for this meeting

0:01:07.110,0:01:11.219

the village Facebook page and its

0:01:24.149,0:01:32.240  
website at this time I'd like to do the

0:01:29.759,0:01:32.240  
Pledge of Allegiance

0:01:36.299,0:02:20.470  
okay I'm just pulling up the agenda okay

0:02:15.489,0:02:27.549  
so John did you do the roll call mayor

0:02:20.470,0:02:34.510  
Alexander here trusty Marco John trusty

0:02:27.549,0:02:40.540  
market John Eric trusty Davis air rusty

0:02:34.510,0:02:43.540  
come morning absent interest eco mornig

0:02:40.540,0:02:46.350  
let me know that she had a family

0:02:43.540,0:02:51.959  
emergency and won't be able to join us

0:02:46.350,0:02:57.329  
trustee Hubert read

0:02:51.959,0:03:07.540  
rusty lemierre's here trustee Vanessa

0:02:57.329,0:03:09.190  
here village attorney Wallace here okay

0:03:07.540,0:03:11.340  
I just like to remind everybody if

0:03:09.190,0:03:22.470  
you're not speaking to please mute your

0:03:11.340,0:03:22.470  
screen or your phone Mary and so

0:03:22.719,0:03:31.459  
the first item on the agenda is a

0:03:28.629,0:03:35.000  
there's actually we'll start with

0:03:31.459,0:03:39.530  
Casey with project discussion so John

0:03:35.000,0:03:45.939  
several ski of Casey and I'm going to

0:03:39.530,0:03:45.939  
stop scaring sharing the screen all done

0:03:51.519,0:03:56.260  
okay John you can share the screen now

0:04:10.290,0:04:28.410  
and hear him John you might be muted we

0:04:25.330,0:04:28.410  
still can't hear you John

0:04:44.300,0:04:53.599  
no we're not hearing you it's not

0:04:51.000,0:04:53.599  
working John

0:05:06.570,0:05:12.460  
is this better nap experience okay

0:05:10.780,0:05:14.410  
yeah once ready for one all right

0:05:12.460,0:05:16.780  
different speaker can you hear me now go

0:05:14.410,0:05:18.340  
back to trying to share my screen that

0:05:16.780,0:05:21.760  
seemed to be what pick up the whole

0:05:18.340,0:05:24.820  
thing all right can you see it can you

0:05:21.760,0:05:26.680  
see my screen that's yeah we can see it

0:05:24.820,0:05:31.690  
no I can't hear you now

0:05:26.680,0:05:34.720  
I can't hear you

0:05:31.690,0:05:36.790  
okay we really okay you can see it

0:05:34.720,0:05:39.820  
apparently the sound is just still

0:05:36.790,0:05:42.340  
through the headphones on my yet so

0:05:39.820,0:05:49.140  
anyway so going back to let's start at

0:05:42.340,0:05:52.150  
the top so for any restart so

0:05:49.140,0:05:53.440  
Ciccione has been on site pretty much

0:05:52.150,0:05:55.930  
most of the month there are other

0:05:53.440,0:05:57.400  
project they've been sharing back and

0:05:55.930,0:05:59.680  
forth sharing time between the two

0:05:57.400,0:06:01.720  
projects they've been moving along very

0:05:59.680,0:06:05.410  
well they've got the lower outlook is

0:06:01.720,0:06:08.560  
nearly complete the retaining wall for

0:06:05.410,0:06:11.560  
the upper outlook is there's quite a

0:06:08.560,0:06:13.120  
ways it's like 70 percent complete

0:06:11.560,0:06:16.180  
they've been the paving the stairs and

0:06:13.120,0:06:21.630  
the landing will be graded beginning

0:06:16.180,0:06:21.630  
july and they're still shooting for the

0:06:22.860,0:06:30.640  
september completion date now there is

0:06:28.060,0:06:32.470  
some discussion about john courage'

