

2020-07-29 Village Board Meeting

This file is the transcript with time stamps for video found at:

<https://youtu.be/8swwpIbcudg>

0:00:06.240,0:00:09.200
okay

0:00:06.720,0:00:10.080
welcome to the village of wepinger's

0:00:09.200,0:00:12.240
falls

0:00:10.080,0:00:13.120
meeting of the mayor and the board of

0:00:12.240,0:00:18.080
trustees

0:00:13.120,0:00:21.199
for today july 29th 2020

0:00:18.080,0:00:23.760
please join me in the pledge of

0:00:21.199,0:00:23.760
allegiance

0:00:25.000,0:00:28.960
[Music]

0:00:26.400,0:00:30.320
i pledge allegiance to the flag of the

0:00:28.960,0:00:34.160
united states

0:00:30.320,0:00:38.079
of america for which it

0:00:34.160,0:00:41.120
stands one nation under god

0:00:38.079,0:00:44.559
indivisible with liberty

0:00:41.120,0:00:47.600
and justice for all okay

0:00:44.559,0:00:49.520
uh and john karge would you do the roll

0:00:47.600,0:00:52.719
call

0:00:49.520,0:00:52.719
okay roll call

0:00:53.039,0:00:59.840
mayor alexander here

0:00:56.160,0:00:59.840
trustee markijan

0:01:03.359,0:01:13.440
kevin i'm here

0:01:08.240,0:01:16.530
trustee davis yeah rusty kimornik

0:01:13.440,0:01:16.530
[Music]

