good evening and welcome to the village

monthly regular meeting of the mayor and

0:00:16.560,0:00:22.400
the board of trustees

0:00:18.080,0:00:25.519
for today wednesday september 9th 2020.

0:00:22.400,0:00:31.840
uh i would like to ask that we

0:00:25.519,0:00:31.840
say the pledge of allegiance to the flag

0:00:33.840,0:00:45.840
i pledge allegiance to the flag

0:00:36.960,0:00:45.840
of the united states and to the republic

0:00:51.920,0:00:56.480
and at this time i'd like to ask that we

0:00:54.719,0:00:59.680
take a moment of silence

0:00:56.480,0:01:04.960
for mr stu stegall

0:00:59.680,0:01:08.000
a beloved member of the watkins falls

0:01:04.960,0:01:10.160
village family stu stegall

0:01:08.000,0:01:11.439
was a very special man who

0:01:10.160,0:01:13.200
[Music]

0:01:11.439,0:01:14.640
if you got to know him you had to love

0:01:13.200,0:01:17.360
him he

0:01:14.640,0:01:19.759
always had a good story he was a great

0:01:17.360,0:01:22.240
volunteer i'm going to let scott davis

0:01:19.759,0:01:24.400
his neighbor from across the street uh

0:01:22.240,0:01:28.560
talk a little bit about him

0:01:24.400,0:01:41.840
after this moment of silence mr stegall

0:01:28.560,0:01:41.840
passed away recently

0:01:43.280,0:01:48.720
okay thank you scott trust me so

0:01:46.799,0:01:50.640
i had the distinct privilege of living

0:01:48.720,0:01:53.520
across the street from stoofer

0:01:50.640,0:01:54.720
and jackie for many many years um i know

0:01:53.520,0:01:56.960
that uh

0:01:54.720,0:01:59.119
i remember a lot about still we used to

0:01:56.960,0:02:03.439
share some great stories together and

0:01:59.119,0:02:06.240
um still was an inspector in the navy

0:02:03.439,0:02:08.000
and um when he went on to the ships to

0:02:06.240,0:02:09.759
inspect her under a submarine to

0:02:08.000,0:02:11.920
inspect he didn't take any garbage from

0:02:09.759,0:02:13.599
anybody and um

0:02:11.920,0:02:14.959
when he went on board the ship to

0:02:13.599,0:02:17.280
inspect he didn't have

0:02:14.959,0:02:18.400
rank didn't have a matter and and i know

0:02:17.280,0:02:20.400
that still uh

0:02:18.400,0:02:21.520
loved to tell that story about how tough

0:02:20.400,0:02:23.920
he was when he went through his

0:02:21.520,0:02:25.840
inspections and how much it meant to him

0:02:23.920,0:02:27.599
still was a boy scout leader in the

0:02:25.840,0:02:29.440
community

0:02:27.599,0:02:30.640
well known for his work with the boy

0:02:29.440,0:02:33.040
scouts

0:02:30.640,0:02:34.640
power squadron they were him and jackie

0:02:33.040,0:02:36.640
were involved with power squadron for

0:02:34.640,0:02:38.720
many years and

0:02:36.640,0:02:40.480
he was just a great neighbor but really

0:02:38.720,0:02:43.519
really good to talk to he had many

0:02:40.480,0:02:46.800
many a good story to tell and he was him

0:02:43.519,0:02:46.800
and jackie were really good people

0:02:47.120,0:02:54.800
thank you scott

0:02:51.680,0:02:57.519

0:04:50.639,0:04:54.320
thank you um

0:04:54.400,0:05:01.440

mia park uh we are going to

0:05:05.600,0:05:12.400
be commit be uh commemorating

0:05:08.720,0:05:15.680
national pow mia day at

0:05:12.400,0:05:19.919
joseph mcdonald's memorial the pow

0:05:15.680,0:05:22.240
mia memorial at the pow mia park

0:05:19.919,0:05:23.680
which is one of the if not the first

0:05:22.240,0:05:26.800
it's one of the first

0:05:23.680,0:05:29.440
pow mia parks in the nation

0:05:26.800,0:05:30.479
at the corner of route 9 and east main

0:05:29.440,0:05:33.840
street

0:05:30.479,0:05:34.560
um this is a special event that is

0:05:33.840,0:05:37.919
attended

0:05:34.560,0:05:39.199
by members of joseph mcdonald's family

0:05:37.919,0:05:42.800
it's attended by

0:05:39.199,0:05:46.800
village residents who have both

0:05:42.800,0:05:50.080
have and were friends with pows or mia's

0:05:46.800,0:05:54.400
it is also hosted by

