0:01:36.159,0:01:40.159  
agenda

0:01:37.840,0:01:42.399  
is that what you have in front of you

0:01:40.159,0:01:44.560  
yes

0:01:42.399,0:01:46.720  
that's not that's not the most updated

0:01:44.560,0:01:46.720  
one

0:01:46.880,0:01:50.880  
that's back maybe until around two or

0:01:49.680,0:01:55.840  
three o'clock today

0:01:50.880,0:01:55.840  
there's one after that

0:02:06.840,0:02:09.840  
okay

0:02:17.520,0:02:23.120  
yeah why don't you do that mary do you

0:02:20.080,0:02:26.319  
need to uh suspend the rules

0:02:23.120,0:02:27.520  
yes i need to make a motion to suspend

0:02:26.319,0:02:30.800  
the rules of order

0:02:27.520,0:02:34.560  
for the meeting can i have a second

0:02:30.800,0:02:38.879  
yes second seconded by trustee huber

0:02:34.560,0:02:38.879  
all those in favor hi hi

0:02:39.840,0:02:45.440  
okay uh next item on the agenda i mean

0:02:42.640,0:02:48.239  
excuse me uh mary go ahead

0:02:45.440,0:02:49.440  
so i asked adam van tassel who is the

0:02:48.239,0:02:52.319  
fire chief for the whopper

0:02:49.440,0:02:54.560  
falls fire department to speak on

0:02:52.319,0:02:56.560  
today's meeting

0:02:54.560,0:02:58.480  
um he would like to talk to you guys

0:02:56.560,0:03:01.680  
about getting new

0:02:58.480,0:03:05.840  
um portables for for the fire department

0:03:01.680,0:03:08.400  
and mobile's as well he was hoping to

0:03:05.840,0:03:09.040  
get approved for the grant of the agf

0:03:08.400,0:03:11.519  
grant

0:03:09.040,0:03:13.360  
um that they actually received notice

0:03:11.519,0:03:14.000  
today that they did not get the grant

0:03:13.360,0:03:15.440  
for this

0:03:14.000,0:03:18.640  
and they were hoping that this grant

0:03:15.440,0:03:21.840  
money was going to pay for these radios

0:03:18.640,0:03:22.720  
um they are in desperate need of these

0:03:21.840,0:03:26.239  
radios they

0:03:22.720,0:03:27.280  
are about 14 years old um they're at the

0:03:26.239,0:03:29.360  
end of their life

0:03:27.280,0:03:30.959  
they cannot get parts anymore they

0:03:29.360,0:03:34.799  
cannot get this up

0:03:30.959,0:03:36.560  
software updated so i asked adam to

0:03:34.799,0:03:38.799  
join us today to talk a little bit about

0:03:36.560,0:03:38.799  
this

0:03:42.959,0:03:51.280  
okay adam you wanna

0:03:46.799,0:03:54.400  
yeah um as uh mary stated uh

0:03:51.280,0:03:55.840  
we have uh 27 portable radios and seven

0:03:54.400,0:03:59.680  
mobile radios that

0:03:55.840,0:04:02.239  
are uh at the end of their life

0:03:59.680,0:04:04.000  
we can't get any service for them we

0:04:02.239,0:04:06.239  
can't get parts for them

0:04:04.000,0:04:09.200  
we currently have about six radios that

0:04:06.239,0:04:12.400  
are out of service

0:04:09.200,0:04:16.160  
this is a severe

0:04:12.400,0:04:18.400  
life and death piece of uh

0:04:16.160,0:04:20.560  
equipment that we need for

0:04:18.400,0:04:22.479  
communications during the fire

0:04:20.560,0:04:24.240  
any kind of you know any kind of call

0:04:22.479,0:04:27.360  
that we have

0:04:24.240,0:04:29.919  
um we we did

0:04:27.360,0:04:30.720  
as she stated we did apply for the afg

0:04:29.919,0:04:33.440  
grant and

0:04:30.720,0:04:35.280  
unfortunately we didn't get it um

0:04:33.440,0:04:38.720  
motorola

0:04:35.280,0:04:41.120  
has offered a trade-in option that we

0:04:38.720,0:04:43.600  
can trade in all our old equipment

0:04:41.120,0:04:45.440  
they give us about an eleven thousand

0:04:43.600,0:04:48.960  
and six hundred dollar

0:04:45.440,0:04:53.040  
credit towards the purchase of uh

0:04:48.960,0:04:55.600  
all the radios i think the total

0:04:53.040,0:04:57.199  
cost is uh seventy four thousand three

0:04:55.600,0:04:57.680  
hundred and seventy one dollars and

0:04:57.199,0:05:01.919  
that's

0:04:57.680,0:05:05.039  
um after the trade-in

0:05:01.919,0:05:06.960  
um they are they also provided us with a

0:05:05.039,0:05:11.360  
couple financing options

0:05:06.960,0:05:16.639  
i believe our treasurer has also

0:05:11.360,0:05:21.360  
inquired about a through real lease

0:05:16.639,0:05:25.039  
a financing option a five-year

0:05:21.360,0:05:25.840  
financing option um i believe everybody

0:05:25.039,0:05:29.360  
should have

0:05:25.840,0:05:31.360  
a copy of motorola's proposal

0:05:29.360,0:05:33.120  
um and yeah we're just looking to try

0:05:31.360,0:05:33.600  
and get this move forward it's something

0:05:33.120,0:05:36.720  
that we

0:05:33.600,0:05:38.560  
are in desperate need of and it's

0:05:36.720,0:05:40.479  
it's an important important piece of

0:05:38.560,0:05:43.360  
equipment that we need very important

0:05:40.479,0:05:44.240  
probably one of the most important can't

0:05:43.360,0:05:47.840  
communicate

0:05:44.240,0:05:47.840  
things can go bad quick

0:05:48.720,0:05:53.840  
okay are there any questions for adam

0:05:55.919,0:06:00.639  
um i so adam and mary uh i believe mary

0:05:59.759,0:06:04.000  
spoke with

0:06:00.639,0:06:07.120  
jessica today about the leasing

0:06:04.000,0:06:10.000  
that motorola provided and she also

0:06:07.120,0:06:11.759  
uh looked at the leasing deal which uh

0:06:10.000,0:06:14.800  
she would she might be able to get

0:06:11.759,0:06:18.080  
from another other sources jessica do

0:06:14.800,0:06:18.080  
you want to talk to the board

0:06:18.160,0:06:21.360  
yeah so it was cheaper to go through

0:06:20.160,0:06:24.400  
release

0:06:21.360,0:06:28.000  
with the lease payments

0:06:24.400,0:06:32.080  
um it saves about 245

0:06:28.000,0:06:33.600  
a year so and we can also extend it out

0:06:32.080,0:06:36.479  
over five years instead of just being

0:06:33.600,0:06:36.479  
cut off at four

0:06:41.440,0:06:44.560  
well mayor the only comment i have to

0:06:43.360,0:06:46.800  
make um is

0:06:44.560,0:06:48.080  
i think that because of the amount of

0:06:46.800,0:06:50.479  
the contract

0:06:48.080,0:06:52.479  
order we may have to you know resort to

0:06:50.479,0:06:53.199  
the procurement policy and just make

0:06:52.479,0:06:55.520  
sure that

0:06:53.199,0:06:57.840  
um the way around that is to go through

0:06:55.520,0:07:00.639  
you know through the state

0:06:57.840,0:07:00.960  
this is sorry to interrupt you and mark

0:07:00.639,0:07:02.880

i

0:07:00.960,0:07:04.560

i should have added that it's all new

0:07:02.880,0:07:06.560

york state bid contract

0:07:04.560,0:07:07.680

everything is on new york state bid

0:07:06.560,0:07:10.160

pricing

0:07:07.680,0:07:11.280

okay so good can you get us that

0:07:10.160,0:07:13.520

information and then

0:07:11.280,0:07:15.680

yeah it's actually part of motorola's

0:07:13.520,0:07:16.160

proposal it has the contract number on

0:07:15.680,0:07:18.960

it for

0:07:16.160,0:07:20.639

the new york state bid proposal yeah i

0:07:18.960,0:07:23.680

actually have the contract number

0:07:20.639,0:07:26.240

right here um oh i already

0:07:23.680,0:07:26.880

i know you guys probably need like yeah

0:07:26.240,0:07:28.800

i mean

0:07:26.880,0:07:30.720

because these minutes are gonna be you

0:07:28.800,0:07:33.440

know like on um

0:07:30.720,0:07:35.759

eventually transcribed it mary if you

0:07:33.440,0:07:38.960  
could read the contract number

0:07:35.759,0:07:40.720  
we can then at least you know um get a

0:07:38.960,0:07:42.319  
resolution together or

0:07:40.720,0:07:44.000  
you know something to get had i known i

0:07:42.319,0:07:47.039  
would have had a resolution ready for

0:07:44.000,0:07:49.599  
you i got the email so i can email

0:07:47.039,0:07:50.720  
everybody the contract adam emailed me

0:07:49.599,0:07:52.800  
yesterday because i couldn't make the

0:07:50.720,0:07:56.000  
meeting had a family emergency

0:07:52.800,0:07:59.840  
all right i i think though

0:07:56.000,0:08:02.960  
um it would be best if i had this

0:07:59.840,0:08:05.199  
this um resolution ready for your action

0:08:02.960,0:08:06.800  
at the special meeting next tuesday that

0:08:05.199,0:08:08.319  
way everything gets done is that all

0:08:06.800,0:08:11.840  
right adam

0:08:08.319,0:08:14.800  
yeah uh motorola

0:08:11.840,0:08:16.479  
they were holding the trading the traded

0:08:14.800,0:08:16.960  
pricing for us they were holding that

0:08:16.479,0:08:20.400  
for us

0:08:16.960,0:08:21.520  
until the 30th of october um he said if

0:08:20.400,0:08:24.560  
we needed more

0:08:21.520,0:08:27.199  
time then we could he could possibly uh

0:08:24.560,0:08:27.680  
ask his team for an extension on that

0:08:27.199,0:08:30.160  
which

0:08:27.680,0:08:31.120  
i can certainly reach out and find out

0:08:30.160,0:08:33.680  
but

0:08:31.120,0:08:34.959  
um they were holding it to see if we got

0:08:33.680,0:08:38.320  
the afg grant

0:08:34.959,0:08:40.080  
um and unfortunately we didn't so now

0:08:38.320,0:08:41.680  
you know everything it seems to be last

0:08:40.080,0:08:45.200  
minute but

0:08:41.680,0:08:45.920  
um yeah it's been multiple months in the

0:08:45.200,0:08:48.160  
making

0:08:45.920,0:08:49.519  
i'm sure corey can attest it it was you

0:08:48.160,0:08:51.440  
know it's probably been about six months

0:08:49.519,0:08:53.680  
in the making here

0:08:51.440,0:08:55.600  
it's just blame it on legal and you know

0:08:53.680,0:08:57.760  
we have to attach a resolution

0:08:55.600,0:08:58.880  
the minutes of the resolution anyway so

0:08:57.760,0:09:00.880  
no i understand

0:08:58.880,0:09:02.800  
um i can reach out to motorola hopefully

0:09:00.880,0:09:04.480  
they didn't keep it you know for

0:09:02.800,0:09:06.800  
four more days it's not hopefully that

0:09:04.480,0:09:10.000  
shouldn't be an issue

0:09:06.800,0:09:11.680  
i'd also like to ask the board uh

0:09:10.000,0:09:13.600  
tonight we're going to be passing a

0:09:11.680,0:09:15.680  