0:01:16.560,0:01:20.479
here rusty huber

0:01:23.280,0:01:27.840
here trustee lamarz

0:01:28.640,0:01:32.640
trustee lammers is attending the uh

0:01:31.280,0:01:35.280
village

0:01:32.640,0:01:37.600
of weapons falls historical society

0:01:35.280,0:01:41.840
event tonight

0:01:37.600,0:01:41.840
rusty panesa

0:01:42.640,0:01:45.119
absent

0:01:46.240,0:01:55.840
village attorney wallace here

0:01:57.280,0:02:00.799
okay uh so

0:02:02.640,0:02:06.799
i've confirmed with the village attorney

0:02:04.719,0:02:08.879
that tonight's meeting has been convened

0:02:06.799,0:02:12.200
in accordance with the governor's march

0:02:08.879,0:02:15.680
13 2020 executive order

0:02:12.200,0:02:16.319
202.1 and all superseding orders which

0:02:15.680,0:02:18.400
suspend

0:02:16.319,0:02:19.680
certain provisions of the open meetings

0:02:18.400,0:02:22.239
law to allow

0:02:19.680,0:02:24.160
a municipal board to convene a meeting

0:02:22.239,0:02:26.239
via video conferencing

0:02:24.160,0:02:28.160
in accordance with the executive order

0:02:26.239,0:02:30.640
the public has been provided with the

0:02:28.160,0:02:31.440
ability to view tonight's work session

0:02:30.640,0:02:33.840
meeting

0:02:31.440,0:02:34.959
and a transcript will be provided at a

0:02:33.840,0:02:36.640
later date

0:02:34.959,0:02:38.400
we've done a roll call of the board

0:02:36.640,0:02:40.319
members and there is a quorum present

0:02:38.400,0:02:42.080
for this meeting i've also confirmed

0:02:40.319,0:02:43.680
with the village clerk that this meeting

0:02:42.080,0:02:46.239
has been duly noticed

0:02:43.680,0:02:48.480
we've fulfilled our legal requirement

0:02:46.239,0:02:50.800
and uh that we've done that by posting a

0:02:48.480,0:02:51.680
notice in the village's bulletin boards

0:02:50.800,0:02:55.920
faxing

0:02:51.680,0:02:56.480
to news organizations etc and posting

0:02:55.920,0:02:59.040
notice

0:02:56.480,0:03:02.959
on the village homepage of its website

0:02:59.040,0:03:06.480
and listing on the village facebook page

0:03:02.959,0:03:09.840
so uh we're gonna get started with

0:03:06.480,0:03:10.159
um so tonight i think what we're gonna

0:03:09.840,0:03:12.800
do

0:03:10.159,0:03:15.599
first is the notice of violations is

0:03:12.800,0:03:15.599
that correct john

0:03:16.840,0:03:21.440
yes

0:03:18.239,0:03:22.319
so uh will our attorney lead us through

0:03:21.440,0:03:24.959
those

0:03:22.319,0:03:25.360
yes we have two violation orders that

0:03:24.959,0:03:28.879
were

0:03:25.360,0:03:30.879
issued otrs by um

0:03:28.879,0:03:33.040
by brian murphy who is present here

0:03:30.879,0:03:35.920
tonight and

0:03:33.040,0:03:36.560
i just wanted to touch on 10 north

0:03:35.920,0:03:38.720
street

0:03:36.560,0:03:40.799
all right ron and i have been working on

0:03:38.720,0:03:42.640
that particular matter

0:03:40.799,0:03:43.920
and this is under the new property

0:03:42.640,0:03:46.640
maintenance code so

0:03:43.920,0:03:48.319
as you can see that particular property

0:03:46.640,0:03:51.360
maintenance code has been

0:03:48.319,0:03:54.000
um actually been a good enforcement tool

0:03:51.360,0:03:55.120
um at our disposal it's already paying

0:03:54.000,0:03:58.400
dividends

0:03:55.120,0:04:01.760
so that particular owner uh

0:03:58.400,0:04:03.120
contacted an attorney um and i spoke to

0:04:01.760,0:04:06.159
that attorney today and

0:04:03.120,0:04:09.280
actually um some of the

0:04:06.159,0:04:11.439
violations have been remediated um

0:04:09.280,0:04:13.439
i think there were some abandoning cars

0:04:11.439,0:04:15.840
according to brian who can fill you in

0:04:13.439,0:04:16.959
a little bit better than i can so what

0:04:15.840,0:04:20.639
we agreed to do

0:04:16.959,0:04:23.840
with his attorney and i was to um

0:04:20.639,0:04:25.919
adjourn this matter indefinitely and if

0:04:23.840,0:04:27.199
there's a need to come back before the

0:04:25.919,0:04:30.000
board

0:04:27.199,0:04:32.000
to address any work that or scope of

0:04:30.000,0:04:34.479
work that would have to be performed

0:04:32.000,0:04:36.080
by the village we can take that up at a

0:04:34.479,0:04:37.680
later date but i don't think that that's

0:04:36.080,0:04:39.440
going to be necessary

0:04:37.680,0:04:41.280
given the fact that he has come forward

0:04:39.440,0:04:44.479
in good faith so i'm going gonna

0:04:41.280,0:04:46.960

ask the uh at the conclusion of

0:04:44.479,0:04:48.320

brian's um discussion in front of you

0:04:46.960,0:04:51.360

i'm gonna ask the board

0:04:48.320,0:04:52.639

to make a motion to uh adjourn that

0:04:51.360,0:04:55.120

particular matter

0:04:52.639,0:04:57.600

uh to a later date and i don't have a

0:04:55.120,0:05:00.720

date for it yet but let's adjourn it

0:04:57.600,0:05:01.919

um for at least two months let's see

0:05:00.720,0:05:03.919

what happens

0:05:01.919,0:05:05.600

brian you want to have do you have any

0:05:03.919,0:05:08.320

comment you want to have

0:05:05.600,0:05:09.440

i i agree with you uh you know i think

0:05:08.320,0:05:11.840

in a german for

0:05:09.440,0:05:13.360

two months will allow us to work further

0:05:11.840,0:05:19.039

with the uh

0:05:13.360,0:05:19.039

owner of the property um they did remove

0:05:19.680,0:05:22.960

four unregistered vehicles within the

0:05:21.759,0:05:25.360

last couple days

0:05:22.960,0:05:27.120
and uh are attempting to clean it up and

0:05:25.360,0:05:31.600
like you like you were saying earlier

0:05:27.120,0:05:35.120
i had spoken with his attorney also who

0:05:31.600,0:05:37.440
had reiterated that you know he's

0:05:35.120,0:05:39.280
you know speaking with his client to uh

0:05:37.440,0:05:41.680
to help us get this property cleaned up

0:05:39.280,0:05:42.479
and that's that's really all i have to

0:05:41.680,0:05:44.400
say with that

0:05:42.479,0:05:46.080
except mayor i don't know if you wanted

0:05:44.400,0:05:49.199
to share videos i

0:05:46.080,0:05:52.400
sent you a couple emails with uh some

0:05:49.199,0:05:54.479
pictures that we issued the otrs

0:05:52.400,0:05:57.120
for and then some pictures that were

0:05:54.479,0:06:00.319
taken today that are showing everything

0:05:57.120,0:06:00.319
other vehicles removed

0:06:01.120,0:06:05.199
yeah so i think what we'll do is since

0:06:03.039,0:06:06.319
we're going to be putting this off

0:06:05.199,0:06:10.800
anyway we will

0:06:06.319,0:06:12.639
um just save those for the next meeting

0:06:10.800,0:06:14.160
but uh suffice it to say that the

0:06:12.639,0:06:15.919
pictures show that they

0:06:14.160,0:06:17.680
there has been improvement on the

0:06:15.919,0:06:22.319
property and

0:06:17.680,0:06:25.680
uh and it is a um it's not insubstantial

0:06:22.319,0:06:28.160
and we're uh so when we

0:06:25.680,0:06:30.319
take a vote we'll we'll consider whether

0:06:28.160,0:06:32.400
or not this is something that we

0:06:30.319,0:06:35.280
uh would like to put off until the next

0:06:32.400,0:06:36.880
time until august 12th

0:06:35.280,0:06:39.120
well mayor i was going to suggest that

0:06:36.880,0:06:40.960
we put this off to september 9th

0:06:39.120,0:06:42.240
oh okay that's right i'm sorry i heard

0:06:40.960,0:06:45.280
that or or

0:06:42.240,0:06:47.120
september 23 whenever you know i

0:06:45.280,0:06:49.759
think maybe the 23rd would be

0:06:47.120,0:06:50.160
since it's a workshop that would be a

0:06:49.759,0:06:52.960
less

0:06:50.160,0:06:54.160
traffic on the agenda okay so why don't

0:06:52.960,0:06:55.919
we put it up um

0:06:54.160,0:06:58.240
i'm going to ask the board to make a

0:06:55.919,0:07:01.039
motion to adjourn

0:06:58.240,0:07:04.720
this matter for a possible fact finding

0:07:01.039,0:07:07.440
hearing on september 23 at the workshop

0:07:04.720,0:07:08.639
meeting um so i've asked the board to

0:07:07.440,0:07:11.440
make a motion

0:07:08.639,0:07:13.360
and so that's just for 10 north street

0:07:11.440,0:07:15.520
that's just for 10 north stream

0:07:13.360,0:07:17.840
okay so is there any discussion from the

0:07:15.520,0:07:17.840
board

0:07:18.080,0:07:21.360
so he hasn't until the 23rd to clean it

0:07:20.880,0:07:23.520
up

0:07:21.360,0:07:23.520
right

0:07:24.479,0:07:27.520
this is what uh brian is going to now

0:07:26.720,0:07:28.960
take like

0:07:27.520,0:07:31.120
he's going to go back there and we're

0:07:28.960,0:07:31.520
going to take he's going to take note of

0:07:31.120,0:07:34.319
what

0:07:31.520,0:07:35.840
violations remain and then we're going

0:07:34.319,0:07:39.199
to go back to his attorney

0:07:35.840,0:07:39.599
and see if we can you know if he can if

0:07:39.199,0:07:41.919
he can

0:07:39.599,0:07:44.000
uh start chipping away at the various

0:07:41.919,0:07:47.520
violations right brian

0:07:44.000,0:07:50.560
yes yep so that if there

0:07:47.520,0:07:52.960
he's able to get him done and resolve to

0:07:50.560,0:07:53.840
uh brian murphy's satisfaction you know

0:07:52.960,0:07:57.039
i'm hoping that

0:07:53.840,0:07:59.680
that that matter can actually be

0:07:57.039,0:08:01.440
your consideration because the whole

0:07:59.680,0:08:03.199
idea here is just

0:08:01.440,0:08:04.639
it's not to penalize it's it's the

0:08:03.199,0:08:10.000
cleaning up that's all

0:08:04.639,0:08:10.000
you want remediation agreed

0:08:10.840,0:08:14.400
okay

0:08:12.160,0:08:16.479
it would be a control date i guess for

0:08:14.400,0:08:17.199
september 23 at this particular time

0:08:16.479,0:08:19.120
unless

0:08:17.199,0:08:20.400
we're not seeing good signs and if

0:08:19.120,0:08:22.080
that's the case

0:08:20.400,0:08:23.520
you know we may have a hearing on that

0:08:22.080,0:08:26.240
date and uh

0:08:23.520,0:08:27.360
we'll give you brian will give you the

0:08:26.240,0:08:31.280
scope of work

0:08:27.360,0:08:34.560
way in advance right brian yeah

0:08:31.280,0:08:37.200
okay so i'd ask the board to get to uh

0:08:34.560,0:08:39.839
make a motion to adjourn this matter for

0:08:37.200,0:08:41.440
control purposes to september

0:08:39.839,0:08:44.640
all right so is there any other

0:08:41.440,0:08:44.640
discussion from the board

0:08:46.480,0:08:50.959
if there's no other discussion can we

0:08:48.320,0:08:50.959
get a motion

0:08:51.440,0:08:58.720
i'll make the motion second

0:08:54.800,0:09:02.240
second seconded by

0:08:58.720,0:09:05.920
who was that billy market

0:09:02.240,0:09:09.040
all those in favor hi i

0:09:05.920,0:09:12.160
am he opposed

0:09:09.040,0:09:12.160
are there any opposed

0:09:14.399,0:09:20.800
okay so uh that passes

0:09:17.600,0:09:23.839
and what i have is that um

0:09:20.800,0:09:28.240
there's four board members as

0:09:23.839,0:09:28.240
eyes and two are absent

0:09:29.279,0:09:35.680
okay so uh is there any

0:09:33.120,0:09:37.279
action to take with respect to 25 south

0:09:35.680,0:09:39.360
ramson

0:09:37.279,0:09:40.800
that should say south romson on the the

0:09:39.360,0:09:43.839
uh

0:09:40.800,0:09:44.560
sorry about that uh brian we noticed it

0:09:43.839,0:09:48.160
right

0:09:44.560,0:09:51.440

correct yes correct he he was uh

0:09:48.160,0:09:52.320

served registered mail posted on the

0:09:51.440,0:09:55.360

property

0:09:52.320,0:09:55.680