0:06:30.640,0:06:34.120  
talked about the roof and brickwork i'm

0:06:32.470,0:06:38.470  
the building the small building near the

0:06:34.120,0:06:40.510  
front and there's a lot of activity this

0:06:38.470,0:06:45.070  
month so they're asking that they other

0:06:40.510,0:06:46.510  
contractor be there early july and that

0:06:45.070,0:06:49.420  
they make sure that they schedule and

0:06:46.510,0:06:50.710  
coordinate with them and casey ahead of

0:06:49.420,0:06:58.390  
time so that they know they're going to

0:06:50.710,0:07:00.190  
be there JOHN CARTER do you have

0:06:58.390,0:07:03.760  
something scheduled for that are you

0:07:00.190,0:07:07.210  
having something planned john cart yeah

0:07:03.760,0:07:10.140  
I do I don't know if you've noticed but

0:07:07.210,0:07:12.610  
the bricks are starting to fall off on

0:07:10.140,0:07:15.370  
different portions of the cobbler

0:07:12.610,0:07:17.460  
building and the reason they're coming

0:07:15.370,0:07:19.919  
off is because the roof is shot and

0:07:17.460,0:07:24.009  
water is running down

0:07:19.919,0:07:27.699  
from the parapet cascading down along

0:07:24.009,0:07:30.460  
the red bricks pulling the mortar out so

0:07:27.699,0:07:36.400  
before I can get the brickwork done I

0:07:30.460,0:07:39.940  
need to get the roof done and but I'll

0:07:36.400,0:07:42.940  
coordinate that with Casey is that is

0:07:39.940,0:07:47.940  
that we have we have someone lined up to

0:07:42.940,0:07:47.940  
do the work on the roof yes okay

0:07:48.509,0:07:52.780  
sorry to interrupt just one that that's

0:07:51.099,0:07:54.069  
okay I'd rather you did it while we're

0:07:52.780,0:07:56.590  
talking while we're talking about it

0:07:54.069,0:08:00.159  
it's easier that way going forward to

0:07:56.590,0:08:02.470  
the tap pedestrian safety improvements

0:08:00.159,0:08:05.259  
the they did have the pre-construction

0:08:02.470,0:08:07.720  
meeting on the 15th the highway work

0:08:05.259,0:08:10.900  
from it has been issued and they're

0:08:07.720,0:08:13.419  
anticipating beginning early in July on

0:08:10.900,0:08:15.370  
that work so just make sure everybody

0:08:13.419,0:08:18.880  
knows what's going on if they start

0:08:15.370,0:08:21.580  
asking questions you can tell them oh no

0:08:18.880,0:08:24.940  
did we did they talk about what kind of

0:08:21.580,0:08:26.289  
traffic disruptions and are there

0:08:24.940,0:08:28.090  
anything is there anything that we need

0:08:26.289,0:08:29.020  
to share with the business owners like

0:08:28.090,0:08:31.449  
we did the last time

0:08:29.020,0:08:35.620  
it wouldn't hurt so that they know

0:08:31.449,0:08:37.870  
what's going on but this is we can we

0:08:35.620,0:08:43.419  
can coordinate that to make sure

0:08:37.870,0:08:44.620  
everybody knows going forward so I'm

0:08:43.419,0:08:46.000  
sure there's gonna be some disruption

0:08:44.620,0:08:47.500  
because it is drainage improvements

0:08:46.000,0:08:47.829  
we're gonna be digging trenches and

0:08:47.500,0:08:49.750  
things

0:08:47.829,0:08:51.360  
so it'll be something so we probably

0:08:49.750,0:08:56.890  
should have a discussion with everybody

0:08:51.360,0:09:01.000  
that's going to be infected okay okay

0:08:56.890,0:09:03.370  
all right so contract five we're moving

0:09:01.000,0:09:05.260  
ahead I'm coordinating with the with the

0:09:03.370,0:09:06.459  
town because further accommodation to

0:09:05.260,0:09:11.310  
make sure that we have a connection

0:09:06.459,0:09:13.839  
point and and minimize the the

0:09:11.310,0:09:15.610  
interruptions or disturbances once they

0:09:13.839,0:09:19.089  
start building so I've been in contact

0:09:15.610,0:09:20.740  
with the town Wappingers engineers and

0:09:19.089,0:09:22.120  
they actually just sent me their plans

0:09:20.740,0:09:23.829  
for what they're doing so we're gonna

0:09:22.120,0:09:26.440  
make sure they work well with ours

0:09:23.829,0:09:29.050  
and then they'll be going in for review

0:09:26.440,0:09:32.110  
and approval to everybody so that's

0:09:29.050,0:09:32.649  
moving ahead quickly the USD application

0:09:32.110,0:09:34.300  
is

0:09:32.649,0:09:35.889  
is nearly complete we'll be going in

0:09:34.300,0:09:38.829  
very soon that is a rolling death in

0:09:35.889,0:09:41.439  
line so we've got most of the

0:09:38.829,0:09:45.850  
information we need I think we're in

0:09:41.439,0:09:47.319  
pretty good shape there the future water

0:09:45.850,0:09:50.019  
improvements that we did put a new

0:09:47.319,0:09:52.329  
listing up on drinking water as a state

0:09:50.019,0:09:53.800  
revolving fund which you can see all the

0:09:52.329,0:09:54.699  
things that we've included there's the

0:09:53.800,0:09:56.860  
water mains

0:09:54.699,0:09:59.439  
they're still shown as 8 inch water

0:09:56.860,0:10:03.670  
mains but we can do them as 12 inch for

0:09:59.439,0:10:05.980  
the for the North moszeter and near the

0:10:03.670,0:10:08.410  
bowling alley that's not a problem we've

0:10:05.980,0:10:10.329  
put in for the water filter plant and

0:10:08.410,0:10:16.089  
also for upgrading both the Wynn lacin

0:10:10.329,0:10:20.079  
delivering tank Bayside Creek Truck Line

0:10:16.089,0:10:23.290  
sewer easement the survey is complete on

0:10:20.079,0:10:25.269  
our end site conditions Rio as you might

0:10:23.290,0:10:27.879  
recall during the filling needed the the

0:10:25.269,0:10:30.999  
new survey was to be constructed we just

0:10:27.879,0:10:34.149  
need to make sure that the easement that

0:10:30.999,0:10:36.220  
needs to be updated it includes it

0:10:34.149,0:10:38.470  
should the description should improve

0:10:36.220,0:10:41.980  
utility and recreational trail easement

0:10:38.470,0:10:43.420  
just so that we have that ability to put

0:10:41.980,0:10:46.240  
other utilities there if we need it

0:10:43.420,0:10:50.019  
going forward we are working on the

0:10:46.240,0:10:52.480  
theme park survey master plan and we do

0:10:50.019,0:10:56.079  
again have the draft map survey it is

0:10:52.480,0:10:58.420  
complete there's gonna be a kickoff

0:10:56.079,0:11:00.670  
meeting probably in September sometime

0:10:58.420,0:11:02.410  
we'll have to schedule we're working on

0:11:00.670,0:11:06.850  
a basically conceptual master plan for

0:11:02.410,0:11:08.980  
the for the park and the site design for

0:11:06.850,0:11:10.929  
the playground equipment and of course

0:11:08.980,0:11:13.689  
we'll have to fill out the long form ãif

0:11:10.929,0:11:15.730  
as part of that the green trap has been

0:11:13.689,0:11:17.589  
progressing and moving forward we do

0:11:15.730,0:11:19.829  
need to schedule a a committee meeting

0:11:17.589,0:11:22.089  
at some point I'm in the near future

0:11:19.829,0:11:25.179  
again this is a two-year grant but we're

0:11:22.089,0:11:27.579  
pushing to get this done this year on

0:11:25.179,0:11:29.470  
the brownfield assessment program we're

0:11:27.579,0:11:31.089  
moving ahead on the Bleacher II I mean

0:11:29.470,0:11:33.819  
we're initially told we couldn't go

0:11:31.089,0:11:35.559  
ahead on it but the EPA has now given us

0:11:33.819,0:11:37.869  
permission to once we demonstrated that

0:11:35.559,0:11:40.240  
there was ownership there so we are

0:11:37.869,0:11:42.490  
preparing a health and safety plan in a

0:11:40.240,0:11:44.230  
work plan for that area

0:11:42.490,0:11:46.060  
Casey is coordinating with the village

0:11:44.230,0:11:47.830  
on that once we

0:11:46.060,0:11:49.450  
those in place and their approval from

0:11:47.830,0:11:52.510  
the EPA we should be able to move

0:11:49.450,0:11:56.430  
forward on that pretty quickly get out

0:11:52.510,0:12:00.340  
there and get to Phase two underway

0:11:56.430,0:12:02.800  
infrastructure study has to spend

0:12:00.340,0:12:04.750  
nothing has changed on that and nothing

0:12:02.800,0:12:06.340  
really has changed on the project eras

0:12:04.750,0:12:08.610  
we have known let me know if you need

0:12:06.340,0:12:14.590  
anything uh neither those

0:12:08.610,0:12:22.780  
that's everything with Casey any

0:12:14.590,0:12:26.290  
question any questions from the sure yes

0:12:22.780,0:12:28.690

I got one we talked about this once

0:12:26.290,0:12:32.620

before but the Seward mean it's gonna go

0:12:28.690,0:12:36.340

we're tryin classes or that that parking

0:12:32.620,0:12:39.040

lot yes we're still gonna be doing that

0:12:36.340,0:12:42.910

aren't we because yes in your we're

0:12:39.040,0:12:47.050

gonna tie that into the contract five

0:12:42.910,0:12:48.970

work oh and we'll just roll that into

0:12:47.050,0:12:50.650

that as part of it because yes Virginia

0:12:48.970,0:12:54.610

was basically done at the site that was

0:12:50.650,0:12:56.770

removed from contract force scope of

0:12:54.610,0:12:59.140

work so we will be added into contract

0:12:56.770,0:13:01.480

five now that the tanks are removed and

0:12:59.140,0:13:04.360

we can move forward on that I just would

0:13:01.480,0:13:11.860

just make sure we get the easement that

0:13:04.360,0:13:13.170

we need for the sewer I think I was

0:13:11.860,0:13:16.030

under the impression that that was still

0:13:13.170,0:13:17.500

wasn't officially filed yet we had asked

0:13:16.030,0:13:19.600

my work but it hasn't been officially

0:13:17.500,0:13:22.270  
filed I can check with Nancy on that

0:13:19.600,0:13:23.830  
because she's been following this but my

0:13:22.270,0:13:26.470  
understanding is we'll just make sure we

0:13:23.830,0:13:29.950  
have the he's been in place before we we

0:13:26.470,0:13:31.750  
go ahead with connecting their sewer all

0:13:29.950,0:13:34.540  
right keep our fingers brought have a

0:13:31.750,0:13:36.850  
minute yes so we have been working with

0:13:34.540,0:13:38.890  
the attorney on the easements and

0:13:36.850,0:13:40.320  
there's more work to do but we'll let

0:13:38.890,0:13:43.270  
you know

0:13:40.320,0:13:51.790  
excellent so we have a little bit of

0:13:43.270,0:13:53.890  
time before this goes about to bid now

0:13:51.790,0:13:56.740  
now one other thing about that project

0:13:53.890,0:13:59.310  
if something happened like an emergency

0:13:56.740,0:14:01.140  
I mean we have to get in there and fix

0:13:59.310,0:14:06.300  
over there and that's the whole reason

0:14:01.140,0:14:07.560  
why we're doing this thing you mean

0:14:06.300,0:14:08.880  
you're talking about by the Auto Glass

0:14:07.560,0:14:12.000

place yeah

0:14:08.880,0:14:13.020

and that bladder there right now well

0:14:12.000,0:14:15.570

that's why we're looking for the

0:14:13.020,0:14:21.290

easement so that we have the right to go

0:14:15.570,0:14:24.470

out there and do it anyway

0:14:21.290,0:14:26.670

yeah it was never officially filed as

0:14:24.470,0:14:29.430

we're working that room

0:14:26.670,0:14:33.440

yeah we have no one when one easement is

0:14:29.430,0:14:37.400

good and we need another easement so

0:14:33.440,0:14:37.400

we're working on that

0:14:43.910,0:14:47.339

okay well I'll take my leave button good

0:14:46.740,0:14:49.650

evening everybody

0:14:47.339,0:14:54.990

oh no more questions for John any

0:14:49.650,0:14:58.200

questions okay very good thank you John

0:14:54.990,0:14:59.730

just take up sharing your stop sharing

0:14:58.200,0:15:07.380

you don't want to you don't want to see

0:14:59.730,0:15:10.710

that forever all right okay all right

0:15:07.380,0:15:14.700

at this time I'd like to introduce Corey

0:15:10.710,0:15:18.710  
use of edge the grant writer and ask him

0:15:14.700,0:15:18.710  
to give us an update of what's going on

0:15:19.700,0:15:27.420  
yes hello I don't know I I saw I think

0:15:25.950,0:15:27.750  
most people here know me but if some

0:15:27.420,0:15:30.570  
don't

0:15:27.750,0:15:32.880  
yes my name is Corey uSwitch the grant

0:15:30.570,0:15:36.089  
writer a lot of this stuff I would go

0:15:32.880,0:15:39.390  
update you on John just touched up on

0:15:36.089,0:15:42.510  
which was Frannie Reece how they're

0:15:39.390,0:15:45.480  
commencing tap we have our next meeting

0:15:42.510,0:15:48.660  
on July 1st and that could be the

0:15:45.480,0:15:50.670  
official pre-constructed and then from

0:15:48.660,0:15:53.310  
then they'll actually start start

0:15:50.670,0:15:55.770  
working so I don't know what kind of

0:15:53.310,0:15:58.110  
warning they give but mid-july is when

0:15:55.770,0:16:00.150  
they're probably gonna start getting at

0:15:58.110,0:16:03.570  
is if they are gonna tell business is

0:16:00.150,0:16:06.839  
mid-july would be a good time and yet

0:16:03.570,0:16:09.500  
CPA our phase twos are underway and we

0:16:06.839,0:16:13.880  
finally were able to start phase ones

0:16:09.500,0:16:19.110  
now that the EPA's give us access

0:16:13.880,0:16:22.320  
grants Wawa we sent in our boa to the

0:16:19.110,0:16:24.510  
Department of State we been in

0:16:22.320,0:16:27.690  
conversation with them a gentleman named

0:16:24.510,0:16:29.550  
Dave Ashton most notably they've given

0:16:27.690,0:16:32.580  
us some feedback and we've sent it back

0:16:29.550,0:16:34.890  
in so at the moment we've finalized it

0:16:32.580,0:16:38.880  
and we're just waiting on their response

0:16:34.890,0:16:41.130  
to to what we sent them in so at the

0:16:38.880,0:16:45.420  
moment that's that's on on the clothes

0:16:41.130,0:16:48.030  
it seems which is good L WRP Matt and I

0:16:45.420,0:16:50.220  
have worked extensively with Casey I

0:16:48.030,0:16:54.000  
don't know if John brought that up that

0:16:50.220,0:16:57.600  
um we have made a list for every single

0:16:54.000,0:16:59.400  
municipality in the county and we've

0:16:57.600,0:17:03.120  
talked about the problems in each

0:16:59.400,0:17:06.089  
section and what what projects they can

0:17:03.120,0:17:08.280  
do to alleviate pollution coming into

0:17:06.089,0:17:10.500  
the water and even shown different

0:17:08.280,0:17:12.510  
grants that would help fund these

0:17:10.500,0:17:14.760  
projects so that's being incorporated

0:17:12.510,0:17:18.300  
into the water characterization report

0:17:14.760,0:17:20.579  
and we hope we hope that'll get the ball

0:17:18.300,0:17:23.790  
rolling either late this year or next

0:17:20.579,0:17:27.540  
year on fixing some of our water issues

0:17:23.790,0:17:30.360  
at least for the County grants shared

0:17:27.540,0:17:34.500  
service we are on the verge of closing

0:17:30.360,0:17:36.360  
those out we've talked with Christy

0:17:34.500,0:17:39.840  
Bonomo a bunch in the past two weeks

0:17:36.360,0:17:44.250  
actually and even today about closing

0:17:39.840,0:17:47.130  
those out and our try municipal grant

0:17:44.250,0:17:51.240  
which is a municipal innovation grant

0:17:47.130,0:17:55.800  
I'm sorry which is a municipal

0:17:51.240,0:17:58.070  
innovation grant for a new digester at

0:17:55.800,0:18:00.960  
the Tron uni wastewater treatment plant

0:17:58.070,0:18:02.490  
that's where we're moving towards

0:18:00.960,0:18:05.760  
signing a contract for that in the near

0:18:02.490,0:18:07.410  
future as well so County still not fully

0:18:05.760,0:18:08.940  
back in the office that's why that's

0:18:07.410,0:18:11.610  
been kind of slow but they're about to

0:18:08.940,0:18:14.610  
jump right back in so hopefully that can

0:18:11.610,0:18:18.420  
start moving a lot faster as far as

0:18:14.610,0:18:21.450  
grants that have been put in since all

0:18:18.420,0:18:27.480  
of this we have written a police a

0:18:21.450,0:18:29.760  
highway safety grant for an extra 6,500

0:18:27.480,0:18:33.390  
to hopefully pay for an additional

0:18:29.760,0:18:35.280  
patrolman during vital hours when we

0:18:33.390,0:18:38.220  
feel that there's an additional

0:18:35.280,0:18:40.980  
patrolman might be necessary that was

0:18:38.220,0:18:45.830  
written about three weeks ago it was due

0:18:40.980,0:18:48.150  
on it was actually due on July 1st so

0:18:45.830,0:18:50.669  
that's one of the grants we sent in and

0:18:48.150,0:18:52.380  
then as John said he the USDA grant

0:18:50.669,0:18:55.770  
which I've been working with him and

0:18:52.380,0:18:58.470  
John Bolger on is is running along

0:18:55.770,0:19:00.390  
swimmingly so those are the two grants

0:18:58.470,0:19:03.750  
that have been going on since all this

0:19:00.390,0:19:06.360  
has started as far as there's two big

0:19:03.750,0:19:08.720  
grants I talked about last year and it's

0:19:06.360,0:19:13.280  
talked about every year that is the DRI

0:19:08.720,0:19:15.900  
the downtown revitalization and the CFA

0:19:13.280,0:19:19.140  
both of this DRI would have been done by

0:19:15.900,0:19:20.700  
now and the CFA would currently being

0:19:19.140,0:19:22.980  
worked on it would be it would probably

0:19:20.700,0:19:25.200  
be due in the next week in a normal year

0:19:22.980,0:19:27.120  
neither of these things have really come

0:19:25.200,0:19:29.580  
up at the moment they might not even

0:19:27.120,0:19:31.140  
have them this year but we're keeping

0:19:29.580,0:19:33.780  
our ear to the ground and we're trying

0:19:31.140,0:19:35.850  
to stay posted so when those two come up

0:19:33.780,0:19:37.559  
we're gonna we're gonna jump right on

0:19:35.850,0:19:40.559  
and leave even that's had me do a lot

0:19:37.559,0:19:43.140  
for that for just in case whenever we

0:19:40.559,0:19:45.270  
hear it's happening we can just go right

0:19:43.140,0:19:49.559  
in and start writing it like you haven't

0:19:45.270,0:19:51.270  
missed a beat so those are upon my list

0:19:49.559,0:19:53.970  
I think those are the biggest things to

0:19:51.270,0:19:56.549  
update you on at the moment but I can

0:19:53.970,0:19:58.520  
answer any questions if anyone has or if

0:19:56.549,0:20:07.380  
it went too fast

0:19:58.520,0:20:12.030  
retry can we can we talk just a second

0:20:07.380,0:20:18.330  
just because the clock's ticking the

0:20:12.030,0:20:23.250  
boathouse right so construction was able

0:20:18.330,0:20:26.730  
to start there the main contractor I

0:20:23.250,0:20:29.330  
know he just went in for surgery um me

0:20:26.730,0:20:34.140  
and Matt along with Mike Buffy who's our

0:20:29.330,0:20:36.809  
the architect on the job for Schwartz we

0:20:34.140,0:20:39.510  
just contacted them recently to get a

0:20:36.809,0:20:40.760  
new timetable for that obviously the

0:20:39.510,0:20:42.919  
project was originally

0:20:40.760,0:20:45.169  
going to be done by now but once

0:20:42.919,0:20:49.460  
everything hit things have been pushed

0:20:45.169,0:20:51.230  
so we just opened with them late last

0:20:49.460,0:20:52.880  
week and then again early this week so

0:20:51.230,0:20:55.760  
we're just waiting timetable from them

0:20:52.880,0:20:58.490  
to see how much longer that'll be last

0:20:55.760,0:21:00.290  
time I was there it seemed just about

0:20:58.490,0:21:00.559  
finished so if there is more work to be

0:21:00.290,0:21:03.799  
done

0:21:00.559,0:21:04.880  
I highly doubt it's much more but so

0:21:03.799,0:21:12.650  
that's where we are at the moment we're

0:21:04.880,0:21:16.309  
just waiting on a response from them any

0:21:12.650,0:21:20.150  
other questions oh this trusty lamb you

0:21:16.309,0:21:23.450  
spoke what was the amount of the USDA

0:21:20.150,0:21:29.120  
grant was there figure on on that what I

0:21:23.450,0:21:33.110  
don't have yet that John Bolger was he's

0:21:29.120,0:21:36.230  
with Casey engineering and yeah okay he

0:21:33.110,0:21:38.360  
was he was sort of finalizing that I was

0:21:36.230,0:21:39.650  
doing I was doing one part of it and he

0:21:38.360,0:21:42.230  
was doing the engineering part so I

0:21:39.650,0:21:44.570  
haven't seen that yet but I could get

0:21:42.230,0:21:47.900  
you that did you email that to you yeah

0:21:44.570,0:21:55.130  
yes so the waterboard has seen that and

0:21:47.900,0:21:57.559  
it is going to be around 1.5 million

0:21:55.130,0:22:00.830  
dollars for the new filtration plant and

0:21:57.559,0:22:03.350  
we're looking at if there are any other

0:22:00.830,0:22:09.350  
water projects that we want to include

0:22:03.350,0:22:11.780  
in there besides that and we would wait

0:22:09.350,0:22:14.690  
to see how much we're up table for a

0:22:11.780,0:22:16.880  
grant and what and then there's a loan

0:22:14.690,0:22:18.919  
program also and what the terms that the

0:22:16.880,0:22:21.350  
loan program would be before we would go

0:22:18.919,0:22:24.980  
any further that would come back to the

0:22:21.350,0:22:26.290  
board and the water board before it goes

0:22:24.980,0:22:29.369  
further

0:22:26.290,0:22:29.369  
[Music]

0:22:32.350,0:22:41.919  
okay I think that's it yeah all right

0:22:37.899,0:22:46.799  
I'll stay on but I'm just okay thank you

0:22:41.919,0:22:46.799  
all right rich we'll take you off camera

0:22:47.639,0:23:06.070  
okay next item on the agenda so next on

0:23:03.909,0:23:09.789  
the agenda I'd like to ask the attorney

0:23:06.070,0:23:14.789  
and Brian Murphy if they can talk to it

0:23:09.789,0:23:24.340  
about the notice violation for the

0:23:14.789,0:23:26.830  
residence on Garden Street okay all

0:23:24.340,0:23:30.850  
right so here before you you have a

0:23:26.830,0:23:34.330  
practical application of the recent

0:23:30.850,0:23:37.830  
local law you just passed article 114

0:23:34.330,0:23:41.740  
called the property maintenance code and

0:23:37.830,0:23:44.320  
basically you know this is a brand new

0:23:41.740,0:23:50.230  
law and here's a brand new enforcement

0:23:44.320,0:23:55.240  
action and within the new law there's a

0:23:50.230,0:23:56.980  
provision that allows the the discretion

0:23:55.240,0:24:00.100  
and opinion of the building department

0:23:56.980,0:24:03.730  
to determine whether or not a property's

0:24:00.100,0:24:09.629  
grass or shrubs or in this case brush

0:24:03.730,0:24:12.070  
and high grass is so high that the

0:24:09.629,0:24:17.470  
village needs to come on to the property

0:24:12.070,0:24:21.549  
and through the DPW actually take care

0:24:17.470,0:24:23.889  
of the problem and then bill the cost of

0:24:21.549,0:24:26.440  
saying back to the property owner and

0:24:23.889,0:24:29.230  
levy it against this property taxes so

0:24:26.440,0:24:32.139  
that is basically what we have before

0:24:29.230,0:24:36.070  
you we have a property on Dutchess

0:24:32.139,0:24:39.120  
Avenue which is right next to 22 Garden

0:24:36.070,0:24:44.260  
Street the owner was issued a citation

0:24:39.120,0:24:45.910  
order remedy and was served and within

0:24:44.260,0:24:50.620  
20 days as

0:24:45.910,0:24:54.280  
for the code he was entitled to be heard

0:24:50.620,0:24:58.930  
before the village Board of Trustees as

0:24:54.280,0:25:03.550  
and you know stated taste that's why you

0:24:58.930,0:25:06.490  
know if you had a defense or why the

0:25:03.550,0:25:09.220  
village shouldn't have to enforce the

0:25:06.490,0:25:10.600  
law you know sometime hopefully we'll

0:25:09.220,0:25:13.120  
have our residents who have already

0:25:10.600,0:25:14.980  
complied with the statute and there will

0:25:13.120,0:25:17.470  
be no need for this but in this

0:25:14.980,0:25:20.440  
particular case there hasn't been any

0:25:17.470,0:25:23.470  
response from the property owner and now

0:25:20.440,0:25:26.380  
I asked Brian Murphy to come before the

0:25:23.470,0:25:29.710  
board to explain what he observed so

0:25:26.380,0:25:33.820  
Brian you take it from here yes thank

0:25:29.710,0:25:35.740  
you yeah you know a couple months ago

0:25:33.820,0:25:38.620  
some residents were in front of the

0:25:35.740,0:25:41.620  
probably for months were in front of the

0:25:38.620,0:25:47.380  
board and reference to this property and

0:25:41.620,0:25:50.320  
we decided that two separate properties

0:25:47.380,0:25:54.010  
one is 22 garden street and then this is

0:25:50.320,0:25:56.110  
a vacant piece of land directly behind

0:25:54.010,0:25:58.330  
22 garden street but it's legally a

0:25:56.110,0:26:01.090  
separate piece of property piece of

0:25:58.330,0:26:04.150  
property with two separate owners 22

0:26:01.090,0:26:06.460  
garden street the house was taken in

0:26:04.150,0:26:10.090  
foreclosure at this vacant land is still

0:26:06.460,0:26:13.180  
owned by a mr. C Anna who we have said

0:26:10.090,0:26:16.570  
registered lenders to about cleaning up

0:26:13.180,0:26:20.050  
the property with no with no response

0:26:16.570,0:26:22.120  
back so this was the first time that we

0:26:20.050,0:26:25.420  
were able to my office was able to use

0:26:22.120,0:26:27.580  
the new law to uh hopefully get this

0:26:25.420,0:26:29.650  
property cleaned up and and move

0:26:27.580,0:26:31.890  
forwards you know with it and be able to

0:26:29.650,0:26:34.660  
take care of it for the residents and

0:26:31.890,0:26:36.370  
that's about what it is on my end if

0:26:34.660,0:26:37.230  
there's any questions you know obviously

0:26:36.370,0:26:40.060  
I'll answer

0:26:37.230,0:26:43.000  
yeah just can you explain what you

0:26:40.060,0:26:45.010  
observed and why the problem we observed

0:26:43.000,0:26:47.320  
and I have pictures that the grants

0:26:45.010,0:26:52.510  
right now is a foot and a half to two

0:26:47.320,0:26:54.910  
feet tall easily um and you know that's

0:26:52.510,0:26:57.070  
really what's what I observed so far on

0:26:54.910,0:26:59.770  
this vacant piece of property there is

0:26:57.070,0:27:01.780  
an unregistered vehicle up on the top of

0:26:59.770,0:27:05.950  
it well we have to get up there first to

0:27:01.780,0:27:10.680  
figure out you know what it is and to be

0:27:05.950,0:27:10.680  
able to run the out the VIN number

0:27:12.930,0:27:17.950  
that's that's really if it for this for

0:27:16.240,0:27:20.860  
the vacant piece of property the

0:27:17.950,0:27:22.780  
property in front of it that they appear

0:27:20.860,0:27:24.280  
to be one property but they're not there

0:27:22.780,0:27:29.800  
like I said legally two separate

0:27:24.280,0:27:32.010  
properties the front property was a big

0:27:29.800,0:27:34.600  
complaint from the neighbors also the

0:27:32.010,0:27:39.490  
one tenant that's still in this house

0:27:34.600,0:27:43.180  
did have a 30-yard dumpster come in with

0:27:39.490,0:27:45.010  
some pushing from my office and they

0:27:43.180,0:27:50.020  
clean up a good portion of the exterior

0:27:45.010,0:27:52.360  
it's not perfect yet but with this new

0:27:50.020,0:27:54.250  
law and with the guidance of the village

0:27:52.360,0:28:00.430  
attorney we'll move forward to take care

0:27:54.250,0:28:03.880  
of that also that's who you have before

0:28:00.430,0:28:05.860  
you a resolution mayor if you want to

0:28:03.880,0:28:09.040  
read the resolution into the record then

0:28:05.860,0:28:20.080  
very community before you do may I ask a

0:28:09.040,0:28:21.970  
question that's okay I looked at

0:28:20.080,0:28:24.840  
properly up online it shows that it was

0:28:21.970,0:28:28.570  
under foreclosure did anybody know that

0:28:24.840,0:28:32.380  
yeah well here's there's two different

0:28:28.570,0:28:34.150  
parcel numbers okay and the parcel

0:28:32.380,0:28:36.220  
number that dealing with the vacant land

0:28:34.150,0:28:38.680  
which is the subject matter of this

0:28:36.220,0:28:42.820  
particular enforcement action is owned

0:28:38.680,0:28:45.100  
by mr. Siena with a last known property

0:28:42.820,0:28:46.690  
address of twenty two Garden Street and

0:28:45.100,0:28:48.640  
of course as you know twenty-two Garden

0:28:46.690,0:28:52.450  
Street is the property that was

0:28:48.640,0:28:55.720  
foreclosed upon by flag star where Texas

0:28:52.450,0:28:57.610  
some Texas Bank nation star or H bar

0:28:55.720,0:29:00.160  
they should star mortgage is now the

0:28:57.610,0:29:03.600  
current owner of the property that is

0:29:00.160,0:29:08.640  
that parcel is not the subject of this

0:29:03.600,0:29:11.689  
okay I was looking for

0:29:08.640,0:29:11.689  
[Music]

