:06:53.190,0:06:57.150
really can't work at the park I don't

0:06:55.380,0:06:58.470
look any essentials I guess I don't

0:06:57.150,0:07:02.280
understand it because I Drive past a

0:06:58.470,0:07:03.870
stop and go high school every day in the

0:07:02.280,0:07:05.669
football fields almost completed and

0:07:03.870,0:07:08.009
they've been working on that sense you

0:07:05.669,0:07:11.660
know beginning of March and they went

0:07:08.009,0:07:11.660
through the whole thing I guess I just

0:07:14.090,0:07:19.199
the contractor is at risk at some like I

0:07:17.400,0:07:25.430
think it's ten thousand a day fine if he

0:07:19.199,0:07:28.139
gets reported yeah what's that

0:07:25.430,0:07:29.849
school project anyway it's exempt and

0:07:28.139,0:07:31.979
it's a lot that they were allowed to

0:07:29.849,0:07:37.320
continue with the construction there you

0:07:31.979,0:07:39.840
go okay so but isn't isn't today the

0:07:37.320,0:07:41.460
first day the construction or yesterday

0:07:39.840,0:07:47.539
the first day that construction projects

0:07:41.460,0:07:47.539
could restart it was like phase one yeah

0:07:49.280,0:07:53.580
yeah we can reach out to

0:07:52.020,0:07:56.960
Ciccione and see if we can get him back

0:07:53.580,0:07:59.820
but again he moved on to another project

0:07:56.960,0:08:13.380
just because I'm not happy with it

0:07:59.820,0:08:15.180
either honestly but well I mean there is

0:08:13.380,0:08:18.060
a completion date is there liquid

0:08:15.180,0:08:21.780
there's if it's one of our contractors

0:08:18.060,0:08:24.229
is probably liquidated damages and once

0:08:21.780,0:08:27.810
the order is lifted he's at risk of

0:08:24.229,0:08:38.880
completion for an adjusted date but

0:08:27.810,0:08:41.550
we'll have to work that out with him you

0:08:38.880,0:08:43.979
know if you had other jobs ours plate

0:08:41.550,0:08:44.340
then our job should be just as important

0:08:43.979,0:08:46.800
as the

0:08:44.340,0:08:50.640
unless it's something that was kicked up

0:08:46.800,0:08:53.160
by emergency meat or whatever so if he's

0:08:50.640,0:08:55.080
out with us for a job and he's doing the

0:08:53.160,0:08:57.590
other job he needs to fulfill his

0:08:55.080,0:09:01.440
responsibilities his contract with us

0:08:57.590,0:09:02.880
well we'll have that conversation with

0:09:01.440,0:09:04.920
them make sure he understands where

0:09:02.880,0:09:06.779
we're coming from but at least give us

0:09:04.920,0:09:08.850
an explanation as to why the other jobs

0:09:06.779,0:09:10.470
are more important if the bans lifted he

0:09:08.850,0:09:13.320
can go back to work and he's got other

0:09:10.470,0:09:15.600
jobs get out is that what were the plans

0:09:13.320,0:09:16.020
all along so something doesn't make

0:09:15.600,0:09:19.589
sense

0:09:16.020,0:09:21.330
no I'm sure I'm sure we'll have this

0:09:19.589,0:09:23.700
conversation with them we'll have a

0:09:21.330,0:09:25.170
conversation with them construction

0:09:23.700,0:09:26.640
workers that want to go back to work if

0:09:25.170,0:09:29.960
he needs to hire some folks they

0:09:26.640,0:09:32.330
probably missed I'm sure there is okay

0:09:29.960,0:09:34.589
thank you

0:09:32.330,0:09:38.940
anything else anything any other

0:09:34.589,0:09:42.589
questions for John no thanks okay I'm

0:09:38.940,0:09:42.589
gonna take off then thank you everybody

0:09:45.770,0:10:00.480
okay okay so the village has been

0:09:58.110,0:10:06.510
working on a draft of the Wappingers

0:10:00.480,0:10:09.089
Falls reopening safely 2020 meant and we

0:10:06.510,0:10:13.410
have a so I just wanted to introduce

0:10:09.089,0:10:15.990
that document and it is something that

0:10:13.410,0:10:20.610
is changing day by day like our attorney

0:10:15.990,0:10:22.650
said but it's also something that we

0:10:20.610,0:10:24.780
haven't received all the information on

0:10:22.650,0:10:28.080
so there's four phases everybody knows

0:10:24.780,0:10:31.530
that there's also essential services

0:10:28.080,0:10:33.990
that have been allowed to operate before

0:10:31.530,0:10:37.770
then the village has been working on its

0:10:33.990,0:10:42.589