and actually uh regular mail also which

0:09:55.360,0:09:58.720

is

0:09:55.680,0:10:01.680

all uh documented

0:09:58.720,0:10:02.959

all right well he was supposed to he was

0:10:01.680,0:10:05.600

he was noticed

0:10:02.959,0:10:06.800

to have a hearing tonight in front of

0:10:05.600,0:10:09.440

you

0:10:06.800,0:10:10.800

and as you can see he is not present in

0:10:09.440,0:10:13.120

village hall

0:10:10.800,0:10:14.640

um you know at this particular point in

0:10:13.120,0:10:17.839

time we're going to

0:10:14.640,0:10:18.240

serve him again because we we would like

0:10:17.839,0:10:21.120

to

0:10:18.240,0:10:23.440

come before you or brian is going to

0:10:21.120,0:10:26.160

give you the scope of work on that

0:10:23.440,0:10:27.600
um we didn't get that to the board in

0:10:26.160,0:10:30.320
time and i feel like it's

0:10:27.600,0:10:32.800
in everyone's best interest because this

0:10:30.320,0:10:35.200
could be a default situation

0:10:32.800,0:10:36.480
to have this uh the scope of this

0:10:35.200,0:10:39.120
particular work

0:10:36.480,0:10:40.640
and uh what needs to be done before you

0:10:39.120,0:10:43.040
your consideration

0:10:40.640,0:10:43.839
before you authorize that the work to be

0:10:43.040,0:10:47.040
done

0:10:43.839,0:10:50.320
um and placed on on the

0:10:47.040,0:10:51.920
homeowner's tax bill corresponding tax

0:10:50.320,0:10:53.200
bill because he's gonna end up paying

0:10:51.920,0:10:56.640
for it

0:10:53.200,0:11:00.079
if uh he does not exercise his um

0:10:56.640,0:11:02.399
his due process rights to be heard okay

0:11:00.079,0:11:06.320
anything else you want to add brian or

0:11:02.399,0:11:06.320
any board members have any questions

0:11:07.680,0:11:11.200
i would just like to add if it's gonna

0:11:09.360,0:11:13.839
if it is going to get adjourned

0:11:11.200,0:11:15.760
um it should only be adjourned to the

0:11:13.839,0:11:17.440
next meeting whatever

0:11:15.760,0:11:19.360
we have to get together we will get

0:11:17.440,0:11:23.839
together

0:11:19.360,0:11:27.040
asap um we gave him his notice

0:11:23.839,0:11:28.560
we gave him the compliance notice with

0:11:27.040,0:11:30.880
plenty of time

0:11:28.560,0:11:32.480
um correct yeah correct we'll have to

0:11:30.880,0:11:34.720
serve him tomorrow

0:11:32.480,0:11:36.000
with the new notice date which would be

0:11:34.720,0:11:39.360
on

0:11:36.000,0:11:39.360
august 12th

0:11:40.640,0:11:46.399
so but that we're not gonna that that's

0:11:44.160,0:11:48.000
without just posting it on the door that

0:11:46.399,0:11:49.200
that's not gonna work i'm not gonna be

0:11:48.000,0:11:52.959
able to get that

0:11:49.200,0:11:54.800
done we have previously noticed them

0:11:52.959,0:11:56.320
for for this one you know with

0:11:54.800,0:11:58.320
registered mail and

0:11:56.320,0:12:00.079
and everything like that so well that

0:11:58.320,0:12:03.440
that that's

0:12:00.079,0:12:06.320
that's a jurisdictional issue that is

0:12:03.440,0:12:07.600
is satisfied so it's just this is just a

0:12:06.320,0:12:09.839
continuation of that

0:12:07.600,0:12:10.720
of that hearing and it's just going to

0:12:09.839,0:12:14.639
be adjourned on

0:12:10.720,0:12:18.160
our on our uh request to august 12th

0:12:14.639,0:12:20.240
okay okay we're okay there we'll be fine

0:12:18.160,0:12:21.440
all right you notice twice he'll be

0:12:20.240,0:12:25.760
noticed twice

0:12:21.440,0:12:29.040
in the same hearing is that six weeks to

0:12:25.760,0:12:32.639
appear okay so will there be any

0:12:29.040,0:12:32.639
discussion on this from the board

0:12:32.800,0:12:36.480
i'd like to say something i mean this

0:12:34.639,0:12:39.040
man has been

0:12:36.480,0:12:41.600
talked to how many times he refuses to

0:12:39.040,0:12:44.160
go to court he refuses to pay the fine

0:12:41.600,0:12:47.839
so i don't think we should give him that

0:12:44.160,0:12:51.920
much time i mean enough is enough

0:12:47.839,0:12:52.639
i i i'm what i say trusted comorning is

0:12:51.920,0:12:56.160
this

0:12:52.639,0:12:58.240
on august 12 ryan murphy will be ready

0:12:56.160,0:12:59.839
to go forward with this hearing and

0:12:58.240,0:13:01.839
explain to you the scope award that's

0:12:59.839,0:13:02.880
going to be performed at that particular

0:13:01.839,0:13:05.680
time

0:13:02.880,0:13:07.120
right and he may show up at that hearing

0:13:05.680,0:13:08.560
at that particular time which is

0:13:07.120,0:13:11.040
watching this

0:13:08.560,0:13:11.760
and you may have it his setting okay and

0:13:11.040,0:13:14.560
you

0:13:11.760,0:13:16.000
will give him that consideration but if

0:13:14.560,0:13:20.160
he does not appear

0:13:16.000,0:13:24.160
and the board is so inclined you may um

0:13:20.160,0:13:26.560
authorize sprite you know the village uh

0:13:24.160,0:13:27.839
superintendent or highway super or you

0:13:26.560,0:13:30.000
know the uh

0:13:27.839,0:13:31.040
building department to remediate these

0:13:30.000,0:13:34.880
issues and

0:13:31.040,0:13:36.639
brian what what other what is

0:13:34.880,0:13:38.160
well the scope of work right now would

0:13:36.639,0:13:39.440
be

0:13:38.160,0:13:41.279
what i would be looking for tonight

0:13:39.440,0:13:42.959
would be property maintenance mow the

0:13:41.279,0:13:44.320
lawn and cut down all the obnoxious

0:13:42.959,0:13:47.760
growth

0:13:44.320,0:13:49.279
for for for tonight

0:13:47.760,0:13:51.519
in the future we also stated on his

0:13:49.279,0:13:54.079
garages it appears that

0:13:51.519,0:13:55.760
the roof is about to collapse that i

0:13:54.079,0:13:57.279
understand is going to take

0:13:55.760,0:13:59.040
a little bit of we got to get our

0:13:57.279,0:14:01.360
engineer um

0:13:59.040,0:14:02.240
and and so forth but the property

0:14:01.360,0:14:05.360
maintenance

0:14:02.240,0:14:07.120
issue it's clear mow the lawn and cut

0:14:05.360,0:14:08.480
down all the obnoxious growth that's all

0:14:07.120,0:14:12.480
that has to be done

0:14:08.480,0:14:17.600
okay well that that's good so to speak

0:14:12.480,0:14:21.040
who originally served this this honor

0:14:17.600,0:14:23.760
for this otr we did a return registered

0:14:21.040,0:14:24.320
return receipt through the post office

0:14:23.760,0:14:27.040
um

0:14:24.320,0:14:27.920
i personally posted it on the property

0:14:27.040,0:14:31.279
and we also

0:14:27.920,0:14:32.959
mailed a regular mail yeah did you have

0:14:31.279,0:14:36.480
any conversations with them

0:14:32.959,0:14:36.480
no look

0:14:36.720,0:14:43.199

i've had in the past previously

0:14:40.000,0:14:46.480

um but not not for this one

0:14:43.199,0:14:49.920

um attorney wallace i would assume

0:14:46.480,0:14:52.959

we had him in court before and

0:14:49.920,0:14:56.880

you know uh we we did win we we got uh

0:14:52.959,0:14:59.839

fines you know um and

0:14:56.880,0:14:59.839

now we're to here

0:15:00.079,0:15:05.199

with a better law yes correct absolutely

0:15:06.639,0:15:10.399

all right so i'd ask that the board make

0:15:09.680,0:15:13.920

a motion

0:15:10.399,0:15:17.360

to adjourn for public hearing uh

0:15:13.920,0:15:20.720

the order to remedy at 40 and 25

0:15:17.360,0:15:23.839

south missouri right

0:15:20.720,0:15:25.839

i'm sorry and would you and would the

0:15:23.839,0:15:27.279

clerk make a note to change that on the

0:15:25.839,0:15:30.560

next agenda

0:15:27.279,0:15:31.600

to august 12th to august 12th and also

0:15:30.560,0:15:34.800

to

0:15:31.600,0:15:35.440
change mizir to remson and make sure

0:15:34.800,0:15:37.360
that uh

0:15:35.440,0:15:39.519
brian you have that correct on all your

0:15:37.360,0:15:42.720
paperwork i think you did

0:15:39.519,0:15:44.240
i believe i do is this is this the

0:15:42.720,0:15:45.600
gentleman that made the comment that he

0:15:44.240,0:15:46.800
would go to jail before he fixed

0:15:45.600,0:15:49.440
anything

0:15:46.800,0:15:49.440
yes correct

0:15:52.639,0:15:56.000
and a few other choice words

0:15:58.320,0:16:02.160
okay is there any other discussion on

0:15:59.920,0:16:02.160
this

0:16:03.199,0:16:09.440
can we have a motion to adjourn this

0:16:05.199,0:16:13.120
until august 12th

0:16:09.440,0:16:13.120
which is the next board meeting

0:16:19.519,0:16:23.839
i'll make the motion is there a second

0:16:26.000,0:16:30.399
second seconded by trustee hubert all

0:16:28.959,0:16:36.240
those in favor

0:16:30.399,0:16:39.040
hi hi the opposed

0:16:36.240,0:16:39.440
okay uh i'd like to ask if the board

0:16:39.040,0:16:42.079
would

0:16:39.440,0:16:43.199
uh make a motion to suspend the rules so

0:16:42.079,0:16:46.639
that we can change

0:16:43.199,0:16:50.480
the order of the agenda and allow

0:16:46.639,0:16:53.920
um the resolution to proceed with

0:16:50.480,0:16:58.160
um restore new york project

0:16:53.920,0:16:58.160
number ab765

0:16:59.120,0:17:04.640
i'll make it mayor second

0:17:02.160,0:17:06.400
second executed by trustee kimornik all

0:17:04.640,0:17:09.679
those in favor

0:17:06.400,0:17:09.679
aye any opposed

0:17:10.160,0:17:15.600
okay so uh as you know

0:17:13.199,0:17:16.400
quite a few years ago we received and

0:17:15.600,0:17:20.240
quite a few

0:17:16.400,0:17:22.720
investors ago we received a grant

0:17:20.240,0:17:23.839
from new york state to assist in the

0:17:22.720,0:17:27.360
construction

0:17:23.839,0:17:31.039
of the reconstruction of goring hall

0:17:27.360,0:17:34.480
we've been showing new design

0:17:31.039,0:17:38.320
concepts for that and we

0:17:34.480,0:17:41.440
have also talked to the state

0:17:38.320,0:17:45.200
about that concept and

0:17:41.440,0:17:48.640
what they've said is that they would um

0:17:45.200,0:17:50.320
allow us to continue to use the restore

0:17:48.640,0:17:53.600
new york funding

0:17:50.320,0:17:57.200
and um that we

0:17:53.600,0:17:59.200
would be able to move forward with this

0:17:57.200,0:18:02.720
project in a one-story

0:17:59.200,0:18:03.440
construction so i think everybody here

0:18:02.720,0:18:06.720
has seen

0:18:03.440,0:18:10.080
the uh drawings and i would like to know

0:18:06.720,0:18:12.480
if uh we could move forward with

0:18:10.080,0:18:13.600
signing a contract with the state to

0:18:12.480,0:18:17.520
become

0:18:13.600,0:18:20.160
the uh the

0:18:17.520,0:18:22.960
agency which receives the grant uh this

0:18:20.160,0:18:26.240
grant in this case would go on to

0:18:22.960,0:18:26.720
the uh the um entity that would do the

0:18:26.240,0:18:29.360
work

0:18:26.720,0:18:30.960
to make the structure that we're getting

0:18:29.360,0:18:35.280
the grant for

0:18:30.960,0:18:39.360
and um this would be in the amount

0:18:35.280,0:18:42.799
of 156 000

0:18:39.360,0:18:46.960
so uh i would like to ask

0:18:42.799,0:18:50.000
if um our attorney could talk to us

0:18:46.960,0:18:51.039
about this this has gone through a uh a

0:18:50.000,0:18:54.480
long

0:18:51.039,0:18:56.960
history but we were unable to work

0:18:54.480,0:19:00.400
within the confines of the

0:18:56.960,0:19:03.600
site limitations at this location

0:19:00.400,0:19:07.039
and i think that this is a a

0:19:03.600,0:19:10.240
good way to move forward it's a good way

0:19:07.039,0:19:13.120
