BY ORDER OF THE BOARD OF TRUSTEES

OF THE VILLAGE OF WAPPINGERS FALLS  
JOHN KARGE, VILLAGE CLERK

**VILLAGE OF WAPPINGERS FALLS**

**LOCAL LAW NO.4 (PROPOSED) OF 2020**

**A Local Law entitled “Local Law No. 4 of the Year 2020, Creating  
Chapter 111, Procurement Policy”**

Be it enacted by the Village Board of Trustees of the Village of Wappingers Falls as follows:

**SECTION 1.            TITLE.**

This Local Law shall be known and cited as “Local Law No.4 of the Year 2020, Creating Chapter 111, Procurement Policy.”

**SECTION 2.            LEGISLATIVE INTENT; PURPOSE.**

The intent and purpose of this Local Law is to allow the Village Board the option to award certain purchase contracts subject to competitive bidding under General Municipal Law § 103 on the basis of low bid or “best value” as defined in § 163 of New York State Finance Law. The “best value” option may be used if it is more cost efficient over time to award the good or service to other than the lowest responsible bidder for factors such as lower cost of maintenance, durability, higher quality and longer product life.

**SECTION 3:            CREATION OF NEW CHAPTER.**

Chapter 111, Procurement Policy shall read as follows:

**“CHAPTER 111. PROCUREMENT POLICY.**

**ARTICLE I. BEST VALUE PROCUREMENTS**

§ \_\_\_\_-1. **PURPOSE AND AUTHORITY.**The Village Board of Trustees seeks to exercise the option to award certain purchase contracts subject to competitive bidding under General Municipal Law § 103 on the basis of either lowest responsible bidder or "best value" as defined in § 163 of the New York State Finance Law. The "best value" option may be used if it is more cost efficient over time to award the good or service to other than the lowest responsible bidder for factors such as lower cost of maintenance, durability, higher quality and longer product life.

§ \_\_\_\_-2.    **AWARD BASED ON LOW BID OR BEST VALUE.**

The Village Board of Trustees may award purchase contracts and service contracts that have been procured pursuant to competitive bidding under the General Municipal Law § 103 by either lowest responsible bidder or best value. All awards based on best value shall require Village Board approval.

**§ \_\_\_\_-3. APPLICABILITY.**

The provisions of this Article apply to Village purchase contracts for commodities equipment and/or goods, and related service work. By adopting GML § 103, subdivision 16, political subdivisions such as the Village of Wappingers Falls can award the contract on the basis of determining the best value. The winning proposer, while not offering the best aggregate price, would offer the best value in that its price per technical quality point was lower than all other bidders. This also may exclude any other contract that may in the future be excluded under state law from the best value option. If the dollar thresholds of General Municipal Law § 103 are increased or decreased in the future by the State Legislature, the dollar thresholds set forth herein shall be deemed simultaneously amended to match the new General Municipal Law thresholds.

**§ \_\_\_\_-4. STANDARDS FOR BEST VALUE.**

Goods and services procured and awarded on the basis of best value are those that the Village Board of Trustees determines will be of the highest quality while being the most efficient. The determination of quality and cost efficiency shall be based on objectively quantified and clearly described and documented criteria, which may include, but shall not be limited to, and/or all of the following: cost of maintenance; proximity to the end user if distance or response time is a significant term; durability; availability of replacement parts or maintenance contractors; and longer product life; product performance criteria; and quality of craftsmanship.

**§ \_\_\_\_-5. DOCUMENTATION.**

Whenever any contract is awarded on the basis of best value instead of lowest responsible bidder, the basis for determining best value shall be thoroughly and accurately documented.

**§ \_\_\_\_-6. PROCUREMENT POLICY SUPERSEDED WHERE INCONSISTENT.**

Any inconsistent provision of the Village's Procurement Policy, as adopted prior to the effective date of this Article by Resolution of the Village Board of Trustees, or as amended thereafter, shall be deemed superseded by the provisions of this Article.

**SECTION 4. NUMBERING FOR CODIFICATION.**

It is the intention of the Village of Wappingers Falls and it is hereby enacted that the provisions of this Local Law shall be included in the Code of the Village of Wappingers

Falls; that the sections and sub-sections of this Local Law may be re-numbered or relettered by the Codifier to accomplish such intention; that the Codifier shall make no substantive changes to this Local Law; that the word “Local Law” shall be changed to “Chapter,” “Section” or other appropriate word as required for codification; and that any such rearranging of the numbering and editing shall not affect the validity of this Local Law or the provisions of the Code affected thereby.

**SECTION 5.            SEVERABILITY.**

The invalidity of any word, section, clause, paragraph, sentence, part or provision of this Local Law shall not affect the validity of any other part of this Local Law, which can be given effect without such part or parts.

**SECTION 6.            EFFECTIVE DATE.**

This Local Law shall take effect immediately upon filing in the office of the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.