own essential service portion but it

0:10:37.770,0:10:46.110
also has laid out phase one guidance and

0:10:42.589,0:10:50.760
some suggestions and it's also already

0:10:46.110,0:10:56.850
been working on phases two three and

0:10:50.760,0:10:57.870
four if and when they get set up and

0:10:56.850,0:11:00.089
allowed

0:10:57.870,0:11:03.240
four groups of people that fall into

0:11:00.089,0:11:08.070
those phases to reopen so I'm just going

0:11:03.240,0:11:13.580
to share that document with you and that

0:11:08.070,0:11:15.870
will be on the that will be able to be

0:11:13.580,0:11:18.779
that will be sent out to all of you

0:11:15.870,0:11:21.210
tomorrow and then I would like to get

0:11:18.779,0:11:22.529
that see if I could get comments back

0:11:21.210,0:12:13.260
from you and then we could get this

0:11:22.529,0:12:19.520
passed at the next meeting about that I

0:12:13.260,0:12:19.520
have about eight different documents and

0:12:20.420,0:12:29.190
okay so the document starts off with

0:12:26.029,0:12:32.250
preamble and some general information

0:12:29.190,0:12:34.950
about the virus itself and lets you know

0:12:32.250,0:12:38.610
that you know this is being developed

0:12:34.950,0:12:46.490
and a changing atmosphere and that we

0:12:38.610,0:12:51.029
are working towards reopening however

0:12:46.490,0:12:52.830
does point out that all levels of

0:12:51.029,0:12:55.470
government are under no illusion that

0:12:52.830,0:12:57.300
there will be 100% compliance with

0:12:55.470,0:12:58.980
personal protection and assembly

0:12:57.300,0:13:01.170
requirements we acknowledged by

0:12:58.980,0:13:03.390
reopening that there is a risk of

0:13:01.170,0:13:06.390
resurgence and the virus that could

0:13:03.390,0:13:09.450
initiate a second way as particularly in

0:13:06.390,0:13:10.920
New York as some states are not yet

0:13:09.450,0:13:13.230
seeing a decrease

0:13:10.920,0:13:16.230
and with people traveling through New

0:13:13.230,0:13:19.649
York that's definitely a potential

0:13:16.230,0:13:22.350
danger but while getting village

0:13:19.649,0:13:25.410
businesses back to work safety will be

0:13:22.350,0:13:27.750
our main focus we also let you know that

0:13:25.410,0:13:30.690
the there are no dates and here going

0:13:27.750,0:13:35.540
into the future the percent certain

0:13:30.690,0:13:38.639
about so we started off looking at

0:13:35.540,0:13:46.230
essential services and in order to look

0:13:38.639,0:13:48.420
at those we reached out to our provider

0:13:46.230,0:13:50.010
of workers comp and they had some

0:13:48.420,0:13:53.070
guidance that they were able to share

0:13:50.010,0:13:54.779
with us and so this guidance is here and

0:13:53.070,0:14:00.180
it starts off talking about cleaning

0:13:54.779,0:14:06.110
policies zoom meetings and virtual

0:14:00.180,0:14:09.300
meetings there will be a training and

0:14:06.110,0:14:11.389
information given to workers telling

0:14:09.300,0:14:14.370
them not to use each other's work phones

0:14:11.389,0:14:17.820
desks offices or other work tools and

0:14:14.370,0:14:23.240
equipment at each personal station I'd

0:14:17.820,0:14:28.199
suggest that we look at filtration and

0:14:23.240,0:14:30.149
we have already worked with our village

0:14:28.199,0:14:32.160
clerk on putting together a plan to

0:14:30.149,0:14:35.940
ensure that we have the proper type and

0:14:32.160,0:14:41.600
number of PPE in inventory which

0:14:35.940,0:14:43.529
includes hand sanitizer masks and gloves

0:14:41.600,0:14:45.449
knowledge that we have different

0:14:43.529,0:14:48.000
departments that we'll need have

0:14:45.449,0:14:51.329
different needs we talked about glove

0:14:48.000,0:14:56.540
use and the right training to go with

0:14:51.329,0:14:59.970
glove use and how there can be

0:14:56.540,0:15:03.589
cross-contamination of PPE and how they

0:14:59.970,0:15:09.510
need to be properly disposed and washing

0:15:03.589,0:15:12.540
potential travel good stop and have and

0:15:09.510,0:15:14.639
we would update our emergency operations

0:15:12.540,0:15:17.760
plan with the help of our local health

0:15:14.639,0:15:20.670
department will identify space that can