0:05:50.080,0:05:57.520
continuously since for about 35 years

0:05:54.400,0:06:00.960
the rolling funder group who

0:05:57.520,0:06:04.880
uh makes sure that we always remember

0:06:00.960,0:06:07.120
the pows and mias there's a missing man

0:06:04.880,0:06:08.240
ceremony and there's a chance for

0:06:07.120,0:06:11.280
village residents

0:06:08.240,0:06:11.840
to speak about their loved ones loved

0:06:11.280,0:06:15.840
ones

0:06:11.840,0:06:21.840
or just pow mias in general

0:06:15.840,0:06:21.840
so we invite you to attend that as well

0:06:23.600,0:06:30.240
um i will also tell you that uh the

0:06:27.039,0:06:32.800
park at franny reese is

0:06:30.240,0:06:34.560
nearing completion it's not yet complete

0:06:32.800,0:06:37.600
it will remain closed while the

0:06:34.560,0:06:37.600
contractor has

0:06:37.759,0:06:43.280
control over the site so the contractor

0:06:41.199,0:06:47.440
is not done with some

0:06:43.280,0:06:50.800
key elements of the park which are

0:06:47.440,0:06:51.360
safe which uh are safety issues in

0:06:50.800,0:06:53.360
nature

0:06:51.360,0:06:55.120
and uh we won't be opening up the

0:06:53.360,0:06:57.680
parking lot until those

0:06:55.120,0:06:59.520
issues are taken care of uh but things

0:06:57.680,0:07:02.720
are going pretty smoothly

0:06:59.520,0:07:06.000
we were there this morning setting up

0:07:02.720,0:07:07.360
the new park benches which look great i

0:07:06.000,0:07:09.360
think they've been bolted into the

0:07:07.360,0:07:12.960
ground already there should be a flag

0:07:09.360,0:07:15.280
going up um the

0:07:12.960,0:07:16.000
there will be railings put up going down

0:07:15.280,0:07:19.520
the stairs

0:07:16.000,0:07:23.039
to the bottom portion of the property

0:07:19.520,0:07:25.360
and we hope that this part can be opened

0:07:23.039,0:07:27.360
up towards the end of the month

0:07:25.360,0:07:29.599
and i'll be giving you more information

0:07:27.360,0:07:30.400
about that it looks like right now we're

0:07:29.599,0:07:34.240
targeting

0:07:30.400,0:07:37.280
the first weekend in october

0:07:34.240,0:07:38.880
as being the date of the opening but

0:07:37.280,0:07:42.000
we'll give you more information about

0:07:38.880,0:07:44.879
that on our facebook page

0:07:42.000,0:07:48.479
or in the paper as we get closer to the

0:07:44.879,0:07:51.199
contractor actually leaving this light

0:07:48.479,0:07:51.840
so uh one other item that i have to

0:07:51.199,0:07:54.639
announce

0:07:51.840,0:07:56.400
and tell you about is that on tuesday

0:07:54.639,0:07:59.520
september 1st

0:07:56.400,0:08:03.199
uh before noon uh there was

0:07:59.520,0:08:05.919
a uh an accident at

0:08:03.199,0:08:06.720
the location where the west main street

0:08:05.919,0:08:09.840
sidewalk

0:08:06.720,0:08:12.960
projects are happening and uh

0:08:09.840,0:08:15.599
central hudson had gotten a d.o.t

0:08:12.960,0:08:16.720
permit to complete some work on a gas

0:08:15.599,0:08:19.120
main

0:08:16.720,0:08:21.199
project that was underneath the sidewalk

0:08:19.120,0:08:24.960
when our contractor

0:08:21.199,0:08:25.440
had struck the the gas main that was

0:08:24.960,0:08:27.280
there

0:08:25.440,0:08:28.560
because it was too shallow at that

0:08:27.280,0:08:31.399
location

0:08:28.560,0:08:33.039
uh let's let us know that that was a

0:08:31.399,0:08:36.320
1926

0:08:33.039,0:08:40.560
gas main that goes underneath there and

0:08:36.320,0:08:43.200
um they got out there quickly and

0:08:40.560,0:08:44.640
work on it and decided at first that

0:08:43.200,0:08:48.320
they were going to do

0:08:44.640,0:08:49.040
a short installation and then it ended

0:08:48.320,0:08:52.080
up being

0:08:49.040,0:08:53.680
a 450 foot installation that they were

0:08:52.080,0:08:57.440
proposing

0:08:53.680,0:09:01.040
they got up past mount carmel

0:08:57.440,0:09:02.800
and they had they were using a heavy