contract with dutchess county for their

0:09:13.600,0:09:16.640  
purchasing services and i do think that

0:09:15.680,0:09:20.240  
they should

0:09:16.640,0:09:23.279  
use those that purchasing uh service

0:09:20.240,0:09:27.120  
or use jessica uh

0:09:23.279,0:09:29.600  
to find out and uh independently verify

0:09:27.120,0:09:31.920  
independent not from you adam but from

0:09:29.600,0:09:35.200  
the um

0:09:31.920,0:09:36.480  
from the uh the source that you're going

0:09:35.200,0:09:39.279  
to be buying from

0:09:36.480,0:09:40.160  
whether or not they're on the current

0:09:39.279,0:09:43.040  
valid

0:09:40.160,0:09:45.040  
new york state bid list so the end that

0:09:43.040,0:09:47.360  
we are allowed to use them

0:09:45.040,0:09:48.880  
so uh jessica if you could look at that

0:09:47.360,0:09:51.680  
first before tuesday

0:09:48.880,0:09:53.680  
and uh if you need assistance from

0:09:51.680,0:09:56.800  
dutchess county through the purchasing

0:09:53.680,0:10:01.600  
department you would go through them and

0:09:56.800,0:10:01.600  
talk to them okay okay

0:10:01.680,0:10:07.200  
so john charge would you add that to the

0:10:03.839,0:10:10.800  
agenda for the tuesday meeting

0:10:07.200,0:10:10.800  
we're proposing yep

0:10:11.120,0:10:16.079  
are you good with that adam yes i mean

0:10:14.240,0:10:17.279  
that's that's how we have to proceed

0:10:16.079,0:10:19.040  
that's how that with how we have to

0:10:17.279,0:10:21.040  
proceed you know i can't

0:10:19.040,0:10:22.320  
i can't make any uh make anything else

0:10:21.040,0:10:24.480  
happen that's it that's

0:10:22.320,0:10:27.519  
that's good it's good enough i do

0:10:24.480,0:10:27.519  
believe dutchess county

0:10:31.519,0:10:34.640  
you're 911 mute mary

0:10:35.760,0:10:39.519  
sorry um i do believe dutchess county

0:10:38.480,0:10:41.760  
9-1-1

0:10:39.519,0:10:43.279  
um does use these guys for all their

0:10:41.760,0:10:46.000  
purchases

0:10:43.279,0:10:46.720  
so i would say to the board is that you

0:10:46.000,0:10:50.320  
should be

0:10:46.720,0:10:53.120  
adding to the voucher package every time

0:10:50.320,0:10:54.800  
you believe that somebody is on the new

0:10:53.120,0:10:58.079  
york state bid you should

0:10:54.800,0:10:58.800  
add written verification from either the

0:10:58.079,0:11:01.760  
treasurer

0:10:58.800,0:11:02.959  
or dutchess county procurement that that

0:11:01.760,0:11:07.040  
is in fact the case

0:11:02.959,0:11:07.040  
as a backup for the voucher package

0:11:08.079,0:11:11.120  
so um and i'm sure it's i'm sure that's

0:11:10.240,0:11:14.320  
right but

0:11:11.120,0:11:15.279  
every once in a while um it's last

0:11:14.320,0:11:17.680  
year's bid

0:11:15.279,0:11:19.200  
or where or somebody else has the bid

0:11:17.680,0:11:20.880  
and we're not allowed to use the bid

0:11:19.200,0:11:25.440  
because the person didn't

0:11:20.880,0:11:29.120  
uh the um vendor in question didn't use

0:11:25.440,0:11:31.360  
a uh uh didn't respond to a bid

0:11:29.120,0:11:34.160  
in a way that allows them to be used on

0:11:31.360,0:11:36.720  
other for other municipalities so

0:11:34.160,0:11:39.040  
uh we should add that to what you're

0:11:36.720,0:11:39.040  
doing

0:11:39.440,0:11:47.440  
okay can you email me that

0:11:43.040,0:11:50.959  
pricing or mary

0:11:47.440,0:11:53.600  
adam adam yeah

0:11:50.959,0:11:56.000  
i believe jessica already has it no

0:11:53.600,0:11:58.320  
kevin has it kevin was emailing me

0:11:56.000,0:12:00.800  
everybody should have it already i have

0:11:58.320,0:12:02.560  
it as well

0:12:00.800,0:12:04.480  
can i just ask when the first payment

0:12:02.560,0:12:06.160  
would be made with that

0:12:04.480,0:12:08.000  
do they give you time or does it start

0:12:06.160,0:12:10.720  
right away or it would start

0:12:08.000,0:12:11.120  
june 1st 2021 if we went with the real

0:12:10.720,0:12:13.360  
lease

0:12:11.120,0:12:14.880  
if we went with motorola it would be a

0:12:13.360,0:12:18.399  
year from

0:12:14.880,0:12:18.399  
whenever we executed the contract

0:12:21.440,0:12:27.680  
jen you're on mute

0:12:25.200,0:12:29.440  
so the first payment wouldn't be either

0:12:27.680,0:12:38.560  
six months or a year depending on

0:12:29.440,0:12:42.480  
which company you went with right

0:12:38.560,0:12:46.560  
okay uh so can we move on

0:12:42.480,0:12:49.519  
mary okay motion two results

0:12:46.560,0:12:53.440  
then yeah so could we have a motion to

0:12:49.519,0:12:57.519  
resume the rules

0:12:53.440,0:13:02.560  
i'll make it second

0:12:57.519,0:13:02.560  
all right all those in favor hi

0:13:04.839,0:13:09.839  
hi

0:13:06.480,0:13:12.480  
okay so um we've done the roll call

0:13:09.839,0:13:12.480  
correct john

0:13:12.720,0:13:19.600  
motion passed yes

0:13:15.760,0:13:20.240  
okay uh the motion to resume the rules

0:13:19.600,0:13:23.440  
passed

0:13:20.240,0:13:26.800  
uh all those in favor

0:13:23.440,0:13:29.120  
any opposed okay

0:13:26.800,0:13:29.120  
um

0:13:31.839,0:13:38.160  
i just sent it to you john

0:13:35.760,0:13:38.800  
okay i would like uh actually at this

0:13:38.160,0:13:41.199  
time

0:13:38.800,0:13:41.199  
uh

0:13:43.360,0:13:48.720

i think i would like to uh we

0:13:46.720,0:13:50.639

also have tom morris the chairman of the

0:13:48.720,0:13:51.600

planning board online with us and i'd

0:13:50.639,0:13:53.600

like to

0:13:51.600,0:13:55.120

uh ask if we could suspend the rules

0:13:53.600,0:13:57.519

could i have a motion to suspend the

0:13:55.120,0:13:57.519

rules

0:13:58.000,0:14:03.680

i'll make it second second

0:14:01.680,0:14:05.440

all those in favor that was uh jen

0:14:03.680,0:14:10.800

nisnick who seconded

0:14:05.440,0:14:10.800

all those in favor aye any opposed

0:14:11.519,0:14:18.560

okay i um i did you may have seen

0:14:15.040,0:14:19.440

in the news yesterday or um been made

0:14:18.560,0:14:22.000

aware

0:14:19.440,0:14:22.880

by myself or or someone in the village

0:14:22.000,0:14:26.800

that

0:14:22.880,0:14:30.320

um i have

0:14:26.800,0:14:33.120

asked to come before the board and

0:14:30.320,0:14:35.519  
announce that i will be resigning at the

0:14:33.120,0:14:38.399  
end of the year 2020

0:14:35.519,0:14:39.600  
and i'd like to read into the record a

0:14:38.399,0:14:42.639  
letter i've written

0:14:39.600,0:14:43.680  
uh and first i would like to ask um and

0:14:42.639,0:14:45.519  
so

0:14:43.680,0:14:46.880  
what i'd like to and i'd like to ask the

0:14:45.519,0:14:50.720  
board um

0:14:46.880,0:14:53.760  
to accept my resignation for the end of

0:14:50.720,0:14:55.760  
2020. um

0:14:53.760,0:14:57.519  
dear fellow residents it's been the

0:14:55.760,0:14:59.839  
privilege and honor of my life

0:14:57.519,0:15:02.160  
to enjoy the reward and fulfillment of

0:14:59.839,0:15:04.399  
service to my neighbors as mayor

0:15:02.160,0:15:06.560  
however all things must come to an end

0:15:04.399,0:15:07.440  
and my service to you has come to that

0:15:06.560,0:15:09.839  
point

0:15:07.440,0:15:11.680  
for over 18 years i served the people of

0:15:09.839,0:15:14.240  
the village of wappinger's falls with

0:15:11.680,0:15:16.880  
almost 14 of them as mayor

0:15:14.240,0:15:19.839  
over this extraordinary past year in

0:15:16.880,0:15:22.560  
enforced solitude and decreased mobility

0:15:19.839,0:15:24.720  
i reflected on my own needs with great

0:15:22.560,0:15:27.120  
sadness i am now announcing that i will

0:15:24.720,0:15:27.760  
be stepping down as mayor in december to

0:15:27.120,0:15:30.480  
pursue

0:15:27.760,0:15:32.000  
other opportunities our time together

0:15:30.480,0:15:34.560  
has been full of success

0:15:32.000,0:15:36.079  
and failure joy and grief as well as

0:15:34.560,0:15:38.800  
growth and decline

0:15:36.079,0:15:40.399  
but from the past 14 years i hope you

0:15:38.800,0:15:44.079  
see mostly good

0:15:40.399,0:15:46.399  
i will do just that i see how we have

0:15:44.079,0:15:47.199  
made great changes in our community over

0:15:46.399,0:15:49.519  
time

0:15:47.199,0:15:50.800  
though i have some regrets my belief is

0:15:49.519,0:15:52.959  
that together

0:15:50.800,0:15:54.720  
we have made the village a much better

0:15:52.959,0:15:56.800  
place than it was

0:15:54.720,0:15:58.880  
the best of our village is its people

0:15:56.800,0:16:00.880  
and i have gotten to know so many of you

0:15:58.880,0:16:01.600  
in a special way that has made me better

0:16:00.880,0:16:04.320  
for it

0:16:01.600,0:16:05.199  
i will miss this job more than any other

0:16:04.320,0:16:07.199  
it was a very

0:16:05.199,0:16:09.360  
difficult decision but i am confident

0:16:07.199,0:16:10.320  
that wonderful things lie ahead for all

0:16:09.360,0:16:13.440  
of us

0:16:10.320,0:16:14.320  
godspeed and be well my fair village i

0:16:13.440,0:16:16.800  
will see you

0:16:14.320,0:16:18.720  
next as a fellow private citizen and

0:16:16.800,0:16:22.079  
hope to enjoy the future with you

0:16:18.720,0:16:23.040  
here for many years uh sincerely matt

0:16:22.079,0:16:26.160  
alexander

0:16:23.040,0:16:29.279  
mayor of weapons falls um

0:16:26.160,0:16:32.320  
i would also uh just like to say

0:16:29.279,0:16:34.880  
and acknowledge um some of the

0:16:32.320,0:16:37.360  
only some of the many people who have

0:16:34.880,0:16:40.480  
been

0:16:37.360,0:16:44.000  
most impactful to me

0:16:40.480,0:16:46.959  
as mayor and first and foremost

0:16:44.000,0:16:48.480  
i would like to acknowledge john karge

0:16:46.959,0:16:51.759  
who i have worked

0:16:48.480,0:16:53.040  
with more than anyone else here while in

0:16:51.759,0:16:56.560  
the village

0:16:53.040,0:17:00.000  
john and i uh talk daily

0:16:56.560,0:17:02.959  
we um even when john is away

0:17:00.000,0:17:03.920  