to do infill development on the

0:19:10.240,0:19:15.080
site that exists there and i made a

0:19:13.120,0:19:16.240
mistake before i said that the grant was

0:19:15.080,0:19:21.200
156

0:19:16.240,0:19:24.480
000 it's actually 156 250

0:19:21.200,0:19:25.840
um craig you want to talk to us about

0:19:24.480,0:19:30.240
the resolution

0:19:25.840,0:19:33.600
yeah so we're working with the uh esd

0:19:30.240,0:19:35.120
empire state development um to process

0:19:33.600,0:19:37.200
this application

0:19:35.120,0:19:39.440
and one of the there's a couple of

0:19:37.200,0:19:42.720
outstanding conditions that we have to

0:19:39.440,0:19:44.000
fulfill before the application can be

0:19:42.720,0:19:47.120
processed

0:19:44.000,0:19:49.039
and one of which is more action tonight

0:19:47.120,0:19:49.440
on this resolution authorizing their

0:19:49.039,0:19:52.880
signed

0:19:49.440,0:19:56.400
contract they want to see a you know

0:19:52.880,0:19:59.440
formal certification um and ratification

0:19:56.400,0:20:01.120
uh that empowers matt uh mayor to sign

0:19:59.440,0:20:02.960
the contract so that's what you have

0:20:01.120,0:20:05.440
before you um

0:20:02.960,0:20:06.720
this will allow the project to finally

0:20:05.440,0:20:08.799
move forward and get

0:20:06.720,0:20:10.240
finalized and we can you know we won't

0:20:08.799,0:20:14.480
have to see

0:20:10.240,0:20:15.919
an empty uh an empty lot there anymore

0:20:14.480,0:20:16.480
as you can see a lot of work has been

0:20:15.919,0:20:19.280
done

0:20:16.480,0:20:21.679
in the proceeding once to get to today

0:20:19.280,0:20:23.360
and it's just going to keep improving

0:20:21.679,0:20:24.799
and that money is going to be your mark

0:20:23.360,0:20:28.480
for that particular

0:20:24.799,0:20:31.600
lot so um you know that's basically

0:20:28.480,0:20:35.600
what the resolution before you is is for

0:20:31.600,0:20:41.200
the background of it

0:20:35.600,0:20:41.200
are there any questions from the board

0:20:43.360,0:20:46.480
if there's no questions could we get a

0:20:45.039,0:20:50.799
motion to allow

0:20:46.480,0:20:50.799
me to sign the application

0:20:51.360,0:20:58.480
with new york state for

0:20:54.480,0:20:58.480
this grant from restore new york

0:21:00.240,0:21:06.000
and this is to to allow me to sign the

0:21:02.400,0:21:06.000
grant disbursement agreement

0:21:10.000,0:21:13.840
okay that's a motion from trustee huber

0:21:12.559,0:21:16.240
is there a second

0:21:13.840,0:21:17.840
i'll second it seconded by trustee

0:21:16.240,0:21:20.480
kornick

0:21:17.840,0:21:22.159
i'm gonna do a roll call vote i'll say

0:21:20.480,0:21:26.400
uh trustee komornick

0:21:22.159,0:21:26.400
hi trustee marketline

0:21:30.320,0:21:33.280
trustee huber

0:21:34.559,0:21:37.600
trustee davis

0:21:38.559,0:21:44.960
and please note that trustee panesa and

0:21:41.840,0:21:45.919
and lammers are absent tonight and i

0:21:44.960,0:21:49.360
will vote i

0:21:45.919,0:21:52.559
as well okay

0:21:49.360,0:21:55.919
uh are there any other reasons why we

0:21:52.559,0:21:57.600
need to change the agenda

0:21:55.919,0:22:00.640
actually i have one other thing i'd like

0:21:57.600,0:22:03.440
to ask to continue suspending

0:22:00.640,0:22:04.880
to ask at this moment if we could allow

0:22:03.440,0:22:08.080
uh

0:22:04.880,0:22:10.799
our police commissioner walter burke uh

0:22:08.080,0:22:13.840
to say a few words if he needs to

0:22:10.799,0:22:13.840
address the board

0:22:14.080,0:22:17.840
sure thank you mayor um yeah i submitted

0:22:16.640,0:22:19.760
three names tonight um

0:22:17.840,0:22:21.280
for approval for a part-time police

0:22:19.760,0:22:24.000
officer um

0:22:21.280,0:22:25.120
we've lost two full-timers in the last

0:22:24.000,0:22:26.960
two months

0:22:25.120,0:22:28.960
um so we're kind of short staff right

0:22:26.960,0:22:32.080
now and we'd like to get these guys

0:22:28.960,0:22:32.080
started as soon as we can

0:22:34.559,0:22:43.280
and so

0:22:41.120,0:22:45.600
so do we have the could you tell us the

0:22:43.280,0:22:47.360
names

0:22:45.600,0:22:48.640
um i don't have it in front of the mayor

0:22:47.360,0:22:50.480
i'm sorry okay

0:22:48.640,0:22:52.080
sent it in i thought you guys have it

0:22:50.480,0:22:55.520
okay

0:22:52.080,0:22:58.400
it's on the agenda

0:22:55.520,0:23:00.799
on the end of the agenda page four

0:22:58.400,0:23:00.799
safety

0:23:04.720,0:23:10.720
oh excuse me okay i see uh

0:23:08.640,0:23:12.080
unless i'm missing it i see two names i

0:23:10.720,0:23:16.320
don't see three

0:23:12.080,0:23:18.080
yeah so

0:23:16.320,0:23:19.520
yeah i submitted an updated version

0:23:18.080,0:23:23.840
yesterday

0:23:19.520,0:23:23.840
okay let me hold on let me see if i can

0:23:27.200,0:23:34.320
i have skagnelli and

0:23:31.039,0:23:36.000
karacho rado yeah there was

0:23:34.320,0:23:38.240
there was another one that was sent to

0:23:36.000,0:23:42.000
take we were supposed to delete that one

0:23:38.240,0:23:44.640
and a new one that added antonio

0:23:42.000,0:23:45.919
esposito is supposed to be on there i

0:23:44.640,0:23:51.360
never got that one

0:23:45.919,0:23:54.400
all right so okay we can

0:23:51.360,0:23:55.600
and esposito okay all three are

0:23:54.400,0:23:57.840
part-time

0:23:55.600,0:23:57.840
yes

0:23:59.360,0:24:03.120
okay is there any discussion from the

0:24:01.200,0:24:05.039
board

0:24:03.120,0:24:06.799
have they all had a background check

0:24:05.039,0:24:08.720
north was that yes

0:24:06.799,0:24:09.840
they've all completed it's been taken a

0:24:08.720,0:24:11.840

while now um

0:24:09.840,0:24:13.120

with what's going on we have to do

0:24:11.840,0:24:15.919

certain things that we didn't do

0:24:13.120,0:24:17.919

before that we have to do ourselves now

0:24:15.919,0:24:20.080

and they applied back in may and they

0:24:17.919,0:24:21.440

just finally got completed the other day

0:24:20.080,0:24:23.360

okay yeah they've completed they've

0:24:21.440,0:24:25.679

completed everything of the process

0:24:23.360,0:24:25.679

okay

0:24:26.880,0:24:32.880

so i'll make a motion if i may

0:24:30.159,0:24:35.360

all secondly that we hire part-time

0:24:32.880,0:24:37.279

patrol officer lewis scagnelli

0:24:35.360,0:24:38.720

and part-time patrol officer daniel

0:24:37.279,0:24:42.240

corchado

0:24:38.720,0:24:47.600

and part-time patrol officer

0:24:42.240,0:24:50.640

uh antonio esposito

0:24:47.600,0:24:50.640

okay and uh

0:24:50.960,0:24:55.279

do we do you second thought all those in

0:24:54.159,0:24:58.880
favor

0:24:55.279,0:24:58.880
aye any opposed

0:24:59.039,0:25:03.360
if there's none opposed uh i'd like to

0:25:01.760,0:25:06.080
ask also now that if

0:25:03.360,0:25:06.720
we could accept the resignation of the

0:25:06.080,0:25:09.760
officer

0:25:06.720,0:25:12.320
named on our uh agenda

0:25:09.760,0:25:13.360
police officer rocky nicky effective

0:25:12.320,0:25:15.840
july 30th

0:25:13.360,0:25:15.840
2020

0:25:16.880,0:25:20.559
i'll make it second

0:25:22.400,0:25:30.480
a second by trustee davis all those in

0:25:26.840,0:25:34.640
favor any opposed

0:25:30.480,0:25:34.640
jacket okay

0:25:35.120,0:25:38.159
all right uh

0:25:41.840,0:25:46.320
okay so at this time i think we can

0:25:47.200,0:25:51.760
ask uh john zarowski do you have

0:25:49.919,0:25:53.520
anything else for us walter

0:25:51.760,0:25:55.600

i know that'll be it for today okay all

0:25:53.520,0:25:57.840

right thank you very much walter

0:25:55.600,0:25:59.039

uh john zarowski you want to talk to us

0:25:57.840,0:26:03.679

about

0:25:59.039,0:26:03.679

the items of construction

0:26:07.039,0:26:13.520

all right well we have brainery's park

0:26:10.880,0:26:15.120

um some possible tomorrow to set the new

0:26:13.520,0:26:16.159

pole

0:26:15.120,0:26:18.559

they're working right now on the

0:26:16.159,0:26:21.679

sidewalk in front of the site

0:26:18.559,0:26:23.120

and we had to remind them politely um

0:26:21.679,0:26:24.960

that they're not supposed to be closing

0:26:23.120,0:26:27.039

the road until nine o'clock so hopefully

0:26:24.960,0:26:29.039

uh let me know if that doesn't

0:26:27.039,0:26:30.799

happen the last few days apparently

0:26:29.039,0:26:33.840

they've been setting up

0:26:30.799,0:26:35.520

um the work area too soon so we're

0:26:33.840,0:26:37.360

trying to get them to it's in three

0:26:35.520,0:26:39.600
places in the contract we're on top of

0:26:37.360,0:26:39.600
that

0:26:39.760,0:26:43.679
making sure that they're flying with the

0:26:42.240,0:26:46.640
contract

0:26:43.679,0:26:48.320
i'm sorry about the uh traffic jams last

0:26:46.640,0:26:52.640
year

0:26:48.320,0:26:55.120
um paving will be in august then done by

0:26:52.640,0:26:58.080
the september 11th completion date

0:26:55.120,0:27:00.559
more than likely they will it will be

0:26:58.080,0:27:02.960
done in august

0:27:00.559,0:27:04.000
moving back to the pedestrian safety

0:27:02.960,0:27:07.279
prize

0:27:04.000,0:27:10.080
86 61.7

0:27:07.279,0:27:11.200
um again identity and lighting um

0:27:10.080,0:27:14.559
sidewalk of the

0:27:11.200,0:27:15.279
project work is beginning on that along

0:27:14.559,0:27:21.679
with

0:27:15.279,0:27:23.440
rates sidewalks can slope

0:27:21.679,0:27:25.679
require the minimum four foot width

0:27:23.440,0:27:28.480
access for for the handicap

0:27:25.679,0:27:30.480
contact has been working there with the

0:27:28.480,0:27:31.919
residences

0:27:30.480,0:27:34.720
again they're on schedule to be

0:27:31.919,0:27:37.919
completed on october

0:27:34.720,0:27:39.919
17th for the completion date

0:27:37.919,0:27:41.279
um there was a question kevin you had

0:27:39.919,0:27:43.600
asked the question a while ago about

0:27:41.279,0:27:47.279
that sloped area that is for 88

0:27:43.600,0:27:49.360
excess that you asked me that question

0:27:47.279,0:27:51.200
during another meeting but uh there's

0:27:49.360,0:27:53.360
that slope section

0:27:51.200,0:27:55.679
that you would inquire about is for ada

0:27:53.360,0:27:58.880
access

0:27:55.679,0:28:00.799
moving forward contract five and we are

0:27:58.880,0:28:02.480
just progressing with plans to move

0:28:00.799,0:28:05.360
toward

0:28:02.480,0:28:06.960
submitting to the dpw and the health

0:28:05.360,0:28:09.440
department of dutch's county health

0:28:06.960,0:28:09.440
department

0:28:10.480,0:28:14.960
pushing those quickly ahead regardless

0:28:13.279,0:28:16.799
of what the town is doing with their

0:28:14.960,0:28:18.159
pump station just because we need to get

0:28:16.799,0:28:21.760
this

0:28:18.159,0:28:21.760
ahead for our funding reasons

0:28:21.840,0:28:25.200
and there we are supposed to be i'm just

0:28:23.840,0:28:26.559
going to keep pointing this out we're

0:28:25.200,0:28:29.200
supposed to have a uh

0:28:26.559,0:28:32.320
post a public hearing for this project

0:28:29.200,0:28:34.880
sometime in the near future

0:28:32.320,0:28:37.200
bidding is targeted for late this year

0:28:34.880,0:28:40.159
with construction next year

0:28:37.200,0:28:44.080
leaving uh attend to the water filter

0:28:40.159,0:28:45.679
building in the usda funding application

0:28:44.080,0:28:47.919