0:09:01.040,0:09:05.920
piece of equipment

0:09:02.800,0:09:09.040
which was too much

0:09:05.920,0:09:12.160
for the retaining wall and it

0:09:09.040,0:09:14.959
pushed over the retaining wall at

0:09:12.160,0:09:15.360
that location so we're not yet sure what

0:09:14.959,0:09:18.640
the

0:09:15.360,0:09:22.000
extent of the damage is and what

0:09:18.640,0:09:23.920
kind of means will be

0:09:22.000,0:09:25.120
need to be taken to rectify the

0:09:23.920,0:09:28.160
situation

0:09:25.120,0:09:30.640
it's being looked at now uh by

0:09:28.160,0:09:31.920
village state and central hudson

0:09:30.640,0:09:34.240
engineers and

0:09:31.920,0:09:36.720
uh we will move forward i will let you

0:09:34.240,0:09:39.680
know that i have made a phone call

0:09:36.720,0:09:41.440
to uh senator sue cerino's office and

0:09:39.680,0:09:43.440
gotten their assistance

0:09:41.440,0:09:45.040
in this matter and they have indicated

0:09:43.440,0:09:47.040
that they will do everything

0:09:45.040,0:09:49.120
in their power to help us through this

0:09:47.040,0:09:52.720
situation

0:09:49.120,0:09:56.720
it is very likely that

0:09:52.720,0:10:00.399
the sidewalk in front of mount carmel

0:09:56.720,0:10:03.120
and gallucci park will uh end up

0:10:00.399,0:10:05.279
not being replaced at all at that

0:10:03.120,0:10:07.440
location it's very likely

0:10:05.279,0:10:08.959
i'm telling you things that you can use

0:10:07.440,0:10:09.600
in your planning now that haven't

0:10:08.959,0:10:12.880
actually

0:10:09.600,0:10:15.680
uh been uh laid out

0:10:12.880,0:10:17.600
in a uh plan but i'm telling you these

0:10:15.680,0:10:20.800
things because they are very likely

0:10:17.600,0:10:24.560
not certain but it's very likely that

0:10:20.800,0:10:24.959
the sidewalk for that section that is in

0:10:24.560,0:10:28.160
front

0:10:24.959,0:10:31.680
of mount carmel and

0:10:28.160,0:10:35.040
gallucci park will not be replaced until

0:10:31.680,0:10:37.760
the spring of 2021 if that

0:10:35.040,0:10:39.920
is the case it is likely that the

0:10:37.760,0:10:42.320
parking spaces across the street

0:10:39.920,0:10:42.959
from that location along west main

0:10:42.320,0:10:45.839
street

0:10:42.959,0:10:47.200
will be closed to parking and will end

0:10:45.839,0:10:49.279
up as a travel lane

0:10:47.200,0:10:51.120
while the state and central hudson

0:10:49.279,0:10:55.200
determine what is necessary

0:10:51.120,0:10:58.240
to get that site uh rectified

0:10:55.200,0:11:01.360
um in the event that

0:10:58.240,0:11:05.120
there might be a claim for our

0:11:01.360,0:11:07.440
issue uh we would

0:11:05.120,0:11:08.880
uh we have prepared our insurance

0:11:07.440,0:11:11.680
company by making

0:11:08.880,0:11:13.519
that putting them on notice so that's

0:11:11.680,0:11:14.079
really all the information i have about

0:11:13.519,0:11:17.680
this right

0:11:14.079,0:11:19.519
now and i will uh be

0:11:17.680,0:11:22.800
giving you more information that is as

0:11:19.519,0:11:25.920
it is made available to the village

0:11:22.800,0:11:30.160
um okay so that's

0:11:25.920,0:11:32.640
it with the

0:11:30.160,0:11:34.640
announcements recognition and special

0:11:32.640,0:11:37.519
events unless anybody else has

0:11:34.640,0:11:37.519
anything to add

0:11:41.279,0:11:48.240
okay so i'd like to ask john karge our

0:11:44.800,0:11:48.240
clerk if he would do the roll call

0:11:49.279,0:11:59.200
mayor alexander here trustee marco john

0:11:54.839,0:12:02.959
absent trustee davis

0:11:59.200,0:12:05.839
here trustee kimornik here

0:12:02.959,0:12:05.839
trustee huber

0:12:09.519,0:12:11.839
you

0:12:14.399,0:12:21.440
trustee panesa here

0:12:18.240,0:12:25.360
trustee lamarz here

0:12:21.440,0:12:27.680
village attorney wallace here

0:12:25.360,0:12:30.959
okay and so let the record show that

0:12:27.680,0:12:33.279
trustee cooper is here

