

Recreation Committee Meeting

Tuesday May 19, 2020

Attendance: Cindy Latino, Todd Bowen, Beth Huber, Kevin Huber, Corey Usavich, Scott Davis, Ronnie Komornik

Discussion of summer camp.

Decision made to cancel summer camp for the 2020 year. It would be very difficult to implement current CDC guidelines in Vet's park. We also would need to operate on camp fees only as no money was allocated in Village budget for camp.

There will be no Marketplace this year.

Discussion of summer concerts.

Two have been scheduled. How should we host these? No funding in Village budget. If we can get sponsors, we will consider having. Currently scheduled for late July and August. We will also see how reopening goes.

Discussion of Bain Park. Kompac Playgrounds will hold the current price if we order the equipment. We will see if we can order playground and store it for now.

Discussion of using Mesier Park as an eating area for local restaurants. Idea to be brought to the board for consideration. Concerns were raised as to sanitation and monitoring social distancing..