BY ORDER OF THE BOARD OF TRUSTEES  
OF THE VILLAGE OF WAPPINGERS FALLS

JOHN KARGE, VILLAGE CLERK

**VILLAGE OF WAPPINGERS FALLS**

**LOCAL LAW NO.5 OF 2020**

**A Local Law entitled “Local Law No 5 of the Year 2020, Amending Chapter 114, Property Maintenance by Repealing the Existing Provisions in their Entirety and Adding New Provisions”**

Be it enacted by the Village Board of Trustees of the Village of Wappingers Falls as follows:

**SECTION 1.            TITLE.**

This Local Law shall be known and cited as “Local Law No. 5 of the Year 2020, Amending Chapter 114, Property Maintenance by Repealing the Existing Provisions in their Entirety and Adding New Provisions.”

**SECTION 2.            PURPOSE.**

The purpose of this Local Law is to repeal the existing provisions of Chapter 114, Property Maintenance in their entirety and add new provisions to provide procedures for the Village to act swiftly to abate the risks to the health and safety of the public, and particularly the residents of the Village of Wappingers Falls, in accordance with the due process required by law.

**SECTION 3: REPEAL OF EXISTING PROVISIONS OF CHAPTER 114 AND  
ADDITION OF NEW PROVISIONS.**

The existing provisions of Chapter 114, Property Maintenance are hereby repealed in their entirety and the following provisions are added as follows:

**“CHAPTER 114. PROPERTY MAINTENANCE.**

**§ 114-1. LEGISLATIVE INTENT; FINDINGS.**

- A. Property owners who fail to maintain their property create adverse conditions that affect the general health, safety and welfare of the public. Deficient property maintenance sometimes creates impacts to the health and safety of the public that require immediate attention while other instances of deficient property maintenance create harm to the general welfare that reduces the quality of life, adversely impacts property values and facilitates the creation of blighted neighborhoods.
- B. The Village Board hereby finds that the improper maintenance of the exterior of any buildings that are visible to the neighbors and/or traveling public creates conditions that adversely affect property values, the quality of life of the neighbors and neighborhood, and the general health, safety and welfare of the residents of the Village. Property owners who allow poisonous shrubs to grow and allow weeds, shrubs, lawns, grass, landscape plants and other vegetation to become overgrown, or who allow the exterior of any buildings located on their property to deteriorate into a state of disrepair or to become unsightly or dilapidated, or who permit the accumulation of garbage, rubbish, debris and refuse thereon, facilitate the proliferation of pests, insects and vermin. These conditions, in turn, result in a general deterioration of property values and foster blight in the surrounding neighborhoods and in the community in general. The Village Board further finds that property owners, tenants or persons in possession of real property who keep or maintain junked, inoperable or unregistered vehicles on their property contribute to blight by promoting unsightly, unsanitary and unsafe conditions.
- C. The Village Board hereby determines that in order to protect and promote the public health, safety and welfare of the residents of the Village, to prevent blight within the Village and to prohibit the proliferation thereof, it is necessary to establish standards for the exterior maintenance of property, yards and any buildings or structures thereon, and to provide standards for the general exterior maintenance of yards, buildings and structure, and to provide for the removal of any poisonous weeds or shrubs, overgrown vegetation, including lawns, grass, landscape shrubbery, and ornamental shrubs, garbage, debris, rubbish, and junked or

inoperable vehicles on properties, so that all properties shall be maintained in accordance with the standards enunciated in this Chapter.

- D. This Chapter authorizes the Village, through its Code Enforcement Officials, to enter onto the property containing the offending condition, in accordance with the provisions of this Chapter, and to remove the same where the property owners fails or neglects to cure the violation. By reason of the establishment of these regulations and restrictions as herein set forth in this Chapter, the proliferation of blight may be prevented and the general public health, safety and welfare protected and fostered.
- E. It is with this intent in mind that the provisions of this Chapter are established.

In necessary, the enforcement official is authorized to apply for a search warrant to a court of competent jurisdiction to enter onto the premises if there is reasonable suspicion to believe that there is a violation of this Chapter. The enforcement official is further authorized to take such further steps as are necessary to effectuate the execution and return of a duly ordered search warrant.
- B. Order to remedy. If the enforcement official determines that a violation exists after conducting an inspection, the enforcement official is authorized to issue an order to remedy directing the owner, occupant, tenant, lessee or other person having charge of any premises to bring such premises into compliance with the provisions of this Chapter. The enforcement official shall provide the Village Board with a copy of the order to remedy, together with an affidavit of service and a copy of his or her report of findings from the inspection of the property.

- (9) A statement that, if the property owner, occupant, tenant, lessee or other person having charge of any premises does not comply with the order to remedy, the Village intends to enter onto the property, take corrective action, and assess the costs of the corrective action as a lien against the property and levy such lien on the Village tax bill if not paid.

D. Service of order to remedy. The order to remedy shall be served on the owner by registered or certified mail, return receipt, at the address shown on the last preceding tax assessment roll of the Village or by personal service in accordance with any manner provided for service of process by Article 3 of the Civil Practice Law and Rules of the State of New York. Service upon a occupant, tenant, lessee or person in charge of the premises shall be made by registered or certified mail, return receipt to the address of the property or by person service as noted above. A copy of such order to remedy may also be served in the same manner on any mortgagee or lienor of record. A copy of the order to remedy shall also be conspicuously placed on the property.