0:29:13.610,0:29:20.760  
their trusty Davis the property that was

0:29:16.440,0:29:24.630  
for that is foreclosed we will have back

0:29:20.760,0:29:29.280  
in front of you also I just needed a

0:29:24.630,0:29:30.900  
little bit more time to figure out with

0:29:29.280,0:29:34.740  
the serving of the bank and things like

0:29:30.900,0:29:37.830  
that it was not as easy as just a person

0:29:34.740,0:29:42.120  
yeah when you say they may clean it - so

0:29:37.830,0:29:45.420  
who knows exactly but also oh when I

0:29:42.120,0:29:49.290  
spoke with Brian we could not make the

0:29:45.420,0:29:52.020  
timing correct because the person who is

0:29:49.290,0:29:55.470  
served with the OTR the owner has 20

0:29:52.020,0:29:58.680  
days actually scheduled a hearing within

0:29:55.470,0:30:01.110  
20 days and fourth of July holiday

0:29:58.680,0:30:04.320  
coming up we were gonna miss it so

0:30:01.110,0:30:07.170  
that's why we had to wait until yes yeah

0:30:04.320,0:30:09.240  
I could see you can see so in order to

0:30:07.170,0:30:12.570  
comply with the statute and allow for a

0:30:09.240,0:30:15.680  
quick hearing you know we're gonna have

0:30:12.570,0:30:23.490  
to do it you know this upcoming week

0:30:15.680,0:30:26.490  
gotcha mm-hmm all right so there is a

0:30:23.490,0:30:31.050  
process I get that that occurs now and

0:30:26.490,0:30:34.550  
once you have taken action in the form

0:30:31.050,0:30:38.190  
of the vote in this of this resolution

0:30:34.550,0:30:40.620  
it will be mailed to the owner of course

0:30:38.190,0:30:44.580  
I expect it will be ignored or it won't

0:30:40.620,0:30:46.140  
be answered and we're going to be

0:30:44.580,0:30:49.640  
responsible for keeping track of the

0:30:46.140,0:30:53.010  
hours and the the time and the materials

0:30:49.640,0:30:56.780  
so that we can accurately levy against

0:30:53.010,0:30:59.940  
the property and you know that person

0:30:56.780,0:31:02.250  
will have 30 days that can test it but I

0:30:59.940,0:31:05.060  
don't expect that that they'll be here

0:31:02.250,0:31:10.160  
so mm-hmm

0:31:05.060,0:31:10.160  
are there any other questions

0:31:12.970,0:31:22.910  
you know Craig I have a question um

0:31:19.600,0:31:24.950  
would it have to be the DPW to go in or

0:31:22.910,0:31:29.660  
with the village cable hire a contractor

0:31:24.950,0:31:32.120  
going well it doesn't not there is no

0:31:29.660,0:31:36.370  
specific department that was named in

0:31:32.120,0:31:40.040  
the statute that is to perform the work

0:31:36.370,0:31:42.260  
typically I we are gonna be passing this

0:31:40.040,0:31:44.780  
cost along to the owner of the property

0:31:42.260,0:31:47.180  
and it's usually cheaper to do it

0:31:44.780,0:31:50.200  
in-house but if we don't have the

0:31:47.180,0:31:53.840  
manpower to do it then you know you

0:31:50.200,0:31:58.460  
don't have the manpower so usually it's

0:31:53.840,0:32:01.690  
DPW or the highway department and that

0:31:58.460,0:32:01.690  
that I've seen

0:32:07.860,0:32:15.660  
we're hoping that this this particular

0:32:10.800,0:32:18.230  
remedy is few and far between but it is

0:32:15.660,0:32:18.230  
at your disposal

0:32:18.950,0:32:27.800  
okay are there any other questions so

0:32:23.150,0:32:32.100  
I'm gonna read the the proposed

0:32:27.800,0:32:35.850  
resolution resolution number two six two

0:32:32.100,0:32:37.230  
zero two zero of 2020 or during the

0:32:35.850,0:32:41.970  
abatement of property maintenance

0:32:37.230,0:32:46.530  
violations at twenty two Garden Street

0:32:41.970,0:32:53.910  
this should read correct no it's

0:32:46.530,0:32:57.210  
actually it is okay all right good so

0:32:53.910,0:33:00.450  
it's correctly saying Dutchess Avenue

0:32:57.210,0:33:03.060  
and whereas Thomas C Anna

0:33:00.450,0:33:05.340  
Diana is the last known owner of real

0:33:03.060,0:33:07.080  
property shown on the tax records of the

0:33:05.340,0:33:10.580  
tax math of the village of Wappingers

0:33:07.080,0:33:14.070  
Falls as parcel ID six one five eight

0:33:10.580,0:33:16.500  
seventeen nineteen eighty one nineteen

0:33:14.070,0:33:18.390  
having street address of Dutchess Avenue

0:33:16.500,0:33:20.700  
and whereas there is no record of

0:33:18.390,0:33:23.070  
mortgage on the property and whereas the

0:33:20.700,0:33:24.840  
village received complaints that the

0:33:23.070,0:33:27.030  
property had become overgrown with grass

0:33:24.840,0:33:30.540  
and weeds and that it was unsightly and

0:33:27.030,0:33:32.520  
whereas an enforcement official observed

0:33:30.540,0:33:35.040  
the existence of weeds and to aggress

0:33:32.520,0:33:39.630  
and the property that exceeds six inches

0:33:35.040,0:33:41.730  
which violates section 114 six F of the

0:33:39.630,0:33:44.070  
village of Wappingers Falls code on June

0:33:41.730,0:33:46.230  
11th and thereafter issued a notice of

0:33:44.070,0:33:48.600  
violation in order to remedy data at

0:33:46.230,0:33:50.970  
June eleventh a copy of which is affixed

0:33:48.600,0:33:53.250  
here to which informed any person in

0:33:50.970,0:33:55.560  
control of the property that they had an

0:33:53.250,0:33:57.450  
opportunity to appear and be heard at

0:33:55.560,0:33:59.790  
this meeting of the village board to

0:33:57.450,0:34:02.220  
offer proof that the property is in

0:33:59.790,0:34:05.460  
compliance with the standards of chapter

0:34:02.220,0:34:07.140  
one 1/4 of the village code or that

0:34:05.460,0:34:09.450  
additional time is needed to take

0:34:07.140,0:34:12.060  
corrective action to cure the violation

0:34:09.450,0:34:14.429  
and whereas an enforcement official of

0:34:12.060,0:34:17.490  
the village filed a written report with

0:34:14.429,0:34:19.710  
the village nothing but he had inspected

0:34:17.490,0:34:20.720  
the property and found that weeds and or

0:34:19.710,0:34:22.550  
grass on the

0:34:20.720,0:34:24.169  
pretty exceeded the six inches and the

0:34:22.550,0:34:26.090  
property was not in compliance with

0:34:24.169,0:34:30.500  
property maintenance requirements of

0:34:26.090,0:34:32.929  
chapter 114 whereas the public hearing

0:34:30.500,0:34:34.490  
was held on June 24th and all parties

0:34:32.929,0:34:36.379  
and attendants were permitted an

0:34:34.490,0:34:38.179  
opportunity to speak regarding the

0:34:36.379,0:34:40.010  
maintenance conditions of the property

0:34:38.179,0:34:41.599  
and whereas the village board of

0:34:40.010,0:34:44.659  
trustees of the village of Wappingers

0:34:41.599,0:34:47.210  
Falls after due deliberation finds that

0:34:44.659,0:34:50.060  
the height and/or the grass on the

0:34:47.210,0:34:51.859  
property exceeds six inches and the

0:34:50.060,0:34:55.190  
property is not in compliance with

0:34:51.859,0:34:57.410  
property maintenance that such condition

0:34:55.190,0:34:59.599  
has continued after the order to remedy

0:34:57.410,0:35:01.940  
was duly issued and it is determined

0:34:59.599,0:35:06.290  
that abatement of the high grass and

0:35:01.940,0:35:08.090  
weeds is now required be it resolved

0:35:06.290,0:35:10.430  
that the village Board of Trustees

0:35:08.090,0:35:12.320  
hereby directs that the enforcement of

0:35:10.430,0:35:14.030  
visual dispatch the Highway Department

0:35:12.320,0:35:16.430  
to the property to cut the grass and

resolved that in the event that the

highway department is unable to mow the

0:35:19.880,0:35:25.070  
property we are authorized to engage the

0:35:23.030,0:35:27.640  
services of a landscape contractor to

0:35:25.070,0:35:30.859  
undertake such work as expedition with

0:35:27.640,0:35:33.500  
expeditiously as possible which is not

0:35:30.859,0:35:35.810  
subject to competitive bidding and be it

0:35:33.500,0:35:38.510  
FURTHER RESOLVED that accurate records

to perform the abatement shall be cut so

0:35:41.060,0:35:44.960  
that they can be assessed and levied

0:35:43.160,0:35:47.540  
against the property and get further

0:35:44.960,0:35:50.150  
resolved a notice stating the total

0:35:47.540,0:35:52.250

shall be mailed by the village treasurer

0:36:27.230,0:36:31.760  
and expenses as received to challenge

0:36:29.810,0:36:33.800  
any of the costs incurred by the village

0:36:31.760,0:36:35.600  
and be it FURTHER RESOLVED that after

0:36:33.800,0:36:37.820  
expiration of the time period to

0:36:35.600,0:36:39.830  
challenge the determination of costs and

0:36:37.820,0:36:42.350  
expenses the amounts thereof shall be

0:36:39.830,0:36:44.690  
reported to the village treasure to be

0:36:42.350,0:36:47.420  
levied and assessed against the property

0:36:44.690,0:36:49.460  
and the expense shall constitute a lien

0:36:47.420,0:36:52.910  
and charge on the property which is

levied until paid or otherwise satisfied

0:36:52.910,0:36:57.980  
or discharged and otherwise be collected

0:36:55.970,0:37:00.740  
in the same manner and at the same time

0:36:57.980,0:37:02.390  
as other village charges and be it

0:37:00.740,0:37:05.660  
further resolved that the village boy

0:37:02.390,0:37:08.390  
get directed to all the a next order of

0:37:05.660,0:37:10.820  
abatement a copy of which is annexed

0:37:08.390,0:37:12.950  
here to within two days here of to the

0:37:10.820,0:37:16.250  
property owner at the address shown on

0:37:12.950,0:37:18.650  
in said order and we'll put this up for

0:37:16.250,0:37:21.020  
a vote but I'm going to ask the attorney

0:37:18.650,0:37:24.100  
if we need to ask if there's anybody

0:37:21.020,0:37:30.230  
from the public that would like to speak

0:37:24.100,0:37:32.960  
public hearing on this yeah I guess if

0:37:30.230,0:37:36.680  
they want to comment about it but I do

0:37:32.960,0:37:40.460  
want to ask Brian Murphy one follow-up

0:37:36.680,0:37:43.700  
question Brian has this property been

0:37:40.460,0:37:48.290  
remediated since the order of remedy was

0:37:43.700,0:37:49.990  
served upon not to my knowledge no okay

0:37:48.290,0:37:55.790  
so the condition of the property has

0:37:49.990,0:37:59.240  
remained unchanged correct okay if

0:37:55.790,0:38:00.530  
there's any member of the public it's at

0:37:59.240,0:38:04.640  
the pleasure of the board if they want

0:38:00.530,0:38:06.890  
to open it up to public comment okay so

0:38:04.640,0:38:10.190  
could I do I need to make a motion to

0:38:06.890,0:38:12.110  
open up a public hearing yeah so could I

0:38:10.190,0:38:15.590  
have a motion to open up a public

0:38:12.110,0:38:20.090  
hearing on this matter I'll make that

0:38:15.590,0:38:24.170  
motion second seconded by trustee

0:38:20.090,0:38:29.690  
members all those in favor aye

0:38:24.170,0:38:34.940  
any opposed so at this time there might

0:38:29.690,0:38:36.800  
be somebody here on this YouTube YouTube

0:38:34.940,0:38:39.020  
and if you're on YouTube and you would

0:38:36.800,0:38:42.820  
like to make a comment about this what

0:38:39.020,0:38:42.820  
you need to do is go to the

0:38:45.609,0:39:09.049  
is that 9 1 7 make wanting to make a

0:38:49.160,0:39:12.049  
comment okay so if you are on YouTube

0:39:09.049,0:39:13.460  
watching this on video and you would

0:39:12.049,0:39:15.619  
like to make a comment

0:39:13.460,0:39:18.829  
you need to go to the village website

0:39:15.619,0:39:20.869  
and connect to the zoom meeting using

0:39:18.829,0:39:27.200  
the connection shown on our website for

0:39:20.869,0:39:38.390  
the meeting June 24th 2020 here who

0:39:27.200,0:39:41.410  
would like to comment on this item okay

0:39:38.390,0:39:46.150  
we're just gonna wait extra time because

0:39:41.410,0:39:46.150  
of the way we're having this meeting

0:39:48.309,0:39:57.529  
just to make sure that anybody has an

0:39:51.500,0:40:02.329  
opportunity to make in going to this

0:39:57.529,0:40:05.869  
zoom meeting by using our village

0:40:02.329,0:40:11.960  
website and the link that's shown for

0:40:05.869,0:40:13.519  
the meeting dated 24 2021 one comment

0:40:11.960,0:40:18.740  
I'd like to make while we're waiting is

0:40:13.519,0:40:20.839  
okay good the new law that was put into

0:40:18.740,0:40:24.650  
place that we recently placed after all

0:40:20.839,0:40:29.029  
this started I mean this is why we did

0:40:24.650,0:40:31.519  
it and now we get to exercise the law

0:40:29.029,0:40:36.380  
the way it should be and everything's

0:40:31.519,0:40:38.809  
done correctly and this has been we'll

0:40:36.380,0:40:40.609  
see how it turns out but you know

0:40:38.809,0:40:42.980  
there's been some pretty quick quick

0:40:40.609,0:40:46.069  
movement on it and kudos to everybody

0:40:42.980,0:40:53.150  
for for good work this is what we needed

0:40:46.069,0:40:56.359  
I agree and we have we have gotten

0:40:53.150,0:40:59.150  
complaints from from neighbors around

0:40:56.359,0:41:02.150  
the property about the conditioner

0:40:59.150,0:41:05.210  
correct yeah we got notice from the

0:41:02.150,0:41:07.520  
neighbors we had we there were several

0:41:05.210,0:41:09.670  
folks that showed up one of our bilge

0:41:07.520,0:41:12.830  
board meetings and expressed their

0:41:09.670,0:41:17.270  
issues with that and other properties so

0:41:12.830,0:41:21.010  
that triggered the necessity to update

0:41:17.270,0:41:23.960  
the laws the attorney did a great job of

0:41:21.010,0:41:27.890  
updating everything and a lot of input

0:41:23.960,0:41:29.720  
from the departments of Mayor and we

0:41:27.890,0:41:31.580  
came up with a final result now that the

0:41:29.720,0:41:35.450  
law was passed a couple about a month

0:41:31.580,0:41:38.240  
ago two months ago and this is the end

0:41:35.450,0:41:45.790  
result of the law change and how we can

0:41:38.240,0:41:45.790  
afford these issues in the village okay

0:41:49.300,0:41:58.520  
okay I'm looking we did receive some

0:41:52.900,0:42:02.770  
comments on the comment form for this

0:41:58.520,0:42:08.420  
meeting but it is not for this item so

0:42:02.770,0:42:12.040  
we'll wait one more minute for somebody

0:42:08.420,0:42:12.040  
to log on to the zoom

0:43:10.560,0:43:16.710  
okay uh you still have time I'm gonna so

0:43:17.580,0:43:24.730  
we're about to end the public hearing so

0:43:21.550,0:43:30.520  
I don't see anybody logged in to assume

0:43:24.730,0:43:36.280  
yet who is raising their hands to talk

0:43:30.520,0:43:39.220  
about this issue or speaking up mayor

0:43:36.280,0:43:40.690  
just remind you to make a motion to

0:43:39.220,0:43:41.530  
close the public hearing at the

0:43:40.690,0:43:44.560  
appropriate time

0:43:41.530,0:43:54.760  
yep so I think we're about to close the

0:43:44.560,0:43:57.609  
public hearing and and I think we have

0:43:54.760,0:44:00.190  
so now just let it show that we're

0:43:57.609,0:44:02.170  
asking to close the public hearing

0:44:00.190,0:44:10.510  
could I get a motion to close this

0:44:02.170,0:44:13.150  
public hearing so I'll go with trustee

0:44:10.510,0:44:18.160  
pan essa made the motion and who will do

0:44:13.150,0:44:21.580  
the second seconded by trustee Huber was

0:44:18.160,0:44:22.869  
that or at Barca John uber uber okay

0:44:21.580,0:44:29.530  
very good

0:44:22.869,0:44:34.530  
and all those in favor aye aye okay so I

0:44:29.530,0:44:34.530  
read the resolution and

0:44:37.410,0:44:47.180  
if somebody would make the resolution as

0:44:40.260,0:44:49.380  
it was read and as it is shown here so

0:44:47.180,0:44:54.230  
could I get a person to make the

0:44:49.380,0:44:55.530  
resolution I make a motion resolution

0:44:54.230,0:44:59.790  
okay

0:44:55.530,0:45:02.160  
Scott Davis second okay seconded by

0:44:59.790,0:45:13.890  
trustee Vanessa I'm gonna do a roll call

0:45:02.160,0:45:18.710  
vote so I'll say trustee trustee humor

0:45:13.890,0:45:23.370  
trustee Huber are you a I or an a I I

0:45:18.710,0:45:27.120  
trustee Marco John my trusty Kumar neck

0:45:23.370,0:45:33.030  
is absent trustee pernessa hi trustee

0:45:27.120,0:45:33.870  
Davis I trustee lammers hi and put

0:45:33.030,0:45:47.130  
myself down

0:45:33.870,0:45:49.500  
mayor Matt it's an I okay next item on

0:45:47.130,0:45:51.870  
the agenda is I just wanted to touch

0:45:49.500,0:45:56.310  
base with you I've been working with the

0:45:51.870,0:46:00.030  
attorney on whether or not or how we

0:45:56.310,0:46:03.750  
could have a licensing agreement for the

0:46:00.030,0:46:07.950  
property at Mary Ross Park the idea is

0:46:03.750,0:46:13.040  
that the park would be improved with a

0:46:07.950,0:46:16.320  
seating area that there would be a

0:46:13.040,0:46:20.580  
license agreement for the business to

0:46:16.320,0:46:25.230  
use that seating area to also serve his

0:46:20.580,0:46:28.170  
patrons in exchange of the business

0:46:25.230,0:46:32.340  
owner would bear the cost of putting in

0:46:28.170,0:46:36.840  
the improvements to the hardscape at

0:46:32.340,0:46:40.580  
Mary Ross Park they would agree that the

0:46:36.840,0:46:45.510  
park portion must be closed by midnight

0:46:40.580,0:46:48.420  
every night and the that their hours

0:46:45.510,0:46:51.030  
would only be and that they would only

0:46:48.420,0:46:53.280  
use the park during these hour

0:46:51.030,0:46:57.080  
and that would be Sunday from 1 p.m. to

0:46:53.280,0:46:59.580  
8 p.m. Wednesday from 2 p.m. to 10 p.m.

0:46:57.080,0:47:03.570  
Thursday from 2:00 p.m. to 10 p.m.