john has helped me in so many different

0:17:02.959,0:17:06.160  
ways

0:17:03.920,0:17:08.880  
outside of his duties as cleric and

0:17:06.160,0:17:11.600  
inside his duties as cleric

0:17:08.880,0:17:13.600  
and i believe i have a friend in john

0:17:11.600,0:17:17.120  
carriage and i know that i have

0:17:13.600,0:17:17.600  
a dependable uh civil servant who takes

0:17:17.120,0:17:19.280  
the best

0:17:17.600,0:17:21.199  
interests of the village of weapons

0:17:19.280,0:17:23.839  
falls to heart and i'd like to

0:17:21.199,0:17:25.199  
thank john carriage and acknowledge uh

0:17:23.839,0:17:28.319  
all he has meant to me

0:17:25.199,0:17:30.559  
in the past um there have been many

0:17:28.319,0:17:32.240  
others though and uh i'd like to

0:17:30.559,0:17:34.240  
acknowledge mary ross

0:17:32.240,0:17:35.919  
past mayor of the village of wappinger's

0:17:34.240,0:17:38.880  
falls who first appointed me

0:17:35.919,0:17:40.160  
on the planning board uh to tom the

0:17:38.880,0:17:42.799  
sentenci

0:17:40.160,0:17:44.000  
uh where i got to serve with tom morris

0:17:42.799,0:17:47.440  
and donnie mccormick

0:17:44.000,0:17:50.640  
among many many others and i uh

0:17:47.440,0:17:52.720  
really um respect all of those people

0:17:50.640,0:17:54.240  
from my planning board experience along

0:17:52.720,0:17:56.480  
with michelle greg

0:17:54.240,0:17:58.400  
and i would just like to say thank you

0:17:56.480,0:18:01.760  
to all of them

0:17:58.400,0:18:04.880  
um i've also uh had

0:18:01.760,0:18:08.880  
regular discussions with and uh

0:18:04.880,0:18:12.320  
regularly sought assistance from

0:18:08.880,0:18:15.760  
lou viglotti and jay poggi who

0:18:12.320,0:18:18.880  
both on a daily basis i would talk to

0:18:15.760,0:18:20.720  
and seek guidance from and

0:18:18.880,0:18:21.919  
jay paigee and i would usually start the

0:18:20.720,0:18:24.640  
day off

0:18:21.919,0:18:25.360  
before 8 o'clock with a phone call it

0:18:24.640,0:18:28.480  
used to be

0:18:25.360,0:18:31.200  
about water and then uh very often it

0:18:28.480,0:18:32.559  
got to be about many other things and

0:18:31.200,0:18:33.840  
sometimes about the village and

0:18:32.559,0:18:37.200  
sometimes not

0:18:33.840,0:18:40.400

but jay pagie has um

0:18:37.200,0:18:41.039

done wonderful things for the village

0:18:40.400,0:18:43.440

and was

0:18:41.039,0:18:44.960

a great guiding force for this village

0:18:43.440,0:18:47.200

and really

0:18:44.960,0:18:48.400

one who was primarily responsible for

0:18:47.200,0:18:50.160

bringing back

0:18:48.400,0:18:51.520

water to the village of wappinger's

0:18:50.160,0:18:54.799

falls and

0:18:51.520,0:18:57.360

i just want to thank him lou viglotti

0:18:54.799,0:18:58.080

with his decades of experience in the

0:18:57.360,0:19:01.280

village

0:18:58.080,0:19:03.360

uh has guided us uh

0:19:01.280,0:19:05.840

and advised us on many different

0:19:03.360,0:19:08.000

problems and

0:19:05.840,0:19:10.240

let us know what's going on i'd like to

0:19:08.000,0:19:12.160

acknowledge some of our past leading

0:19:10.240,0:19:15.360

politicians

0:19:12.160,0:19:18.559  
whom i've respected and gotten lots of

0:19:15.360,0:19:22.720  
knowledge from cal lawrence rick serino

0:19:18.559,0:19:25.840  
bob giuliano rob alfonso greg hemingway

0:19:22.720,0:19:30.080

0:19:25.840,0:19:32.720  
ronnie kimornik jason ensign

0:19:30.080,0:19:36.320  
who is sometimes a politician and

0:19:32.720,0:19:39.120  
sometimes with the fire department

0:19:36.320,0:19:40.080  
he has all of those people have meant a

0:19:39.120,0:19:43.200  
great deal to me

0:19:40.080,0:19:45.600  
and helped me to understand what uh

0:19:43.200,0:19:47.919  
might be the best way to go and

0:19:45.600,0:19:49.200  
uh together we have made decisions for

0:19:47.919,0:19:51.919  
the village

0:19:49.200,0:19:54.960  
um i would like to also acknowledge

0:19:51.919,0:19:57.919  
denise calabrese who started off with me

0:19:54.960,0:19:58.640  
at the beginning uh eileen sassman who

0:19:57.919,0:20:01.919  
helped me

0:19:58.640,0:20:03.120  
to understand what the comprehensive

0:20:01.919,0:20:06.559  
plan was all about

0:20:03.120,0:20:10.559  
and to make sure that i was following it

0:20:06.559,0:20:12.960  
and looking for ways to add to it

0:20:10.559,0:20:13.760  
i'd like to acknowledge our current

0:20:12.960,0:20:17.840  
engineers

0:20:13.760,0:20:21.679  
raj ravila nancy clark and john zarelski

0:20:17.840,0:20:24.400  
who have in all of the firm of kc

0:20:21.679,0:20:26.320  
who has really worked with us in so many

0:20:24.400,0:20:29.360  
different ways and done

0:20:26.320,0:20:30.640  
um tens of millions of dollars worth of

0:20:29.360,0:20:33.760  
infrastructure work

0:20:30.640,0:20:37.360  
here in the village of weapons falls

0:20:33.760,0:20:40.559  
carl calabrese for his many many years

0:20:37.360,0:20:43.360  
as police commissioner as well as walter

0:20:40.559,0:20:45.360  
burke who has served both as

0:20:43.360,0:20:46.720  
on the force and now as police

0:20:45.360,0:20:49.919  
commissioner

0:20:46.720,0:20:52.640  
and i would uh

0:20:49.919,0:20:53.440  
also like to acknowledge our current

0:20:52.640,0:20:56.640  
counsel

0:20:53.440,0:20:57.679  
craig wallace uh for all of the help

0:20:56.640,0:21:00.880  
that you've given us

0:20:57.679,0:21:03.919  
as we've moved forward along with um

0:21:00.880,0:21:07.440  
lisa cobb and jim horan

0:21:03.919,0:21:08.720  
um so i just want everyone to know that

0:21:07.440,0:21:11.440  
this decision was

0:21:08.720,0:21:12.000  
an extremely difficult one for me i i

0:21:11.440,0:21:15.360  
truly

0:21:12.000,0:21:17.760  
mean it when i say that uh this job for

0:21:15.360,0:21:20.880  
me was the best job i ever had it's

0:21:17.760,0:21:24.000  
uh the most fun i ever had

0:21:20.880,0:21:25.600  
and i i have uh especially

0:21:24.000,0:21:27.679  
enjoyed working for the people of

0:21:25.600,0:21:31.760  
wappingers falls

0:21:27.679,0:21:33.200  
but um i upon reflection over the many

0:21:31.760,0:21:36.559  
months that we spent

0:21:33.200,0:21:39.840  
in uh either full lockdown

0:21:36.559,0:21:40.559  
or um semi seclusion as we were dealing

0:21:39.840,0:21:43.840  
with

0:21:40.559,0:21:45.760  
the virus i've come to realize that

0:21:43.840,0:21:47.039  
there are some things that i need to do

0:21:45.760,0:21:50.720  
for myself

0:21:47.039,0:21:52.960  
and i would like the board to

0:21:50.720,0:21:55.440  
accept my resignation so that i can go

0:21:52.960,0:21:58.799  
on and continue those things but

0:21:55.440,0:22:01.840  
always know that i will be

0:21:58.799,0:22:02.640  
here and do intend to stay here for as

0:22:01.840,0:22:05.679  
long as

0:22:02.640,0:22:09.280  
uh the good lord will

0:22:05.679,0:22:12.799  
let me stay here and that i would enjoy

0:22:09.280,0:22:15.200  
this time with you always and um

0:22:12.799,0:22:16.240  
look forward to spending more time with

0:22:15.200,0:22:19.120  
you and

0:22:16.240,0:22:19.840  
and as either a guide if you want

0:22:19.120,0:22:23.280  
guidance

0:22:19.840,0:22:25.200  
or uh just as a citizen uh enjoying

0:22:23.280,0:22:27.200  
all the wonderful things that we have in

0:22:25.200,0:22:30.400  
the village of wappinger's falls

0:22:27.200,0:22:31.280  
uh there are so many people who i am not

0:22:30.400,0:22:34.159  
naming

0:22:31.280,0:22:34.640  
uh but uh the people that i have named

0:22:34.159,0:22:38.799  
have

0:22:34.640,0:22:41.840  
um spent much much of their time with me

0:22:38.799,0:22:42.880  
and have guided me in ways that they may

0:22:41.840,0:22:44.880  
not know

0:22:42.880,0:22:47.039  
and i just want to acknowledge all the

0:22:44.880,0:22:47.440  
um guidance that i've gotten from them

0:22:47.039,0:22:50.559  
and

0:22:47.440,0:22:52.159  
uh wish them well and as well as

0:22:50.559,0:22:53.919  
everybody in the village of wappinger's

0:22:52.159,0:22:55.440  
falls so i thank you for this

0:22:53.919,0:22:58.960  
opportunity

0:22:55.440,0:22:59.679  
uh to serve you over these past 18 years

0:22:58.960,0:23:01.600  
and different

0:22:59.679,0:23:03.679  
uh posts whether it be the planning

0:23:01.600,0:23:07.039  
board on the village board

0:23:03.679,0:23:10.159  
or as the mayor i

0:23:07.039,0:23:14.000  
will be starting a full-time position

0:23:10.159,0:23:14.799  
uh in the city of peekskill on november

0:23:14.000,0:23:17.679  
9th

0:23:14.799,0:23:19.840  
i would like to remain on as a part-time

0:23:17.679,0:23:20.799  
mayor from november 9th to the end of

0:23:19.840,0:23:23.360  
the year

0:23:20.799,0:23:25.039  
and i would like to use that time to

0:23:23.360,0:23:28.159  
help you figure out

0:23:25.039,0:23:28.480  
how we might transition from where we

0:23:28.159,0:23:31.679  
are

0:23:28.480,0:23:35.200  
now to the way we want to

0:23:31.679,0:23:38.640  
continue in the future so

0:23:35.200,0:23:41.760  
uh i uh will truly miss uh

0:23:38.640,0:23:43.840  
these meetings and uh working

0:23:41.760,0:23:45.440  
with people and getting to know all of

0:23:43.840,0:23:46.720  
you in the very special way that i've

0:23:45.440,0:23:49.440  
got to know you

0:23:46.720,0:23:50.080  
and i uh thank you for this opportunity

0:23:49.440,0:23:54.480  
to serve

0:23:50.080,0:23:54.480  
so uh thank you very much

0:23:55.760,0:24:00.960  
so that's uh that is what i wanted to

0:23:59.679,0:24:03.600  
share with you and i

0:24:00.960,0:24:04.720  
um thank you for this opportunity and at

0:24:03.600,0:24:07.360  
this time i'd

0:24:04.720,0:24:08.159  
like to ask the board if uh there could

0:24:07.360,0:24:11.440  
be a motion

0:24:08.159,0:24:13.760  
to accept my resignation for the end of

0:24:11.440,0:24:15.039  
2020.