0:15:17.760,0:15:23.329
be used to accommodate people if needed

0:15:20.670,0:15:24.420
and we'll develop an emergency

0:15:23.329,0:15:26.010
communication

0:15:24.420,0:15:27.779
plan for distributing timely and

0:15:26.010,0:15:32.310
accurate information to workers and

0:15:27.779,0:15:36.230
those who serve so we have already been

0:15:32.310,0:15:36.230
postponing and cancelling events

0:15:36.410,0:15:43.399
preventative actions will be outlined

0:15:40.519,0:15:47.430
promote supplies at our organization

0:15:43.399,0:15:51.630
soap hand sanitizer tissues trash

0:15:47.430,0:15:55.790
baskets we even have information posted

0:15:51.630,0:15:58.949
by the sinks we have been working on

0:15:55.790,0:16:04.529
changing the way the staff comes in and

0:15:58.949,0:16:06.120
flexible attendance and we have we have

0:16:04.529,0:16:09.420
made sure that we've been able to offer

0:16:06.120,0:16:12.480
accommodations should they be needed so

0:16:09.420,0:16:15.899
we broke these out and we put together

0:16:12.480,0:16:19.529
our own guidelines and we did this with

0:16:15.899,0:16:22.260
John as our safety coordinator John

0:16:19.529,0:16:26.190
cards that is so we have a set up for

0:16:22.260,0:16:27.990
the village hall and since we've been

0:16:26.190,0:16:30.899
looking at that we've gotten hand

0:16:27.990,0:16:34.860
sanitizer dispensers out we've talked to

0:16:30.899,0:16:36.600
the employees about PPE we've been

0:16:34.860,0:16:40.680
working in shifts and we're putting

0:16:36.600,0:16:43.500
dividers between different areas which

0:16:40.680,0:16:45.959
are outlined in this Umbridge section we

0:16:43.500,0:16:51.470
talked about the way we will separate

0:16:45.959,0:16:57.630
visitors from people who work in the

0:16:51.470,0:17:01.529
village hall water department and three

0:16:57.630,0:17:03.060
day rotation masks and Lysol wipes have

0:17:01.529,0:17:05.220
been provided for a clean working

0:17:03.060,0:17:09.419
environment and we talk about the

0:17:05.220,0:17:11.669
highway sewer and garbage group and how

0:17:09.419,0:17:18.949
we know that we need to maintain the

0:17:11.669,0:17:21.959
continuity of service base masks and

0:17:18.949,0:17:26.490
where we got the PPE through the good

0:17:21.959,0:17:30.299
help of our garner fire chief excuse me

0:17:26.490,0:17:32.850
the fire chief Adam Van Tassel jason

0:17:30.299,0:17:35.630
ensign and such as County emergency

0:17:32.850,0:17:38.929
manager he'll feel

0:17:35.630,0:17:41.299
we've made we've talked to the highway

0:17:38.929,0:17:43.250
superintendent about them the equipping

0:17:41.299,0:17:46.580
the trucks for the highway in the water

0:17:43.250,0:17:48.860
department that the personnel are to

0:17:46.580,0:17:53.179
ride alone and separate trucks whenever

0:17:48.860,0:17:56.330
possible the workers are supposed to

0:17:53.179,0:18:00.820
wipe down their work area especially in

0:17:56.330,0:18:03.679
the vehicles with a bleach solution and

0:18:00.820,0:18:07.160
they need to take special care working

0:18:03.679,0:18:11.539
with garbage and sanitary sewer the

0:18:07.160,0:18:13.730
zoning office has put together a plan as

0:18:11.539,0:18:15.770
well which is similar to the village

0:18:13.730,0:18:19.730
hall the court has been working on a

0:18:15.770,0:18:27.350
special plan throughout New York State

0:18:19.730,0:18:30.289
and our appointed judge has been working

0:18:27.350,0:18:36.940
with the entire state on planning for

0:18:30.289,0:18:39.260
smaller courts so that's outlined here

0:18:36.940,0:18:46.400
and talks about the unified court

0:18:39.260,0:18:49.460
systems restrictions we interviewed our

0:18:46.400,0:18:53.840
police commissioner and we've put in a

0:18:49.460,0:19:01.900
section about that and the firehouse has

0:18:53.840,0:19:06.080
also developed its own set of procedures

0:19:01.900,0:19:08.179
so after these that's those are

0:19:06.080,0:19:10.460
essential services that the village of

0:19:08.179,0:19:13.070
Wappingers Falls provides but then the

0:19:10.460,0:19:16.940
governor has set up a phased reopening

0:19:13.070,0:19:18.409
of businesses and it involves phase one