0:46:59.580,0:47:06.990  
Friday 5:00 p.m. to midnight Saturday

0:47:03.570,0:47:10.290  
3:00 p.m. to midnight the park portion

0:47:06.990,0:47:14.220  
must not be used on Monday through

0:47:10.290,0:47:17.730  
Tuesday public access to the park must

0:47:14.220,0:47:22.730  
cloud at all times and this means that

0:47:17.730,0:47:26.280  
if somebody was to go to this park and

0:47:22.730,0:47:28.980  
sit in one of the tables that exists at

0:47:26.280,0:47:32.160  
this park that they could not be told

0:47:28.980,0:47:35.070  
that they have to purchase anything they

0:47:32.160,0:47:37.620  
would be allowed to use the park without

0:47:35.070,0:47:40.800  
purchasing anything and they could not

0:47:37.620,0:47:42.840  
be told to leave the park and unless of

0:47:40.800,0:47:47.100  
course they were acting in a way that

0:47:42.840,0:47:49.020  
was inappropriate in any part of public

0:47:47.100,0:47:52.230  
access to the park would be allowed

0:47:49.020,0:47:54.470  
there live and recorded music outside

0:47:52.230,0:47:57.630  
the establishment will only be allowed

0:47:54.470,0:48:01.350  
by securing the permission of the 3rd

0:47:57.630,0:48:03.780  
and 2nd ward trustees why for recorded

0:48:01.350,0:48:06.720  
music inside the establishment must not

0:48:03.780,0:48:09.960  
be heard out into the street or at the

0:48:06.720,0:48:13.590  
neighboring properties Park must be

0:48:09.960,0:48:16.580  
maintained by the licensee for this

0:48:13.590,0:48:20.850  
property and that would include litter

0:48:16.580,0:48:25.260  
landscaping and repairs there might be a

0:48:20.850,0:48:28.740  
nominal rent because if this person did

0:48:25.260,0:48:32.640  
what might cost the village between 20

0:48:28.740,0:48:35.030  
and 40 thousand dollars that would be

0:48:32.640,0:48:39.000  
taken into account in this agreement and

0:48:35.030,0:48:41.250  
the agreement would be renewed each year

0:48:39.000,0:48:44.850  
and would be subject to a review of past

0:48:41.250,0:48:49.050  
noise congestion or maintenance issues

0:48:44.850,0:48:51.600  
or other issues that are like that and

0:48:49.050,0:48:54.000  
there might there we could talk about

0:48:51.600,0:48:57.750  
adding a section in here that would find

0:48:54.000,0:49:01.490  
the licensee for events that were too

0:48:57.750,0:49:01.490  
large or loud music

0:49:03.069,0:49:13.869  
it would be a revocable license and so

0:49:11.049,0:49:17.619  
the idea here is that this park get

0:49:13.869,0:49:21.400  
improved currently it has a bulletin

0:49:17.619,0:49:24.430  
board at the park there is there there

0:49:21.400,0:49:30.390  
has not been before the virus anyplace

0:49:24.430,0:49:34.449  
to sit in the park there has not been

0:49:30.390,0:49:38.410  
notable use of the park and it's also

0:49:34.449,0:49:40.900  
thought that the that the idea behind

0:49:38.410,0:49:46.779  
this concept would be that it would

0:49:40.900,0:49:49.479  
promote outdoor venues in our village

0:49:46.779,0:49:53.170  
center and it's the idea that that would

0:49:49.479,0:49:57.630  
be as nice in addition to the village as

0:49:53.170,0:50:02.140  
the divine wine bar as the proposed

0:49:57.630,0:50:05.259  
Pavilion at the goring Hall location and

0:50:02.140,0:50:07.900  
so and maybe even as the proposed

0:50:05.259,0:50:12.910  
opposes that showed up for the Falls via

0:50:07.900,0:50:17.739  
park idea last week so so at the last

0:50:12.910,0:50:22.529  
meeting excuse me so there would be

0:50:17.739,0:50:25.690  
insurance the village would be insured

0:50:22.529,0:50:28.239  
in the amount of 1 million dollars for

0:50:25.690,0:50:31.079  
death or bodily injury at the property

0:50:28.239,0:50:34.719  
there would be liability insurance

0:50:31.079,0:50:39.959  
blanket contractual liability broad form

0:50:34.719,0:50:42.699  
property damage liability LLC would

0:50:39.959,0:50:45.699  
furnish a copy of the above described

0:50:42.699,0:50:48.489  
policies or a certificate of issuance -

0:50:45.699,0:50:54.309  
and naming the village as additional

0:50:48.489,0:50:56.349  
insured so those are the highlights to

0:50:54.309,0:51:00.039  
this agreement and I just wanted to

0:50:56.349,0:51:03.459  
bring this up for further discussion to

0:51:00.039,0:51:07.239  
see if there's any comments about this

0:51:03.459,0:51:09.130  
concept apps in the that have come up

0:51:07.239,0:51:11.319  
for the trustees and the two week that

0:51:09.130,0:51:15.160  
you guys have had a chance to think

0:51:11.319,0:51:16.359  
about this I just want to make one

0:51:15.160,0:51:17.799  
comment that

0:51:16.359,0:51:19.089  
you you when you said you're working

0:51:17.799,0:51:22.720  
with the attorney you're working with

0:51:19.089,0:51:29.470  
our conflict orphan yes I'm sorry thank

0:51:22.720,0:51:33.160  
you well I'll jump in if nobody else

0:51:29.470,0:51:36.369  
wants to but I I think the project's a a

0:51:33.160,0:51:38.559  
good thing for us I think that it puts a

0:51:36.369,0:51:42.749  
the park in a position to be better

0:51:38.559,0:51:47.680  
utilized once we're through this kovat

0:51:42.749,0:51:52.059  
phases it also allows for some more

0:51:47.680,0:51:53.980  
commerce to take place in the village if

0:51:52.059,0:51:56.470  
they follow the stipulations and

0:51:53.980,0:52:00.190  
guidelines that were put into place

0:51:56.470,0:52:04.329  
obviously the insurance is there but I

0:52:00.190,0:52:06.249  
think the biggest the biggest benefit

0:52:04.329,0:52:08.529  
for the village down the road is once

0:52:06.249,0:52:11.349  
once this is all over and things

0:52:08.529,0:52:13.180  
normalized hopefully it does

0:52:11.349,0:52:14.950  
what's the normalize this we're gonna be

0:52:13.180,0:52:17.410  
able to use that park and it's going to

0:52:14.950,0:52:20.950  
have a better utilization than it's ever

0:52:17.410,0:52:22.210  
had and III just think it's a it's a

0:52:20.950,0:52:25.680  
good thing and I think that we're

0:52:22.210,0:52:29.859  
touching all the bases so that we're not

0:52:25.680,0:52:33.999  
we're not catering to anybody specific

0:52:29.859,0:52:35.849  
and that it's allowed and and it's been

0:52:33.999,0:52:39.880  
gonna be privately funded the only

0:52:35.849,0:52:42.279  
question I have is when everything is

0:52:39.880,0:52:49.509  
over and things are back to a normal

0:52:42.279,0:52:51.430  
basis are we gonna have tables in there

0:52:49.509,0:52:53.950  
are they gonna remain or what's gonna

0:52:51.430,0:52:56.950  
remain after it's all out that's the

0:52:53.950,0:53:01.019  
only question I have I think we should

0:52:56.950,0:53:04.720  
put that in there if the board wants and

0:53:01.019,0:53:06.489  
we should allow you know allow that to

0:53:04.720,0:53:11.410  
to be a part of it because obviously

0:53:06.489,0:53:13.900  
we're trying to create a seating area in

0:53:11.410,0:53:16.599  
the village center and in the off hours

0:53:13.900,0:53:20.460  
it would be very easy to use that

0:53:16.599,0:53:25.150  
seating area by visitors as well as

0:53:20.460,0:53:27.730  
during during his licensed time there so

0:53:25.150,0:53:29.270  
right if that's the desire by the

0:53:27.730,0:53:34.369  
village we should at

0:53:29.270,0:53:36.560  
all right list yeah yeah I know in the

0:53:34.369,0:53:39.920  
forum black benches or something you

0:53:36.560,0:53:44.330  
know just someplace what they're gonna

0:53:39.920,0:53:46.520  
do Brian this is gonna put they're gonna

0:53:44.330,0:53:49.070  
put tables and stuff in there now I

0:53:46.520,0:53:50.570  
don't and I'm not just a little cloudy

0:53:49.070,0:53:53.240  
maybe it's me and I miss something but

0:53:50.570,0:53:57.200  
I'm a little cloudy on the design they

0:53:53.240,0:54:00.020  
gave us some a mock presentation drawing

0:53:57.200,0:54:03.020  
presentation back at the last meeting

0:54:00.020,0:54:05.600  
and it was great and it looked good the

0:54:03.020,0:54:07.610  
purpose in it I really liked the way it

0:54:05.600,0:54:09.680  
wrapped around the back and utilized all

0:54:07.610,0:54:11.450  
the space in there it really makes it

0:54:09.680,0:54:13.340  
kind of a cool park and they greened it

0:54:11.450,0:54:15.380  
up and they they made a nice design I

0:54:13.340,0:54:18.500  
just want to make sure that when it's

0:54:15.380,0:54:19.940  
all over that we have something

0:54:18.500,0:54:22.310  
remaining there that keeps it a

0:54:19.940,0:54:24.200  
nice-looking Park and that people can

0:54:22.310,0:54:31.460  
utilize whatever's there so that's

0:54:24.200,0:54:35.660  
really wrong right and well you know as

0:54:31.460,0:54:37.730  
a musician and entertainer the the

0:54:35.660,0:54:41.930  
aspect of maybe having you know music

0:54:37.730,0:54:45.050  
the pipe down or is goodbye I would want

0:54:41.930,0:54:47.930  
to be I would be cautious in terms of

0:54:45.050,0:54:50.600  
making it specific what the time would

0:54:47.930,0:54:52.700  
be because even as a musician I think

0:54:50.600,0:54:56.290  
like you know maybe even on a weekend 10

0:54:52.700,0:54:56.290  
o'clock some folks might want to go

0:54:56.800,0:55:03.619  
didn't hear me you know howling into the

0:54:59.630,0:55:06.170  
into the night so you know as long as

0:55:03.619,0:55:07.720  
that is you know and like I said I can

0:55:06.170,0:55:10.640  
kind of see that from both sides as a

0:55:07.720,0:55:12.500  
performer and as a listener but I want

0:55:10.640,0:55:15.560  
to go to sleep I want to go to sleep

0:55:12.500,0:55:21.010  
well we Gavin noise ordinance that yeah

0:55:15.560,0:55:23.570  
you know yeah directly adhered to yeah

0:55:21.010,0:55:37.670  
I'm the new kid on the block that I was

0:55:23.570,0:55:39.980  
probably able to do great idea again

0:55:37.670,0:55:41.710  
like I said though after it's all over I

0:55:39.980,0:55:44.770  
just want to make sure that

0:55:41.710,0:55:47.109  
we know beforehand what it's going to be

0:55:44.770,0:55:50.170  
what its gonna be like and what its

0:55:47.109,0:56:00.280  
gonna look like after we get through the

0:55:50.170,0:56:02.109  
Cova Cotton's situation that's a the

0:56:00.280,0:56:03.820  
only the other thing that I would add to

0:56:02.109,0:56:06.099  
this list is that the village would

0:56:03.820,0:56:09.580  
retain the right to reserve the use of

0:56:06.099,0:56:15.339  
the park even if it was in the operating

0:56:09.580,0:56:17.109  
hours so yeah maybe something in there

0:56:15.339,0:56:19.960  
with the written notice that we're gonna

0:56:17.109,0:56:22.810  
use utilize the park on a certain day a

0:56:19.960,0:56:24.970  
time you know in our discretion of the

0:56:22.810,0:56:28.060  
border however you wanted to quote it

0:56:24.970,0:56:32.130  
let me look at them that's that's like a

0:56:28.060,0:56:34.240  
that is that's very nice yeah very nice

0:56:32.130,0:56:36.339  
compared to what's there now it's not

0:56:34.240,0:56:41.010  
even it's not even user friendly for

0:56:36.339,0:56:41.010  
anything it's got a term it's got a

0:56:42.930,0:56:49.859  
plaque in the front of it there's really

0:56:46.000,0:56:52.839  
nothing there but you see from this it

0:56:49.859,0:56:54.640  
extends to the back there's other

0:56:52.839,0:56:57.700  
additional seating around the back the

0:56:54.640,0:56:59.530  
greenery stays on the stone on mark or

0:56:57.700,0:57:02.020  
Mill Street

0:56:59.530,0:57:03.810  
the fencing in minutes it's it's

0:57:02.020,0:57:08.470  
beautiful

0:57:03.810,0:57:14.290  
yes full utilization of that Park can I

0:57:08.470,0:57:16.030  
say something yes I do think hi I think

0:57:14.290,0:57:18.730  
it's important that everyone know that

0:57:16.030,0:57:21.190  
you know we're not going to forget that

0:57:18.730,0:57:24.099  
this is Mary Ross Park and there will be

0:57:21.190,0:57:26.320  
a plaque put up there and identifies you

0:57:24.099,0:57:28.150  
guys Mary Ross Park and that some of

0:57:26.320,0:57:30.490  
those elements that are in the hardscape

0:57:28.150,0:57:34.750  
right now like the beautiful Japanese

0:57:30.490,0:57:36.720  
maples towards the front and the roses

0:57:34.750,0:57:40.599  
that are up there are going to be

0:57:36.720,0:57:42.700  
repurposed into another area so you know

0:57:40.599,0:57:44.170  
we're not we're not destroying this and

0:57:42.700,0:57:46.300  
I know that that's a concern that this

0:57:44.170,0:57:49.210  
is you know this is a special place that

0:57:46.300,0:57:51.820  
was done for Mary so I want people music

0:57:49.210,0:57:53.250  
having millinery I think she would be

0:57:51.820,0:57:54.900  
over the moon

0:57:53.250,0:57:58.830  
seeing what they look like and knowing

0:57:54.900,0:58:04.350  
that this is a place need afternoon yeah

0:57:58.830,0:58:07.170  
I can completely agree Mary would be too

0:58:04.350,0:58:11.070  
cold her and one of her favorite words

0:58:07.170,0:58:16.670  
she said her words was lovely and that's

0:58:11.070,0:58:19.620  
what this thing is it's lovely really um

0:58:16.670,0:58:22.110  
mayor man make a comment please also

0:58:19.620,0:58:25.410  
Brian Murphy yes please

0:58:22.110,0:58:27.030  
yep I just the signage on that building

0:58:25.410,0:58:29.670  
should go through the Planning Board cuz

0:58:27.030,0:58:32.640  
that's not what's there I just won okay

0:58:29.670,0:58:35.340  
well maybe we'll put we could add that

0:58:32.640,0:58:36.600  
in here that all signage still has to go

0:58:35.340,0:58:52.010  
through the private planning board

0:58:36.600,0:59:03.360  
process thank you any other comments

0:58:52.010,0:59:05.790  
from anyone I think all died Scott just

0:59:03.360,0:59:08.430  
let me do this so we can use the time

0:59:05.790,0:59:11.190  
toy in a two different ways so if you're

0:59:08.430,0:59:13.650  
on YouTube watching this meeting and you

0:59:11.190,0:59:17.490  
would like to make a comment about Mary

0:59:13.650,0:59:21.840  
Ross Park please log on to the village

0:59:17.490,0:59:27.000  
website and click on the zoom meeting

0:59:21.840,0:59:28.770  
link for a June 24th 2020 and please

0:59:27.000,0:59:33.600  
feel free to make a comment

0:59:28.770,0:59:35.670  
go ahead Scott okay the one other key

0:59:33.600,0:59:39.720  
takeaway for folks is to realize that

0:59:35.670,0:59:42.840  
this isn't just for any specific vendor

0:59:39.720,0:59:45.930  
or restaurant this is for an open park

0:59:42.840,0:59:49.980  
and the folks can go in there freely

0:59:45.930,0:59:53.550  
whenever they want the hours restriction

0:59:49.980,0:59:55.680  
is for the ability for the restaurants

0:59:53.550,0:59:59.220  
to utilize this or vendors to use this

0:59:55.680,1:00:02.310  
space so it is an open park and it

0:59:59.220,1:00:06.000  
utilizes an open park and eventually

1:00:02.310,1:00:07.500  
after car bids over when the gods ears

1:00:06.000,1:00:16.640

once kovetz over

1:00:07.500,1:00:21.470

back and still be able to be you know I

1:00:16.640,1:00:21.470

should write with mentioning designing

1:00:22.220,1:00:27.780

it's clearing out be nice look for

1:00:25.710,1:00:30.000

parking signs so people can actually see

1:00:27.780,1:00:33.000

and know that there's a parking lot

1:00:30.000,1:00:36.690

right now it's very hard to see that

1:00:33.000,1:00:41.420

music - so relocating it and making it

1:00:36.690,1:00:41.420

more visible it will create a big impact

1:00:42.740,1:00:48.390

okay can I just say something

1:00:45.900,1:00:51.210

this is Adam Laura Sarah oh yes Adam

1:00:48.390,1:00:54.630

thank you quickly one question and then

1:00:51.210,1:00:59.040

one comment um so is there is there a

1:00:54.630,1:01:02.340

timeframe that this expires to as a as a

1:00:59.040,1:01:06.770

place for the business or is it just

1:01:02.340,1:01:10.710

gonna be that way indefinitely

1:01:06.770,1:01:15.930

so I think we could talk about that but

1:01:10.710,1:01:18.000

you know if John does so I'm thinking

1:01:15.930,1:01:22.260  
that just as businesses are currently

1:01:18.000,1:01:25.320  
okay you know that it's for businesses

1:01:22.260,1:01:27.270  
to use the sidewalk space that they

1:01:25.320,1:01:31.680  
don't own in front of their business

1:01:27.270,1:01:34.320  
that this would be similarly suited but

1:01:31.680,1:01:36.030  
the way it's written now for everybody

1:01:34.320,1:01:37.980  
to know and the reason that we're having

1:01:36.030,1:01:42.480  
this discussion is because we're looking

1:01:37.980,1:01:46.050  
for input is that it's written now that

1:01:42.480,1:01:51.260  
it would be there would be a rent fee

1:01:46.050,1:01:55.440  
and that it would be renewed annually

1:01:51.260,1:01:57.270  
and so at some point the rent what is

1:01:55.440,1:02:00.540  
the rent fee is that something that's

1:01:57.270,1:02:03.030  
able to be so I think that we would

1:02:00.540,1:02:04.290  
determine that so what I don't were you

1:02:03.030,1:02:05.550  
here when I was talking about it at the

1:02:04.290,1:02:08.370  
beginning yeah yeah

1:02:05.550,1:02:10.980  
okay so into you know it would depend on

1:02:08.370,1:02:13.020  
the estimated cost of the improvements

1:02:10.980,1:02:15.330  
to the Pratt and I think that that would

1:02:13.020,1:02:21.270  
get factored in and that it might be a

1:02:15.330,1:02:26.760  
nominal rent amount for a period of time

1:02:21.270,1:02:34.770  
I think I would add the rent after the

1:02:26.760,1:02:38.160  
park improvements are amortized yeah he

1:02:34.770,1:02:38.490  
adjusted that's the only fair way to do

1:02:38.160,1:02:42.600  
it

1:02:38.490,1:02:44.040  
to a fair market value yeah i was really

1:02:42.600,1:02:46.680  
just thinking it because of the other

1:02:44.040,1:02:48.570  
places that do have patios that have to

1:02:46.680,1:02:50.010  
pay the rent on it but i will i think