0:24:13.760,0:24:16.840  
i'll make the motion to accept your

0:24:15.039,0:24:18.320  
resignation for the end of 20 to 40

0:24:16.840,0:24:21.360  
mayor

0:24:18.320,0:24:22.559  
thank you kevin but in a second just a

0:24:21.360,0:24:24.960  
second

0:24:22.559,0:24:25.760  
seconded by trustee vanessa all those in

0:24:24.960,0:24:28.880  
favor

0:24:25.760,0:24:34.480

0:24:34.559,0:24:41.360  
mayor that would be effective 12 31

0:24:38.000,0:24:46.960  
12 31 yes 20

0:24:41.360,0:24:50.320  
at midnight

0:24:46.960,0:24:51.360  
okay uh so what do you see in front of

0:24:50.320,0:24:54.640  
you on the screen

0:24:51.360,0:24:57.039  
are you seeing the agenda yeah

0:24:54.640,0:24:58.559  
we need a motion to resume the rules and

0:24:57.039,0:25:01.360  
uh

0:24:58.559,0:25:02.799  
resume the agenda in order okay could i

0:25:01.360,0:25:05.600  
have a motion to resume the

0:25:02.799,0:25:07.200  
rules and resume the agenda in order

0:25:05.600,0:25:11.760  
i'll make it

0:25:07.200,0:25:15.120

a second all those in favor

0:25:11.760,0:25:20.080

any opposed okay

0:25:15.120,0:25:20.080

next item on the agenda is a um

0:25:20.159,0:25:23.520

is the uh john zarelski would you take

0:25:22.720,0:25:26.320

us through

0:25:23.520,0:25:26.320

the um

0:25:26.640,0:25:29.919

projects that we're working on uh of

0:25:29.440,0:25:32.320

course

0:25:29.919,0:25:34.400

so i would like to say though it has

0:25:32.320,0:25:36.799

been a pleasure working with you man

0:25:34.400,0:25:38.080

oh thank you john we've been here for

0:25:36.799,0:25:41.360

really just about a year

0:25:38.080,0:25:42.000

now it has been wonderful um moving

0:25:41.360,0:25:44.000

forward here

0:25:42.000,0:25:45.039

they they boast out the boathouse

0:25:44.000,0:25:47.679

project um

0:25:45.039,0:25:49.840

exterior improvements we were able to

0:25:47.679,0:25:52.000

finally get the insurance and bonds

0:25:49.840,0:25:54.720  
um together this week so we need to

0:25:52.000,0:25:58.000  
schedule a signing

0:25:54.720,0:26:00.480  
c which will start the clock um so

0:25:58.000,0:26:02.400  
that project will be beginning very soon

0:26:00.480,0:26:03.600  
and we have been receiving submittals

0:26:02.400,0:26:06.080  
already for them and then

0:26:03.600,0:26:07.120  
and reviewing them and approving them

0:26:06.080,0:26:10.000  
our friend

0:26:07.120,0:26:12.159  
franny ruiz park is down to punchless

0:26:10.000,0:26:15.360  
items substantially complete

0:26:12.159,0:26:17.760  
uh the work remaining is the stair riser

0:26:15.360,0:26:19.760  
height issue the hand rail

0:26:17.760,0:26:21.200  
the fence and the locking gate at the

0:26:19.760,0:26:25.039  
top of the stairs

0:26:21.200,0:26:28.320  
and then a few other punch list the tap

0:26:25.039,0:26:30.080  
project is essentially complete as well

0:26:28.320,0:26:32.480  
down to just punchless items on that

0:26:30.080,0:26:32.480  
project

0:26:33.760,0:26:38.080  
and contract 5 which is the interconnect

0:26:37.039,0:26:41.360  
between the town

0:26:38.080,0:26:43.200  
and the village waffendrews falls on

0:26:41.360,0:26:45.840  
low sea road that will be going to the

0:26:43.200,0:26:48.159  
department of health a little bit

0:26:45.840,0:26:49.520  
later this week on thursday or friday

0:26:48.159,0:26:52.640  
we'll be submitting it to

0:26:49.520,0:26:54.400  
all the agencies for review

0:26:52.640,0:26:56.000  
we did meet with the department of

0:26:54.400,0:26:58.960  
health the

0:26:56.000,0:26:59.520  
water plant last week and went over with

0:26:58.960,0:27:02.000  
him

0:26:59.520,0:27:03.279  
so he does know that the dan with the

0:27:02.000,0:27:06.240  
department of has

0:27:03.279,0:27:06.720  
seen it and seems to be happy it will

0:27:06.240,0:27:10.799  
solve

0:27:06.720,0:27:13.840  
the lack of a second well

0:27:10.799,0:27:13.840  
once we get this done

0:27:14.799,0:27:18.720  
the water filter plant the usd

0:27:16.559,0:27:21.760  
application is

0:27:18.720,0:27:25.919  
complete and will be submitted this week

0:27:21.760,0:27:27.200  
bain park um of course i'm i'm scrolling

0:27:25.919,0:27:28.480  
with the

0:27:27.200,0:27:30.320  
the screen isn't scrolling that you're

0:27:28.480,0:27:32.320  
seeing sorry

0:27:30.320,0:27:34.000  
that's all right we're down to bain park

0:27:32.320,0:27:35.600  
so that the

0:27:34.000,0:27:37.679  
mapping has been transmitted to the

0:27:35.600,0:27:39.679  
village um

0:27:37.679,0:27:42.240  
we had a public hearing on the 20th of

0:27:39.679,0:27:42.240  
october

0:27:43.679,0:27:48.799  
that we'll be doing the next

0:27:46.880,0:27:50.320  
late winner i guess in early in next

0:27:48.799,0:27:52.799  
year would be the we're going to put

0:27:50.320,0:27:54.799  
together the concept master plan

0:27:52.799,0:27:56.159  
um the design for the playground

0:27:54.799,0:27:59.279  
equipment and then of course the

0:27:56.159,0:28:02.399  
the seeker long form part one

0:27:59.279,0:28:03.440  
um the grease trap um the planning

0:28:02.399,0:28:06.720  
committee did meet

0:28:03.440,0:28:08.399  
uh work continues on that uh

0:28:06.720,0:28:10.799  
we're shooting to get that shooting for

0:28:08.399,0:28:12.240  
that to be completed this year so

0:28:10.799,0:28:13.679  
that should be by december even though

0:28:12.240,0:28:15.200  
it was a two-year grant we'll be getting

0:28:13.679,0:28:18.240  
it

0:28:15.200,0:28:19.760  
and then done epa brownfields we're

0:28:18.240,0:28:21.679  
still waiting on the epa to give us

0:28:19.760,0:28:22.640  
tonight at the bleachery site to move

0:28:21.679,0:28:25.679  
forward on that

0:28:22.640,0:28:27.679  
for a phase two the

0:28:25.679,0:28:29.520  
sewer and water infrastructure study

0:28:27.679,0:28:31.039  
nothing new has been done on that

0:28:29.520,0:28:32.320  
everything's been submitted we haven't

0:28:31.039,0:28:34.399  
got comics back

0:28:32.320,0:28:35.360  
and then podgy terrorists the same thing

0:28:34.399,0:28:37.039  
um

0:28:35.360,0:28:39.120  
we are waiting for the village to tell

0:28:37.039,0:28:39.120  
us

0:28:40.559,0:28:44.799  
okay and there's a couple of things i

0:28:42.399,0:28:48.000  
want to just touch up on

0:28:44.799,0:28:51.520  
um so the village of watkins falls

0:28:48.000,0:28:53.039  
uh mayor myself and the deputy mayor

0:28:51.520,0:28:56.399  
kevin huber

0:28:53.039,0:28:57.279  
as well as uh nancy clark and raj ravila

0:28:56.399,0:29:00.559  
from

0:28:57.279,0:29:01.919  
kc met with the

0:29:00.559,0:29:04.480  
new york state department of

0:29:01.919,0:29:08.399  
transportation

0:29:04.480,0:29:10.159  
uh kevin was that yesterday

0:29:08.399,0:29:11.600  
yeah yesterday at three o'clock

0:29:10.159,0:29:14.720  
yesterday at three o'clock

0:29:11.600,0:29:17.760  
to discuss uh moving forward

0:29:14.720,0:29:20.960  
with the wall um the

0:29:17.760,0:29:25.520  
uh it's apparent to us that the

0:29:20.960,0:29:29.120  
um that the department of transportation

0:29:25.520,0:29:32.240  
is going to be doing some boring

0:29:29.120,0:29:36.399  
tests along 90

0:29:32.240,0:29:40.000  
in the vicinity of two between itself

0:29:36.399,0:29:43.919  
of 2684 west main street

0:29:40.000,0:29:47.760  
and north of 2674

0:29:43.919,0:29:51.039  
west main street so they're looking to

0:29:47.760,0:29:54.480  
close off eight parking spots

0:29:51.039,0:29:55.520  
between those two locations on the east

0:29:54.480,0:29:57.760  
side of the road

0:29:55.520,0:29:59.120  
so that they can divert traffic into a

0:29:57.760,0:30:02.480  
two-lane

0:29:59.120,0:30:06.000  
um thoroughfare

0:30:02.480,0:30:06.720  
uh using those parking spots so i've

0:30:06.000,0:30:09.840  
given

0:30:06.720,0:30:09.840  
the um

0:30:09.919,0:30:14.000  
the police commissioner the map that

0:30:12.399,0:30:17.360  
shows that information

0:30:14.000,0:30:19.520  
and i would like to ask if we can have

0:30:17.360,0:30:21.840  
the business association reach out to

0:30:19.520,0:30:25.840  
the businesses that will be affected

0:30:21.840,0:30:29.120  
from monday to friday next week

0:30:25.840,0:30:31.919  
as the department of transportation does

0:30:29.120,0:30:34.080  
uh some of the work that they need to do

0:30:31.919,0:30:37.600  
in order to assess

0:30:34.080,0:30:40.960  
what uh what kinds of fixes can be done

0:30:37.600,0:30:44.880  
along west main street

0:30:40.960,0:30:47.840  
um and also i would like to say that uh

0:30:44.880,0:30:50.159  
bain park quarry i believe we're going

0:30:47.840,0:30:54.159  
to be doing a planting along

0:30:50.159,0:30:56.480  
bayne park with for um

0:30:54.159,0:30:59.360  
for arbor day which was in april but

0:30:56.480,0:31:02.960  
because of covid has been postponed

0:30:59.360,0:31:06.000  
until november and that's coming up

0:31:02.960,0:31:08.960  
this weekend or next weekend

0:31:06.000,0:31:09.279  
um well we're still uh it'd probably be

0:31:08.960,0:31:11.360  
in

0:31:09.279,0:31:12.880  
two weekends we're still waiting on the

0:31:11.360,0:31:18.000  
trees to get here

0:31:12.880,0:31:21.360  
uh i ordered them about a month ago

0:31:18.000,0:31:22.640  
shields that go around the tree but they

0:31:21.360,0:31:23.600  
said they weren't going to send the

0:31:22.640,0:31:26.960  
actual trees

0:31:23.600,0:31:27.279  
until november and that's when they say

0:31:26.960,0:31:29.200  
is

0:31:27.279,0:31:31.200  
the best time to plant in the fall so

0:31:29.200,0:31:33.519  
they don't even send them out until then

0:31:31.200,0:31:35.919  
uh so i definitely not this weekend i

0:31:33.519,0:31:36.270  
would say next weekend the earliest

0:31:35.919,0:31:39.039  
okay

0:31:36.270,0:31:41.039  
[Music]