0:19:16.940,0:19:20.539
which was yesterday which is

0:19:18.409,0:19:23.990
construction manufacturing and wholesale

0:19:20.539,0:19:27.020
supply chain and select retail is able

0:19:23.990,0:19:29.419
to do curbside pickup Phase two would be

0:19:27.020,0:19:33.380
professional services finance and

0:19:29.419,0:19:36.530
insurance retail administrative support

0:19:33.380,0:19:38.929
real estate renter leasing there are

0:19:36.530,0:19:40.970
dates set up for these but those change

0:19:38.929,0:19:42.020
everyday so we have not put any

0:19:40.970,0:19:45.770
specifics

0:19:42.020,0:19:48.620
excuse me specific dates and if there is

0:19:45.770,0:19:53.450
a an algorithm that they look at

0:19:48.620,0:19:55.940
judge the results of the seven ways of

0:19:53.450,0:19:58.250
measuring the virus is effect on the

0:19:55.940,0:20:00.559
different regions Phase three with the

0:19:58.250,0:20:02.510
restaurants and food services hotels and

0:20:00.559,0:20:05.690
accommodations and phase four would be

0:20:02.510,0:20:07.490
large assembly areas which includes arts

0:20:05.690,0:20:12.410
entertainment and recreation and

0:20:07.490,0:20:15.140
education though for the village we've

0:20:12.410,0:20:16.790
identified our private construction

0:20:15.140,0:20:20.500
projects and our public construction

0:20:16.790,0:20:23.420
projects and we have provided guidance

0:20:20.500,0:20:28.309
from New York State's Executive

0:20:23.420,0:20:34.910
guidelines from the four for Phase one

0:20:28.309,0:20:37.880
businesses and the burners website has a

0:20:34.910,0:20:40.690
whole section on what is mandatory and

0:20:37.880,0:20:45.620
what are recommended best practices and

0:20:40.690,0:20:48.020
so we as enforcement will need to be

0:20:45.620,0:20:54.520
aware of these so we will get these to

0:20:48.020,0:20:57.730
our police and Zoning a protective

0:20:54.520,0:21:02.620
protective equipment physical distance

0:20:57.730,0:21:12.520
cleaning and hygiene and communication

0:21:02.620,0:21:16.010
screening so then it gets into more

0:21:12.520,0:21:18.500
specific guidelines gets even to greater

0:21:16.010,0:21:20.960
detail and there is a section which

0:21:18.500,0:21:22.400
might not apply so heavily it does not

0:21:20.960,0:21:28.429
apply to us the nine food-related

0:21:22.400,0:21:30.770
agriculture guidelines so and there's a

0:21:28.429,0:21:34.190
specific section for curbside and end

0:21:30.770,0:21:36.800
store pickup for retail for both

0:21:34.190,0:21:38.750
employers and employees as far as

0:21:36.800,0:21:42.190
physical distancing protective equipment

0:21:38.750,0:21:47.690
hygiene and cleaning communication

0:21:42.190,0:21:54.850
screening manufacturing has the same set

0:21:47.690,0:21:54.850
of areas of

0:21:58.270,0:22:07.580
and wholesale trade does too and so that

0:22:04.940,0:22:09.200
is everything in that section so well

0:22:07.580,0:22:12.620
the governor's office has come up with

0:22:09.200,0:22:14.990
guidance on that particular group they

0:22:12.620,0:22:18.320
have not yet come up for guidance on

0:22:14.990,0:22:21.260
phase two so we provided and we will

0:22:18.320,0:22:23.090
update with the governor's guidance but

0:22:21.260,0:22:26.060
first of all right now we just have

0:22:23.090,0:22:31.400
guidance from the Center for Disease

0:22:26.060,0:22:33.980
Control and we are identifying the

0:22:31.400,0:22:38.930
village construction projects which I

0:22:33.980,0:22:40.940
guess has not yet started so those are

0:22:38.930,0:22:44.810
for an Erie spark Bane Park in the route

0:22:40.940,0:22:49.670
90 pedestrian maintenance project nine

0:22:44.810,0:22:51.650
restaurant and eatery businesses the and

0:22:49.670,0:22:52.910
so we've been working with the

0:22:51.650,0:22:55.190
Wappingers Falls business and

0:22:52.910,0:22:57.260
professional association to help the

0:22:55.190,0:22:59.720
organization and process of opening the

0:22:57.260,0:23:02.540
village safely we've got these

0:22:59.720,0:23:08.770
guidelines but these expect to be

0:23:02.540,0:23:11.540
updated with more more New York State

0:23:08.770,0:23:16.190