1:02:48.570,1:02:51.870  
one thing that i really wanted to say is

1:02:50.010,1:02:54.300  
i commend you guys for thinking outside

1:02:51.870,1:02:56.880  
the box and doing something like that

1:02:54.300,1:02:59.010  
like that is amazing not only for the

1:02:56.880,1:03:01.350  
residents but it's such a great gesture

1:02:59.010,1:03:03.750  
toward that toward all the businesses

1:03:01.350,1:03:06.420  
but the bottom room you know to to all

1:03:03.750,1:03:09.300  
to think like this and have the

1:03:06.420,1:03:11.250  
municipality like behind their small

1:03:09.300,1:03:13.860  
business i think that that's really huge

1:03:11.250,1:03:16.020  
and i think you all it's awesome to see

1:03:13.860,1:03:18.270  
that i I didn't expect it to be on this

1:03:16.020,1:03:19.860  
scope and it's really impressive and as

1:03:18.270,1:03:22.530  
someone who lives here it's beautiful

1:03:19.860,1:03:25.080  
it's gonna be awesome to pass by you

1:03:22.530,1:03:28.770  
know and once it's a park my clients my

1:03:25.080,1:03:30.270  
um you know lobbies is diminished right

1:03:28.770,1:03:32.970  
now they can kind of hang out there but

1:03:30.270,1:03:36.030  
my kids can it just is exciting and I

1:03:32.970,1:03:40.610  
think you guys are awesome for for for

1:03:36.030,1:03:44.840  
responding the way you did do that it's

1:03:40.610,1:03:48.510  
okay alright so I've added quite a few

1:03:44.840,1:03:50.520  
things to the list based on the comments

1:03:48.510,1:03:56.430  
and I so I'm gonna read what I've added

1:03:50.520,1:03:59.130  
to this and I've added after the fines

1:03:56.430,1:04:02.370  
for events that are too large or loud

1:03:59.130,1:04:04.470  
music I've added that the village would

1:04:02.370,1:04:08.610  
be able to reserve the use of the park

1:04:04.470,1:04:11.900  
of feeding would have to remain so that

1:04:08.610,1:04:15.060  
off-hours visitors could still visit

1:04:11.900,1:04:19.410  
when even when the business is in an

1:04:15.060,1:04:21.570  
open and the signage changes must be

1:04:19.410,1:04:25.440  
approved by the Planning Board any

1:04:21.570,1:04:28.100  
signage changes and that the rent after

1:04:25.440,1:04:33.530  
the park improvements are amortized

1:04:28.100,1:04:33.530  
would be adjusted to a fair market value

1:04:35.710,1:04:42.579  
so I and I I think that you know Mary

1:04:40.390,1:04:45.160  
Ross Park is so that when you see this

1:04:42.579,1:04:47.309  
video it's only two sections and the

1:04:45.160,1:04:51.160  
village actually has a long history of

1:04:47.309,1:04:56.650  
allowing restaurants to use village

1:04:51.160,1:04:59.289  
property pretty liberally and so other

1:04:56.650,1:05:02.140  
areas where the village has either not

1:04:59.289,1:05:05.130  
contested whether or not it's it's

1:05:02.140,1:05:12.549  
property or allowed people to use

1:05:05.130,1:05:16.779  
off-site property without without

1:05:12.549,1:05:19.539  
contesting it and there are and then

1:05:16.779,1:05:22.000  
certainly during this kovat crisis right

1:05:19.539,1:05:24.549  
now we're doing just that

1:05:22.000,1:05:26.170  
so this is meant in that spirit but when

1:05:24.549,1:05:28.269  
you see this spot right here that I'm

1:05:26.170,1:05:33.069  
gonna pause it up so you see this back

1:05:28.269,1:05:35.950  
section I don't it's not clear to me

1:05:33.069,1:05:38.440  
that that would be only useful to this

1:05:35.950,1:05:41.650  
parcel but that this might be something

1:05:38.440,1:05:45.309  
that would be useful for other areas so

1:05:41.650,1:05:47.470  
we might be able to open that up to more

1:05:45.309,1:05:49.150  
than just this one restaurant so this

1:05:47.470,1:05:53.410  
might be for any East Main Street

1:05:49.150,1:05:55.630  
restaurant that's located there if they

1:05:53.410,1:05:57.700  
can make a connection to it or if it's

1:05:55.630,1:06:04.720  
if they're able to see people at that

1:05:57.700,1:06:08.259  
location so Mary Ross Park does not

1:06:04.720,1:06:10.599  
include this back section this this is a

1:06:08.259,1:06:12.130  
concept that would show you something

1:06:10.599,1:06:14.529  
that might happen in the future and

1:06:12.130,1:06:17.549  
there would have to be either an

1:06:14.529,1:06:25.359  
amendment to this license agreement or a

1:06:17.549,1:06:30.830  
an additional license agreement any

1:06:25.359,1:06:33.290  
other comments on this okay if

1:06:30.830,1:06:37.940  
there's no comments then I'm taking it

1:06:33.290,1:06:41.450  
that the board is okay with me taking

1:06:37.940,1:06:43.070  
these back to the to the attorney rich

1:06:41.450,1:06:48.760  
Olson who's working on this for the

1:06:43.070,1:06:52.580  
village and to talk to the owner of the

1:06:48.760,1:06:56.000  
final room and then we would bring back

1:06:52.580,1:06:58.220  
a complete document have a another

1:06:56.000,1:07:01.190  
meeting I think it should be a public

1:06:58.220,1:07:03.770  
hearing because it would need to have an

1:07:01.190,1:07:07.570  
environmental assessment form filled out

1:07:03.770,1:07:12.140  
it would need to go through seeker and

1:07:07.570,1:07:13.730  
if that's okay then I would I would like

1:07:12.140,1:07:16.210  
to keep going so that I don't need a

1:07:13.730,1:07:19.070  
vote but I would like to ask each

1:07:16.210,1:07:22.130  
trustee one by one if you're okay with

1:07:19.070,1:07:24.500  
me proceeding and I'll start story with

1:07:22.130,1:07:25.910  
the first time I did a roll call and

1:07:24.500,1:07:27.800  
I'll start with the second word this

1:07:25.910,1:07:30.130  
time so Mary are you okay with me

1:07:27.800,1:07:34.240  
proceeding with this and bringing

1:07:30.130,1:07:39.080  
another document back to the board yes

1:07:34.240,1:07:40.880  
okay Kevin are you okay I'm perfectly

1:07:39.080,1:07:41.450  
fine with it a great idea for the

1:07:40.880,1:07:45.620  
village

1:07:41.450,1:07:47.660  
okay how about Billy yes okay and Scott

1:07:45.620,1:07:51.560  
are you good for me to keep going with

1:07:47.660,1:07:54.410  
us absolutely yes okay and Brian Lammers

1:07:51.560,1:07:57.910  
can I come back at the next meeting with

1:07:54.410,1:08:01.330  
another document that's more complete

1:07:57.910,1:08:01.330  
for your consideration

1:08:03.610,1:08:14.330  
did we lose Brian sorry my microphone is

1:08:09.950,1:08:17.540  
need yes okay you're okay okay so all

1:08:14.330,1:08:20.650  
right very good then we will continue on

1:08:17.540,1:08:20.650  
with the meeting and

1:08:27.550,1:08:35.180  
okay so the next item on the agenda is

1:08:32.330,1:08:41.060  
I'm gonna let John Carr jar clerk talk

1:08:35.180,1:08:43.970  
to us about the landscaping that all

1:08:41.060,1:08:49.610  
right consistent with previous practices

1:08:43.970,1:08:57.140  
a mayor can you put up the notice to

1:08:49.610,1:09:03.500  
bidders is what we've done I know where

1:08:57.140,1:09:05.120  
it is okay I would just like to show the

1:09:03.500,1:09:15.040  
board how this is done because it's only

1:09:05.120,1:09:20.090  
done like 174 years so typically this

1:09:15.040,1:09:23.570  
bid would go out by the DPW but I've

1:09:20.090,1:09:26.570  
done it I did it the last time so I did

1:09:23.570,1:09:29.870  
it this time it's a notice to bidders

1:09:26.570,1:09:31.760  
that the village of obvious Falls are

1:09:29.870,1:09:34.280  
seeking proposals for cutting of grass

1:09:31.760,1:09:35.690  
recreational facilities municipal

1:09:34.280,1:09:39.290  
building areas and the following

1:09:35.690,1:09:41.270  
locations bein part Veterans Park temple

1:09:39.290,1:09:44.840  
field fishers park end of this road

1:09:41.270,1:09:47.000  
route 9 Wazir Park mi a part list Road

1:09:44.840,1:09:50.510  
part Eugene Garrigan Park for an eerie

1:09:47.000,1:09:53.060  
SPARC village home police stations so

1:09:50.510,1:09:59.680  
this went into our official newspaper

1:09:53.060,1:10:05.780  
and it was published on the 10th of June

1:09:59.680,1:10:08.000  
and what I said was specifications for

1:10:05.780,1:10:11.660  
the contract terms will be communicated

1:10:08.000,1:10:14.570  
to bidders 9:00 a.m. June 17 2020 at

1:10:11.660,1:10:18.410  
Missouri Park sealed bids will be opened

1:10:14.570,1:10:22.000  
at 10:00 a.m. June 23rd 2020 at the

1:10:18.410,1:10:26.960  
village hall located to 582 South Avenue

1:10:22.000,1:10:29.840  
Wappingers Falls so I did put it in the

1:10:26.960,1:10:33.410  
paper I did meet with bidders in

1:10:29.840,1:10:35.720  
Missouri Park at 9:00 a.m. June 17th

1:10:33.410,1:10:36.540  
of which there was only one contractor

1:10:35.720,1:10:41.130  
there

1:10:36.540,1:10:43.860  
went over the specifications and opened

1:10:41.130,1:10:47.570  
the bids yesterday in presence of

1:10:43.860,1:10:50.040  
Heather McCormick it was a sealed bid

1:10:47.570,1:10:54.090  
from New England green escapes that's

1:10:50.040,1:10:58.620  
our current contractor and what his bid

1:10:54.090,1:11:01.250  
was for April 1st no - no vent April 1st

1:10:58.620,1:11:06.690  
2020

1:11:01.250,1:11:08.489  
November 30th is monthly payments of two

1:11:06.690,1:11:10.830  
thousand eight hundred and fifty dollars

1:11:08.489,1:11:13.380  
the amnion annual contract would be

1:11:10.830,1:11:15.510  
twenty two thousand eight hundred now

1:11:13.380,1:11:18.780  
that's not only cutting grass that's the

1:11:15.510,1:11:22.890  
leaves and the fall that's trimming of

1:11:18.780,1:11:26.070  
the hedges and more over its when

1:11:22.890,1:11:28.710  
there's times like now where the grass

1:11:26.070,1:11:32.580  
is brown and it's not going to be cut

1:11:28.710,1:11:37.980  
for a while that I worked with the

1:11:32.580,1:11:40.470  
contractor to mix things so for example

1:11:37.980,1:11:43.170  
instead of cutting grass this week oh by

1:11:40.470,1:11:45.260  
the way we kept the contractor on during

1:11:43.170,1:11:48.330  
kovat because we didn't have anyone else

1:11:45.260,1:11:53.310  
and we were allowed to do that so he's

1:11:48.330,1:11:56.850  
still on for that purpose but today he

1:11:53.310,1:11:59.940  
had a man up at the water treatment

1:11:56.850,1:12:03.420  
facility weed-whacking underneath all

1:11:59.940,1:12:05.760  
the solar arrays for example so in lieu

1:12:03.420,1:12:08.760  
of cutting they were up there and they

1:12:05.760,1:12:10.890  
did that there are other times when I

1:12:08.760,1:12:13.560  
have something else I'll have him do

1:12:10.890,1:12:17.090  
when he's not cutting grass so I just

1:12:13.560,1:12:19.830  
wanted to point out to you that I

1:12:17.090,1:12:21.360  
watched him pretty closely and I know

1:12:19.830,1:12:22.860  
the mayor works with him and I think

1:12:21.360,1:12:28.520  
some of you have worked with him as well

1:12:22.860,1:12:34.700  
now it's a 2% increase over last year's

1:12:28.520,1:12:40.110  
payment so again consistent with our

1:12:34.700,1:12:43.080  
purchasing procedures advertising for

1:12:40.110,1:12:47.790  
bids meeting with contractors opening

1:12:43.080,1:12:49.860  
the bids he's the only bidder and that's

1:12:47.790,1:12:52.679  
the long and short of it so I

1:12:49.860,1:12:57.480  
a village board to approve New England

1:12:52.679,1:13:01.760  
green escapes for the balance of twenty

1:12:57.480,1:13:05.449  
and twenty one season

1:13:01.760,1:13:07.920  
I'm making lotion John who's that now

1:13:05.449,1:13:11.670  
definitely heard approve of New England

1:13:07.920,1:13:15.650  
landscaping okay who second down

1:13:11.670,1:13:21.679  
seconded by trustee Davis okay all that

1:13:15.650,1:13:32.000  
Scott did second all those in favor aye

1:13:21.679,1:13:32.000  
any opposed hey all right so next

1:15:43.390,1:15:59.110  
because the Cory's not on the so the

1:15:54.550,1:16:01.670  
equipment would be for 121 not-to-exceed

1:15:59.110,1:16:05.700  
\$121,000 and that includes in

1:16:01.670,1:16:13.920  
installation and the question is whether

1:16:05.700,1:16:15.930  
we would put down is it a 10% 10,000 so

1:16:13.920,1:16:19.200  
it's not even 7:00 it's not even 10% so

1:16:15.930,1:16:22.820  
it's a \$10,000 deposit the village is

1:16:19.200,1:16:26.520  
able to do that we do have a grant for

1:16:22.820,1:16:28.340  
\$100,000 to put towards this is the

1:16:26.520,1:16:31.020  
board okay

1:16:28.340,1:16:33.870  
I'm sorry it's very hard to understand

1:16:31.020,1:16:35.520  
Cindy right now so this is for the

1:16:33.870,1:16:38.160  
playground equipment that would be

1:16:35.520,1:16:42.840  
located at the corner of lower Henry and

1:16:38.160,1:16:53.490  
Klaveno that we had the voting on at the

1:16:42.840,1:17:04.070  
library do they say enough there you're

1:16:53.490,1:17:07.560  
mute there okay that's good sorry okay

1:17:04.070,1:17:11.250  
are there any Cindy is there anything

1:17:07.560,1:17:13.290  
else we need to think about you know I

1:17:11.250,1:17:19.010  
would ask if someone would entertain a

1:17:13.290,1:17:26.310  
motion to allow you something okay so um

1:17:19.010,1:17:29.940  
could we get a motion I'll make it okay

1:17:26.310,1:17:35.300  
and this is for kompot company is that

1:17:29.940,1:17:35.300  
how you pronounce that Cindy content

1:17:35.900,1:17:44.060  
okay and so is there a second I'll

1:17:43.320,1:17:48.030  
second

1:17:44.060,1:17:49.350  
seconded by trustee Huber all those in

1:17:48.030,1:17:54.600  
favor aye

1:17:49.350,1:17:59.670  
I need opposed okay

1:17:54.600,1:18:14.030  
this was that an a okay so everyone so

1:17:59.670,1:18:14.030  
everyone was an i okay okay

1:18:14.780,1:18:17.909  
creation committee is exploring and

1:18:17.340,1:18:22.079  
possible

1:18:17.909,1:18:22.889  
small playground side a view near the

1:18:22.079,1:18:26.699  
water tower

1:18:22.889,1:18:29.519  
we will post my residency neck area

1:18:26.699,1:18:32.369  
asking if that was a possibility the

1:18:29.519,1:18:35.249  
sheep Road PTA has offered as a donation

1:18:32.369,1:18:37.559  
of a primer that was purchased by eggs

1:18:35.249,1:18:45.539  
and not able to be used it she Pro

1:18:37.559,1:18:48.749  
elementary school amount on Canali park

1:18:45.539,1:18:50.459  
over there and repurposing now we will

1:18:48.749,1:18:52.559  
still be looking maybe just to take this

1:18:50.459,1:18:56.400  
swing it's from that other park and we

1:18:52.559,1:18:58.079  
love paper and then you probably at

1:18:56.400,1:19:00.989  
County would do some more adults

1:18:58.079,1:19:08.519  
amenities such as larger 50 tables maybe

1:19:00.989,1:19:11.369  
a bocce go for it we're asking the

1:19:08.519,1:19:18.329  
board's mission to would like to use

1:19:11.369,1:19:21.689  
some restricted or to do this and you

1:19:18.329,1:19:24.150  
want to be looking just to these money

1:19:21.689,1:19:26.639  
that has been contributed to that

1:19:24.150,1:19:30.599  
account from any new construction in my

1:19:26.639,1:19:32.249  
outside Daniel Avenue area and you just

1:19:30.599,1:19:38.760  
like to be able to proceed and go

1:19:32.249,1:19:41.610  
forward with any some code some fans so

1:19:38.760,1:19:44.459  
I'm okay with that but I am aware that

1:19:41.610,1:19:47.579  
this project will definitely need more

1:19:44.459,1:19:51.300  
than what was contributed from the

1:19:47.579,1:19:54.059  
housing on hillside paw so I think

1:19:51.300,1:19:57.900  
that's might cost as much as what was

1:19:54.059,1:20:03.630  
contributed there because of that ravine

1:19:57.900,1:20:05.099  
so right so I think this is a just a

1:20:03.630,1:20:09.059  
good way to start but I think once we

1:20:05.099,1:20:11.159  
start project it's gonna go further I

1:20:09.059,1:20:14.360  
think that that's a good use of that

1:20:11.159,1:20:17.610  
property and I would be in favor of that

1:20:14.360,1:20:23.189  
when we when we designate that Park area

1:20:17.610,1:20:26.630  
we would need to do which we have to do

1:20:23.189,1:20:26.630  
the environment

1:20:31.980,1:20:35.850  
to be something I mean I have no problem

1:20:34.440,1:20:38.370  
with it at all but I just think that

1:20:35.850,1:20:40.920  
there needs to be something some kind of

1:20:38.370,1:20:42.420  
drawings or something put out there so

1:20:40.920,1:20:45.330  
we we know what it's going to look like

1:20:42.420,1:20:49.700  
way ahead of time I think in this case

1:20:45.330,1:20:52.650  
though we could do sketch we could get

1:20:49.700,1:20:56.910  
limited equipment and do a sketch

1:20:52.650,1:20:59.160  
drawing of this and work with force

1:20:56.910,1:21:03.510  
account people our Highway Department

1:20:59.160,1:21:12.590  
more on this person so I think you could

1:21:03.510,1:21:15.630  
get a lot done actually make sure I

1:21:12.590,1:21:17.400  
would like to see a sketch also you know

1:21:15.630,1:21:21.270  
some concerns about some fencing around

1:21:17.400,1:21:23.370  
the area where that's gonna be and then

1:21:21.270,1:21:32.280  
the fire whistle that sits up there as

1:21:23.370,1:21:34.320  
well okay Cindy so I don't think there's

1:21:32.280,1:21:35.940  
enough here to take a punt line but I

1:21:34.320,1:21:38.190  
think the intent of the board is to

1:21:35.940,1:21:43.530  
definitely allow you to move forward is

1:21:38.190,1:21:44.760  
that good contract you're out there

1:21:43.530,1:21:48.000  
about the thanks and you get some big

1:21:44.760,1:21:49.790  
body I would talk to the highway

1:21:48.000,1:21:59.070  
department and see if that's something

1:21:49.790,1:22:02.340  
they might be able to constable - okay

1:21:59.070,1:22:05.430  
can I just hold off here I just

1:22:02.340,1:22:08.580  
we have been we're being visited by a

1:22:05.430,1:22:14.930  
young man who is in Boy Scouts in troop

1:22:08.580,1:22:19.040  
25 and his name is Jackson and he's