0:31:39.039,0:31:42.320  
can i ask you a question on the parking

0:31:41.039,0:31:45.519  
is that monday through

0:31:42.320,0:31:47.120  
friday is that all day all night or is

0:31:45.519,0:31:48.559  
that just during their work hours and

0:31:47.120,0:31:51.279  
it'll open back up

0:31:48.559,0:31:52.000  
during their work hours so it's not

0:31:51.279,0:31:55.120  
permanent

0:31:52.000,0:31:57.679  
for just the whole time it's probably

0:31:55.120,0:31:58.840  
seven to four or seven to five seven to

0:31:57.679,0:32:03.120  
five i would

0:31:58.840,0:32:07.120  
say and it's possible it could go past

0:32:03.120,0:32:08.960  
five if they run into a serious problem

0:32:07.120,0:32:10.799  
but it's not overnight okay not

0:32:08.960,0:32:15.600  
overnight it's not contemplated to be

0:32:10.799,0:32:18.000  
overnight unless there's an emergency

0:32:15.600,0:32:19.760  
um i did want to just add uh since we're

0:32:18.000,0:32:23.440  
talking about bain park i can

0:32:19.760,0:32:26.720  
like i can add in here other uh

0:32:23.440,0:32:28.399  
people who i did uh leave off of my list

0:32:26.720,0:32:31.039  
of people to acknowledge and i'd like to

0:32:28.399,0:32:34.720  
acknowledge danielle masterson

0:32:31.039,0:32:38.080  
um denise calabrese

0:32:34.720,0:32:41.519  
uh i also like to acknowledge

0:32:38.080,0:32:44.880  
um yvette o'sullivan and tammy vituli

0:32:41.519,0:32:45.440  
as well as cindy latino who have been

0:32:44.880,0:32:47.600  
the head

0:32:45.440,0:32:49.519  
of recreation with and then that

0:32:47.600,0:32:50.960  
includes many many other people but i

0:32:49.519,0:32:52.799  
would like to acknowledge

0:32:50.960,0:32:55.600  
uh all the good work that they've done

0:32:52.799,0:32:58.159  
in the past and i'm sorry for

0:32:55.600,0:33:00.080  
i somehow omitted them in this in the

0:32:58.159,0:33:02.559  
the list before as i am sure i've

0:33:00.080,0:33:05.279  
admitted many many other people but

0:33:02.559,0:33:06.480  
um i did want to specially acknowledge

0:33:05.279,0:33:10.480  
them

0:33:06.480,0:33:13.200  
um so

0:33:10.480,0:33:15.600  
are there any questions for the engineer

0:33:13.200,0:33:18.080  
myself or anybody on the board about the

0:33:15.600,0:33:19.120  
projects that john zarrowski went over

0:33:18.080,0:33:25.840  
or i

0:33:19.120,0:33:25.840  
uh kept talking about afterwards

0:33:29.200,0:33:39.840  
okay if there's no questions then um

0:33:33.760,0:33:39.840  
we'll keep going on with the agenda

0:33:40.159,0:33:47.760  
and i did talk to john zarowski today

0:33:44.320,0:33:50.159  
about uh the easement for

0:33:47.760,0:33:51.840  
um central hudson for the gas regulator

0:33:50.159,0:33:55.360  
john did you did you touch on that

0:33:51.840,0:33:57.120  
already yeah we were going to be dealing

0:33:55.360,0:33:59.440  
with that that's for the special meeting

0:33:57.120,0:34:01.360  
next week we did at four o'clock they

0:33:59.440,0:34:02.960  
finally got us the drawings that

0:34:01.360,0:34:04.399  
actually show the easement with the

0:34:02.960,0:34:07.120  
meets and bounds

0:34:04.399,0:34:08.800  
that we have been asking for i will get

0:34:07.120,0:34:10.399  
into that and review that make sure that

0:34:08.800,0:34:13.440  
it's accurate

0:34:10.399,0:34:15.599  
um for next week's meeting i'll be

0:34:13.440,0:34:18.320  
working with john on that as soon as he

0:34:15.599,0:34:20.000  
gives his okay and his recommendation to

0:34:18.320,0:34:23.119  
adopt that area

0:34:20.000,0:34:25.679  
then i will prepare the easement for the

0:34:23.119,0:34:27.440  
board's consideration of adoption

0:34:25.679,0:34:34.399  
at next week's special hearing uh

0:34:27.440,0:34:36.800  
special meeting

0:34:34.399,0:34:36.800  
okay

0:34:37.440,0:34:43.440  
so the special meeting is on tuesday

0:34:41.119,0:34:45.760  
so the so you'll add this to the special

0:34:43.440,0:34:50.399  
meeting on tuesday

0:34:45.760,0:34:50.399  
john charge you'll add this uh easement

0:34:50.480,0:34:55.520  
so far yep we'll have the easement and

0:34:52.480,0:34:55.520  
we'll have the radios

0:34:55.679,0:34:58.000

okay

0:35:00.320,0:35:04.640

i think that's all you need me for

0:35:02.160,0:35:06.400

tonight correct

0:35:04.640,0:35:08.160

i think so unless there's any questions

0:35:06.400,0:35:11.280

for john zorowski from the board

0:35:08.160,0:35:11.280

are there any questions

0:35:12.880,0:35:16.560

if there's no questions from the board

0:35:15.119,0:35:18.960

are there any questions at all from the

0:35:16.560,0:35:18.960

public

0:35:22.720,0:35:25.839

okay thank you john

0:35:28.480,0:35:35.440

okay so uh we'll move past the

0:35:32.160,0:35:39.280

easement uh oh

0:35:35.440,0:35:39.280

and we will move on

0:35:42.079,0:35:47.359

so the next item i think john carriage

0:35:44.560,0:35:50.480

is the dellaverne avenue subdivision

0:35:47.359,0:35:52.160

notice of lead agency no it's the uh

0:35:50.480,0:35:55.839

where what's the next item

0:35:52.160,0:35:58.400

it's it's the agreement with the county

0:35:55.839,0:35:59.760  
it's the it's the agreement at the

0:35:58.400,0:36:01.920  
county that we talked about

0:35:59.760,0:36:04.400  
a little earlier today planning oh okay

0:36:01.920,0:36:07.599  
i'm sorry i see it all right

0:36:04.400,0:36:10.720  
um so the next item on the agenda is

0:36:07.599,0:36:14.240  
uh i'd like to ask the board

0:36:10.720,0:36:17.440  
if we could sign again

0:36:14.240,0:36:19.680  
on to the dutchess county

0:36:17.440,0:36:21.280  
department of planning and development

0:36:19.680,0:36:24.880  
for review

0:36:21.280,0:36:25.599  
and john do you wanna this has to do

0:36:24.880,0:36:27.839  
with

0:36:25.599,0:36:29.359  
new york general municipal law section

0:36:27.839,0:36:32.800  
239

0:36:29.359,0:36:36.880  
um facebook kennedy you're going to use

0:36:32.800,0:36:39.520  
uh our appointment i spoke with jennifer

0:36:36.880,0:36:41.119  
kokoza today dutchess county planning

0:36:39.520,0:36:44.480  
and five years ago

0:36:41.119,0:36:48.560  
the village agreed to not have them do

0:36:44.480,0:36:52.079  
certain reviews of our local projects

0:36:48.560,0:36:54.000  
that really weren't relevant to them and

0:36:52.079,0:36:56.640  
was agreed to five years ago in the

0:36:54.000,0:36:58.560  
county only

0:36:56.640,0:37:00.640  
according to her the county only goes

0:36:58.560,0:37:01.440  
with five-year contracts so this one is

0:37:00.640,0:37:04.960  
up

0:37:01.440,0:37:08.560  
for one year with four automatic signed

0:37:04.960,0:37:10.400  
agreements afterwards so it's a matter

0:37:08.560,0:37:14.240  
of uh

0:37:10.400,0:37:14.720  
beta hygiene is to just make sure that

0:37:14.240,0:37:17.119  
our

0:37:14.720,0:37:18.720  
agreement is in place and they're asking

0:37:17.119,0:37:21.839  
for the mayor to sign

0:37:18.720,0:37:24.560  
the agreement which we're asking the

0:37:21.839,0:37:28.079  
board to allow him to do

0:37:24.560,0:37:30.640  
yeah mayor i'm sorry john are you done

0:37:28.079,0:37:31.680  
so it isn't anything different than the

0:37:30.640,0:37:36.720  
board took

0:37:31.680,0:37:40.000  
place uh agreed to five years ago

0:37:36.720,0:37:41.760  
so basically the um the agreement

0:37:40.000,0:37:43.839  
everything has to be referred to county

0:37:41.760,0:37:44.400  
planning and the agreement streamlines

0:37:43.839,0:37:48.320  
the

0:37:44.400,0:37:51.599  
the process and it actually allows for

0:37:48.320,0:37:52.960  
certain actions um where the referrals

0:37:51.599,0:37:56.720  
are eliminated

0:37:52.960,0:37:59.680  
so like for example um

0:37:56.720,0:38:00.720  
uh you know special use permits before

0:37:59.680,0:38:03.760  
the zba

0:38:00.720,0:38:04.000  
or renewals and extensions of site plans

0:38:03.760,0:38:07.119  
and

0:38:04.000,0:38:08.480  
and special permits that have no changes

0:38:07.119,0:38:09.920  
from previous approvals

0:38:08.480,0:38:11.839  
those are things that you know help

0:38:09.920,0:38:15.119  
streamline the process

0:38:11.839,0:38:17.280  
um and uh obviously the the

0:38:15.119,0:38:18.480  
important ones such as comprehensive

0:38:17.280,0:38:20.560  
master plans and

0:38:18.480,0:38:21.520  
and rezoning that will still have to go

0:38:20.560,0:38:24.640  
before

0:38:21.520,0:38:24.880  
county planning but um it it set forth

0:38:24.640,0:38:27.280  
and

0:38:24.880,0:38:29.280  
and um you know the agreement that

0:38:27.280,0:38:31.920  
paragraphs three and four

0:38:29.280,0:38:33.119  
um that basically sets it out so it's

0:38:31.920,0:38:36.640  
it's a it's a

0:38:33.119,0:38:37.119  
good way to to bypass and streamline and

0:38:36.640,0:38:39.280  
make

0:38:37.119,0:38:41.440  
uh you know our boards a lot more

0:38:39.280,0:38:43.760  
efficient

0:38:41.440,0:38:43.760  
quicker

0:38:45.200,0:38:50.160  
okay so the items that will be

0:38:47.200,0:38:51.680  
eliminated are administrative amendments

0:38:50.160,0:38:54.960  
which include zoning amendments

0:38:51.680,0:38:57.359  
regarding fees procedures and penalties

0:38:54.960,0:39:00.160  
special use permits use variances and

0:38:57.359,0:39:02.720  
area variances for residential uses

0:39:00.160,0:39:04.880  
and renewals extensions of site plans or

0:39:02.720,0:39:06.800  
special permits that have no changes

0:39:04.880,0:39:09.520  
from previous approvals

0:39:06.800,0:39:11.440  
and then the referrals which will not be

0:39:09.520,0:39:14.160  
eliminated

0:39:11.440,0:39:15.119  
shall be the comprehensive plans or

0:39:14.160,0:39:17.760  
master plans

0:39:15.119,0:39:18.560  
zoning amendments uh which affects

0:39:17.760,0:39:21.680  
standards

0:39:18.560,0:39:24.880  
uses definitions district regulations

0:39:21.680,0:39:27.599  
rezonings of areas other proposed

0:39:24.880,0:39:28.240  
local laws and other authorizations

0:39:27.599,0:39:30.960  
adopted

0:39:28.240,0:39:32.560  
pursuant to zoning wetlands historic

0:39:30.960,0:39:34.320  
preservation affordable housing

0:39:32.560,0:39:37.680  
architectural review

0:39:34.320,0:39:40.560  
etc site plans all site plans

0:39:37.680,0:39:42.320  
and special permits use variances and

0:39:40.560,0:39:45.680  
area variances for all

0:39:42.320,0:39:48.800  
nine residential uses um

0:39:45.680,0:39:51.520  
so those are the main

0:39:48.800,0:39:52.960  
differences and uh things that are

