RE: 2 Year Extension for Contract #CP-08-01-01-D

Dear Ms. Bach,

The reason we ask for the extension is we are in the process of adopting the amendments and sign manual.

Currently, we have completed the initial adoption of amendments to Section 151-12 (signs) of Zoning Law and adoption of Section 151-12.1 (outdoor lighting). Preparation of the Sign Design Manual and the amendments to Off-Street Parking standards have been completed, however not yet approved.

Thank you for considering our request for a two year extension.

Sincerely,

Jennifer A. Brown, Treasurer