we are moving ahead we're just about

0:28:45.679,0:28:50.080
ready we're just the final qaqc on that

0:28:47.919,0:28:52.399
that should be submitted very soon

0:28:50.080,0:28:54.320
i think we've got all the information um

0:28:52.399,0:28:56.000
it's a very complex application and

0:28:54.320,0:28:58.159
there was a

0:28:56.000,0:28:59.760
little bit of goofiness with some of the

0:28:58.159,0:29:01.520
formatting that we

0:28:59.760,0:29:03.760
inquired to the usda but they're not

0:29:01.520,0:29:05.679
actually responding so

0:29:03.760,0:29:07.200
um again they're probably working from

0:29:05.679,0:29:09.120
home still

0:29:07.200,0:29:10.399
but they were almost done there that's

0:29:09.120,0:29:12.960
just about ready

0:29:10.399,0:29:13.760
maine's park survey and master plan we

0:29:12.960,0:29:16.960
have done the

0:29:13.760,0:29:17.840
the draft um survey is done and

0:29:16.960,0:29:19.600
completed

0:29:17.840,0:29:22.720
um the project kicked off meeting is

0:29:19.600,0:29:24.640
supposed to be sometime in september

0:29:22.720,0:29:27.600
and we're going to be working to like a

0:29:24.640,0:29:29.520
conceptual master plan for bain park

0:29:27.600,0:29:31.120
uh a site designed for the playground

0:29:29.520,0:29:33.440
equipment area and then like a

0:29:31.120,0:29:35.440
uh also continuing the long forum part

0:29:33.440,0:29:37.279
the af

0:29:35.440,0:29:38.799
the grease trap has been moving forward

0:29:37.279,0:29:40.880
we're working on that the

0:29:38.799,0:29:42.480
project committee meeting needs to be

0:29:40.880,0:29:44.000
scheduled

0:29:42.480,0:29:47.279
and this is a two-year grant but we're

0:29:44.000,0:29:49.600
looking to finish this this year as well

0:29:47.279,0:29:51.039
the brownfield assessment we're moving

0:29:49.600,0:29:52.960
ahead with oblitory

0:29:51.039,0:29:55.279
on that we've submitted our health and

0:29:52.960,0:29:58.000
safety plan and work plan to the epa

0:29:55.279,0:29:59.440
we're waiting to hear back from them

0:29:58.000,0:30:01.039
for their approval on that and then

0:29:59.440,0:30:03.360
we'll be out there doing the phase two

0:30:01.039,0:30:03.360
we have the

0:30:03.520,0:30:07.200
water and sewer infrastructure study

0:30:05.120,0:30:08.799
nothing has changed there and nothing

0:30:07.200,0:30:10.640
has changed

0:30:08.799,0:30:12.799
by the terrorists the superman

0:30:10.640,0:30:15.120
environment

0:30:12.799,0:30:17.360
any questions okay are there any

0:30:15.120,0:30:20.320
questions for john

0:30:17.360,0:30:21.600
i have a question on this on the

0:30:20.320,0:30:24.640
sidewalks

0:30:21.600,0:30:26.720
going up west main street and

0:30:24.640,0:30:27.679
this might be a stupid question but how

0:30:26.720,0:30:30.960
come some of them

0:30:27.679,0:30:33.919
are flat and the other ones are the the

0:30:30.960,0:30:34.240
other ones going by the curb or tilted

0:30:33.919,0:30:38.640
uh

0:30:34.240,0:30:41.919
to the road oh again that's 88 aircraft

0:30:38.640,0:30:45.440
that's what maybe excess

0:30:41.919,0:30:47.440
really because you still have a curve

0:30:45.440,0:30:51.840
there

0:30:47.440,0:30:51.840
yeah we need

0:30:57.120,0:31:00.960
they're going to have to be reviewed by

0:31:00.000,0:31:05.200
dot

0:31:00.960,0:31:07.840
and they will have to meet dot's ada

0:31:05.200,0:31:08.799
requirements and so they will be uh

0:31:07.840,0:31:12.399
reviewed again

0:31:08.799,0:31:14.399
for whether or not they meet ada

0:31:12.399,0:31:16.159
standards and actually i would invite

0:31:14.399,0:31:19.840
the trustees to

0:31:16.159,0:31:23.360
um join in on that walk

0:31:19.840,0:31:25.440
when that happens but uh we've

0:31:23.360,0:31:27.200
had this happen before on some of the

0:31:25.440,0:31:28.720
other sidewalks there is a couple of

0:31:27.200,0:31:31.760
other places where they've made

0:31:28.720,0:31:35.360

funky grade changes and slopes

0:31:31.760,0:31:37.840

in order to meet ada requirements and

0:31:35.360,0:31:38.880

this uh sounds like it's an example of

0:31:37.840,0:31:41.919

that

0:31:38.880,0:31:46.000

right okay

0:31:41.919,0:31:49.519

thank you i i got one mayor yep go ahead

0:31:46.000,0:31:53.200

i noticed that yeah for john

0:31:49.519,0:31:55.279

yeah i i noticed on uh

0:31:53.200,0:31:56.720

it would be the uh west side of west

0:31:55.279,0:31:57.279

main street we're doing the sidewalks

0:31:56.720,0:31:59.200

now

0:31:57.279,0:32:00.880

you're running the pipe into the village

0:31:59.200,0:32:02.640

roadway

0:32:00.880,0:32:05.039

uh like i guess it must be for down

0:32:02.640,0:32:05.039

leaders

0:32:05.679,0:32:09.360

i i'm sure it's in the village code that

0:32:07.760,0:32:11.519

we cannot drain water

0:32:09.360,0:32:12.799

onto our roads i don't know why we

0:32:11.519,0:32:15.039
couldn't drain that on

0:32:12.799,0:32:15.039
into

0:32:17.360,0:32:20.799
the catch basins down the street from

0:32:18.880,0:32:24.320
there i don't know why they couldn't run

0:32:20.799,0:32:24.320
a pvc underneath the sidewalk

0:32:26.320,0:32:32.000
yeah a cat project yes there was no

0:32:29.360,0:32:34.240
drainage on the tap project

0:32:32.000,0:32:36.159
um so unfortunately there's no drainage

0:32:34.240,0:32:38.640
in the area

0:32:36.159,0:32:39.679
that's part of this project that we

0:32:38.640,0:32:41.440
cannot connect to

0:32:39.679,0:32:43.039
it can't be connected to the sanitary

0:32:41.440,0:32:45.039
sewer

0:32:43.039,0:32:46.960
because that's that uh i was i was

0:32:45.039,0:32:50.960
talking more of the storm drain sewer

0:32:46.960,0:32:53.120
line turning it into there instead of

0:32:50.960,0:32:55.360
onto our roads because i remember

0:32:53.120,0:32:57.120
correctly i think last year we had

0:32:55.360,0:32:58.880
water come off west on to west main

0:32:57.120,0:32:59.360
street park cars were sliding down the

0:32:58.880,0:33:02.240
road

0:32:59.360,0:33:03.600
and highway department got called out on

0:33:02.240,0:33:06.720
one early morning to

0:33:03.600,0:33:07.279
saw that's a bad spot and there's

0:33:06.720,0:33:08.720
another

0:33:07.279,0:33:10.399
there's another one that it's always

0:33:08.720,0:33:12.159
leaking water and i

0:33:10.399,0:33:13.679
i mean it's i i don't know if they're

0:33:12.159,0:33:15.919
going to do the same thing with a pipe

0:33:13.679,0:33:17.519
but that one there is is always wet it's

0:33:15.919,0:33:18.880
up the hill from

0:33:17.519,0:33:24.080
the other ones that are they already

0:33:18.880,0:33:25.919
have the pipe work out to me west main

0:33:24.080,0:33:28.480
this project does not include drainage

0:33:25.919,0:33:31.600
improvements so

0:33:28.480,0:33:33.360
not how it was funded i can

0:33:31.600,0:33:35.360
talk to nancy if there's something we

0:33:33.360,0:33:39.200
can do about it but

0:33:35.360,0:33:39.200
again this this specifically

0:33:41.120,0:33:44.559
it was one of those things that you know

0:33:42.720,0:33:45.039
since we haven't opened we could fix the

0:33:44.559,0:33:46.880
problem

0:33:45.039,0:33:48.559
you know instead of ripping it up later

0:33:46.880,0:33:50.559
on because i'd hate to rip up those

0:33:48.559,0:33:52.799
sidewalks later on to fix the problem

0:33:50.559,0:33:52.799
but

0:34:05.360,0:34:09.520
development you know i think i think the

0:34:08.159,0:34:10.399
engineer of the designing would have

0:34:09.520,0:34:12.000
stuck up with the village

0:34:10.399,0:34:13.760
for the best interest in saying you know

0:34:12.000,0:34:14.720
you got a water issue let's see if we

0:34:13.760,0:34:17.359
can fix this

0:34:14.720,0:34:17.359
while we're here

0:34:17.760,0:34:21.119
well again the funding specifically

0:34:19.839,0:34:24.960
excluded

0:34:21.119,0:34:27.599
drainage improvements yeah

0:34:24.960,0:34:28.240
so i you know we ran up against this in

0:34:27.599,0:34:31.919
um

0:34:28.240,0:34:34.720
on east main street

0:34:31.919,0:34:35.520
uh and if anything like the east main

0:34:34.720,0:34:38.240
street

0:34:35.520,0:34:39.119
uh drainage situation which we did go

0:34:38.240,0:34:43.280
through

0:34:39.119,0:34:45.919
there's they uh would seriously delay

0:34:43.280,0:34:48.639
the grant awarded project to the point

0:34:45.919,0:34:51.520
where we might not be able to recoup

0:34:48.639,0:34:52.800
the original grant i would just become

0:34:51.520,0:34:56.240
more of

0:34:52.800,0:34:58.160
one of the design purposes there

0:34:56.240,0:35:00.079
i mean i'm sure we all knew about the

0:34:58.160,0:35:01.680
water leaking onto west main and the

0:35:00.079,0:35:04.560
fights going into west maine and

0:35:01.680,0:35:05.359
you know it's i mean i i i just thought

0:35:04.560,0:35:06.880
maybe the

0:35:05.359,0:35:08.560
engineers would have thought of the best

0:35:06.880,0:35:10.079
of the village at this point

0:35:08.560,0:35:11.760
our hands were tied with what we could

0:35:10.079,0:35:12.560
do with drainage because of the funding

0:35:11.760,0:35:16.480
for the project

0:35:12.560,0:35:18.800
and dot involvement not paper drainage

0:35:16.480,0:35:20.240
yeah i can tell you too though that the

0:35:18.800,0:35:25.000
project that would be

0:35:20.240,0:35:27.839
for uh 26 i believe 2693

0:35:25.000,0:35:31.040
2695 and 2697

0:35:27.839,0:35:34.640
west main street which would be the uh

0:35:31.040,0:35:37.920
oh tools the um brick building

0:35:34.640,0:35:40.560
and the cinder block building so

0:35:37.920,0:35:43.200
the developer who has control the

0:35:40.560,0:35:46.320
developers who have control over those

0:35:43.200,0:35:47.040
three parcels there have been meeting

0:35:46.320,0:35:50.320
with me

0:35:47.040,0:35:54.880
to discuss with the state uh

0:35:50.320,0:35:58.160
drainage solutions for uh

0:35:54.880,0:35:59.520
a potential rebuild of those three

0:35:58.160,0:36:02.640
parcels

0:35:59.520,0:36:06.240
and drainage is at the top of their

0:36:02.640,0:36:07.280
uh wish list for that for that area and

0:36:06.240,0:36:10.079
i think it that

0:36:07.280,0:36:12.320
it was the feeling last year that at

0:36:10.079,0:36:15.520
that time we would be able to

0:36:12.320,0:36:17.760
uh attract and really build for

0:36:15.520,0:36:20.640
what might be built in the future on the

0:36:17.760,0:36:20.640
drainage side

0:36:23.040,0:36:28.720
right just bringing it up the same

0:36:26.480,0:36:30.720
yeah it's it's unfortunate that it goes

0:36:28.720,0:36:32.640
in this order but we did have to spend

0:36:30.720,0:36:35.760
that five hundred thousand dollars

0:36:32.640,0:36:40.160
at um in this case

0:36:35.760,0:36:42.160
before a certain date

0:36:40.160,0:36:43.920
if we had changed the drainage it would

0:36:42.160,0:36:46.000
have been only for the buildings that

0:36:43.920,0:36:49.599
exist on west main street not for the

0:36:46.000,0:36:49.599
buildings that would be built in the

0:36:52.839,0:36:57.200
future

0:36:55.680,0:36:59.599
are there were there any other questions

0:36:57.200,0:36:59.599
for john

0:37:05.359,0:37:11.040
nope okay if there's no other questions

0:37:08.480,0:37:13.760
uh we'll keep going and i think that's

0:37:11.040,0:37:15.680
it for you john

0:37:13.760,0:37:17.440