0:39:51.520,0:39:56.160  
staying the same

0:39:52.960,0:40:00.079  
in this new agreement so if that's

0:39:56.160,0:40:03.440  
okay could i have a motion to um

0:40:00.079,0:40:05.839  
pass this resolution resolution

0:40:03.440,0:40:06.720  
as it's present i'll make that motion

0:40:05.839,0:40:10.480  
second

0:40:06.720,0:40:12.560  
second second by trustee huber i'll do a

0:40:10.480,0:40:17.119  
roll call trustee huber

0:40:12.560,0:40:20.160  
aye trustee market john aye

0:40:17.119,0:40:20.160  
trustee panesa

0:40:20.800,0:40:29.359  
hi nismik aye

0:40:25.599,0:40:32.480  
trustee catalano hi and is trustee

0:40:29.359,0:40:32.480  
lammers with us yet

0:40:33.359,0:40:39.839  
okay and i will vote i myself and just

0:40:36.000,0:40:39.839  
note that trustee lammers is absent

0:40:40.560,0:40:47.760  
okay the next item on the agenda

0:40:43.680,0:40:50.880  
is a resolution

0:40:47.760,0:40:52.160  
for a deleveran avenue subdivision and

0:40:50.880,0:40:55.200  
it's for a parcel

0:40:52.160,0:40:58.000  
that has a very small piece

0:40:55.200,0:40:58.400  
of the parcel with the uh that cut where

0:40:58.000,0:41:02.400  
the

0:40:58.400,0:41:05.359  
um village line cuts through a portion

0:41:02.400,0:41:05.760  
of the house however it's uh an over

0:41:05.359,0:41:08.960  
four

0:41:05.760,0:41:11.440  
acre parcel and they're proposing to

0:41:08.960,0:41:12.240  
subdivide it and the subdivisions will

0:41:11.440,0:41:15.359  
be

0:41:12.240,0:41:18.880  
in the town of poughkeepsie with

0:41:15.359,0:41:22.480  
and they will uh it will

0:41:18.880,0:41:24.560  
include six new residential lots

0:41:22.480,0:41:27.280  
with infrastructure proposals to include

0:41:24.560,0:41:30.480  
the extensions of public water and sewer

0:41:27.280,0:41:35.839  
and the dedication of a new road uh

0:41:30.480,0:41:35.839  
for the town of poughkeepsie um

0:41:36.160,0:41:42.640  
are there uh does the attorney or

0:41:39.359,0:41:44.560  
the clerk want to or uh tom

0:41:42.640,0:41:47.920  
morris the planning board chair want to

0:41:44.560,0:41:48.880  
up uh add anything to what i've said

0:41:47.920,0:41:52.160  
basically the

0:41:48.880,0:41:53.520  
um the project is mostly in the town of

0:41:52.160,0:41:55.760  
poughkeepsie and because

0:41:53.520,0:41:57.680  
part of it is within the village the

0:41:55.760,0:42:00.960  
village is an interesting party

0:41:57.680,0:42:02.560  
for secret purposes and has been noticed

0:42:00.960,0:42:04.560  
by the town of poughkeepsie planning

0:42:02.560,0:42:07.760  
board of their intent

0:42:04.560,0:42:09.119  
to um to be lead agency for seeker

0:42:07.760,0:42:12.400  
purposes

0:42:09.119,0:42:15.520  
so it's a routine process

0:42:12.400,0:42:17.200  
since most of the project is going to

0:42:15.520,0:42:19.680  
affect the town of poughkeepsie

0:42:17.200,0:42:20.480  
the recommendation is to defer action

0:42:19.680,0:42:22.960  
and

0:42:20.480,0:42:24.800  
um you know just uh defer to the town of

0:42:22.960,0:42:27.359  
poughkeepsie planning board as a lead

0:42:24.800,0:42:27.359  
agency

0:42:28.000,0:42:31.920  
this is time uh i responded to the note

0:42:31.599,0:42:34.960  
uh

0:42:31.920,0:42:37.839  
first they had a little confusion uh but

0:42:34.960,0:42:39.440  
it's just uh clarified that uh i got a

0:42:37.839,0:42:42.240  
clarification from lisa

0:42:39.440,0:42:43.200  
back when i sent the note out uh because

0:42:42.240,0:42:46.480  
it was actually

0:42:43.200,0:42:49.599  
like 4.1 uh acres

0:42:46.480,0:42:52.000  
and 3.8 of it

0:42:49.599,0:42:53.200  
was in the town of poughkeepsie uh so

0:42:52.000,0:42:56.319  
really there's not much

0:42:53.200,0:42:58.000  
in in there and i had no objection to

0:42:56.319,0:43:02.000  
them to continue on lead agency

0:42:58.000,0:43:02.000  
as it really wouldn't impact us at all

0:43:05.280,0:43:13.839  
okay i think you cut out tom but okay

0:43:14.000,0:43:17.359  
okay so i think i hear that tom that

0:43:16.240,0:43:20.319  
you're agreeing that

0:43:17.359,0:43:21.520  
uh you're recommending that you sign

0:43:20.319,0:43:24.640  
this

0:43:21.520,0:43:26.720  
uh yes i i am agreeing

0:43:24.640,0:43:29.280  
that the town of poughkeepsie planning

0:43:26.720,0:43:32.800  
board should be lead agency

0:43:29.280,0:43:35.520  
okay i'd just like to um

0:43:32.800,0:43:36.079  
bring up an assertion that i have that

0:43:35.520,0:43:39.440  
is

0:43:36.079,0:43:41.359  
uh for purposes of voting uh i

0:43:39.440,0:43:42.880  
consulted with the board of elections

0:43:41.359,0:43:46.000  
and the the

0:43:42.880,0:43:49.359  
um understanding is that in cases where

0:43:46.000,0:43:50.240  
uh proper where the uh political

0:43:49.359,0:43:53.200  
boundary

0:43:50.240,0:43:54.160  
goes through a parcel if the political

0:43:53.200,0:43:57.599  
boundary

0:43:54.160,0:44:00.720  
includes the bedroom

0:43:57.599,0:44:04.960  
in the uh in the house

0:44:00.720,0:44:08.800  
that it is able to vote in um

0:44:04.960,0:44:10.480  
in the uh

0:44:08.800,0:44:12.000  
villa you know if it's in the village

0:44:10.480,0:44:13.839  
it's able to if the bedroom's in the

0:44:12.000,0:44:15.520  
village it's able to vote in bill

0:44:13.839,0:44:18.560  
village elections and i'd just like to

0:44:15.520,0:44:18.960  
note for the records that it's my belief

0:44:18.560,0:44:22.000  
that

0:44:18.960,0:44:25.440  
this is the case with the existing house

0:44:22.000,0:44:28.640  
on this uh what would be the seventh

0:44:25.440,0:44:32.319  
y um before you create the six

0:44:28.640,0:44:36.000  
new additional whites uh so i'd like

0:44:32.319,0:44:39.599  
that to be put in there into the uh

0:44:36.000,0:44:39.599  
just noted with the minutes

0:44:43.359,0:44:48.319  
are they looking to uh tap into the

0:44:45.040,0:44:48.319  
village water and sewer lines

0:44:48.720,0:44:52.079  
i don't see that in this agreement that

0:44:50.720,0:44:53.599  
doesn't mean that they can't come and

0:44:52.079,0:44:55.359  
ask us that later

0:44:53.599,0:44:56.800  
okay because my only concern would be is

0:44:55.359,0:44:59.839  
if if they did

0:44:56.800,0:45:01.680  
that is a town road and in case of a

0:44:59.839,0:45:03.599  
situation we had to go out and

0:45:01.680,0:45:04.960  
do something with our water lines to

0:45:03.599,0:45:07.920  
shut them off or you know

0:45:04.960,0:45:08.880  
to fix a leak or fix a broken sewer pipe

0:45:07.920,0:45:10.640  
we are going to be

0:45:08.880,0:45:12.079  
working in the town right away and not

0:45:10.640,0:45:14.240  
in the village right away

0:45:12.079,0:45:16.160  
so i i don't know i don't know if we

0:45:14.240,0:45:18.960  
should

0:45:16.160,0:45:19.680  
well that that sort of it's a good

0:45:18.960,0:45:22.960  
question

0:45:19.680,0:45:24.960  
but that that particular question isn't

0:45:22.960,0:45:25.839  
before this board at this particular

0:45:24.960,0:45:29.440  
time

0:45:25.839,0:45:31.520  
right just the seeker aspect um in order

0:45:29.440,0:45:33.920  
to move their application along they're

0:45:31.520,0:45:36.079  
gonna have to also bring an application

0:45:33.920,0:45:37.040  
before the village board uh planning

0:45:36.079,0:45:40.240  
board

0:45:37.040,0:45:43.760  
albeit you know one um it's gonna be a

0:45:40.240,0:45:46.400  
a smaller application but at least

0:45:43.760,0:45:47.680  
they're going to need um you know to

0:45:46.400,0:45:49.920  
come before our board

0:45:47.680,0:45:52.640  
and at that point in time the full

0:45:49.920,0:45:55.200  
application will be before that board

0:45:52.640,0:45:57.520  
and you'll be able to see the scope and

0:45:55.200,0:45:59.760  
uh you'll be able to see what if any

0:45:57.520,0:46:00.880  
effect it would have on village or town

0:45:59.760,0:46:02.560  
roads

0:46:00.880,0:46:04.319  
yeah yeah i just wanted to make the

0:46:02.560,0:46:06.800  
board aware that it's a town road

0:46:04.319,0:46:07.680  
and if it does hook to the village water

0:46:06.800,0:46:10.400  
i mean

0:46:07.680,0:46:10.880  
and it runs right up there but it will

0:46:10.400,0:46:12.800  
be

0:46:10.880,0:46:14.000  
we'll be digging into town right away so

0:46:12.800,0:46:15.440  
i just want to you know

0:46:14.000,0:46:17.839  
make sure everybody knows what's going

0:46:15.440,0:46:17.839  
on up there

0:46:17.920,0:46:21.520  
so if those things happen i think we

0:46:20.319,0:46:24.960  
should also

0:46:21.520,0:46:27.599  
uh look to see if the tank that we have

0:46:24.960,0:46:30.960  
that's fully in the town of

0:46:27.599,0:46:34.160  
that must have a uh water main going

0:46:30.960,0:46:37.119  
in uh town right of way has an

0:46:34.160,0:46:38.880  
easement for us to uh a utility easement

0:46:37.119,0:46:42.240  
for us to be able to

0:46:38.880,0:46:45.520  
do work where that water main closed

0:46:42.240,0:46:48.079  
and and maybe if if there is no easily

0:46:45.520,0:46:48.880  
get one and if there is is an easement

0:46:48.079,0:46:52.000  
we should

0:46:48.880,0:46:53.520  
extend that to include whatever service

0:46:52.000,0:46:57.839  
needs to go to the

0:46:53.520,0:46:57.839  
properties that are in question

0:46:59.680,0:47:06.480  
that's all okay thank you kevin

0:47:02.800,0:47:06.480  
uh are there any other questions about

0:47:08.839,0:47:12.319  
this

0:47:10.720,0:47:13.839  
if there's no other questions could we

0:47:12.319,0:47:16.880  
get a motion to

0:47:13.839,0:47:19.119  
allow the town to be lead agency for the

0:47:16.880,0:47:24.640  
de la verne avenue subdivision

0:47:19.119,0:47:26.960  
i'll make a motion okay second

0:47:24.640,0:47:28.240  
i took trustee catalano as the motion

0:47:26.960,0:47:31.359  
who's the second

0:47:28.240,0:47:34.160  
a second seconded by trustee huber uh

0:47:31.359,0:47:35.119  
i'll do a roll call vote trustee huber

0:47:34.160,0:47:39.599  
hi

0:47:35.119,0:47:43.280  
trustee market john hi trustee panaso

0:47:39.599,0:47:46.720  
hi christine nissnik hi

0:47:43.280,0:47:47.280  
trustee catalano i will say that trustee

0:47:46.720,0:47:51.520  
lammers

0:47:47.280,0:47:54.800  
is absent and i will vote i myself

0:47:51.520,0:47:57.200  
okay the next item on the agenda is a

0:47:54.800,0:47:58.800  
resolution creating the climate smart

0:47:57.200,0:48:02.079  
communities task force

0:47:58.800,0:48:05.680  
uh it's dated october 28 2020.