mandatory and New York states that

0:23:11.540,0:23:22.040
bested practices for these specific

0:23:16.190,0:23:24.320
phase two operations phase three for the

0:23:22.040,0:23:27.950
village we have an appendix attached to

0:23:24.320,0:23:30.110
this of the eateries and the village we

0:23:27.950,0:23:33.380
have been working with individual

0:23:30.110,0:23:37.070
eateries and you'd expect with plazas

0:23:33.380,0:23:40.150
we've divided the groups into plazas

0:23:37.070,0:23:43.690
that have multiple restaurants in them

0:23:40.150,0:23:46.790
we've talked to their landlords about

0:23:43.690,0:23:52.660
whether or not that is like wards would

0:23:46.790,0:23:55.790
be open to nine site plan approval of

0:23:52.660,0:23:58.310
processes that the businesses might be

0:23:55.790,0:24:00.800
allowed to do if they're okay with that

0:23:58.310,0:24:02.780
we would go further with the businesses

0:24:00.800,0:24:05.530
and talk about whether or not they might

0:24:02.780,0:24:08.000
take up a part of a parking lot or

0:24:05.530,0:24:08.909
something else and we've been talking to

0:24:08.000,0:24:10.470
the

0:24:08.909,0:24:12.389
some other piece of real estate that

0:24:10.470,0:24:14.940
they own we've been talking to our

0:24:12.389,0:24:18.629
attorneys about how that's been working

0:24:14.940,0:24:21.019
in other communities and we've also

0:24:18.629,0:24:24.539
identified and we'll talk about later

0:24:21.019,0:24:26.909
whether or not the board would allow for

0:24:24.539,0:24:30.749
there to be picnic tables set up in our

0:24:26.909,0:24:34.999
public parks that could be used by

0:24:30.749,0:24:38.749
anyone who visits our parks from any

0:24:34.999,0:24:41.519
eating establishment it could enjoy

0:24:38.749,0:24:47.039
eating in our parks out of one of our

0:24:41.519,0:24:51.389
picnic tables so there are all kinds of

0:24:47.039,0:24:55.019
safeguards that have to do with the put

0:24:51.389,0:24:57.570
the CDC lists here for how to work

0:24:55.019,0:25:02.159
inside the restaurants and those are

0:24:57.570,0:25:04.979
listed here and then phase 4 would be

0:25:02.159,0:25:06.419
cinemas and theaters so we have already

0:25:04.979,0:25:10.049
been talking to the County Players

0:25:06.419,0:25:13.759
Theatre they are interested in doing a

0:25:10.049,0:25:18.450
July performance on in the Missouri Park

0:25:13.759,0:25:20.129
we have expressed interest in hearing

0:25:18.450,0:25:23.429
more about what they might be able to

0:25:20.129,0:25:25.849
put together we if they were going to do

0:25:23.429,0:25:29.700
something like that we would need to

0:25:25.849,0:25:32.639
also have our police force there just to

0:25:29.700,0:25:36.179
make sure that people are gently

0:25:32.639,0:25:38.970
reminded that there might be some

0:25:36.179,0:25:41.249
members of the vulnerable populations

0:25:38.970,0:25:44.609
that have come to enjoy the performance

0:25:41.249,0:25:47.820
and that people should maintain distance

0:25:44.609,0:25:52.019
between anybody that's not within their

0:25:47.820,0:25:55.109
households this also is something that

0:25:52.019,0:25:57.679
needs to be looked at for the places of

0:25:55.109,0:26:02.159
worship the village of weapon Jers Falls

0:25:57.679,0:26:08.210
hosts you know we're only 5,500 people

0:26:02.159,0:26:11.609
but our places of worship have more than

0:26:08.210,0:26:13.739
6,000 worshipers come into the village

0:26:11.609,0:26:16.440
of weapon Jers Falls to use our

0:26:13.739,0:26:20.279
different places of worship and so they

0:26:16.440,0:26:22.610
have a set of guidelines that are for

0:26:20.279,0:26:25.850
them the summer camp

0:26:22.610,0:26:29.040
would have its own set of guidelines the

0:26:25.850,0:26:33.679
village board has already met with the

0:26:29.040,0:26:37.350
recreation committee and decided that we

0:26:33.679,0:26:40.620
do not have the right infrastructure in

0:26:37.350,0:26:43.380
place to meet the guidelines set up as

0:26:40.620,0:26:45.540
we understand them we would continue to

0:26:43.380,0:26:51.750
look at that but that's where we are

0:26:45.540,0:26:54.410
right now we put links in this document