1:22:14.930,1:22:22.530  
taking part in this meeting and

1:22:19.040,1:22:25.680  
observing it in order to get his merit

1:22:22.530,1:22:28.980  
badge and we would like to acknowledge

1:22:25.680,1:22:31.110  
him and thank him for visiting with us

1:22:28.980,1:22:33.000  
tonight and I don't know if there's

1:22:31.110,1:22:36.270  
anything you want to say Jackson but we

1:22:33.000,1:22:38.750  
appreciate you coming yeah yeah yeah no

1:22:36.270,1:22:41.550  
thanks for having me

1:22:38.750,1:22:44.840  
okay that's very good I definitely

1:22:41.550,1:22:44.840  
enjoyed scouting and

1:22:44.850,1:22:50.730  
things that I ever did in my life keep

1:22:47.910,1:22:54.810  
up with it and enjoy this time where you

1:22:50.730,1:22:57.740  
have it yeah you know okay all right

1:22:54.810,1:22:57.740  
Thank You Jackson

1:23:05.210,1:23:10.650  
was it ten year send your email to me

1:23:08.370,1:23:12.690  
you can get it on the website or I give

1:23:10.650,1:23:16.220  
it to you right now if you want to write

1:23:12.690,1:23:20.100  
it down it's on the website yeah yeah

1:23:16.220,1:23:24.900  
village clerk okay well yeah we'll

1:23:20.100,1:23:40.100  
e-mail you just sent it by chat so you

1:23:24.900,1:23:40.100  
have it now privately so you can include

1:23:56.180,1:24:13.470  
okay we should write that down here and

1:24:11.880,1:24:15.870  
we're gonna keep going with the meeting

1:24:13.470,1:24:17.970  
but thank you very much for coming we

1:24:15.870,1:24:20.010  
appreciate having you and look forward

1:24:17.970,1:24:23.610  
to seeing your your accomplishments and

1:24:20.010,1:24:24.300  
scouting yeah thank you alright take

1:24:23.610,1:24:26.640  
care bye bye

1:24:24.300,1:24:32.010  
okay I'm just gonna write down this

1:24:26.640,1:24:37.890  
email that I'm gonna go okay why don't

1:24:32.010,1:24:44.220  
you keep going previously in that report

1:24:37.890,1:24:47.580  
that went out all of our concerts due to

1:24:44.220,1:24:49.790  
lack of funds we have had to is

1:24:47.580,1:24:52.770  
implanted I had previously booked and

1:24:49.790,1:24:57.560  
generously offered to do their concerts

1:24:52.770,1:24:57.560  
free of charge so yes we won't have to

1:24:58.320,1:25:06.900  
July July 24th with rady July 26 and

1:25:05.070,1:25:11.190  
that would be the southern the Duchess

1:25:06.900,1:25:14.489  
concert in and on August 21st with a

1:25:11.190,1:25:18.570  
rain date of August 22nd even think that

1:25:14.489,1:25:21.239  
sound there I was just blown away by

1:25:18.570,1:25:23.820  
their generosity to do this I was very

1:25:21.239,1:25:26.190  
very excited because it difficult for me

1:25:23.820,1:25:28.409  
to I anticipated being able to happen

1:25:26.190,1:25:31.469  
back big band sound with none of the

1:25:28.409,1:25:34.079  
original games that I had and I started

1:25:31.469,1:25:35.880  
the concert series back in the lady so

1:25:34.079,1:25:37.530  
those kind of exciting to think that

1:25:35.880,1:25:40.679  
they would be back in the village and

1:25:37.530,1:25:42.900  
planning again so we are going to have a

1:25:40.679,1:25:46.440  
public conscience we've also been

1:25:42.900,1:25:47.880  
approached by county players and they

1:25:46.440,1:25:49.679  
would like to be some type of

1:25:47.880,1:25:52.230  
performance and they're not really sure

1:25:49.679,1:25:54.840  
what they can do yet but they to keep

1:25:52.230,1:25:57.989  
that in mind that God is something that

1:25:54.840,1:26:01.199  
we might be doing as well and then I've

1:25:57.989,1:26:03.929  
also been in contact with the Historical

1:26:01.199,1:26:07.380  
Society and they have a couple of events

1:26:03.929,1:26:09.719  
that they will also do for village

1:26:07.380,1:26:13.199  
residents in the park to look ordinary

1:26:09.719,1:26:16.110  
dates at this point to long be able to

1:26:13.199,1:26:19.110  
do that you have to implement social

1:26:16.110,1:26:24.630  
distancing I worry coordinated that with

1:26:19.110,1:26:32.360  
the true bands that I have um so are you

1:26:24.630,1:26:32.360  
asking me to trap my speed run anything

1:26:33.829,1:26:53.210  
yes yes somebody's asking you to turn up

1:26:36.510,1:26:55.139  
your speakers sorry I can hear you fine

1:26:53.210,1:26:57.199  
everybody else hear me

1:26:55.139,1:27:00.000  
yeah I can hear you pretty good yeah oh

1:26:57.199,1:27:02.190  
I'll try me that's for everybody else we

1:27:00.000,1:27:04.530  
already know about this I think them so

1:27:02.190,1:27:06.389  
I mentioned that County players might do

1:27:04.530,1:27:09.059  
some time of the play and that the

1:27:06.389,1:27:10.949  
Historical Society will be doing a

1:27:09.059,1:27:12.180  
couple of things in the park along with

1:27:10.949,1:27:14.400  
the two concerts that

1:27:12.180,1:27:17.130  
I'm having you do need to maintain

1:27:14.400,1:27:19.530  
social distancing we will be marking off

1:27:17.130,1:27:22.260  
spots in the park as well as marking off

1:27:19.530,1:27:24.480  
stage area de mogi things are going to

1:27:22.260,1:27:26.370  
be under gazebo

1:27:24.480,1:27:29.760  
so that means that they will be on the

1:27:26.370,1:27:31.470  
gazebo and on that crunch of patio area

1:27:29.760,1:27:58.640  
that's kind of like dancing stuff and

1:27:31.470,1:27:58.640  
that's where they will be thank you

1:27:58.950,1:28:10.770  
so we are in the process of opening all

1:28:08.940,1:28:13.830  
the parks and playgrounds in our village

1:28:10.770,1:28:17.130  
um in order to do that there were some

1:28:13.830,1:28:19.230  
things that had to be in place and so

1:28:17.130,1:28:20.820  
far but we have done use mulch was

1:28:19.230,1:28:24.630  
installed underneath the playground

1:28:20.820,1:28:27.270  
apparatus act that's part and also my

1:28:24.630,1:28:30.540  
temple I did not put it underneath the

1:28:27.270,1:28:32.730  
playground apparatus at Denali didn't

1:28:30.540,1:28:35.160  
feel that we needed it at this point in

1:28:32.730,1:28:37.890  
time and I really wanted to have some

1:28:35.160,1:28:40.470  
direction about moving forward with our

1:28:37.890,1:28:42.780  
concept for the hillside Park before I

1:28:40.470,1:28:46.530  
decided if I needed to put some extra

1:28:42.780,1:28:49.860  
leave there we had installed I'm sorry

1:28:46.530,1:28:53.670  
installed and sanitizers in the park and

1:28:49.860,1:28:56.040  
we were able to have the county supplies

1:28:53.670,1:28:59.490  
with a decent amount of hand sanitizer

1:28:56.040,1:29:02.040  
to fill those yet so um they are located

1:28:59.490,1:29:05.880  
there's two index there's two engines

1:29:02.040,1:29:08.190  
ear 1/8 Mary Ross there's money Canale

1:29:05.880,1:29:11.160  
and one at temple and I plan on

1:29:08.190,1:29:13.620  
installing one more object in my a park

1:29:11.160,1:29:16.650  
but I have to figure out where amount

1:29:13.620,1:29:19.590  
occurs people who do that there will be

1:29:16.650,1:29:21.870  
information going up in the park giving

1:29:19.590,1:29:24.510  
guidelines as to what you can do in the

1:29:21.870,1:29:25.920  
park because there are some activities

1:29:24.510,1:29:28.410  
that are still explained

1:29:25.920,1:29:30.390  
and not able to be done there so I'm

1:29:28.410,1:29:33.810  
just going to quickly read to you the

1:29:30.390,1:29:36.810  
list of things that you can do everyone

1:29:33.810,1:29:39.690  
must avoid contacting people even when

1:29:36.810,1:29:41.550  
outside keeping a distance of a movie 60

1:29:39.690,1:29:45.090  
just slow down the spread of coded

1:29:41.550,1:29:47.150  
mighty no large groups or gathers that

1:29:45.090,1:29:48.719  
make it difficult to social distance

1:29:47.150,1:29:50.730  
wear masks

1:29:48.719,1:29:53.190  
especially if unable to social looseness

1:29:50.730,1:29:54.719  
and these are kind of really a building

1:29:53.190,1:29:56.940  
work where the playground equipment

1:29:54.719,1:29:59.640  
itself it's a little hard to social

1:29:56.940,1:30:01.230  
distance on that gym apparatus when

1:29:59.640,1:30:03.030  
you're concerned if your child's going

1:30:01.230,1:30:06.960  
to fall off and since it does usually

1:30:03.030,1:30:09.480  
meaning it's a family member saying this

1:30:06.960,1:30:12.179  
there is an exception for children that

1:30:09.480,1:30:14.730  
you are not required to wear masks your

1:30:12.179,1:30:17.250  
are people that have a medical extension

1:30:14.730,1:30:20.070  
from it we are asking if you are heating

1:30:17.250,1:30:22.280  
to sit at the table on adventure on the

1:30:20.070,1:30:24.630  
ground before removing your mask

1:30:22.280,1:30:27.030  
sanitize your hands before and after

1:30:24.630,1:30:29.610  
using depending on the picking and then

1:30:27.030,1:30:32.100  
loose and hand sanitizers are located in

1:30:29.610,1:30:34.410  
every village part children should be

1:30:32.100,1:30:38.219  
supervised at all times and assistant

1:30:34.410,1:30:40.440  
using hand sanitizer as newly we asked

1:30:38.219,1:30:42.989  
avoid games and activities that required

1:30:40.440,1:30:45.750  
throats contact the basketball courts

1:30:42.989,1:30:48.510  
will open up one gasps with undies born

1:30:45.750,1:30:52.290  
they'll open onto one person shooting

1:30:48.510,1:30:54.540  
your ammo pickup game and only low risk

1:30:52.290,1:30:56.670  
or its activities are allowed at this

1:30:54.540,1:30:59.820  
time you are that means you can't do

1:30:56.670,1:31:02.850  
volleyball you can't do football you

1:30:59.820,1:31:05.520  
can't do kickball unless you are able to

1:31:02.850,1:31:09.270  
maintain social distancing and you're

1:31:05.520,1:31:11.429  
wearing an ass we are asking people not

1:31:09.270,1:31:14.219  
just share it with such as bicycles

1:31:11.429,1:31:15.600  
kalmyks balls and Bisbee we're asking

1:31:14.219,1:31:18.360  
them to avoid touching your eyes nose

1:31:15.600,1:31:21.929  
mouth with unwashed iran between times

1:31:18.360,1:31:24.350  
an hour both dots and launches are over

1:31:21.929,1:31:26.820  
than they have been open for a while um

1:31:24.350,1:31:29.489  
I'm asking people and we're putting it

1:31:26.820,1:31:31.830  
out there to respect our us to clean up

1:31:29.489,1:31:34.500  
after themselves and feasting on garbage

1:31:31.830,1:31:36.690  
in garbage cans perhaps can't respect

1:31:34.500,1:31:39.300  
our community and their time here's to

1:31:36.690,1:31:39.690  
that all residents have an opportunity

1:31:39.300,1:31:42.510  
to

1:31:39.690,1:31:45.180  
two levels we are asking people to stay

1:31:42.510,1:31:48.030  
home if they are sick

1:31:45.180,1:31:50.219  
we're not feeling well and if they are

1:31:48.030,1:31:53.310  
elderly or have an underlying medical

1:31:50.219,1:31:55.560  
condition that puts them at risk we name

1:31:53.310,1:31:58.620  
the safety of their homes and enjoy your

1:31:55.560,1:32:00.630  
own personal accuracy those are the

1:31:58.620,1:32:01.460  
rules that are going to be going off in

1:32:00.630,1:32:04.590  
the post

1:32:01.460,1:32:16.199  
does anybody have any comments about

1:32:04.590,1:32:20.640  
that I'm good all right get Cindy or

1:32:16.199,1:32:23.550  
there's there anything else yeah so

1:32:20.640,1:32:26.880  
there were several items that came in on

1:32:23.550,1:32:29.430  
Facebook not on our site but they were

1:32:26.880,1:32:31.100  
things that were posted to face Facebook

1:32:29.430,1:32:34.350  
that I felt that I needed to address

1:32:31.100,1:32:36.570  
what if I'm concerned the excess garbage

1:32:34.350,1:32:39.960  
and the bins at vets

1:32:36.570,1:32:42.150  
park we only had two gigs there the

1:32:39.960,1:32:44.370  
other bins that we normally have there

1:32:42.150,1:32:48.330  
worried because they were being moved

1:32:44.370,1:32:51.510  
and used as a way of climbing on top of

1:32:48.330,1:32:54.690  
the roof in the park so they'd have

1:32:51.510,1:32:57.860  
reduced it to just two cans after seeing

1:32:54.690,1:33:04.110  
the overflowing garbage yesterday I

1:32:57.860,1:33:06.710  
gather and requested that she have trust

1:33:04.110,1:33:09.110  
eating for food that we were asking

1:33:06.710,1:33:13.199  
regarding for an additional public

1:33:09.110,1:33:15.330  
garbage cans at that's part so that we

1:33:13.199,1:33:18.600  
can handle the amount of garbage down

1:33:15.330,1:33:21.150  
there I did go down and pick it all up

1:33:18.600,1:33:23.370  
so we're all cleaned up so I did respond

1:33:21.150,1:33:25.320  
to the person that had posted that

1:33:23.370,1:33:28.500  
through private message to telling them

1:33:25.320,1:33:33.199  
that that that receiving here they're

1:33:28.500,1:33:35.580  
also moving on to topic and garbage

1:33:33.199,1:33:38.550  
there was another question that came in

1:33:35.580,1:33:43.620  
with regards to the EDC's purchase of

1:33:38.550,1:33:47.040  
new garbage cans and park benches and

1:33:43.620,1:33:50.340  
when were they going to be installed

1:33:47.040,1:33:53.719  
I guess that is left up to me because

1:33:50.340,1:33:56.630  
I've been getting contact with contracts

1:33:53.719,1:33:58.610  
ActiveSync from EDC and he said that

1:33:56.630,1:34:01.340  
that they had turned that over to the

1:33:58.610,1:34:03.079  
village and then a agar expecting to the

1:34:01.340,1:34:07.969  
village with designated person to to

1:34:03.079,1:34:09.769  
make sure we can control so I have had a

1:34:07.969,1:34:11.630  
conversation because I'm eating market

1:34:09.769,1:34:15.949  
and we will be putting those garbage

1:34:11.630,1:34:20.090  
cans in the area of fence free Street -

1:34:15.949,1:34:23.510  
Givens Avenue on East Main Street and I

1:34:20.090,1:34:25.669  
do have get asked Trenton for a copy of

1:34:23.510,1:34:28.789  
the plan as to where they were going

1:34:25.669,1:34:31.400  
so we will try our best to try and

1:34:28.789,1:34:34.280  
follow that plan we have with regards to

1:34:31.400,1:34:36.469  
the park benches we are only going to

1:34:34.280,1:34:42.829  
install what it is time and that is the

1:34:36.469,1:34:46.280  
one that isn't badly rusted and trying

1:34:42.829,1:34:49.429  
to include the whole area and since we

1:34:46.280,1:34:52.869  
have been in conversations with we like

1:34:49.429,1:34:55.579  
you to possibly relocate some of me on

1:34:52.869,1:34:58.340  
one of the trees and some bushes from

1:34:55.579,1:35:00.229  
nearly Ross Park over into that area in

1:34:58.340,1:35:03.530  
front that used to have an existing tree

1:35:00.229,1:35:06.380  
I felt that was have been places up an

1:35:03.530,1:35:08.869  
additional concern that both I and D

1:35:06.380,1:35:11.659  
Kaji the highway superintendent had is

1:35:08.869,1:35:14.289  
that the park bench is beautiful and

1:35:11.659,1:35:16.939  
then to be drilled into the concrete and

1:35:14.289,1:35:20.209  
I think we need to think about that

1:35:16.939,1:35:23.030  
before we do it because if we do all the

1:35:20.209,1:35:25.820  
mana and concern that were allowing a

1:35:23.030,1:35:28.159  
nice pathway for water to go into that

1:35:25.820,1:35:31.340  
country and long run with that water

1:35:28.159,1:35:33.409  
it's going to keep those sidewalks so on

1:35:31.340,1:35:36.530  
I think you need to come up we need to

1:35:33.409,1:35:38.239  
think about we close it and understand

1:35:36.530,1:35:40.130  
that if we do the guys to figure out

1:35:38.239,1:35:43.419  
some way a little sealing it so that we

1:35:40.130,1:35:45.650  
don't get more than to it or perhaps

1:35:43.419,1:35:48.469  
relocate them maybe a little bit back

1:35:45.650,1:35:50.719  
into you know a grass area or some kind

1:35:48.469,1:35:52.909  
of you know I don't know that wouldn't

1:35:50.719,1:35:55.599  
be probably less getting incident

1:35:52.909,1:35:59.349  
beautiful song that's down on whose name

1:35:55.599,1:35:59.349  
any questions on that

1:36:04.400,1:36:09.380  
I also believe I think there was a

1:36:07.100,1:36:14.540  
question about parking signage in the

1:36:09.380,1:36:17.390  
downtown area as well since that is kind

1:36:14.540,1:36:20.660  
of become my responsibility as well we

1:36:17.390,1:36:24.440  
are going to revert to the plan that was

1:36:20.660,1:36:28.940  
initially designed from a community that

1:36:24.440,1:36:33.140  
worked on downtown validation plan and

1:36:28.940,1:36:36.080  
also the brownfields and so we will

1:36:33.140,1:36:38.600  
leave that I get already previously next

1:36:36.080,1:36:41.690  
with the highway superintendent and

1:36:38.600,1:36:44.750  
Kevin Weaver and we have walked out

1:36:41.690,1:36:46.400  
really thought the best place to do

1:36:44.750,1:36:49.730  
those sons

1:36:46.400,1:36:53.210  
the signs are we will use the design

1:36:49.730,1:36:55.880  
that was picked by w which are circles I

1:36:53.210,1:36:58.280  
didn't live a large they are green with

1:36:55.880,1:37:01.240  
a large PA center and the municipal

1:36:58.280,1:37:04.070  
parking going around it and they will be

1:37:01.240,1:37:05.660  
kind of like we have the different

1:37:04.070,1:37:08.630  
business signs to the home like on a

1:37:05.660,1:37:11.210  
bracket so one Karen we will hang them

1:37:08.630,1:37:17.240  
on a bracket like that and really can be

1:37:11.210,1:37:20.050  
mounted onto existing questions on that

1:37:17.240,1:37:20.050  
if anybody happened

1:37:24.970,1:38:03.080  
what's the funding situation for those

1:37:28.130,1:38:06.700  
we have to you know DC was a plan for

1:38:03.080,1:38:06.700  
those the village did we got something

1:38:13.460,1:38:20.480  
not the reason I bring a parking signs

1:38:18.740,1:38:22.700  
up is you're gonna have to probably ask

1:38:20.480,1:38:26.060  
get the pricing and asked for that money

1:38:22.700,1:38:31.460  