thank you i'll take off thank you

0:37:15.680,0:37:20.960
everyone thanks john

0:37:17.440,0:37:23.200
thank you stay safe

0:37:20.960,0:37:24.160
all right uh john karge would you talk

0:37:23.200,0:37:27.280
to us about

0:37:24.160,0:37:30.400
um actually i had spoken to

0:37:27.280,0:37:33.760
kevin huber uh about the

0:37:30.400,0:37:37.520

boat house project that we are

0:37:33.760,0:37:40.720

uh getting back up and going after its

0:37:37.520,0:37:43.599

um many months of being stopped

0:37:40.720,0:37:45.599

due to the coronavirus and also a

0:37:43.599,0:37:47.839

medical issue that the

0:37:45.599,0:37:49.200

general contractor was facing at the

0:37:47.839,0:37:51.839

same time

0:37:49.200,0:37:53.440

so that's uh back about to get ready to

0:37:51.839,0:37:56.960

go back up and running and

0:37:53.440,0:38:00.160

we do need a contractor to go

0:37:56.960,0:38:02.880

um to finish the

0:38:00.160,0:38:03.680

work that needs to get done there i

0:38:02.880,0:38:07.040

asked i

0:38:03.680,0:38:08.640

talked to kevin huber and um

0:38:07.040,0:38:10.079

we had talked about it at the last

0:38:08.640,0:38:12.720

meeting i believe

0:38:10.079,0:38:15.040

and i also asked john carg to get to

0:38:12.720,0:38:15.359

follow our procurement policy and to get

0:38:15.040,0:38:18.480
us

0:38:15.359,0:38:22.079
quotes for three contractors who

0:38:18.480,0:38:24.480
would be able to do the work required

0:38:22.079,0:38:27.680
and john karge do you want to talk to us

0:38:24.480,0:38:27.680
about the results you got

0:38:29.200,0:38:34.000
okay consistent with the procurement

0:38:31.440,0:38:37.760
policy i advertised for a carpenter

0:38:34.000,0:38:40.800
contractor about five weeks ago

0:38:37.760,0:38:42.079
and put it in the paper did not get any

0:38:40.800,0:38:44.560
hits

0:38:42.079,0:38:45.760
so i reached out to three contractors

0:38:44.560,0:38:49.119
that we have used

0:38:45.760,0:38:52.480
in the village in the past

0:38:49.119,0:38:55.520
and i had three different quotes bhr

0:38:52.480,0:38:58.640
construction 45 an hour

0:38:55.520,0:39:00.640
european craftsman and remodeling 65 to

0:38:58.640,0:39:04.720
75 an hour

0:39:00.640,0:39:07.200
mark long till 37 an hour

0:39:04.720,0:39:08.160
those are the three bids mark is the low

0:39:07.200,0:39:09.839
bid

0:39:08.160,0:39:11.520
and i think the other benefit with mark

0:39:09.839,0:39:12.240
is is that he knows the lay of the land

0:39:11.520,0:39:16.000
down here

0:39:12.240,0:39:19.119
so i need to have a motion to

0:39:16.000,0:39:19.119
hire mark lonto

0:39:20.240,0:39:23.599
and this would just be for the work that

0:39:22.400,0:39:27.200
is needed

0:39:23.599,0:39:29.680
at the boat house i'll make the motion

0:39:27.200,0:39:33.280
with higher mark at 37

0:39:29.680,0:39:33.280
okay is there a second

0:39:34.880,0:39:42.160
seconded by trusty billy markijn

0:39:38.640,0:39:45.920
maybe no huber huber

0:39:42.160,0:39:49.839
okay uh all those in favor aye

0:39:45.920,0:39:49.839
aye any opposed

0:39:50.320,0:39:55.680
okay next item on the agenda

0:39:53.599,0:39:57.040
is i should have had john stay here for

0:39:55.680,0:40:00.560
this but i do

0:39:57.040,0:40:03.520
um we are in request of uh

0:40:00.560,0:40:05.839
allowing to release the last payment to

0:40:03.520,0:40:06.800
argenio brothers for contract number

0:40:05.839,0:40:09.599
four

0:40:06.800,0:40:10.240
um i believe everybody's had a chance to

0:40:09.599,0:40:14.240
go over

0:40:10.240,0:40:18.160
the issues that are there and is there

0:40:14.240,0:40:18.160
any discussion on that project

0:40:18.800,0:40:22.240
matt can i back up one minute i had my

0:40:21.520,0:40:25.280
uh

0:40:22.240,0:40:28.720
my mute on i i voted nay

0:40:25.280,0:40:33.760
oh for mark yes okay so

0:40:28.720,0:40:33.760
uh i'm sorry i just

0:40:34.240,0:40:42.240
i had it off okay so um

0:40:38.319,0:40:47.200
i will vote yes and that makes it four

0:40:42.240,0:40:47.200
to one and two absent

0:40:47.440,0:40:52.480
okay uh on the issue of releasing the

0:40:51.200,0:40:55.599
last payment

0:40:52.480,0:40:55.599
is there any discussion

0:40:58.880,0:41:02.800
if there's no discussion can i get a

0:41:00.560,0:41:04.319
motion do we have a punch list on that

0:41:02.800,0:41:07.599
was was there a punch list

0:41:04.319,0:41:11.200
for them

0:41:07.599,0:41:13.680
there was last year and we've been going

0:41:11.200,0:41:13.680
through that

0:41:15.200,0:41:18.800
we believe that it's finished that's why

0:41:17.359,0:41:21.839
i'm bringing it up here for you guys to

0:41:18.800,0:41:21.839
talk about

0:41:23.359,0:41:27.119
kevin huber were we were we was there

0:41:25.599,0:41:28.640
any outstanding items we were waiting

0:41:27.119,0:41:30.160
for on that

0:41:28.640,0:41:32.400
the last thing that they were waiting

0:41:30.160,0:41:33.680
for was to deal with uh mrs tomlins over

0:41:32.400,0:41:36.240
on weston county

0:41:33.680,0:41:37.359
and i believe that they worked out a

0:41:36.240,0:41:40.720
deal

0:41:37.359,0:41:43.520
between argenio and mrs tomlin

0:41:40.720,0:41:44.880
and there is a new fence at the new gate

0:41:43.520,0:41:47.280
at that location

0:41:44.880,0:41:48.000
okay my purpose was just to make sure

0:41:47.280,0:41:49.920
there's nothing else

0:41:48.000,0:41:52.640
outstanding there's nothing outstanding

0:41:49.920,0:41:52.640
i'll make emotion

0:41:53.760,0:41:58.560
okay we have a motion from trustee davis

0:41:56.240,0:42:02.480
is there a second

0:41:58.560,0:42:06.400
second but trustee all those in favor

0:42:02.480,0:42:10.000
any opposed okay next item

0:42:06.400,0:42:10.800
on the agenda is uh we did restore new

0:42:10.000,0:42:15.040
york

0:42:10.800,0:42:16.800
um and we would like to ask todd bowen

0:42:15.040,0:42:20.160
who is our social media

0:42:16.800,0:42:21.040
uh expert to talk to us about what he's

0:42:20.160,0:42:24.079
been doing

0:42:21.040,0:42:28.160
todd sure

0:42:24.079,0:42:32.000
so last may early june

0:42:28.160,0:42:34.000
of this year we got a new notification

0:42:32.000,0:42:37.839
system for village residents

0:42:34.000,0:42:38.319
it's called gov delivery residents can

0:42:37.839,0:42:41.440
get

0:42:38.319,0:42:42.480
email or text notifications they can

0:42:41.440,0:42:45.680
sign up for the following

0:42:42.480,0:42:48.880
topics meeting notices village news

0:42:45.680,0:42:49.520
emergency notifications and parks and

0:42:48.880,0:42:53.280
rec

0:42:49.520,0:42:56.079
updates on top of that

0:42:53.280,0:42:56.560
we've been discussing the nine element

0:42:56.079,0:43:00.079
plan

0:42:56.560,0:43:03.200
how we can advertise it and

0:43:00.079,0:43:07.040
for social media on top of our facebook

0:43:03.200,0:43:08.000
instagram and twitter we have we have a

0:43:07.040,0:43:10.800
linkedin account

0:43:08.000,0:43:12.800
now for the village so we're looking to

0:43:10.800,0:43:16.240
grow that

0:43:12.800,0:43:19.440
website update we have been working on

0:43:16.240,0:43:21.440
a more secure website

0:43:19.440,0:43:22.800
with duchess county and giving us some

0:43:21.440,0:43:27.040
tips on how we can

0:43:22.800,0:43:29.359
maximize security for the website um

0:43:27.040,0:43:31.520
the biggest thing would be the forms all

0:43:29.359,0:43:34.720
the forms on the village website are now

0:43:31.520,0:43:35.440
fillable some have been redone like the

0:43:34.720,0:43:38.560
petalus

0:43:35.440,0:43:40.400
peddler's permit and the park usage form

0:43:38.560,0:43:43.040
but the biggest thing with that is all

0:43:40.400,0:43:45.680
forms are fillable now

0:43:43.040,0:43:46.560
um so just just so everybody knows what

0:43:45.680,0:43:49.839
that means

0:43:46.560,0:43:52.800
uh it used to be that you would have to

0:43:49.839,0:43:54.480
find the form that you needed and print

0:43:52.800,0:43:58.160
it out and

0:43:54.480,0:44:01.359
uh then fill it out

0:43:58.160,0:44:03.520
with a pen or a typewriter and

0:44:01.359,0:44:04.800
now what you're able to do is type in

0:44:03.520,0:44:06.560
right from the computer

0:44:04.800,0:44:08.560
and todd will you be able to forward

0:44:06.560,0:44:11.680
that directly to

0:44:08.560,0:44:14.880
brian no

0:44:11.680,0:44:16.240
no why because you have to sign it you

0:44:14.880,0:44:20.079
have to sign it and there's

0:44:16.240,0:44:22.880
some forms have uh fees

0:44:20.079,0:44:23.680
oh okay so yeah so for the fee and the

0:44:22.880,0:44:26.079
so you that

0:44:23.680,0:44:26.800
most forms have a fee associated with

0:44:26.079,0:44:28.400
them

0:44:26.800,0:44:30.960
so there is a requirement for a

0:44:28.400,0:44:30.960
signature

0:44:32.960,0:44:37.839
so um

0:44:40.560,0:44:46.800
this week we completed frequently asked

0:44:44.800,0:44:48.240
questions on the website uh we put

0:44:46.800,0:44:50.880
together some of the

0:44:48.240,0:44:52.079
most asked questions so for the

0:44:50.880,0:44:54.560
following departments

0:44:52.079,0:44:55.359
uh treasure water building planning

0:44:54.560,0:44:57.760
zoning

0:44:55.359,0:44:58.720
the clerk and the parks and rec

0:44:57.760,0:45:02.240
department

0:44:58.720,0:45:04.560
so those are located on the

0:45:02.240,0:45:06.800
actual page of those departments and

0:45:04.560,0:45:10.400
then as of yesterday

0:45:06.800,0:45:11.119
we added a how do i tab on the website

0:45:10.400,0:45:13.839
underneath

0:45:11.119,0:45:15.280
the government tab on the website uh

0:45:13.839,0:45:19.200
there's three categories

0:45:15.280,0:45:22.400
apply for contact and find

0:45:19.200,0:45:25.599
so when you go to those categories

0:45:22.400,0:45:28.800
it'll say like apply for handicap permit

0:45:25.599,0:45:30.800
pillars permit that type of stuff and

0:45:28.800,0:45:33.440
like the contact contact mayor

0:45:30.800,0:45:36.079
or building zoning and then the fine

0:45:33.440,0:45:38.640
like find local laws

0:45:36.079,0:45:39.440
agendas and minutes stuff like that so

0:45:38.640,0:45:42.800
that's available

0:45:39.440,0:45:45.520
on the website for the residents as well

0:45:42.800,0:45:46.960
other than that those have been the

0:45:45.520,0:45:49.680
biggest things that

0:45:46.960,0:45:49.680
we have worked on

0:45:50.560,0:45:56.800
okay thank you todd uh any questions

0:45:53.920,0:45:56.800
good job todd

0:45:59.599,0:46:03.280
okay if there's no questions from todd

0:46:02.160,0:46:05.839
uh we are still

0:46:03.280,0:46:07.760
talking about the license agreement for

0:46:05.839,0:46:12.839
mary ross park

0:46:07.760,0:46:14.319
and um we have

0:46:12.839,0:46:16.960
uh

0:46:14.319,0:46:17.359
final document here and i would just

0:46:16.960,0:46:21.839
like

0:46:17.359,0:46:24.720
to ask if um it is what we said

0:46:21.839,0:46:26.400
at the last meeting and so it includes

0:46:24.720,0:46:29.599
the following conditions

0:46:26.400,0:46:31.359
which are that the park must be closed

0:46:29.599,0:46:35.359
by midnight

0:46:31.359,0:46:37.920
um the use by the licensee

0:46:35.359,0:46:38.480
is only allowed during the following

0:46:37.920,0:46:40.360
time

0:46:38.480,0:46:41.520
sunday from 1 to 8 pm

0:46:40.360,0:46:43.920
[Music]