E. Imminent threat. Whenever the Village Board finds that there exists on premises a condition that poses an imminent threat to the public health or safety which requires immediate remedial action, the Village Board may, in its discretion, order the owner, occupant, tenant, lessee or other person having charge of any premises to remove or abate such public nuisance or direct Village employees or agents of the Village to remove or abate such public nuisance, and, notwithstanding any provision of this Chapter to the contrary, no public hearing shall be required to be held before the time fixed in the order for compliance or before the Village removes or abates such public nuisance, and the time for compliance provided in the order for compliance shall not apply to an order issued pursuant to this section. Notice of an order or direction issued pursuant to this subsection shall be served in

the manner prescribed in subsection D above, provided that if the Village Board determines that service in such manner would result in delay prejudicial to the public health or safety, then the Village Board may serve such order or direction by delivery of a copy thereof to a person of suitable age and discretion in actual or apparent control of the premises to which it relates, or, if service cannot be made in such manner, by posting a copy posted upon the premises to which it relates. An order or direction served in the manner prescribed in this subsection shall take effect when delivered or when posted. After such order or direction takes effect, the enforcement official shall serve such order or direction in the manner prescribed in subsection D above. Such additional service shall include notice of the earlier service of such order or direction.

- F. Emergency situation. Where it reasonably appears that there is present a clear and imminent danger to the life, safety or health of any person or property unless action authorized under this Chapter is taken immediately, then the enforcement official shall have the power to abate, correct or remove the emergency, and any costs and expenses shall be charged to the owner of the property at issue. In the event that the amount due to the Village is not paid within thirty days following notification by the Village, the costs and expenses shall become and be a lien upon the property involved and shall be added to and become part of the property taxes next to be assessed and levied upon such property by the Village and shall bear interest at the same rate as and be collected and enforced in the same manner as taxes.
  
- G. Public hearing.
  - (1) The public hearing shall be held at a regularly scheduled or special Village Board meeting at least seven days but not more than twenty days after service of the order to remedy as set forth above.
  - (2) After the public hearing, if the property is determined by the Village Board to be in noncompliance with the standards enumerated in this Chapter, the Village Board may authorize employees of the Village, or its agents or contractors, to enter onto the property to undertake such measures as to bring the property into compliance with the standards of this Chapter and assess the cost of such remediation against the property as described below.
  
- H. Assistance allowed. The Village may request the assistance of any county, state or federal agency to perform work on its behalf pursuant to this Chapter.
  
- I. Assessment of costs and expenses; lien on property.

- (1) The costs and expenses incurred by the Village with respect to any work performed by or on behalf of the Village to bring the property into compliance shall be a debt recoverable from the owner, occupant, tenant, lessee or other person having charge of any premises and shall constitute a lien upon the premises, including the land and buildings, with respect to which such work was performed.
- (2) The Village shall keep a record of all work performed on the property by or on behalf of the Village. Such records shall be accessible to the public during business hours. Claims for all work performed on the property shall be audited and approved. A notice stating the total amount due and the nature of the charge shall be mailed by the Village to the last known address of the person whose name appears on the records in the office of the Village Treasurer as being the owner or agent or as the person designated by the owner to receive tax bills or, where no name appears, to the premises, addressed to either the owner or the agent. Such notice shall have ten days, after a copy of the notice establishing the costs and expenses is received, to challenge any of the costs incurred by the Village. After expiration of the time period to challenge the determination of costs and expenses, the amounts thereof shall be reported to the Village Treasurer to be levied and assessed against the property, and the expense so assessed shall constitute a lien and charge on the property on which it is levied until paid or otherwise satisfied or discharged and shall otherwise be collected in the same manner and at the same time as other Village charges.
- (3) Such lien shall have a priority over all other liens and encumbrances on the premises except for the lien of taxes and assessments.

J. Action for recovery. In addition to establishing a lien, the Village may recover such expenses and interest incurred by bringing an action against the owner, occupant, tenant, lessee or other person having charge of any premises. The institution of such action shall not suspend or bar the right to pursue any other remedy provided by law for the recovery of such debt.

K. Supplemental remedies; other remedies available. In addition to the remedies set forth in this Chapter, the Village reserves the right to pursue any and all remedies available for lack of compliance, including, but not limited to, those set forth in Article 13 and 19-A of the New York State Real Property Actions and Proceedings Law, and the enforcement official is authorized to take any and all action specified in these articles. Nothing contained in this section shall be construed to restrict authority to provide for the abatement of a public nuisance conferred upon any agency of the Village by any other provision of law.

**§ 114-9. PENALTIES FOR OFFENSES.**

- A. Criminal penalty. Any person, firm or corporation who shall violate any of the provisions of this Chapter or any order promulgated hereunder shall, upon conviction, be punishable as provided for violations of the Penal Law of the State of New York.

  - (2) Each day any violation of any provision of this Chapter or any such ordinance or resolution shall continue shall constitute a separate offense.
- C. In addition, or as an alternative to the above-provided penalties, the Village Board may also maintain an action or proceeding in the name of the Village in a court of competent jurisdiction to compel compliance with or to restrain by injunction the violation of this Chapter.