again because I was probably 2019 or 18

1:38:26.060,1:38:32.930  
right there so just bringing that up I

1:38:31.460,1:38:46.280  
don't think it was budgeted for this

1:38:32.930,1:38:49.220  
year is for it also is a major

1:38:46.280,1:38:52.640  
celebrations and he has done you Johnson

1:38:49.220,1:38:57.050  
fire company and I'm just letting people

1:38:52.640,1:38:59.240  
know this is to be watched very similar

1:38:57.050,1:39:03.170  
to druthers created through centennial

1:38:59.240,1:39:06.320  
in 1971 and in blogging any organization

1:39:03.170,1:39:09.410  
from the village the churches we start

1:39:06.320,1:39:12.170  
the society Oddfellows really to make a

1:39:09.410,1:39:17.090  
large committee to plan activities and

1:39:12.170,1:39:18.920  
events for next year being very very

1:39:17.090,1:39:21.470  
optimistic about that we'll be able to

1:39:18.920,1:39:23.630  
do really nice big celebration in the

1:39:21.470,1:39:25.790  
cemetery of folks is to do it

1:39:23.630,1:39:28.520  
around the same time as the original

1:39:25.790,1:39:30.350  
picnic in the park and maybe do

1:39:28.520,1:39:33.320  
something similar on this one's a

1:39:30.350,1:39:36.680  
village residents are not Ross I came

1:39:33.320,1:39:38.780  
across some information that daddy was

1:39:36.680,1:39:42.050  
the treasure of the original picnic in

1:39:38.780,1:39:44.360  
the park committee kept and it's got

1:39:42.050,1:39:49.130  
some interesting information what to

1:39:44.360,1:39:52.600  
look at and coming up with maybe some

1:39:49.130,1:39:56.660  
events and activities that we do

1:39:52.600,1:39:59.990  
along with activities I think this is

1:39:56.660,1:40:02.600  
really I talked about Halloween and

1:39:59.990,1:40:04.340  
Christmas there try our very best to be

1:40:02.600,1:40:08.150  
those celebrations the way you always

1:40:04.340,1:40:10.580  
have with some modifications so do you

1:40:08.150,1:40:13.940  
have dates adjustable to get a random

1:40:10.580,1:40:16.250  
date again as idyllic summer concerts

1:40:13.940,1:40:20.360  
being grew last year or less with the

1:40:16.250,1:40:23.030  
yet this is one and I wasn't aware that

1:40:20.360,1:40:25.590  
he was having an event to follow me and

1:40:23.030,1:40:28.170  
all weekend which really

1:40:25.590,1:40:30.630  
typical person have to coexist any of

1:40:28.170,1:40:33.330  
them so we check Aragon make sure we

1:40:30.630,1:40:34.860  
have faculty they have those events too

1:40:33.330,1:40:39.030  
that you know we don't have to cancel

1:40:34.860,1:40:45.270  
out in one hand I think that's

1:40:39.030,1:40:46.680  
everything I need to the quite obvious

1:40:45.270,1:40:51.590  
everything knows the cars the fact is

1:40:46.680,1:40:51.590  
you wonder Alton booming so downtown

1:41:06.470,1:41:13.650  
alright very good thank you sir

1:41:09.480,1:41:16.650  
Thank You Cindy thanks City okay we do

1:41:13.650,1:41:20.550  
have with us Walter Burke the new police

1:41:16.650,1:41:26.850  
commissioner and I think Scott are you

1:41:20.550,1:41:28.700  
guys gonna do the report that's or next

1:41:26.850,1:41:34.440  
month

1:41:28.700,1:41:37.200  
okay so it's time I just like to

1:41:34.440,1:41:41.160  
introduce Walter and I know Walter is

1:41:37.200,1:41:42.720  
working on a few things and Walter if

1:41:41.160,1:41:47.400  
you just want to tell us what you've got

1:41:42.720,1:41:51.600  
going on now and what's going on with

1:41:47.400,1:41:54.300  
the Department for mayor first of all

1:41:51.600,1:41:56.070  
our lobby we opened up last week for two

1:41:54.300,1:41:58.590  
persons to come in with masks on now

1:41:56.070,1:42:00.390  
I've been close the last three months

1:41:58.590,1:42:02.640  
officers are meeting everybody outside

1:42:00.390,1:42:05.370  
in the parking lot so what are allowing

1:42:02.640,1:42:08.700  
people to come in we still aren't taking

1:42:05.370,1:42:10.590  
civilian finger prints or child car seat

1:42:08.700,1:42:12.840  
installations yes we're hoping to start

1:42:10.590,1:42:14.010  
those soon as soon as we you know a

1:42:12.840,1:42:18.900  
little bit more as far as what's going

1:42:14.010,1:42:20.250  
on for safety um presently something

1:42:18.900,1:42:21.690  
really big going on you know with what's

1:42:20.250,1:42:23.700  
going on in the news with police

1:42:21.690,1:42:25.950  
officers we're doing de-escalation

1:42:23.700,1:42:29.010  
training we're gonna be starting at next

1:42:25.950,1:42:30.870  
month I purchased the video which the

1:42:29.010,1:42:32.700  
officers will be viewing and going over

1:42:30.870,1:42:35.580  
with their squad sergeants as far as

1:42:32.700,1:42:38.520  
ways to talk about what they learned in

1:42:35.580,1:42:41.240  
the video but that's pretty much it

1:42:38.520,1:42:41.240  
right now

1:42:41.380,1:42:46.610  
okay well yeah but Walter you might want

1:42:44.750,1:42:49.130  
to mention that you know you've had

1:42:46.610,1:42:52.490  
discussions with what I'm sure every

1:42:49.130,1:42:56.930  
officer by now and I think there's been

1:42:52.490,1:42:58.700  
some really positive changes there and

1:42:56.930,1:43:00.200  
just sitting on the sidelines and

1:42:58.700,1:43:02.780  
watching you work I think you've done

1:43:00.200,1:43:05.720  
some really good things and we

1:43:02.780,1:43:08.510  
appreciate it and it's been a pleasure

1:43:05.720,1:43:10.760  
to have you so thank you for saying shot

1:43:08.510,1:43:12.350  
make sure he was aware that there's a

1:43:10.760,1:43:14.600  
lot of positive things going on I think

1:43:12.350,1:43:18.230  
them allows a lot better than it's been

1:43:14.600,1:43:20.890  
in a long time and I think it's it's

1:43:18.230,1:43:26.630  
just a very positive situation down

1:43:20.890,1:43:28.670  
thank you I'm a new trustee and it's a

1:43:26.630,1:43:30.650  
pleasure to see your face and meet you

1:43:28.670,1:43:35.510  
and I look forward to uh to talk to in

1:43:30.650,1:43:36.860  
person someday you know come down 64

1:43:35.510,1:43:39.470  
south and see if you hear the music

1:43:36.860,1:43:46.460  
playing it's me okay hopefully not too

1:43:39.470,1:43:50.500  
loud right well stop in and see me

1:43:46.460,1:43:54.230  
anytime he's like I sure will thank you

1:43:50.500,1:43:58.670  
okay go ahead Walter is there any other

1:43:54.230,1:44:04.550  
questions by anybody else be with us at

1:43:58.670,1:44:06.230  
the at the monthly at the first meeting

1:44:04.550,1:44:09.230  
of the month from here on out

1:44:06.230,1:44:13.400  
good for you ii well i'll be doing that

1:44:09.230,1:44:18.500  
yep so and then we'll make sure we get

1:44:13.400,1:44:21.170  
you up earlier I just want to comment on

1:44:18.500,1:44:23.660  
a couple of things though it has to do

1:44:21.170,1:44:25.460  
with the recent police reform

1:44:23.660,1:44:28.750  
legislation that was passed up in Albany

1:44:25.460,1:44:32.780  
so you're probably gonna be seeing

1:44:28.750,1:44:35.810  
Walter quite a bit between now and next

1:44:32.780,1:44:38.090  
April we're gonna have to put together a

1:44:35.810,1:44:40.400  
committee and and that committee is

1:44:38.090,1:44:42.410  
gonna include the public and there's

1:44:40.400,1:44:45.740  
gonna be legislation that every

1:44:42.410,1:44:49.160  
municipality is that it's going to have

1:44:45.740,1:44:51.590  
to come up with and pass in in

1:44:49.160,1:44:53.960  
conjunction with all of

1:44:51.590,1:44:59.090  
you know the elected official police

1:44:53.960,1:45:03.140  
departments and that is you know the map

1:44:59.090,1:45:06.280  
do with the new reform and and how

1:45:03.140,1:45:10.760  
pleased going to be implementing new

1:45:06.280,1:45:12.860  
tactics so to speak or for and that

1:45:10.760,1:45:15.740  
would be you know transparent and a

1:45:12.860,1:45:18.290  
public record so we have to comply with

1:45:15.740,1:45:21.140  
that by next April of 2021 every

1:45:18.290,1:45:24.530  
municipality has to comply with that so

1:45:21.140,1:45:32.090  
there will be quite a bit to discuss in

1:45:24.530,1:45:38.600  
the future well this is a little early

1:45:32.090,1:45:44.090  
but on June 19th I put up a memo from

1:45:38.600,1:45:46.420  
myself as mayor and are interested in

1:45:44.090,1:45:51.710  
putting together one of those committees

1:45:46.420,1:45:56.000  
with the black community that would

1:45:51.710,1:45:59.770  
engage with our Police Department and

1:45:56.000,1:46:03.890  
I've already talked to Walter about this

1:45:59.770,1:46:06.560  
Walter was very supportive and he was

1:46:03.890,1:46:11.270  
also very much looking forward to

1:46:06.560,1:46:14.300  
helping us get this going and I I think

1:46:11.270,1:46:18.820  
we'll be talking about the next meeting

1:46:14.300,1:46:18.820  
coming up and we'll have more about that

1:46:19.690,1:46:26.840  
so it should be noted that it was in the

1:46:23.660,1:46:29.900  
letter but we did review Walter and I

1:46:26.840,1:46:33.130  
the the policies of our Police

1:46:29.900,1:46:38.180  
Department and at the time they were

1:46:33.130,1:46:41.840  
stricter than the state guidance and we

1:46:38.180,1:46:44.240  
we feel we have a very Community

1:46:41.840,1:46:46.850  
Oriented Police Department that has done

1:46:44.240,1:46:49.640  
an excellent job at reaching out to

1:46:46.850,1:46:51.650  
everyone but we definitely want to make

1:46:49.640,1:46:54.320  
sure that everyone in the community has

1:46:51.650,1:46:57.020  
the firm that they are being watched out

1:46:54.320,1:47:02.540  
for and that would be one of our next

1:46:57.020,1:47:03.989  
steps that we take is to actually reach

1:47:02.540,1:47:07.820  
out to the community and incur

1:47:03.989,1:47:07.820  
them to get involved in this process

1:47:08.449,1:47:15.719  
very good I guess what we'll do is we'll

1:47:11.969,1:47:18.349  
get the police committee and myself and

1:47:15.719,1:47:20.760  
Walter together and we'll talk about the

1:47:18.349,1:47:22.800  
so we made our statement before the

1:47:20.760,1:47:25.260  
state had actually released that but we

1:47:22.800,1:47:26.940  
will get together and find out what this

1:47:25.260,1:47:30.679  
what guidance the state has put together

1:47:26.940,1:47:33.719  
regarding that that No

1:47:30.679,1:47:37.860  
all right very good Walter thank you for

1:47:33.719,1:47:40.019  
waiting for this and we'll the first

1:47:37.860,1:47:51.179  
meeting in July okay great thank you

1:47:40.019,1:47:52.289  
okay okay so the next item we have to

1:47:51.179,1:47:59.150  
talk about are there any more questions

1:47:52.289,1:48:03.269  
about anything we've talked about so far

1:47:59.150,1:48:08.659  
okay let me just make this let's just so

1:48:03.269,1:48:14.570  
we do are in receipt of a resignation

1:48:08.659,1:48:14.570  
from one of our police officers and I

1:48:14.690,1:48:26.539  
have the resolution for it is this

1:48:17.309,1:48:26.539  
something I should read yeah okay so

1:48:27.380,1:48:32.039  
we're as Martin says faithfully and

1:48:30.329,1:48:33.630  
diligently fulfilled the duties as a

1:48:32.039,1:48:36.059  
police officer for the village of

1:48:33.630,1:48:47.969  
Wappingers Falls Police Department hold

1:48:36.059,1:48:49.920  
on for this so where as mark Volt's has

1:48:47.969,1:48:52.349  
faithfully and diligently fulfilled the

1:48:49.920,1:48:54.749  
beauties the police officer for the

1:48:52.349,1:48:56.130  
village of Wappingers Falls and whereas

1:48:54.749,1:49:00.090  
mark bolts has tendered his resignation

1:48:56.130,1:49:02.369  
effective June 17th and whereas it is

1:49:00.090,1:49:04.889  
the desire of the mayor and the board to

1:49:02.369,1:49:07.320  
honor his service and to accept with

1:49:04.889,1:49:09.900  
appreciation his resignation now

1:49:07.320,1:49:12.420  
therefore be it resolved and was not a

1:49:09.900,1:49:15.090  
motion for this that the resignation of

1:49:12.420,1:49:17.740  
mark volts as a police officer for the

1:49:15.090,1:49:19.810  
village effective June 17th is

1:49:17.740,1:49:21.880  
to be it further resolved that mark

1:49:19.810,1:49:24.010  
Holtz is hereby commended for his

1:49:21.880,1:49:26.020  
dedicated professional service on behalf

1:49:24.010,1:49:28.360  
of the village its residents in the

1:49:26.020,1:49:29.860  
public and be it further resolved that

1:49:28.360,1:49:31.660  
the mayor and the village board of

1:49:29.860,1:49:33.700  
trustees for themselves and for all

1:49:31.660,1:49:36.250  
residents of the village to hear my

1:49:33.700,1:49:38.470  
crusted their appreciation for Mark's

1:49:36.250,1:49:41.260  
service and extends their best wishes

1:49:38.470,1:49:45.520  
and that this resolution shall take

1:49:41.260,1:49:49.300  
effect immediately and I would just like

1:49:45.520,1:49:51.750  
to express my own appreciation for all

1:49:49.300,1:49:58.750  
of my dealings with mark bolts he was a

1:49:51.750,1:50:01.120  
definitely a community representative

1:49:58.750,1:50:04.710  
for the police department for Wappingers

1:50:01.120,1:50:08.400  
Falls and he was a very caring office

1:50:04.710,1:50:10.930  
watched out for our community and in a

1:50:08.400,1:50:12.880  
very careful way and one of the things

1:50:10.930,1:50:15.670  
that I remember about mark was that he

1:50:12.880,1:50:18.400  
always was sure to make sure that

1:50:15.670,1:50:21.850  
mothers had their children in the

1:50:18.400,1:50:25.870  
correct kind of seat as they were out

1:50:21.850,1:50:27.280  
there and he would he'd felt very

1:50:25.870,1:50:30.940  
strongly about that and that was very

1:50:27.280,1:50:33.040  
useful for the village okay anybody else

1:50:30.940,1:50:37.690  
wanna state anything about mark

1:50:33.040,1:50:39.910  
I remember my only County where Mark was

1:50:37.690,1:50:41.320  
very early on when we moved to the

1:50:39.910,1:50:54.030  
village and it was the same that he

1:50:41.320,1:50:56.770  
adjusted my kids car seats yeah

1:50:54.030,1:51:00.730  
okay I don't know if Walter if you're

1:50:56.770,1:51:02.410  
there if you want to say anything mark

1:51:00.730,1:51:05.020  
he's really dedicated to the department

1:51:02.410,1:51:08.020  
he left about a year ago and then he

1:51:05.020,1:51:10.420  
just you know didn't by actors leave of

1:51:08.020,1:51:12.730  
absence but yeah it was a dedicated

1:51:10.420,1:51:16.360  
officer to the department that was three

1:51:12.730,1:51:21.990  
years ago when I worked there yes okay

1:51:16.360,1:51:25.870  
so could we get motion I'll make it

1:51:21.990,1:51:28.180  
second I'll second it seconded by

1:51:25.870,1:51:31.150  
trustee lammers or post confer I'm gonna

1:51:28.180,1:51:32.400  
do a roll call book trust

1:51:31.150,1:51:38.510  
lamb

1:51:32.400,1:51:41.520  
I rusty Davis I Christie pernessa hey

1:51:38.510,1:51:48.300  
trusty connect is absent trusty Marco

1:51:41.520,1:51:56.280  
John Oh rusty Huber I okay and that

1:51:48.300,1:51:58.230  
concludes the printed pagina am I

1:51:56.280,1:52:02.070  
correct that that's everything on the

1:51:58.230,1:52:03.750  
printed part of the agenda that is

1:52:02.070,1:52:07.889  
correct mayor and you're gonna have a

1:52:03.750,1:52:11.159  
resolution 20-20-20 of 2020 that you'll

1:52:07.889,1:52:13.860  
need to discuss an executive session

1:52:11.159,1:52:15.900  
okay so before we do that is there

1:52:13.860,1:52:19.020  
anything that any board member wants to

1:52:15.900,1:52:22.290  
bring up at this time I have something

1:52:19.020,1:52:23.510  
okay go ahead so I got a couple phone

1:52:22.290,1:52:31.679  
calls

1:52:23.510,1:52:35.429  
apparently they there's folks that are

1:52:31.679,1:52:39.540  
having yard sales without going to the

1:52:35.429,1:52:43.530  
village to ask to have them and I want

1:52:39.540,1:52:45.060  
to just be I asked Brian to to hang in

1:52:43.530,1:52:47.429  
there for a few minutes and thanks for

1:52:45.060,1:52:50.040  
doing that Brian Murphy I just want to

1:52:47.429,1:52:55.079  
see where we stand with them and and

1:52:50.040,1:52:58.110  
just talk about it for a second um there

1:52:55.079,1:53:01.469  
there is a permit application and a

1:52:58.110,1:53:06.570  
five-dollar fee to have a yard sale

1:53:01.469,1:53:08.579  
garage sale they filled out they

1:53:06.570,1:53:12.540  
submitted as long as they haven't had

1:53:08.579,1:53:16.619  
one in the last 90 days we issue it and

1:53:12.540,1:53:18.540  
we continue on in that that's really I

1:53:16.619,1:53:22.590  
haven't received any complaints in my

1:53:18.540,1:53:25.619  
office from any residents that's all I

1:53:22.590,1:53:28.469  
really have to stay on it okay so

1:53:25.619,1:53:29.670  
there's some but the owners I brought up

1:53:28.469,1:53:31.320  
is because there's a lot of people that

1:53:29.670,1:53:34.110  
are having yard sales I saw several

1:53:31.320,1:53:37.409  
signs this past weekend the weekend

1:53:34.110,1:53:39.570  
before but nobody nobody's asking to

1:53:37.409,1:53:41.540  
have them at the village so I just

1:53:39.570,1:53:45.079  
wanted to bring it up and make sure that

1:53:41.540,1:53:47.869  
I just got word that the world

1:53:45.079,1:53:49.219  
have on this far space 3 goes I don't

1:53:47.869,1:53:51.859  
have a problem with that but I just

1:53:49.219,1:53:54.079  
wanted to see where we stood so we're

1:53:51.859,1:53:56.659  
good it's all good

1:53:54.079,1:53:59.239  
ok yeah I mean I'm looking for if I see

1:53:56.659,1:54:06.919  
the signs on the telephone poles where

1:53:59.239,1:54:09.229  
they don't belong anyway the weekends

1:54:06.919,1:54:13.729  
you know I'm not really driving around

1:54:09.229,1:54:16.129  
the village March on the weekends what

1:54:13.729,1:54:19.699  
we could we could also put something out