0:26:51.750,0:26:57.809
so that people can get to other

0:26:54.410,0:27:01.429
locations and where the governor has his

0:26:57.809,0:27:07.020
own guidance and where there might be

0:27:01.429,0:27:09.090
guidance from other other areas so

0:27:07.020,0:27:11.520
that's basically the plan and I just

0:27:09.090,0:27:13.559
wanted to introduce it to my and see if

0:27:11.520,0:27:16.650
I could get it out to everybody tomorrow

0:27:13.559,0:27:18.900
and ask you guys to comment on it and

0:27:16.650,0:27:31.320
then I would like to have a meeting

0:27:18.900,0:27:34.490
about this with our next meeting okay so

0:27:31.320,0:27:37.020
if there are there any questions on this

0:27:34.490,0:27:45.470
if you have any questions while you're

0:27:37.020,0:27:49.940
looking at it just give me a shout so

0:27:45.470,0:27:49.940
that's a good lead into some other

0:28:02.879,0:28:18.849
the next items on the agenda I think we

0:28:14.529,0:28:22.590
have quite a few restaurants who were

0:28:18.849,0:28:27.220
interested in us using portions of our

0:28:22.590,0:28:29.169
Missouri Park maybe Mary Ross Park when

0:28:27.220,0:28:31.809
Franny Reese Park is done that might be

0:28:29.169,0:28:33.820
something that we could consider we

0:28:31.809,0:28:38.950
would be able to use these picnic tables

0:28:33.820,0:28:43.239
down at the derrick and park down on the

0:28:38.950,0:28:46.869
creek we've got some funding to be able

0:28:43.239,0:28:50.169
to purchase them through one of those

0:28:46.869,0:28:53.080
through that program but until that Park

0:28:50.169,0:28:57.369
is opened we could keep the picnic

0:28:53.080,0:29:02.259
tables at another location so I'd like

0:28:57.369,0:29:06.849
to ask the board if we could have two or

0:29:02.259,0:29:09.460
three board members work on setting that

0:29:06.849,0:29:13.269
the sections up in the park and helping

0:29:09.460,0:29:16.809
us to develop the right procedures for

0:29:13.269,0:29:19.929
that and I'd like to ask Kevin if if he

0:29:16.809,0:29:25.559
might be somebody who can take that up

0:29:19.929,0:29:25.559
as a as the leader of that group

0:29:26.129,0:29:29.399
sure absolutely

0:29:31.259,0:29:39.989
okay good the only thing I may have a

0:29:35.799,0:29:39.989
problem with and I brought this up just

0:29:42.659,0:29:46.479
who would lease the area to make sure

0:29:44.979,0:29:48.869
everything was cleaned up that's that's

0:29:46.479,0:29:52.509
the problem with Mike come from across

0:29:48.869,0:29:56.440
you know I'm saying the restaurant came

0:29:52.509,0:29:59.830
in and the person that ordered it could

0:29:56.440,0:30:02.289
you leave your stuff behind yes the

0:29:59.830,0:30:06.519
right now the guidance doesn't allow for

0:30:02.289,0:30:10.029
a restaurant to have table service in

0:30:06.519,0:30:12.490
the park yeah well what is allowed is

0:30:10.029,0:30:15.010
other people to pick

0:30:12.490,0:30:16.630
they're items in the restaurant and take

0:30:15.010,0:30:19.150
themselves up so it would be no

0:30:16.630,0:30:22.540
different than littering or that already

0:30:19.150,0:30:24.640
exists from people who use our picnic

0:30:22.540,0:30:27.160
areas but we would still definitely need

0:30:24.640,0:30:31.090
a procedure in place okay

0:30:27.160,0:30:34.660
Cara though so in the tables could not

0:30:31.090,0:30:36.280
be reserved for any one restaurant or

0:30:34.660,0:30:39.250
person they would just this would just

0:30:36.280,0:30:45.780
be Park equipment that would be there

0:30:39.250,0:30:45.780
for anyone who visits our part okay so

0:30:46.950,0:30:55.630
okay so the board's okay with that could

0:30:52.390,0:31:02.890
we I'd like to ask if we could take a

0:30:55.630,0:31:06.010
vote to allow for picnic areas to be

0:31:02.890,0:31:09.460
developed in Missouri Park and Mary Ross

0:31:06.010,0:31:10.900
Park and we would come back if there

0:31:09.460,0:31:13.870
were going to be any others and that

0:31:10.900,0:31:18.060
would be contingent upon review by the

0:31:13.870,0:31:21.220
parks committee which is Kevin Huber and

0:31:18.060,0:31:24.340
two other members of the board up to two