0:46:41.520,0:46:45.680
not allowed on monday or tuesday

0:46:43.920,0:46:49.440
wednesday from 2 p.m

0:46:45.680,0:46:53.040
to 10 p.m thursday 2 p.m to 10 p.m

0:46:49.440,0:46:54.960
friday 5 p.m to midnight saturday 3 p.m

0:46:53.040,0:46:57.040
to midnight

0:46:54.960,0:46:58.800
the park portion must not be utilized

0:46:57.040,0:47:01.440
monday through tuesday as we said

0:46:58.800,0:47:02.079
public access to the park must be

0:47:01.440,0:47:05.200
allowed

0:47:02.079,0:47:08.800
at all times even if

0:47:05.200,0:47:09.520
somebody is being served uh even if

0:47:08.800,0:47:12.880
somebody

0:47:09.520,0:47:14.000
stops at a fast food restaurant and

0:47:12.880,0:47:16.560
picks up a bag

0:47:14.000,0:47:19.200
of food from another town and drives

0:47:16.560,0:47:22.400
into the village and wants to sit down

0:47:19.200,0:47:24.400
and eat their lunch at this location

0:47:22.400,0:47:26.319
they would be allowed to provided that

0:47:24.400,0:47:27.359
there is not another person sitting in

0:47:26.319,0:47:32.000
the seat

0:47:27.359,0:47:34.000
already uh live or recorded music

0:47:32.000,0:47:36.000
outside the establishment will only be

0:47:34.000,0:47:36.640
allowed by securing the permission of

0:47:36.000,0:47:39.119
the third

0:47:36.640,0:47:40.160
and second ward trustees live or

0:47:39.119,0:47:42.319
recorded music

0:47:40.160,0:47:43.839
inside the establishment must not be

0:47:42.319,0:47:46.480
heard outside

0:47:43.839,0:47:48.880
the park must be maintained by the

0:47:46.480,0:47:51.280
licensee for litter landscaping and

0:47:48.880,0:47:54.800
repairs

0:47:51.280,0:47:58.319
uh there would be a rent of uh

0:47:54.800,0:48:00.800
one dollar per year during

0:47:58.319,0:48:02.480
the amortization period of the

0:48:00.800,0:48:06.240
improvements which would be

0:48:02.480,0:48:08.960
ten years and uh after that the

0:48:06.240,0:48:09.920
rent would be reset at a market value to

0:48:08.960,0:48:12.880
be determined

0:48:09.920,0:48:14.880
in 10 years the agreement is to be

0:48:12.880,0:48:16.880
renewed each year and is subject to

0:48:14.880,0:48:20.240
review of noise congestion

0:48:16.880,0:48:23.359
and maintenance and uh there would be

0:48:20.240,0:48:27.280
a 250 dollar fine

0:48:23.359,0:48:30.800
for the first uh event that was too

0:48:27.280,0:48:34.079
large or the first time that music was

0:48:30.800,0:48:37.280
uh determined to be too loud

0:48:34.079,0:48:41.280
and a 500 fine for the

0:48:37.280,0:48:43.839
second time and then there would be

0:48:41.280,0:48:46.079
a demand to be heard in front of the

0:48:43.839,0:48:48.480
village board the third time

0:48:46.079,0:48:50.000
uh the village would be able to reserve

0:48:48.480,0:48:53.119
the use of the park

0:48:50.000,0:48:55.520
even if it was to be in the hours

0:48:53.119,0:48:56.640
stated above that the licensee was

0:48:55.520,0:49:01.119
allowed to use

0:48:56.640,0:49:03.760
the uh the space at mary ross park

0:49:01.119,0:49:04.400
and the seating would have to remain so

0:49:03.760,0:49:07.280
that off

0:49:04.400,0:49:07.760
our visitors could visit and use that

0:49:07.280,0:49:11.680
seating

0:49:07.760,0:49:15.760
except for uh during the time of winter

0:49:11.680,0:49:16.240
so uh the seating could be removed from

0:49:15.760,0:49:20.960
uh

0:49:16.240,0:49:23.920
november 15th through april 15th

0:49:20.960,0:49:25.599
and that would be and it could also be

0:49:23.920,0:49:27.200
allowed to stay there during that time

0:49:25.599,0:49:29.520
but it would be allowed to be removed

0:49:27.200,0:49:32.960
during that time

0:49:29.520,0:49:34.880
um all signage changes for the this for

0:49:32.960,0:49:36.000
the licensee must be approved by the

0:49:34.880,0:49:38.880
planning board

0:49:36.000,0:49:38.880
and um

0:49:39.680,0:49:45.599
and that was uh that portion the

0:49:43.599,0:49:47.760
revocable license granted

0:49:45.599,0:49:49.200
would not be a conveyance of real

0:49:47.760,0:49:51.520
property it would not

0:49:49.200,0:49:52.240
intend to grant or convey to the

0:49:51.520,0:49:54.720
licensee

0:49:52.240,0:49:55.920
the exclusive use of the land on which

0:49:54.720,0:49:57.839
the licensee

0:49:55.920,0:49:59.359
would construct its improvements which

0:49:57.839,0:50:02.720
would be a permanent

0:49:59.359,0:50:04.720
uh attachment to our property

0:50:02.720,0:50:06.240
the village's public property and would

0:50:04.720,0:50:10.839
remain after

0:50:06.240,0:50:12.880
this uh this agreement is no longer

0:50:10.839,0:50:16.880
enforced

0:50:12.880,0:50:17.520
so those were the main clauses of this

0:50:16.880,0:50:19.440
agreement

0:50:17.520,0:50:21.200
along with the other clauses that you

0:50:19.440,0:50:24.480
heard at the last meeting

0:50:21.200,0:50:27.520
and i just wanted to hear

0:50:24.480,0:50:28.160
if there were any other um discussion

0:50:27.520,0:50:31.040
points

0:50:28.160,0:50:33.040
for this tonight after you've had the

0:50:31.040,0:50:35.280
couple of weeks to think about what we

0:50:33.040,0:50:38.800
had been talking about

0:50:35.280,0:50:40.480
i have a question sure on liability how

0:50:38.800,0:50:43.680
will that fall

0:50:40.480,0:50:44.880
the uh licensee would have to provide to

0:50:43.680,0:50:49.280
the village

0:50:44.880,0:50:51.200
a um the his insurance and he would have

0:50:49.280,0:50:52.960
to provide coverage to the village and

0:50:51.200,0:50:54.640
he would have to name the village an

0:50:52.960,0:50:57.760
additional insured

0:50:54.640,0:50:59.680
and it would require that a single limit

0:50:57.760,0:51:02.960
policy in the amount of at least

0:50:59.680,0:51:05.119
one million dollars for death or bodily

0:51:02.960,0:51:07.920
injury and property damage liability

0:51:05.119,0:51:10.480
claims public liability insurance

0:51:07.920,0:51:13.200
blanket contractual liability

0:51:10.480,0:51:13.920
broad form property damage liability

0:51:13.200,0:51:17.599
insurance

0:51:13.920,0:51:18.319
and dram shop coverage the llc would

0:51:17.599,0:51:20.720
have to

0:51:18.319,0:51:22.800
furnish to the village a copy of the

0:51:20.720,0:51:25.040
above described policies or a

0:51:22.800,0:51:26.000
certificate showing issuance thereof to

0:51:25.040,0:51:28.240
the village

0:51:26.000,0:51:30.240
naming the village as additional insured

0:51:28.240,0:51:33.040
in this in the policy

0:51:30.240,0:51:33.040
okay thank you

0:51:33.920,0:51:38.800
any other questions so under that

0:51:37.040,0:51:40.480
insurance mayor this is this is going to

0:51:38.800,0:51:43.359
cost the village nothing correct

0:51:40.480,0:51:45.280
just just the landowner or the owner of

0:51:43.359,0:51:49.440
that right he would be responsible for

0:51:45.280,0:51:52.160
all uh improvements to the property

0:51:49.440,0:51:53.599
and we would be uh it would those

0:51:52.160,0:51:57.680
improvements would require

0:51:53.599,0:52:00.880
our approval yep and they would be

0:51:57.680,0:52:03.839

uh the same as the ones presented

0:52:00.880,0:52:06.079

at the last meeting there's been no

0:52:03.839,0:52:08.400

changes to them since that last

0:52:06.079,0:52:11.839

rendering i think i think it's a good

0:52:08.400,0:52:11.839

idea i'm just you know making sure

0:52:12.720,0:52:17.440

so uh if the board is okay with this i

0:52:15.760,0:52:21.119

would like to

0:52:17.440,0:52:23.520

ask if we would be ready to um

0:52:21.119,0:52:25.440

take a vote to move further and to allow

0:52:23.520,0:52:29.280

us to negotiate this settlement

0:52:25.440,0:52:31.520

this agreement with the licensee

0:52:29.280,0:52:32.400

and if you're happy with that agreement

0:52:31.520,0:52:35.440

the way i

0:52:32.400,0:52:37.839

stated um could we have a motion to move

0:52:35.440,0:52:37.839

forward

0:52:41.680,0:52:48.880

kevin so we had a motion by

0:52:44.960,0:52:51.520

trustee kevin huber in a second

0:52:48.880,0:52:52.960

good morning by trustee kimarnick all

0:52:51.520,0:52:56.240
those in favor

0:52:52.960,0:53:01.119
oh any opposed

0:52:56.240,0:53:04.400
okay uh so

0:53:01.119,0:53:07.599
this concludes everything that's been

0:53:04.400,0:53:10.480
uh put on the agenda for

0:53:07.599,0:53:11.520
tonight uh at this time i'd like to ask

0:53:10.480,0:53:16.960
if there's any

0:53:11.520,0:53:21.359
um any discussion from the board members

0:53:16.960,0:53:28.880
or we have an executive session yes

0:53:21.359,0:53:31.040
before in any executive session okay

0:53:28.880,0:53:32.000
uh cindy did you need to talk to us

0:53:31.040,0:53:35.359
about anything well

0:53:32.000,0:53:38.800
i just wanted to get the board's um

0:53:35.359,0:53:42.160
approval to allow the wappingers

0:53:38.800,0:53:45.920
indians football team to use

0:53:42.160,0:53:50.079
temple field um as a practice field

0:53:45.920,0:53:52.240
uh for preparation for um their season

0:53:50.079,0:53:54.880
uh to be honest with you they don't have

0:53:52.240,0:53:56.559
a starting date for that season yet

0:53:54.880,0:53:59.200
but they have reached out to us because

0:53:56.559,0:54:00.800
they are not able to use the um

0:53:59.200,0:54:02.319
junior high field that they

0:54:00.800,0:54:05.520
traditionally use for

0:54:02.319,0:54:06.880
practicing games i did come up with some

0:54:05.520,0:54:10.319
guidelines

0:54:06.880,0:54:11.440
for them using that field that are based

0:54:10.319,0:54:13.599
on the cba

0:54:11.440,0:54:14.720
recommendations about uh social

0:54:13.599,0:54:17.680
distancing

0:54:14.720,0:54:19.200
and what they can and cannot do in terms

0:54:17.680,0:54:21.599
of it has to be a strictly

0:54:19.200,0:54:22.480
conditioning situation they cannot play

0:54:21.599,0:54:25.680
games

0:54:22.480,0:54:27.119
they cannot have scrimmages um we would

0:54:25.680,0:54:30.480
require them to

0:54:27.119,0:54:33.680
provide us with insurance and also to

0:54:30.480,0:54:34.800
um cover the cost of putting a portage

0:54:33.680,0:54:36.559
on down there

0:54:34.800,0:54:38.640
uh during the time that they would be

0:54:36.559,0:54:40.960
using it for uh practices

0:54:38.640,0:54:42.799
so i'm uh asking uh the board to

0:54:40.960,0:54:43.280
entertain a motion for me to move ahead

0:54:42.799,0:54:46.400
with them

0:54:43.280,0:54:48.319
on that um i just felt uh

0:54:46.400,0:54:49.920
if you had any questions or concerns

0:54:48.319,0:54:50.480
that i would like to hear them prior to

0:54:49.920,0:54:52.559
this

0:54:50.480,0:54:54.319
or if you think that this is not

0:54:52.559,0:54:55.359
something that we want to become

0:54:54.319,0:54:58.319
involved in

0:54:55.359,0:54:59.839
um i certainly want to tell them that we

0:54:58.319,0:55:03.680
are not able to do with their

0:54:59.839,0:55:06.480
own time i just

0:55:03.680,0:55:06.880
i guess it goes without saying that they

0:55:06.480,0:55:08.640
can't

0:55:06.880,0:55:10.880
do it on school property because it's

0:55:08.640,0:55:13.200
not allowed by the state right now

0:55:10.880,0:55:15.040
uh that would be correct i think the the

0:55:13.200,0:55:18.720
school districts since they had not

0:55:15.040,0:55:20.559
uh quite determined um you know when

0:55:18.720,0:55:22.079
well all sports have been pushed off so

0:55:20.559,0:55:23.920
i think that that's the major issue

0:55:22.079,0:55:24.400
right now is because if they're pushing

0:55:23.920,0:55:25.920
off

0:55:24.400,0:55:28.480
scholastic sports they're not going to

0:55:25.920,0:55:30.400
allow uh outside groups to use those

0:55:28.480,0:55:34.000
fields either at this point in time

0:55:30.400,0:55:35.680
um there's 70 kids that that would be

0:55:34.000,0:55:37.839
involved in this i am putting

0:55:35.680,0:55:39.440
restrictions on them as to how many kids

0:55:37.839,0:55:41.359
can be on the field

0:55:39.440,0:55:42.880
at one time and how they have to be

0:55:41.359,0:55:46.000
spaced apart and

0:55:42.880,0:55:48.240
um they they are agreeable to it again

0:55:46.000,0:55:50.000
they are not having a meeting until uh

0:55:48.240,0:55:52.000
august 5th to determine if they're even

0:55:50.000,0:55:53.920
going to proceed with having a

0:55:52.000,0:55:55.280
any kind of a you know a league this

0:55:53.920,0:55:57.200
year so um

0:55:55.280,0:55:58.640
you know i i just want to be able to

0:55:57.200,0:56:00.960
give them the go-ahead

0:55:58.640,0:56:02.400
if they do decide that they want to move

0:56:00.960,0:56:04.640
forward with it that

0:56:02.400,0:56:07.200
and they want to uh utilize the space

0:56:04.640,0:56:07.200
that we have

0:56:08.160,0:56:11.200
i know that a lot of the traveling

0:56:09.760,0:56:14.559
sports teams are

0:56:11.200,0:56:17.920
using facilities out there um

0:56:14.559,0:56:19.920
i'm not aware of i know that

0:56:17.920,0:56:21.599
in one situation this was across the

0:56:19.920,0:56:23.119
river there was a one call with the

0:56:21.599,0:56:25.680
incident

0:56:23.119,0:56:26.799
and they uh isolated that right away i

0:56:25.680,0:56:30.000
don't

0:56:26.799,0:56:33.040
foresee a big problem here but i think

0:56:30.000,0:56:34.799
that if we're going to

0:56:33.040,0:56:36.240
consider this i think we need to make

0:56:34.799,0:56:40.000
sure that we have

0:56:36.240,0:56:43.359
every stringent rule in place possible

0:56:40.000,0:56:46.799
for the protection of these kids um

0:56:43.359,0:56:48.720
so maybe between now and the august

0:56:46.799,0:56:50.960
meeting that we take a look at it and

0:56:48.720,0:56:53.359
make sure that every regulation

0:56:50.960,0:56:54.960
that is out there that seems i mean

0:56:53.359,0:56:55.440
there's folks doing it already that

0:56:54.960,0:56:57.119
could

0:56:55.440,0:56:59.119
we could get feedback from but i think

0:56:57.119,0:57:01.359
we need to be very very stringent about

0:56:59.119,0:57:04.160
this

0:57:01.359,0:57:05.760
i can provide the board with a copy of

0:57:04.160,0:57:07.280
the guidelines that i'm asking them to

0:57:05.760,0:57:08.559
follow and you can certainly make any

0:57:07.280,0:57:12.000
additions to it that

0:57:08.559,0:57:13.839
you feel are necessary i was very very

0:57:12.000,0:57:15.359
cautious in terms of what i would allow

0:57:13.839,0:57:17.440
them to do so uh

0:57:15.359,0:57:19.440
and being very very mindful of what the

0:57:17.440,0:57:21.920
state was putting out there

0:57:19.440,0:57:23.760
uh as far as you did and also what the

0:57:21.920,0:57:25.760
sea guidelines were as well

0:57:23.760,0:57:27.440
um the town of wappangers has been

0:57:25.760,0:57:30.640
allowing some of the

0:57:27.440,0:57:32.319
like their little league is back um uh

0:57:30.640,0:57:33.680
playing on their fields and so are the

0:57:32.319,0:57:35.599
soccer teams and stuff

0:57:33.680,0:57:37.440
so i mean there are other municipalities

0:57:35.599,0:57:38.559
that have started to allow their leagues

0:57:37.440,0:57:41.599
to start up again

0:57:38.559,0:57:43.920
we don't normally have it so it

0:57:41.599,0:57:45.440
you know it definitely wasn't um you

0:57:43.920,0:57:46.319
know a major concern for me to be

0:57:45.440,0:57:48.160
working on

0:57:46.319,0:57:49.599
but they did reach out you know they did

0:57:48.160,0:57:51.119
send me a letter and ask

0:57:49.599,0:57:52.720
you know if there was the possibility

0:57:51.119,0:57:54.160
because they you know they were looking

0:57:52.720,0:57:55.200
for some kind of space where they might

0:57:54.160,0:57:57.440
be able to

0:57:55.200,0:57:58.319
you know conduct practices and stuff so

0:57:57.440,0:58:00.720
um

0:57:58.319,0:58:01.839
if that meets with your approval that's

0:58:00.720,0:58:03.760
what i'll do is i'll

0:58:01.839,0:58:05.359
have those guidelines available for you

0:58:03.760,0:58:06.960
for the next board meeting

0:58:05.359,0:58:09.440
and you can take a look at them and we

0:58:06.960,0:58:11.839
can make adjustments as necessary

0:58:09.440,0:58:14.079
to allow them to to uh practice on the

0:58:11.839,0:58:14.079
field

0:58:16.160,0:58:19.359
i'm okay with it but it sounds like