1:54:16.129,1:54:23.959  
in the next pulling people know what the

1:54:19.699,1:54:26.839  
process is hardness water I don't want

1:54:23.959,1:54:28.429  
to be the yardsale police but I just

1:54:26.839,1:54:30.289  
wanted to make sure that folks know they

1:54:28.429,1:54:34.010  
should go register village hall that's

1:54:30.289,1:54:41.019  
all right gang complaints on will advise

1:54:34.010,1:54:45.019  
him ok yeah there I got a quick question

1:54:41.019,1:54:49.969  
you board meeting next month at the

1:54:45.019,1:54:53.629  
village well no I said that we would

1:54:49.969,1:54:55.820  
need to so we need to join cards it

1:54:53.629,1:54:59.749  
talked about the spacing requirements

1:54:55.820,1:55:04.039  
that we on there and I think as we were

1:54:59.749,1:55:06.229  
inspired by the town Wappingers layout

1:55:04.039,1:55:07.939  
maybe that's something that we could go

1:55:06.229,1:55:11.539  
to so it's possible that we might be

1:55:07.939,1:55:14.119  
able to have a meeting that would be a

1:55:11.539,1:55:17.780  
limited attendance I'm not sure what the

1:55:14.119,1:55:19.789  
requirement is for the it may still

1:55:17.780,1:55:23.709  
require because of the limit to the

1:55:19.789,1:55:27.079  
attendance the the online presence and

1:55:23.709,1:55:30.349  
so we would have to look into that but

1:55:27.079,1:55:37.129  
we will look about this at the end by

1:55:30.349,1:55:41.079  
the end of this week with John cards

1:55:37.129,1:55:53.649  
about the heating and cooling contractor

1:55:41.079,1:55:56.149  
getting that a hand and the bitters

1:55:53.649,1:55:58.880  
maybe John can help us out with this I

1:55:56.149,1:56:04.100  
mean well anymore

1:55:58.880,1:56:06.320  
yeah I've been evolving a board I've

1:56:04.100,1:56:09.440  
been involved as a building manager for

1:56:06.320,1:56:12.860  
about 18 years now and we've tried

1:56:09.440,1:56:15.590  
different things having one contractor

1:56:12.860,1:56:19.040  
paying one contractor to maintain our

1:56:15.590,1:56:22.340  
equipment on a monthly basis to me makes

1:56:19.040,1:56:24.950  
no sense I'd like to bring a contract

1:56:22.340,1:56:27.500  
I'd like to have contractors on board

1:56:24.950,1:56:31.010  
like we do for the plumbing and a

1:56:27.500,1:56:33.590  
electrician I can get one for the for

1:56:31.010,1:56:36.590  
the maintenance the oil burners and I

1:56:33.590,1:56:38.510  
can get one for the air conditioning we

1:56:36.590,1:56:40.280  
don't have a whole lot of equipment that

1:56:38.510,1:56:44.060  
we need to pay over two thousand dollars

1:56:40.280,1:56:45.890  
a month to maintain and it always seems

1:56:44.060,1:56:48.080  
like whenever something goes wrong it's

1:56:45.890,1:56:49.520  
a la carte we're not only paying for the

1:56:48.080,1:56:50.420  
service but then we got to pay for the

1:56:49.520,1:56:53.630  
repair too

1:56:50.420,1:56:57.260  
I would like to respectfully ask the

1:56:53.630,1:56:59.390  
board to let me go out solicit bids for

1:56:57.260,1:57:03.470  
two things one for the oil burner

1:56:59.390,1:57:07.070  
service and one for the air conditioning

1:57:03.470,1:57:09.440  
just like I did for the plumbing and the

1:57:07.070,1:57:11.960  
electrician so John I think that's a

1:57:09.440,1:57:15.200  
good idea but you should also ask and as

1:57:11.960,1:57:17.540  
part of that for our busy time and

1:57:15.200,1:57:20.450  
materials first so that if it's the

1:57:17.540,1:57:24.020  
middle of winter night and we have to

1:57:20.450,1:57:26.690  
replace a furnace that if that's what we

1:57:24.020,1:57:28.820  
have to pricing from the mystic capable

1:57:26.690,1:57:31.370  
of doing that if they're not capable of

1:57:28.820,1:57:33.770  
doing that it would be just as good to

1:57:31.370,1:57:38.480  
have another organization different from

1:57:33.770,1:57:44.120  
that one also good so it could be the

1:57:38.480,1:57:47.060  
same or a different organization correct

1:57:44.120,1:57:49.460  
mayor I I would ask for a weekly rate

1:57:47.060,1:57:52.610  
you know an hourly rate for during the

1:57:49.460,1:57:54.530  
week a Saturday rate and a Sunday

1:57:52.610,1:57:55.970  
holiday rate that's what I get from the

1:57:54.530,1:57:59.930  
plumbers that's what I get from the

1:57:55.970,1:58:02.210  
electrician but also talk to somebody

1:57:59.930,1:58:07.430  
about adding in the emergency

1:58:02.210,1:58:10.630  
installation of a so that we're able to

1:58:07.430,1:58:10.630  
do that if we have to

1:58:10.650,1:58:19.960  
thank you is everybody good with that

1:58:15.570,1:58:34.780  
yeah so there's no there's no

1:58:19.960,1:58:37.570  
requirement to alright I'm in place but

1:58:34.780,1:58:39.160  
I like to try to move forward what

1:58:37.570,1:58:44.800  
filling the spots on the planning board

1:58:39.160,1:58:46.660  
so I don't know so yeah we would talk

1:58:44.800,1:58:55.960  
about that an executive just like I said

1:58:46.660,1:59:00.070  
on the text talking earlier okay the

1:58:55.960,1:59:06.910  
next so I did we do have a form that

1:59:00.070,1:59:08.890  
people can fill out and it is on the

1:59:06.910,1:59:11.920  
village website and it's a comment form

1:59:08.890,1:59:13.900  
we did get three comments cindy refer

1:59:11.920,1:59:17.740  
referred to them that I'm going to read

1:59:13.900,1:59:21.010  
them here into the record and make sure

1:59:17.740,1:59:24.610  
that John has them so the first comment

1:59:21.010,1:59:29.470  
that we got was from a resident on

1:59:24.610,1:59:31.720  
Spring Street and Chelsea acre and she

1:59:29.470,1:59:34.360  
talks about upkeep of the public parking

1:59:31.720,1:59:36.910  
area in the dock at the end of North at

1:59:34.360,1:59:38.590  
the north end of Spring Street and she

1:59:36.910,1:59:40.360  
says I've seen a rise in the amount of

1:59:38.590,1:59:43.240  
people who are frequenting the rough in

1:59:40.360,1:59:45.370  
Wappingers Lake public dock on Spring

1:59:43.240,1:59:47.080  
Street since I lived next door I'm happy

1:59:45.370,1:59:49.480  
to see people using the park and dock

1:59:47.080,1:59:51.700  
more but I have also witnessed a ton of

1:59:49.480,1:59:54.010  
garbage littered all over fast food

1:59:51.700,1:59:56.470  
containers beer cans napkins and used

1:59:54.010,1:59:58.270  
condoms for one this makes me sad that

1:59:56.470,2:00:00.160  
people don't seem to treat our village

1:59:58.270,2:00:02.500  
with care but also what a horrible sight

2:00:00.160,2:00:04.540  
for anyone to see we are lucky to have

2:00:02.500,2:00:06.850  
such wonderful public spaces but they

2:00:04.540,2:00:09.370  
need to be cared for I do not think the

2:00:06.850,2:00:11.500  
answer is trash cans but signs to remind

2:00:09.370,2:00:13.990  
people to take their garbage with them

2:00:11.500,2:00:15.940  
like many parks do also there needs to

2:00:13.990,2:00:16.420  
be regular upkeep just like any other

2:00:15.940,2:00:18.520  
Park

2:00:16.420,2:00:21.040  
I've never seen anyone except for the

2:00:18.520,2:00:22.810  
mowers for vets Park once a week I think

2:00:21.040,2:00:23.380  
it is amazing that the village is

2:00:22.810,2:00:25.449  
cleaning up

2:00:23.380,2:00:27.190  
Lake Daly with the skimmer boat but if

2:00:25.449,2:00:29.320  
you want more people to use the lake

2:00:27.190,2:00:31.630  
then the public area around the dock

2:00:29.320,2:00:33.639  
needs to be cared for as well another

2:00:31.630,2:00:36.190  
concern is the actual state of the

2:00:33.639,2:00:37.929  
parking area my family moved in three

2:00:36.190,2:00:39.460  
years ago when the pipes were being

2:00:37.929,2:00:41.679  
replaced and all the roads repaired

2:00:39.460,2:00:44.350  
except for the end of Spring Street past

2:00:41.679,2:00:46.960  
the corner of Pelham this area is used

2:00:44.350,2:00:50.170  
heavily all year long summer for people

2:00:46.960,2:00:52.300  
visiting the dock and winter due to the

2:00:50.170,2:00:54.670  
snow ordinance every year there are more

2:00:52.300,2:00:56.739  
cars so I feel confident saying that the

2:00:54.670,2:00:57.550  
designated parking area needs to be

2:00:56.739,2:00:59.380  
expanded

2:00:57.550,2:01:01.630  
I hope I've made it clear that I'm not

2:00:59.380,2:01:03.760  
just a disgruntled resident wanting the

2:01:01.630,2:01:06.010  
area outside our house fixed up I have

2:01:03.760,2:01:08.889  
just I have first-hand experience how

2:01:06.010,2:01:11.020  
much this area gets used by taxpayers

2:01:08.889,2:01:13.360  
and I believe it is in villages best

2:01:11.020,2:01:15.190  
interest to show pride in our public

2:01:13.360,2:01:19.600  
spaces by keeping them clean functional

2:01:15.190,2:01:26.710  
and beautiful thank you chelsea acre and

2:01:19.600,2:01:31.000  
the second comment we got is from

2:01:26.710,2:01:33.520  
Melissa AB Meter of six Trabuco place

2:01:31.000,2:01:36.219  
and she's also writing to us about vets

2:01:33.520,2:01:38.889  
park kindly me in the village on the

2:01:36.219,2:01:42.070  
amount of trash cans for oil has

2:01:38.889,2:01:44.380  
decreased over time and we are presented

2:01:42.070,2:01:46.420  
with one trash can presently what's a

2:01:44.380,2:01:49.330  
question litter is everywhere which

2:01:46.420,2:01:51.969  
means animals also with high 80-degree

2:01:49.330,2:01:55.860  
weather brings out a stench what are our

2:01:51.969,2:02:01.900  
our options for a remedy on this issue

2:01:55.860,2:02:08.230  
and we are also in receipt of a comment

2:02:01.900,2:02:12.400  
from Matthew desiderio from West Main

2:02:08.230,2:02:13.960  
Street and he says hi all it was my

2:02:12.400,2:02:15.909  
understanding that new trash cans

2:02:13.960,2:02:17.650  
benches and parking signs were purchased

2:02:15.909,2:02:19.840  
by the village quite some time ago I

2:02:17.650,2:02:22.060  
have not seen any of those to be put to

2:02:19.840,2:02:24.520  
use can you please clarify if we do in

2:02:22.060,2:02:27.070  
fact have those items and what the plan

2:02:24.520,2:02:28.840  
and time frame is to display them all I

2:02:27.070,2:02:30.520  
think Knapp with the good weather and

2:02:28.840,2:02:32.710  
people looking to get outside would be

2:02:30.520,2:02:37.350  
the ideal time for us to make use of

2:02:32.710,2:02:37.350  
them and attract foot traffic

2:02:37.889,2:02:44.079  
to the village to aid the small

2:02:40.239,2:02:49.090  
businesses so Matt I believe design the

2:02:44.079,2:02:51.599  
economic development committee so those

2:02:49.090,2:02:53.920  
kind of leave we're all addressed by

2:02:51.599,2:02:55.949  
Cindy I'm not sure if anybody on the

2:02:53.920,2:02:58.869  
board wants to comment on them but we'll

2:02:55.949,2:03:03.429  
give them also to the highway committee

2:02:58.869,2:03:05.619  
to take back to Pete and to see if you

2:03:03.429,2:03:20.820  
can address those items is that okay

2:03:05.619,2:03:29.800  
Kevin it's I mean it I think it's just

2:03:20.820,2:03:30.989  
and I have the conversation okay very

2:03:29.800,2:03:35.320  
good

2:03:30.989,2:03:39.360  
okay so that concludes the comment

2:03:35.320,2:03:41.920  
portion is there anybody on YouTube or

2:03:39.360,2:03:53.199  
here who is not on the board that would

2:03:41.920,2:03:57.480  
like to make a comment and I am do you

2:03:53.199,2:04:01.090  
want to say a few words as new trustee

2:03:57.480,2:04:06.400  
yeah I just would like to say hello

2:04:01.090,2:04:08.829  
everyone and this is a this is a very

2:04:06.400,2:04:12.040  
very big deal for me and I'm gonna just

2:04:08.829,2:04:16.090  
do my best for my neighbors here in a

2:04:12.040,2:04:21.429  
village and your any so many questions I

2:04:16.090,2:04:23.290  
asked please forgive me okay anybody

2:04:21.429,2:04:25.449  
else have anything to say and we're

2:04:23.290,2:04:28.300  
waiting to see if there is anybody from

2:04:25.449,2:04:30.820  
the public who is on YouTube who would

2:04:28.300,2:04:34.090  
like to make a comment and the way to do

2:04:30.820,2:04:37.900  
that is to go on to the village website

2:04:34.090,2:04:40.780  
and click on the zoom information that's

2:04:37.900,2:04:44.650  
listed there for the June 24th 2020

2:04:40.780,2:04:46.809  
meeting so is there any other trustees

2:04:44.650,2:04:48.130  
or anybody here at present in the zoom

2:04:46.809,2:04:50.460  
right now that would like to make a

2:04:48.130,2:04:50.460  
comment

2:04:54.180,2:05:12.640  
okay we'll wait and I think we can i'd

2:05:10.270,2:05:15.130  
like to so we do have a few items that

2:05:12.640,2:05:17.320  
we need to talk about but I'm gonna ask

2:05:15.130,2:05:20.050  
that we go into executive session one I

2:05:17.320,2:05:23.800  
at least one item will result in a vote

2:05:20.050,2:05:26.770  
they have to do with personnel there is

2:05:23.800,2:05:29.140  
a bargaining agreement issue that we

2:05:26.770,2:05:33.130  
have to talk about and is there anything

2:05:29.140,2:05:35.650  
else Craig now just the the litigation

2:05:33.130,2:05:41.170  
matter okay in a litigation matter so

2:05:35.650,2:05:45.910  
there's - okay so okay Mayer into the

2:05:41.170,2:05:50.740  
executive session do Walter and Brian go

2:05:45.910,2:05:55.840  
in there or just the six other board

2:05:50.740,2:05:58.420  
member boxes so we're gonna go into

2:05:55.840,2:06:01.690  
executive session with all six members

2:05:58.420,2:06:06.520  
of the board and that includes the new

2:06:01.690,2:06:07.090  
trustee Brian Lammers Scott Davis mareep

2:06:06.520,2:06:09.850  
Anessa

2:06:07.090,2:06:15.750  
Kevin Huber who has Billy Marco John

2:06:09.850,2:06:15.750  
with him and myself and the attorney

2:06:20.340,2:06:28.630  
okay could we get a motion to go into

2:06:22.630,2:06:31.410  
executive session seconded by trustee

2:06:28.630,2:06:34.750  
Vanessa all those in favor all right

2:06:31.410,2:06:39.970  
okay so you're gonna get a request up to

2:06:34.750,2:06:42.100  
go into a side room and so when if you

2:06:39.970,2:06:44.320  
get required something just say it's

2:06:42.100,2:06:46.060  
okay that you want to do it and you all

2:06:44.320,2:06:48.720  
have my phone number if you need more

2:06:46.060,2:06:48.720  
instructions

2:07:00.769,2:07:02.829  
you

2:07:03.599,2:07:26.760  
we're all here I'm here kami yeah is

2:07:12.940,2:07:33.580  
Matty here I'm here okay okay we have on

2:07:26.760,2:07:36.340  
16th I received I have discussed with

2:07:33.580,2:07:39.010  
the Planning Board Chair on tonight was

2:07:36.340,2:07:44.020  
my intention to discuss with this Ford

2:07:39.010,2:07:49.090  
the appointment of Adam Laura Sela to

2:07:44.020,2:07:50.619  
the Planning Board as the member who

2:07:49.090,2:07:54.040  
would fill out the rest of Trent

2:07:50.619,2:07:58.889  
Atkinson's appointment which I believe

2:07:54.040,2:08:01.239  
ends in April of 2021 and were the

2:07:58.889,2:08:05.980  
appointments for alternates to go to

2:08:01.239,2:08:12.099  
Donny McCormick and Joe Simoni Joe

2:08:05.980,2:08:15.699  
submitted his resume and we have it and

2:08:12.099,2:08:17.860  
so he's highly qualified in his

2:08:15.699,2:08:19.270  
administrative position and is the new

2:08:17.860,2:08:21.159  
resident but is a new resident of the

2:08:19.270,2:08:24.489  
village of Wappingers Falls so I'd like

2:08:21.159,2:08:28.630  
to ask the board if we could make

2:08:24.489,2:08:32.050  
motions first for Adam loris elopes have

2:08:28.630,2:08:36.099  
fill out the Planning Board seat as a

2:08:32.050,2:08:39.639  
permanent member whose seat would be up

2:08:36.099,2:08:45.250  
for reappointment in April of 2021 and

2:08:39.639,2:08:47.349  
I'd like to ask if there's a motion okay

2:08:45.250,2:08:50.770  
so I'll take Kevin here motion in a

2:08:47.349,2:08:56.380  
second second second by trustee Vanessa

2:08:50.770,2:08:57.040  
all those in favor okay and one

2:08:56.380,2:09:02.469  
abstention

2:08:57.040,2:09:08.290  
and so I've got three and I will add my

2:09:02.469,2:09:11.320  
name to that too so it's for four votes

2:09:08.290,2:09:13.420  
so that passes and the next item is I'd

2:09:11.320,2:09:16.090  
like to ask if we could get a motion to

2:09:13.420,2:09:20.020  
appoint Donnie

2:09:16.090,2:09:23.080  
and Joe Simoni as alternates to the

2:09:20.020,2:09:26.110  
Planning Board whose and those

2:09:23.080,2:09:30.640  
appointments would be up and after the

2:09:26.110,2:09:34.480  
September 15 collection okay

2:09:30.640,2:09:37.650  
second I can i buy trucks beep Vanessa

2:09:34.480,2:09:37.650  
all those in favor aye

2:09:37.860,2:09:45.940  
any opposed

2:09:39.540,2:09:51.070  
and no abstentions right okay all right

2:09:45.940,2:09:58.710  
we also have to I have to do a

2:09:51.070,2:09:58.710  
stipulation and so pull that up

2:10:04.650,2:10:14.650  
so ask if I could have resolution number

2:10:10.050,2:10:16.810  
22 o - o - o of 2020 resolution

2:10:14.650,2:10:18.910  
authorizing stipulation of agreement

2:10:16.810,2:10:20.950  
with Police Benevolent Association of

2:10:18.910,2:10:23.590  
Wappingers Falls in connection with perb

2:10:20.950,2:10:32.200  
case number youth three seven oh one

2:10:23.590,2:10:39.280  
five I'll make it okay and could I get a

2:10:32.200,2:10:42.310  
second second buddy I didn't hear who

2:10:39.280,2:10:44.440  
second and that will market young Billy

2:10:42.310,2:10:49.510  
market - all those in favor and they do

2:10:44.440,2:10:50.650  
call for this one trustee Panetta hi

2:10:49.510,2:10:54.750  
rusty

2:10:50.650,2:11:03.760  
Marco John all right rusty Huber all

2:10:54.750,2:11:06.760  
trustee Davis aye and I'll I - okay and

2:11:03.760,2:11:13.720

2:11:06.760,2:11:15.370  
Slammers as absent okay and at this time

2:11:13.720,2:11:16.560

to adjourn

2:11:16.560,2:11:24.130