0:48:02.079,0:48:08.880  
cory can you talk to us about this

0:48:05.680,0:48:10.960  
yeah um so

0:48:08.880,0:48:12.960  
i brought this up maybe once or twice in

0:48:10.960,0:48:16.240  
previous meetings

0:48:12.960,0:48:18.480  
essentially this year we've signed the

0:48:16.240,0:48:22.640  
village up to be a climate smart

0:48:18.480,0:48:25.200  
community and essentially what that is

0:48:22.640,0:48:25.200  
is that

0:48:25.920,0:48:32.240  
we will do we've signed on this thing to

0:48:29.119,0:48:35.359  
any future projects or development

0:48:32.240,0:48:38.079  
or um you know

0:48:35.359,0:48:39.040  
infrastructure upgrades we do uh we we

0:48:38.079,0:48:42.160  
make an attempt

0:48:39.040,0:48:44.240  
to be environmentally aware and try to

0:48:42.160,0:48:47.440  
make climate smart choices

0:48:44.240,0:48:50.319  
and this program has a point system

0:48:47.440,0:48:51.200  
in which uh the more points you have uh

0:48:50.319,0:48:53.440  
based on

0:48:51.200,0:48:54.400  
the amount of projects you do the more

0:48:53.440,0:48:56.480  
points you have

0:48:54.400,0:48:58.000  
the more you're considered for future

0:48:56.480,0:49:01.200  
projects and grants

0:48:58.000,0:49:03.359  
and we again we just signed up but with

0:49:01.200,0:49:04.800  
tallying through how much points we

0:49:03.359,0:49:08.160  
already have

0:49:04.800,0:49:10.160  
we are on the brink if not at the point

0:49:08.160,0:49:13.520  
of becoming a bronze community

0:49:10.160,0:49:15.680  
which is a really good milestone um

0:49:13.520,0:49:17.520  
and part of this whole thing is creating

0:49:15.680,0:49:21.920  
a task force

0:49:17.520,0:49:23.839  
and with me uh i asked micah kenfield

0:49:21.920,0:49:25.599  
to come i'm gonna let him introduce

0:49:23.839,0:49:29.040  
himself in a second but

0:49:25.599,0:49:30.960  
micah has been in on these meetings we

0:49:29.040,0:49:32.960  
have monthly meetings me

0:49:30.960,0:49:35.839  
todd bowen and cornell cooperative

0:49:32.960,0:49:38.400  
extension and um

0:49:35.839,0:49:39.520  
micah has been on these meetings as well

0:49:38.400,0:49:40.800  
to

0:49:39.520,0:49:42.800  
sort of start setting up and

0:49:40.800,0:49:45.040  
establishing our task force and

0:49:42.800,0:49:48.079  
he's very qualified for this which is

0:49:45.040,0:49:50.160  
why we nominated him to be our chair

0:49:48.079,0:49:52.160  
so michael would you like to introduce

0:49:50.160,0:49:53.760  
yourself to the board

0:49:52.160,0:49:55.599  
absolutely thank you so much thank you

0:49:53.760,0:49:58.240  
for the opportunity to meet

0:49:55.599,0:49:58.880  
all of you virtually um so i'm mikey

0:49:58.240,0:50:01.520  
canfield

0:49:58.880,0:50:02.400  
i moved to wappingers falls about six

0:50:01.520,0:50:04.319  
months ago

0:50:02.400,0:50:06.480  
but i've been in the poughkeepsie area

0:50:04.319,0:50:07.839  
for about 18 months as

0:50:06.480,0:50:09.520  
vassar college's director of

0:50:07.839,0:50:11.680  
sustainability so

0:50:09.520,0:50:12.880  
i've been very involved with developing

0:50:11.680,0:50:15.839  
action plans

0:50:12.880,0:50:16.960  
for responding to climate looking at how

0:50:15.839,0:50:20.000  
you can really

0:50:16.960,0:50:21.760  
leverage um what you're already doing to

0:50:20.000,0:50:22.160  
receive the recognition you deserve and

0:50:21.760,0:50:23.680  
just

0:50:22.160,0:50:25.280  
generally you're doing what we can for

0:50:23.680,0:50:28.480  
the environment

0:50:25.280,0:50:31.760  
and for the city uh or village sorry

0:50:28.480,0:50:34.319  
um yeah i've been um gosh i don't

0:50:31.760,0:50:35.920  
know what else to include in that but uh

0:50:34.319,0:50:37.280  
now i'm very excited i love living in

0:50:35.920,0:50:38.000  
wabash's falls it's a beautiful

0:50:37.280,0:50:40.079  
community

0:50:38.000,0:50:41.040  
and uh really excited for the

0:50:40.079,0:50:43.520  
opportunity to

0:50:41.040,0:50:43.520  
give back

0:50:44.160,0:50:47.040  
thank you micah

0:50:48.079,0:50:52.480  
uh and so you guys corey you and micah

0:50:51.200,0:50:54.720  
have been working on

0:50:52.480,0:50:55.599  
um the climate smart communities task

0:50:54.720,0:50:59.599  
force have you

0:50:55.599,0:51:03.119  
uh talked about adding more people to it

0:50:59.599,0:51:05.920  
well yes technically the task force

0:51:03.119,0:51:06.240  
isn't a thing yet until hopefully today

0:51:05.920,0:51:08.640  
when

0:51:06.240,0:51:10.400  
uh this resolution is passed but uh we

0:51:08.640,0:51:11.680  
are looking to recruit more people at

0:51:10.400,0:51:14.800  
the moment it's

0:51:11.680,0:51:17.839  
me micah and todd bowen

0:51:14.800,0:51:18.960  
um and yes we are again it's it's just

0:51:17.839,0:51:21.119  
starting but we will

0:51:18.960,0:51:22.640  
hopefully be looking to recruit to get a

0:51:21.119,0:51:25.760  
task force of at least

0:51:22.640,0:51:28.640  
maybe five to six people so

0:51:25.760,0:51:29.599  
uh this is again the early stages but uh

0:51:28.640,0:51:31.680  
yeah we're

0:51:29.599,0:51:33.920  
we're open for anyone who would like to

0:51:31.680,0:51:33.920  
join

0:51:35.599,0:51:39.359  
okay so if um you're interested in being

0:51:38.640,0:51:41.280  
part of us

0:51:39.359,0:51:43.200  
this is the climate smart communities

0:51:41.280,0:51:46.559  
task force get in touch with

0:51:43.200,0:51:49.119  
corey myself or one of the trustees

0:51:46.559,0:51:50.240  
um and so could you tell us a little bit

0:51:49.119,0:51:52.480  
more about uh

0:51:50.240,0:51:55.040  
some of the initiatives that might come

0:51:52.480,0:51:58.559  
out of this

0:51:55.040,0:51:59.920  
something well um again a lot of it

0:51:58.559,0:52:02.559  
looks at

0:51:59.920,0:52:04.160  
the projects you've done that are

0:52:02.559,0:52:05.920  
climate aware like

0:52:04.160,0:52:07.520  
if we get a whole new row of street

0:52:05.920,0:52:10.000  
lights uh

0:52:07.520,0:52:11.040  
are they led street lights or you know

0:52:10.000,0:52:13.839  
we've

0:52:11.040,0:52:16.720  
we've worked on expanding parking and

0:52:13.839,0:52:19.200  
updating our sidewalks which promotes

0:52:16.720,0:52:21.760  
walkability and less gas emissions and

0:52:19.200,0:52:23.839  
this kind of stuff gives us points

0:52:21.760,0:52:25.440  
which then in turn would allow us to

0:52:23.839,0:52:27.920  
apply for more grants

0:52:25.440,0:52:28.559  
like that and again the more points we

0:52:27.920,0:52:31.839  
have

0:52:28.559,0:52:33.599  
uh the more we are considered for these

0:52:31.839,0:52:35.280  
types of projects so it's it's almost

0:52:33.599,0:52:36.240  
the more you do the more you will be

0:52:35.280,0:52:38.240  
able to do

0:52:36.240,0:52:39.599  
and we just think moving forward

0:52:38.240,0:52:40.240  
especially with the way the world is

0:52:39.599,0:52:43.200  
going

0:52:40.240,0:52:44.640  
um there's no better time to start doing

0:52:43.200,0:52:49.280  
this and start focusing

0:52:44.640,0:52:49.280  
on it more now than ever so

0:52:49.440,0:52:55.359  
very good okay uh

0:52:52.720,0:52:57.599  
thank you both so do we need we need to

0:52:55.359,0:53:00.960  
um

0:52:57.599,0:53:00.960  
so we need to resolution

0:53:01.440,0:53:06.480  
this resolution would essentially be to

0:53:03.680,0:53:10.240  
create this task force and to nominate

0:53:06.480,0:53:13.200  
uh micah as the chair and then um

0:53:10.240,0:53:14.000  
uh from then on we can actually uh you

0:53:13.200,0:53:16.480  
know

0:53:14.000,0:53:18.720  
begin and start recruiting even more

0:53:16.480,0:53:18.720  
people

0:53:18.880,0:53:25.839  
okay uh so with that said could i

0:53:21.920,0:53:28.400  
get a motion to pass this resolution

0:53:25.839,0:53:29.599  
to create the climate smart communities

0:53:28.400,0:53:34.400  
test for

0:53:29.599,0:53:34.400  
name micah canfield as the chair

0:53:34.800,0:53:41.440  
i'll make it in a second

0:53:38.319,0:53:42.960  
second seconded by trustee market john

0:53:41.440,0:53:45.359  
i'm going to do a roll call vote because

0:53:42.960,0:53:48.640  
it's a resolution uh

0:53:45.359,0:53:52.160  
trustee huber

0:53:48.640,0:53:55.520  
aye posted market john hi

0:53:52.160,0:53:59.520  
hosty pinasa hi

0:53:55.520,0:54:03.599  
christine hi christy cavallano

0:53:59.520,0:54:06.800  
hi hi and uh trustee lammers

0:54:03.599,0:54:10.480  
is absent well um vote i

0:54:06.800,0:54:12.640  
myself so uh

0:54:10.480,0:54:14.640  
congratulations thank you micah for

0:54:12.640,0:54:18.000  
stepping up to the plate we appreciate

0:54:14.640,0:54:20.240  
uh your volunteer efforts and we

0:54:18.000,0:54:22.640  
uh also appreciate your experience that

0:54:20.240,0:54:26.960  
you're bringing to the villagers falls

0:54:22.640,0:54:30.880  
thank you thank you all so much

0:54:26.960,0:54:34.720  
okay okay uh the next item

0:54:30.880,0:54:38.240  
on the agenda is uh a safety item and

0:54:34.720,0:54:41.520  
i would uh like to ask

0:54:38.240,0:54:45.599  
walter burke if he could talk to us um

0:54:41.520,0:54:49.359  
about a full-time police officer

0:54:45.599,0:54:51.359  
hire sure a mayor

0:54:49.359,0:54:52.640  
peter cassano has been a part-time

0:54:51.359,0:54:56.240  
officer with us for

0:54:52.640,0:54:58.079  
almost two years um he has also

0:54:56.240,0:54:59.280  
moved to the village he's a resident of

0:54:58.079,0:55:02.319  
the village now

0:54:59.280,0:55:03.680  
and um after background after a decision

0:55:02.319,0:55:05.359  
that we decide to go with him and not

0:55:03.680,0:55:06.799  
anybody else on the civil service list i

0:55:05.359,0:55:08.240  
think he'll make an excellent full-time

0:55:06.799,0:55:11.359  
officer for us

0:55:08.240,0:55:13.680  
excellent okay any discussion from the

0:55:11.359,0:55:13.680  
board

0:55:15.599,0:55:21.200  
so the the police committee just had a

0:55:17.520,0:55:21.200  
meeting you guys are good with this

0:55:22.400,0:55:29.760  
good good could i have a motion

0:55:25.920,0:55:31.760  
i'll make it in a second i'll second

0:55:29.760,0:55:33.200  
seconded by trustee catalano all those

0:55:31.760,0:55:36.319  
in favor

0:55:33.200,0:55:38.960  
aye any opposed

0:55:36.319,0:55:40.720  
okay uh next item on the agenda uh

0:55:38.960,0:55:43.040  
commissioner burke would you talk to us

0:55:40.720,0:55:46.079  
about anthony hensley

0:55:43.040,0:55:49.520  
um yes we decided to go back and uh

0:55:46.079,0:55:53.680  
sponsor somebody uh for the uh academy

0:55:49.520,0:55:56.240  
um he came recommended to us um

0:55:53.680,0:55:58.000  
he's local and we decided that we'll

0:55:56.240,0:55:58.720  
sponsor him through the final phase of

0:55:58.000,0:56:00.160  
the academy

0:55:58.720,0:56:02.319  
he's responsible paying for certain