0:31:21.220,0:31:30.430
other members of the board and a group

0:31:24.340,0:31:33.940
that Kevin puts together and Kevin you

0:31:30.430,0:31:36.130
should also check in with our attorney

0:31:33.940,0:31:39.640
just to make sure if there's some

0:31:36.130,0:31:41.260
special request if it it should be just

0:31:39.640,0:31:42.940
as I described it but if there's some

0:31:41.260,0:31:47.830
special request you should check in with

0:31:42.940,0:31:52.780
our attorney could we get a motion I'll

0:31:47.830,0:31:57.220
make it a second okay with that second

0:31:52.780,0:32:05.560
bite Billy yeah okay all those in favor

0:31:57.220,0:32:11.320
aye so I have no one as opposed is that

0:32:05.560,0:32:16.150
right right the next item on the agenda

0:32:11.320,0:32:22.270
is I am in receipt of a request to look

0:32:16.150,0:32:26.160
at the parking parking spaces that are

0:32:22.270,0:32:28.380
lined out on Moran Avenue at the

0:32:26.160,0:32:29.630
northernmost end of Moran Avenue we're

0:32:28.380,0:32:32.970
at dead ends

0:32:29.630,0:32:36.000
there's a request to make those a 20

0:32:32.970,0:32:40.140
minute parking area right now there's no

0:32:36.000,0:32:41.700
time limit on them so I think before we

0:32:40.140,0:32:43.770
go any further I'd talked to our

0:32:41.700,0:32:45.750
attorney about it and I'd like to ask if

0:32:43.770,0:32:48.930
we could push this over to our attorney

0:32:45.750,0:32:52.320
to find out who has jurisdiction over

0:32:48.930,0:32:55.280
that real estate and to see if this is

0:32:52.320,0:32:57.600
something that we possibly can legislate

0:32:55.280,0:33:04.260
before we start talking about

0:32:57.600,0:33:09.990
legislating it yeah prop really can take

0:33:04.260,0:33:12.690
you us to the Dairy Queen yes so there's

0:33:09.990,0:33:14.160
a question just so you know the board is

0:33:12.690,0:33:17.970
aware there's a question as to whether

0:33:14.160,0:33:20.340
or not it is state and the state in the

0:33:17.970,0:33:22.860
state right away or whether the village

0:33:20.340,0:33:26.310
owns the property so gonna have to

0:33:22.860,0:33:28.800
explore that a little bit I asked the

0:33:26.310,0:33:30.840
mayor to reach out to our village

0:33:28.800,0:33:34.440
engineer you know to just see if they

0:33:30.840,0:33:36.990
can also get us a quick answer as to

0:33:34.440,0:33:43.170
whether or not state you know as

0:33:36.990,0:33:45.600
jurisdiction over that area okay are

0:33:43.170,0:33:49.050
there any questions should show and

0:33:45.600,0:33:52.170
parcel access shouldn't it now it like

0:33:49.050,0:33:54.840
it often does for roadways it doesn't

0:33:52.170,0:33:59.570
give us more definite does not give any

0:33:54.840,0:34:03.240
d-o-t right-of-way information and

0:33:59.570,0:34:09.350
doesn't show any ownership which is not

0:34:03.240,0:34:11.730
likely the case yeah I'd rather not

0:34:09.350,0:34:13.290
recommend the spending any money on an

0:34:11.730,0:34:15.720
abstract either I think this is

0:34:13.290,0:34:17.730
something that is readily you know we

0:34:15.720,0:34:20.990
can find that out yeah I having to

0:34:17.730,0:34:20.990
expend money on an abstract

0:34:25.070,0:34:30.090
okay so there's no action to be taken on

0:34:28.139,0:34:33.030
this but I just this is just to let you

0:34:30.090,0:34:35.370
know what's coming up and if we get

0:34:33.030,0:34:37.050
closer on this will will talk to you

0:34:35.370,0:34:40.470
more this does this area these parking

0:34:37.050,0:34:42.899
spots actually serve not just Dairy

0:34:40.470,0:34:47.629
Queen but there's two businesses to the

0:34:42.899,0:34:51.419
north of the dead-end and then there are

0:34:47.629,0:34:56.429
at least two or three businesses on the

0:34:51.419,0:35:03.090
west side of Moran Avenue so all of them

0:34:56.429,0:35:07.860
would have access to those spots okay

0:35:03.090,0:35:14.990
I was also contacted by Orchard View

0:35:07.860,0:35:22.640
school's principal Laura DeStefano and

0:35:14.990,0:35:25.350
she asked me if on June 26 2020 that the

0:35:22.640,0:35:29.370
graduates of Orchard View could line up

0:35:25.350,0:35:34.200