0:58:18.000,0:58:22.799
there might be a

0:58:19.359,0:58:25.359
desire for um

0:58:22.799,0:58:26.559
you know a review of the actual

0:58:25.359,0:58:30.799
agreement

0:58:26.559,0:58:32.480
and uh so i think could we uh make this

0:58:30.799,0:58:34.799
if we do make this function tonight

0:58:32.480,0:58:38.079
could i ask that we make this motion

0:58:34.799,0:58:40.319
and uh have there be it be contingent

0:58:38.079,0:58:43.920
upon review by the

0:58:40.319,0:58:46.559
um a committee

0:58:43.920,0:58:47.280
of uh trustees that we could name here

0:58:46.559,0:58:50.000
tonight

0:58:47.280,0:58:50.960
and they could work with craig and cindy

0:58:50.000,0:58:55.359
to

0:58:50.960,0:58:56.799
uh make sure that we we're covered

0:58:55.359,0:58:59.280
yeah we want to make sure also that

0:58:56.799,0:59:00.079
there's spectator policies in there too

0:58:59.280,0:59:01.920
because

0:59:00.079,0:59:03.680
high school high school is a little

0:59:01.920,0:59:06.079
different you're going to

0:59:03.680,0:59:08.400
parents friends family and it's more of

0:59:06.079,0:59:09.839
a social thing with football so

0:59:08.400,0:59:14.160
i think we just have to make sure that

0:59:09.839,0:59:14.160
we're cognizant of that fact too

0:59:15.040,0:59:19.839
any other comments from the board

0:59:20.480,0:59:27.520
do you want to move forward with emotion

0:59:23.839,0:59:32.160
can with that contingency in place

0:59:27.520,0:59:36.160
oh yeah do we want to make a committee

0:59:32.160,0:59:39.520
so um could i get scott

0:59:36.160,0:59:42.880
kevin and ronnie okay

0:59:39.520,0:59:46.000
okay and then uh you could have craig

0:59:42.880,0:59:47.760
also with you okay

0:59:46.000,0:59:50.480
i'll make the motion that we allow them

0:59:47.760,0:59:52.000
to use the field based on

0:59:50.480,0:59:53.680
all the guidelines that will be put in

0:59:52.000,0:59:54.960
place prior by the uh

0:59:53.680,0:59:56.720
through the guidance of the committee

0:59:54.960,0:59:59.680
that we just uh

0:59:56.720,1:00:00.160
we just formed and and contingent upon

0:59:59.680,1:00:04.319
that

1:00:00.160,1:00:07.680
committee's acceptance exactly okay

1:00:04.319,1:00:10.880
uh is there so is there a second second

1:00:07.680,1:00:14.160
all those in favor aye and that was uh

1:00:10.880,1:00:16.400
kevin huber was the second um

1:00:14.160,1:00:18.400
anybody else have anything yeah mary

1:00:16.400,1:00:20.240
before i forget i almost forgot

1:00:18.400,1:00:22.559
i was talking to the village village

1:00:20.240,1:00:23.680
garbage clerk and uh there's been some

1:00:22.559,1:00:26.960
calls on

1:00:23.680,1:00:29.359
for cleanup and i think we came up with

1:00:26.960,1:00:32.400
some kind of a solution

1:00:29.359,1:00:34.799
for clean up this or if if the village

1:00:32.400,1:00:36.960
would want to do it in the fall

1:00:34.799,1:00:38.000
the town of fishfield does it at garing

1:00:36.960,1:00:41.119
park and

1:00:38.000,1:00:43.359
they bring it to them so meaning

1:00:41.119,1:00:44.880
you would have to bring it to i'll say

1:00:43.359,1:00:47.839
down to the staging area

1:00:44.880,1:00:49.280
where royal carting would be parked i'm

1:00:47.839,1:00:50.400
assuming that's what we would use for

1:00:49.280,1:00:54.079
the cleanup

1:00:50.400,1:00:57.520
and uh and so that's news how

1:00:54.079,1:00:58.880
the town of fiscal has it set up i i

1:00:57.520,1:01:02.559
would kind of like to do something

1:00:58.880,1:01:03.440
as similar as that if the village is

1:01:02.559,1:01:06.079
interesting

1:01:03.440,1:01:08.319
this year i mean i'm i think we haven't

1:01:06.079,1:01:10.400
had it in a few years and

1:01:08.319,1:01:11.520
bringing it to them would be the cheaper

1:01:10.400,1:01:14.400
way to go

1:01:11.520,1:01:14.400
we could save money

1:01:15.040,1:01:19.119
i don't know how the board feels yeah i

1:01:17.680,1:01:21.440
i'm okay with

1:01:19.119,1:01:22.799
uh for myself but i know that we have a

1:01:21.440,1:01:26.240
lot of elderly

1:01:22.799,1:01:29.280
uh residents who are looking for

1:01:26.240,1:01:32.480
inside pickup and

1:01:29.280,1:01:35.520
um i believe that they will call

1:01:32.480,1:01:37.280
uh about that though

1:01:35.520,1:01:39.040
the complaint over the years when we've

1:01:37.280,1:01:41.520
had it is that

1:01:39.040,1:01:43.599
i you know i can only get it to the curb

1:01:41.520,1:01:46.960
i can't i don't have a truck

1:01:43.599,1:01:50.400
i can't um

1:01:46.960,1:01:53.839
transport it so um so that's what the

1:01:50.400,1:01:53.839
board is to have to decide

1:01:54.799,1:01:59.039
yeah i i just i mean if we did it i

1:01:57.839,1:01:59.680
understand where you're coming from on

1:01:59.039,1:02:01.599
that mirror

1:01:59.680,1:02:02.799
but if we did it the other way where we

1:02:01.599,1:02:04.960
brought it to them

1:02:02.799,1:02:07.039
we can control the outside dumping where

1:02:04.960,1:02:08.720
the absentee landlords bring their stuff

1:02:07.039,1:02:11.119
in because it's you know where i live on

1:02:08.720,1:02:14.160
main street and i see a lot of

1:02:11.119,1:02:17.200
piles that look the same and it's pretty

1:02:14.160,1:02:18.079
rusted out refrigerators rotten

1:02:17.200,1:02:19.520
mattresses

1:02:18.079,1:02:22.640
you know i'm sure people don't not keep

1:02:19.520,1:02:22.640
that stuff in their houses

1:02:24.640,1:02:29.520
being brought in so i've got a

1:02:27.520,1:02:30.880
considerable amount of feedback over it

1:02:29.520,1:02:33.200
people ask me all the time

1:02:30.880,1:02:34.000
as a matter of fact i had a yard sale

1:02:33.200,1:02:37.039
the other day and

1:02:34.000,1:02:38.640
people were asking me about it then and

1:02:37.039,1:02:40.960
the feedback that i've gotten over the

1:02:38.640,1:02:42.480
last since we've had the last one is

1:02:40.960,1:02:44.240
everybody wants they don't they don't

1:02:42.480,1:02:46.079
want to have to take it anywhere

1:02:44.240,1:02:47.839
and a lot of them that live on the town

1:02:46.079,1:02:49.440
of loving your side can take it to the

1:02:47.839,1:02:50.720
town of wappinger's one anytime they

1:02:49.440,1:02:53.599
want to anyway

1:02:50.720,1:02:55.520
which isn't much farther than or as far

1:02:53.599,1:02:56.480
as taking it somewhere here and dumping

1:02:55.520,1:03:00.799
it but

1:02:56.480,1:03:02.400
um i you know the expense of a one-shot

1:03:00.799,1:03:05.760
deal to take it to them

1:03:02.400,1:03:08.000
versus the expense of the one-shot deal

1:03:05.760,1:03:08.960
put it on the front street yeah the

1:03:08.000,1:03:12.240
landlords are

1:03:08.960,1:03:13.760
a problem but uh um

1:03:12.240,1:03:15.599
i don't know it just doesn't seem to be

1:03:13.760,1:03:18.400
very popular and i get so much

1:03:15.599,1:03:20.000
negativity about taking it anywhere i'm

1:03:18.400,1:03:23.680
just throwing that up there i don't know

1:03:20.000,1:03:23.680
we'll do what everybody wants to do but

1:03:24.400,1:03:30.480
it's not it's not very popular out there

1:03:27.760,1:03:32.559
well do you want to set a um set this on

1:03:30.480,1:03:34.160
the agenda for august 12th for more

1:03:32.559,1:03:36.319
discussion

1:03:34.160,1:03:37.680
we could but i'm going to be at it on

1:03:36.319,1:03:39.119
august 12th

1:03:37.680,1:03:41.680
can we put something out on the village

1:03:39.119,1:03:45.440
website to get you could zoom into us

1:03:41.680,1:03:45.440
with the waves behind you kevin

1:03:46.160,1:03:48.880
can we can we get something on the

1:03:47.520,1:03:49.599
village website to have people give

1:03:48.880,1:03:53.039
their input

1:03:49.599,1:03:55.280
can we get some kind of uh consensus out

1:03:53.039,1:03:55.280
there

1:03:56.160,1:04:00.880
i'm sure fast and furious and the

1:03:58.880,1:04:02.640
needles would point one way or the other

1:04:00.880,1:04:04.000
you were what date were you looking at

1:04:02.640,1:04:06.319
kevin i'm not

1:04:04.000,1:04:08.880
i'm not sure maybe i don't know october

1:04:06.319,1:04:08.880
i mean definitely

1:04:09.280,1:04:13.440
so because i know uh the sound of fiscal

1:04:12.400,1:04:15.839
has one

1:04:13.440,1:04:17.680
on uh i i checked my email because i got

1:04:15.839,1:04:18.400
i got the paperwork on it tentacles we

1:04:17.680,1:04:21.680
had one

1:04:18.400,1:04:23.119
on a saturday so i mean ours wouldn't be

1:04:21.680,1:04:25.280
on a saturday if we did

1:04:23.119,1:04:26.160
if we did uh curbside service it would

1:04:25.280,1:04:28.640
definitely be

1:04:26.160,1:04:29.680
during the week i mean i mean i don't

1:04:28.640,1:04:30.880
know if you can put it together in a

1:04:29.680,1:04:34.799
month but i mean

1:04:30.880,1:04:37.920
october i think it would be today

1:04:34.799,1:04:40.000
how did poughkeepsie have a dump station

1:04:37.920,1:04:41.839
yeah it's up and tucker driving the 15

1:04:40.000,1:04:44.079
and it's and it's free to all

1:04:41.839,1:04:45.119
town poughkeepsie residents but it's you

1:04:44.079,1:04:48.160
know a certain amount

1:04:45.119,1:04:48.160
or certain times a day

1:04:48.319,1:04:51.680
i'm sure that's what prohibits everybody

1:04:50.319,1:04:55.359
from one of the

1:04:51.680,1:04:57.200
other reasons yeah

1:04:55.359,1:04:58.880
and i thought this up in the past is

1:04:57.200,1:05:01.680
maybe we can make

1:04:58.880,1:05:02.319
make an exception for the whole village

1:05:01.680,1:05:04.160
to

1:05:02.319,1:05:05.839
go in on the town of wappinger on a

1:05:04.160,1:05:06.720
shared service where we can over there

1:05:05.839,1:05:09.920
and

1:05:06.720,1:05:10.799
you know i know i know the residents

1:05:09.920,1:05:14.880
have to pay

1:05:10.799,1:05:16.400
yearly for a permit to dump there

1:05:14.880,1:05:18.079
i mean that's another thing we could be

1:05:16.400,1:05:19.359
looking into where we wouldn't have to

1:05:18.079,1:05:22.559
have this cost and

1:05:19.359,1:05:24.319
the the residents can go periodically

1:05:22.559,1:05:26.799
throughout the whole year

1:05:24.319,1:05:26.799
their stuff

1:05:28.799,1:05:36.000
yeah yeah the town dump the town

1:05:32.000,1:05:37.440
oh the town yeah yeah

1:05:36.000,1:05:39.200
i'd definitely like to see a cleanup

1:05:37.440,1:05:41.680
done but i'm just saying

1:05:39.200,1:05:43.599
after this maybe we can talk to the

1:05:41.680,1:05:46.160
supervisor where we can get

1:05:43.599,1:05:46.880
the first ward as part of the town of

1:05:46.160,1:05:48.240
wapping

1:05:46.880,1:05:50.079
this way we don't have to go all the way

1:05:48.240,1:05:51.599
to talk or drive get see we can just go

1:05:50.079,1:05:54.960
right in our backyard like

1:05:51.599,1:05:54.960
you know the second and third board

1:05:55.039,1:05:58.160
i mean it's the fucking the tall i don't

1:05:57.359,1:06:01.039
know how

1:05:58.160,1:06:02.400
it would work i could talk it i think we

1:06:01.039,1:06:04.000
could definitely you could do that

1:06:02.400,1:06:07.680
that's definitely a good idea

1:06:04.000,1:06:10.720
so it might be good to get kevin you uh

1:06:07.680,1:06:14.880
he and um billy

1:06:10.720,1:06:18.400
could talk to the town about that

1:06:14.880,1:06:21.680
um together you want yeah

1:06:18.400,1:06:23.680
okay i mean that's something we can look

1:06:21.680,1:06:26.480
look look into it after we do our

1:06:23.680,1:06:29.200
cleanup you know this way

1:06:26.480,1:06:29.520
the town had been i believe the town had

1:06:29.200,1:06:32.480
been

1:06:29.520,1:06:34.559
selling uh permits outside the town

1:06:32.480,1:06:36.960
anyway

1:06:34.559,1:06:38.160
yeah so i think that i i think that they

1:06:36.960,1:06:41.680
might be willing to

1:06:38.160,1:06:47.520
entertain that idea um but we could

1:06:41.680,1:06:51.200
go discuss that with them yeah

1:06:47.520,1:06:52.559
all right so i mean i guess if if

1:06:51.200,1:06:54.240
the board was willing to do it maybe we

1:06:52.559,1:06:56.319
can i'm going to be away next

1:06:54.240,1:06:57.599
the following meeting well i you know

1:06:56.319,1:06:59.680
what i don't think it would be

1:06:57.599,1:07:02.079
it wouldn't be bad for us to get uh

1:06:59.680,1:07:03.760
comments anyway at the next meeting so

1:07:02.079,1:07:06.079
why don't we go ahead and set that on

1:07:03.760,1:07:09.680
the agenda for the august 12th

1:07:06.079,1:07:10.720
meeting john and uh todd you can make

1:07:09.680,1:07:14.400
sure that it's

1:07:10.720,1:07:18.000
uh advertised well and um

1:07:14.400,1:07:20.720
we will uh we'll work on that

1:07:18.000,1:07:24.079
at the next meeting and you can see the

1:07:20.720,1:07:24.079
the response that we got

1:07:24.880,1:07:29.839
that's good

1:07:38.640,1:07:47.119
we do have an executive uh session item

1:07:42.240,1:07:50.559
about the um bargaining agreement

1:07:47.119,1:07:56.960
as well as a personnel item so

1:07:50.559,1:07:59.680
uh if there's

1:07:56.960,1:08:01.599
nothing else uh does anybody have

1:07:59.680,1:08:04.000
anything else from the board

1:08:01.599,1:08:04.000
john

1:08:05.760,1:08:11.760
and we got cindy taking care of um

1:08:10.079,1:08:13.520
the only thing i would like to say

1:08:11.760,1:08:16.159
todd's not here at gila

1:08:13.520,1:08:17.920
is that having todd around with his

1:08:16.159,1:08:21.040
experience

1:08:17.920,1:08:23.120
in the i.t field has i believe

1:08:21.040,1:08:25.440
saved the village considerable amount of

1:08:23.120,1:08:28.880
money i know i haven't called

1:08:25.440,1:08:30.640
craig uh roberts in quite a while and

1:08:28.880,1:08:32.960
we were calling him almost on a weekly

1:08:30.640,1:08:34.799
basis and having todd here now is

1:08:32.960,1:08:36.239
hey todd come on in i hear that all

1:08:34.799,1:08:39.920
afternoon so

1:08:36.239,1:08:43.440
i just like to say he really contributes

1:08:39.920,1:08:47.199
to to uh the village

1:08:43.440,1:08:49.759
and i'd like to say during all this time

1:08:47.199,1:08:51.199
he has been going in that hall and

1:08:49.759,1:08:54.239
working on pro

1:08:51.199,1:08:58.400
project after project for months and i

1:08:54.239,1:08:58.400
really want to thank him for doing that

1:09:00.319,1:09:03.520
if i could just add something to it is a

1:09:02.640,1:09:06.960
godsend

1:09:03.520,1:09:08.719
that i get a an email that tells me that

1:09:06.960,1:09:11.920
somebody left a voicemail

1:09:08.719,1:09:13.759
on the phone system it has simplified

1:09:11.920,1:09:14.960
my life because i can't tell you how

1:09:13.759,1:09:17.040
many times i

1:09:14.960,1:09:18.400
locked myself out of the phone message

1:09:17.040,1:09:20.719
system because i couldn't remember

1:09:18.400,1:09:22.239
how to put the codes in so it's just so

1:09:20.719,1:09:24.319
much simpler for me

1:09:22.239,1:09:25.920
to get an email that says i need to call

1:09:24.319,1:09:26.799
this person back and here's what it's

1:09:25.920,1:09:28.960
all about

1:09:26.799,1:09:31.199
um it's just been a godsend it really

1:09:28.960,1:09:31.199
has

1:09:32.159,1:09:38.480
okay um jessica did you want to

1:09:35.440,1:09:42.560
update us on anything this time around

1:09:38.480,1:09:42.560
do you have any anything

1:09:42.719,1:09:49.839
um not really okay any questions for

1:09:46.839,1:09:49.839
jessica

1:09:53.120,1:09:56.640
okay if there's no questions for jessica

1:09:55.840,1:10:00.000
i would like

1:09:56.640,1:10:03.280
to ask if we could get a motion to go

1:10:00.000,1:10:06.320
into executive session with our attorney

1:10:03.280,1:10:09.760
rich zuckerman uh and uh

1:10:06.320,1:10:13.440
my assistant corey yousevich

1:10:09.760,1:10:17.199
to discuss the bargaining

1:10:13.440,1:10:17.520
unit agreement and uh matters having to

1:10:17.199,1:10:20.800
do

1:10:17.520,1:10:23.040
with personnel so if um

1:10:20.800,1:10:24.080
could i get a motion i will make that

1:10:23.040,1:10:27.760
motion

1:10:24.080,1:10:31.120
second second seconded by

1:10:27.760,1:10:34.560
trustee markijn

1:10:31.120,1:10:37.440
huber all those in favor aye aye

1:10:34.560,1:10:37.440
any opposed

1:10:40.360,1:10:43.360
okay