0:56:00.160,0:56:04.880  
items but uh he will be

0:56:02.319,0:56:05.520  
entering his final phase uh next month

0:56:04.880,0:56:07.119  
and by

0:56:05.520,0:56:08.559  
december we'll have him in the field

0:56:07.119,0:56:11.040  
training program

0:56:08.559,0:56:12.880  
and hopefully on patrol by sometime in

0:56:11.040,0:56:16.640  
february

0:56:12.880,0:56:19.040  
okay great uh so any questions from the

0:56:16.640,0:56:19.040  
board

0:56:19.599,0:56:22.799  
i just get an acknowledgement from the

0:56:21.359,0:56:24.400  
police committee that you guys have

0:56:22.799,0:56:26.400  
discussed this

0:56:24.400,0:56:30.079  
mayor i think i have abstained from this

0:56:26.400,0:56:32.960  
one because i'm friends with him

0:56:30.079,0:56:34.720  
i don't i don't know if that's calls for

0:56:32.960,0:56:35.280  
you can still abstain but i don't think

0:56:34.720,0:56:37.200  
that's

0:56:35.280,0:56:40.720  
necessary because of friendship i'll

0:56:37.200,0:56:40.720  
just ask the attorney

0:56:41.520,0:56:45.040  
do i have to hear craig or

0:56:45.359,0:56:51.280  
as long as you can be fair and impartial

0:56:48.480,0:56:52.400  
you can if you feel you could be fair

0:56:51.280,0:56:55.119  
and impartial

0:56:52.400,0:56:56.400  
you know if you feel you cannot be fair

0:56:55.119,0:56:58.319  
and impartial

0:56:56.400,0:57:01.040  
uh because of your friendship then uh

0:56:58.319,0:57:02.880  
you should not vote

0:57:01.040,0:57:06.319  
i can be fair he's he's a member of the

0:57:02.880,0:57:06.319  
firehouse that's why i'm saying this

0:57:06.559,0:57:12.400  
well it is an appearance it's up it

0:57:09.920,0:57:14.319  
comes down to one of fairness and

0:57:12.400,0:57:17.520  
impartiality

0:57:14.319,0:57:21.520  
i could be fair okay so

0:57:17.520,0:57:21.520  
uh could we get emotion

0:57:23.359,0:57:29.280  
i'm sorry where did we get

0:57:27.040,0:57:32.319  
sorry i hit the meal where did we get

0:57:29.280,0:57:41.839  
the recommendation from

0:57:32.319,0:57:41.839  
i believe commissioner burke

0:57:42.400,0:57:49.200  
okay i'm good you're good okay

0:57:45.440,0:57:51.680  
so could we get a motion to hire

0:57:49.200,0:57:55.839  
anthony hemsley hensley as a part-time

0:57:51.680,0:57:55.839  
police officer

0:57:56.960,0:58:03.839  
so who's the motion i'll make it

0:58:01.599,0:58:04.960  
so we have a motion from trustee panesa

0:58:03.839,0:58:08.319  
a second

0:58:04.960,0:58:13.280  
second seconded by trustee markijn

0:58:08.319,0:58:15.980  
yes sure okay and um all those in favor

0:58:13.280,0:58:17.359  
and the opposed

0:58:15.980,0:58:21.200  
[Music]

0:58:17.359,0:58:23.280  
okay um before we uh i am gonna ask that

0:58:21.200,0:58:25.200  
we go into executive session but before

0:58:23.280,0:58:26.799  
we do that i'd like to ask if the board

0:58:25.200,0:58:29.599  
has anything that they'd like to bring

0:58:26.799,0:58:29.599  
up at this time

0:58:31.119,0:58:34.240  
i do as a clerk

0:58:35.119,0:58:39.200  
parking at mary ross park i put a sign

0:58:38.079,0:58:41.680  
together

0:58:39.200,0:58:43.520  
i created one consistent with local law

0:58:41.680,0:58:46.319  
six 2020

0:58:43.520,0:58:48.400  
that you approved last meeting and i

0:58:46.319,0:58:52.079  
sent it out to the

0:58:48.400,0:58:54.559  
highway committee for their review

0:58:52.079,0:58:56.720  
and i asked for comments i didn't get

0:58:54.559,0:58:58.720  
any comments back so i can go to print

0:58:56.720,0:59:01.599  
with it

0:58:58.720,0:59:02.160  
as many of the residents on west main

0:59:01.599,0:59:05.040  
street

0:59:02.160,0:59:05.920  
have been calling me over the past six

0:59:05.040,0:59:08.720  
weeks

0:59:05.920,0:59:10.319  
about getting parking permits for that

0:59:08.720,0:59:12.240  
parking lot

0:59:10.319,0:59:14.079  
so i just wanted to update you that i'll

0:59:12.240,0:59:15.359  
go ahead and order the signs and have

0:59:14.079,0:59:17.920  
them placed

0:59:15.359,0:59:20.319  
in that park consistent with local law

0:59:17.920,0:59:20.319  
sex

0:59:20.960,0:59:23.920  
so they're john they're going to have

0:59:22.400,0:59:24.720  
permitted parking and there's going to

0:59:23.920,0:59:26.240  
be signs where

0:59:24.720,0:59:28.160  
the parking is going to be printed too

0:59:26.240,0:59:29.839  
correct

0:59:28.160,0:59:33.520  
there'll be permitted parking but there

0:59:29.839,0:59:36.240  
won't be any designated spots

0:59:33.520,0:59:36.640  
no problem yeah so i would like to just

0:59:36.240,0:59:40.160  
be

0:59:36.640,0:59:42.240  
extra careful and ask if uh

0:59:40.160,0:59:44.319  
all the board members who got a copy of

0:59:42.240,0:59:47.440  
this send back an acknowledgement

0:59:44.319,0:59:50.000  
to john and myself that the

0:59:47.440,0:59:50.640  
way he's done this is okay i mainly want

0:59:50.000,0:59:52.720  
to do this

0:59:50.640,0:59:55.680  
to make sure that you've taken a look at

0:59:52.720,0:59:59.280  
it because it would be better to not

0:59:55.680,1:00:01.520  
actually um looked at it so

0:59:59.280,1:00:03.440  
could you acknowledge that to john

1:00:01.520,1:00:06.480  
before tomorrow morning

1:00:03.440,1:00:08.799  
in an email yeah i can do that

1:00:06.480,1:00:09.920  
are you talking about mary ross park or

1:00:08.799,1:00:14.400  
reefs park

1:00:09.920,1:00:16.240  
brittany reese park okay

1:00:14.400,1:00:18.960  
if you didn't get the email let me know

1:00:16.240,1:00:20.960  
i'll send it back to you again

1:00:18.960,1:00:22.000  
yes you might as well send it to the

1:00:20.960,1:00:26.240  
other board members

1:00:22.000,1:00:28.880  
too all right

1:00:26.240,1:00:31.040  
i'd like everybody to weigh in on that

1:00:28.880,1:00:33.040  
okay i will send it out and request

1:00:31.040,1:00:35.280  
comments again i'll send it out tomorrow

1:00:33.040,1:00:35.280  
morning

1:00:36.480,1:00:44.799  
okay um anything else from the board

1:00:40.960,1:00:45.680  
uh mayor yes yeah i just have one other

1:00:44.799,1:00:47.839  
thing um

1:00:45.680,1:00:49.520  
we put in a grant application um also

1:00:47.839,1:00:50.640  
farrell did it was for uh best

1:00:49.520,1:00:52.319  
reimbursement

1:00:50.640,1:00:54.480  
and we were awarded uh fifty three

1:00:52.319,1:00:56.720  
hundred dollars on towards the vest so

1:00:54.480,1:00:59.359  
we're paying half the price

1:00:56.720,1:01:00.240  
of the best we figure we can probably

1:00:59.359,1:01:02.240  
get 14

1:01:00.240,1:01:04.640  
best for officers who need replacements

1:01:02.240,1:01:04.640  
and also

1:01:05.119,1:01:10.960  
very good good good work

1:01:08.559,1:01:12.480  
thank you guys and uh corey i believe

1:01:10.960,1:01:14.880  
you had something to do with that so

1:01:12.480,1:01:14.880  
thank you

1:01:16.480,1:01:24.720  
um okay anything else

1:01:21.920,1:01:25.520  
uh mayor before we adjourn and jason

1:01:24.720,1:01:29.920  
would actually

1:01:25.520,1:01:32.480  
like to say something okay

1:01:29.920,1:01:32.480  
so yeah

1:01:33.040,1:01:36.799  
hi matt i just want to thank you for

1:01:35.040,1:01:39.680  
your years of service as the mayor

1:01:36.799,1:01:40.240  
the villager wappingers um i had the

1:01:39.680,1:01:42.559  
pleasure

1:01:40.240,1:01:44.400  
working with you over to 14 years as a

1:01:42.559,1:01:46.000  
fire chief

1:01:44.400,1:01:48.720  
and thank you for everything you've done

1:01:46.000,1:01:50.319  
for the firehouse equipment wise and

1:01:48.720,1:01:52.240  
good luck on your new journey and

1:01:50.319,1:01:54.720  
mississippi peak skill

1:01:52.240,1:01:56.319  
thank you and and big thank you to all

1:01:54.720,1:01:59.599  
the firemen who came out there

1:01:56.319,1:02:02.799  
uh for me when uh i needed

1:01:59.599,1:02:04.400  
it personally uh but i've been

1:02:02.799,1:02:06.240  
working with all of you even when

1:02:04.400,1:02:09.119  
there's not a fire so

1:02:06.240,1:02:11.359  
yeah i'll be in touch though don't worry

1:02:09.119,1:02:11.359  
thanks

1:02:13.839,1:02:18.839  
okay uh if there's so are there any

1:02:16.720,1:02:21.839  
public comments from anybody from the

1:02:18.839,1:02:21.839  
public

1:02:22.400,1:02:26.640  
no public comments uh we do need to go

1:02:24.880,1:02:30.160  
into executive session

1:02:26.640,1:02:32.720  
for uh for personnel

1:02:30.160,1:02:33.280  
and i would like to ask if tom morris

1:02:32.720,1:02:36.720  
could

1:02:33.280,1:02:39.920  
uh join us uh in that and

1:02:36.720,1:02:42.559  
also uh i believe we might have some

1:02:39.920,1:02:43.680  
do we have matters of litigation or

1:02:42.559,1:02:47.760  
bargaining

1:02:43.680,1:02:48.640  
yes okay for both of those so personnel

1:02:47.760,1:02:51.760  
litigation

1:02:48.640,1:02:53.440  
and bargaining unit uh negotiation uh

1:02:51.760,1:02:56.400  
could i have a motion to go into

1:02:53.440,1:02:56.400  
executive session

1:02:57.039,1:03:03.119  
i'll make it second

1:03:00.240,1:03:03.119  
second second

1:03:09.440,1:03:13.280  
okay uh tom could you stay with us for

1:03:11.760,1:03:15.440  
that

1:03:13.280,1:03:17.839  
the board has entered executive session

1:03:15.440,1:03:20.230  
please stand by the meeting will resume

1:03:17.839,1:03:21.520  
when they return

1:03:20.230,1:03:25.200  
[Music]

1:03:21.520,1:03:27.280  
okay so uh we have um

1:03:25.200,1:03:30.319  
can we get a motion to come out of

1:03:27.280,1:03:30.319  
executive session

1:03:42.839,1:03:48.720  
opposed okay so um

1:03:46.240,1:03:52.000  
we have two motions and the first motion

1:03:48.720,1:03:52.000  
just correct me if i'm wrong

1:03:56.799,1:04:05.520

1:04:00.720,1:04:05.520

1:04:07.200,1:04:12.160  
act as our uh act on behalf of the

1:04:10.880,1:04:17.359  
village

1:04:12.160,1:04:17.359  
and engage in negotiations with the pba

1:04:17.760,1:04:26.079  
can i get a motion i'll make it

1:04:20.799,1:04:30.319  
i'll second it okay

1:04:26.079,1:04:32.799  
those in favor aye aye any opposed

1:04:30.319,1:04:33.920  
and the second motion is there a motion

1:04:32.799,1:04:37.680  
to request

1:04:33.920,1:04:40.720  
that the board take affirmative action

1:04:37.680,1:04:41.359  
to instruct dutchess county civil

1:04:40.720,1:04:46.240  
service

1:04:41.359,1:04:49.680  
to rescind our request

1:04:46.240,1:04:52.720  
for a new sergeant exam in 2020

1:04:49.680,1:04:55.200  
i'll make it i'll second

1:04:52.720,1:04:56.559  
seconded by trustee kevin huber all

1:04:55.200,1:04:59.839  
those in favor

1:04:56.559,1:05:03.440  
aye aye any opposed

1:04:59.839,1:05:05.760  
okay and uh is there a motion

1:05:03.440,1:05:05.760  
jared

1:05:06.720,1:05:12.640  
kevin huber second second second

1:05:10.400,1:05:13.440  
mary panessa all those in favor all

1:05:12.640,1:05:16.880