at Missouri Park in cars separated from

0:35:29.370,0:35:39.030
each other and you know through the park

0:35:34.200,0:35:41.550
and then drive south down south nazir

0:35:39.030,0:35:44.010
after they cross East Main Street and

0:35:41.550,0:35:46.830
make a left onto Maple Avenue and then a

0:35:44.010,0:35:49.950
right went major McDonald's way it would

0:35:46.830,0:35:53.760
start at 9:45 in the morning they're

0:35:49.950,0:35:57.390
asking if they can use nazir park they

0:35:53.760,0:36:00.750
can proceed down south Missouri Avenue

0:35:57.390,0:36:03.000
and they're also asking they asked me if

0:36:00.750,0:36:06.660
they can close major McDonald's way from

0:36:03.000,0:36:09.840
9:45 to 11:30 the village doesn't

0:36:06.660,0:36:12.390
actually have any part of that but we we

0:36:09.840,0:36:14.700
could close our entrance into it if

0:36:12.390,0:36:16.860
that's something that we're interested

0:36:14.700,0:36:18.510
in we put up signs to let people know

0:36:16.860,0:36:20.010
that that was happening but I think they

0:36:18.510,0:36:22.170
actually have jurisdiction over that

0:36:20.010,0:36:26.970
Road themselves because it's part of the

0:36:22.170,0:36:31.050
school I know that they have to maintain

0:36:26.970,0:36:33.320
it so are there any comments about that

0:36:31.050,0:36:33.320
or

0:36:33.430,0:36:44.320
yeah great idea okay there's only about

0:36:37.290,0:36:47.200
30 graduates and no way would they would

0:36:44.320,0:36:49.510
have the graduation outside so it would

0:36:47.200,0:36:51.430
I'm also happy that it would be so close

0:36:49.510,0:36:54.610
for village residents if they wanted to

0:36:51.430,0:36:59.710
attend it if they had kids going there

0:36:54.610,0:37:02.320
so if there's no if there's no comments

0:36:59.710,0:37:04.420
that we need to talk about is there

0:37:02.320,0:37:07.030
anybody that wants to make a motion I'll

0:37:04.420,0:37:10.090
make it I'll second it seconded by

0:37:07.030,0:37:13.690
trustee Davis motion made by trustee

0:37:10.090,0:37:21.520
Vanessa all those in favor aye aye

0:37:13.690,0:37:24.250
any opposed okay I think that's all I

0:37:21.520,0:37:25.750
had for the published part of the agenda

0:37:24.250,0:37:29.160
does the board have anything that it

0:37:25.750,0:37:29.160
wants to bring up at this time I

0:37:30.870,0:37:36.220
decadent person all right wait before we

0:37:34.810,0:37:37.870
go there I'd like to thank the highway

0:37:36.220,0:37:42.280
department I stopped to talk with Pete

0:37:37.870,0:37:45.310
last week and they redid the pathways or

0:37:42.280,0:37:49.360
Nazir Park to save us a little money

0:37:45.310,0:37:53.350
from Jim BAE's they used to do it okay

0:37:49.360,0:38:00.940
good he did all the trails Beauty good

0:37:53.350,0:38:03.150
half and Jimmy does the other half okay

0:38:00.940,0:38:03.150
good

0:38:03.480,0:38:12.790
loose road signs are marked out or they

0:38:07.300,0:38:17.920
go to location Oh excellent

0:38:12.790,0:38:21.760
oh good to see how that works so we'll

0:38:17.920,0:38:24.070
see it could be used on other streets if

0:38:21.760,0:38:27.460
the people on the streets want them

0:38:24.070,0:38:30.520
it took some finagling for locations to

0:38:27.460,0:38:37.260
be found but it's it's all good we're

0:38:30.520,0:38:39.880
ready to go good good job anything else

0:38:37.260,0:38:41.620
no no so

0:38:39.880,0:38:46.300
I believe somebody wants I went to

0:38:41.620,0:38:55.060
executive so I'd like to talk about Ivan

0:38:46.300,0:38:59.170
personnel yeah okay hey I think the vote

0:38:55.060,0:39:02.560
so there's there would not be a vote

0:38:59.170,0:39:08.620
after this or is this for discussion

0:39:02.560,0:39:21.010
only okay so this so okay so could we

0:39:08.620,0:39:22.600
get a motion to go into executive Matt

0:39:21.010,0:39:26.380
can you send me a copy of the agenda

0:39:22.600,0:39:31.270
tonight yes so you should have a I think

0:39:26.380,0:39:38.680
oh I'll send you a copy of it I have it

0:39:31.270,0:39:42.630
thank you okay so thank you for a thank

0:39:38.680,0:39:45.870
you and we will see you it's time so

0:39:42.630,0:39:45.870
nice there