0:12:30.959,0:12:34.240
but i didn't hear him i'm not sure if

0:12:33.279,0:12:38.880
the

0:12:34.240,0:12:43.360
audio came out for him okay

0:12:38.880,0:12:46.959
yes okay so you're here good thank you

0:12:43.360,0:12:48.800
okay so uh i have confirmed with the

0:12:46.959,0:12:50.639
village attorney that tonight's meeting

0:12:48.800,0:12:52.240
has been convened in accordance with the

0:12:50.639,0:12:55.519
governors march 13

0:12:52.240,0:12:57.120
2020 executive order 202.1 and all

0:12:55.519,0:12:59.360
superseding orders

0:12:57.120,0:13:01.360
which suspends certain provisions of the

0:12:59.360,0:13:03.920
open meetings law to allow

0:13:01.360,0:13:05.680
a municipal board to convene a meeting

0:13:03.920,0:13:07.680
via video conferencing

0:13:05.680,0:13:09.440
in accordance with the executive order

0:13:07.680,0:13:11.440
the public has been provided with the

0:13:09.440,0:13:12.160
ability to view tonight's work session

0:13:11.440,0:13:14.240
meeting

0:13:12.160,0:13:16.320
and the transcript will be provided at a

0:13:14.240,0:13:17.360
later date i've done a roll call of the

0:13:16.320,0:13:19.279
board members

0:13:17.360,0:13:21.440
and there is a quorum present for this

0:13:19.279,0:13:23.279
meeting i've also confirmed with the

0:13:21.440,0:13:24.560
village clerk that this meeting has been

0:13:23.279,0:13:26.160
duly noticed

0:13:24.560,0:13:28.160
we have fulfilled our legal notice

0:13:26.160,0:13:29.600
requirements by posting notice on the

0:13:28.160,0:13:32.000
village's

0:13:29.600,0:13:33.440
facebook page faxing it to news

0:13:32.000,0:13:35.839
organizations and

0:13:33.440,0:13:37.120
notice on the village's homepage of its

0:13:35.839,0:13:40.160
website

0:13:37.120,0:13:42.399
and uh at this time

0:13:40.160,0:13:43.839
i would like to ask if we could have a

0:13:42.399,0:13:46.959
motion to approve

0:13:43.839,0:13:49.839
the august 12th and august 26th

0:13:46.959,0:13:49.839
meeting minutes

0:13:50.000,0:13:56.399
i'll make it second i'll second it

0:13:54.320,0:13:58.160
seconded by trustee lammers all those in

0:13:56.399,0:14:01.199
favor aye

0:13:58.160,0:14:02.880
are you opposed okay

0:14:01.199,0:14:05.279
could i have a motion from the finance

0:14:02.880,0:14:06.959
committee to authorize to pay bills as

0:14:05.279,0:14:10.240
per approved warrants

0:14:06.959,0:14:13.440
i'll make it second

0:14:10.240,0:14:14.320
exactly by trustee huber all those in

0:14:13.440,0:14:18.480
favor

0:14:14.320,0:14:18.480
aye any opposed

0:14:20.399,0:14:24.560
okay um so

0:14:23.000,0:14:27.360
[Music]

0:14:24.560,0:14:29.279
last month we had a motion by trustee

0:14:27.360,0:14:30.000
podesta to adjourn the public hearing

0:14:29.279,0:14:33.120
resolution

0:14:30.000,0:14:36.399
number 342020

0:14:33.120,0:14:38.399
of 2020 to today

0:14:36.399,0:14:39.839
um it was seconded by trustee lammers

0:14:38.399,0:14:42.480
and it carried

0:14:39.839,0:14:45.360
so i'm going to turn this over to the uh

0:14:42.480,0:14:48.560
do we need to reopen the meeting

0:14:45.360,0:14:49.600
uh no at this time no because uh i just

0:14:48.560,0:14:53.199
talked to brian

0:14:49.600,0:14:55.519
um before the meeting uh today and um

0:14:53.199,0:14:57.600
uh we just we don't have enough

0:14:55.519,0:14:59.360
information to give to the village board

0:14:57.600,0:15:00.959
right now to continue with the public

0:14:59.360,0:15:04.399
hearing um

0:15:00.959,0:15:07.440
you'll recall that the resolution to

0:15:04.399,0:15:08.160
cut the weeds and grass and all the

0:15:07.440,0:15:11.120
debris

0:15:08.160,0:15:14.160
passed and that work still has to be

0:15:11.120,0:15:15.680
done and until that work is done

0:15:14.160,0:15:18.160
we don't have enough information to

0:15:15.680,0:15:20.240
assess the structural damage

0:15:18.160,0:15:22.240
that is the subject matter of the

0:15:20.240,0:15:23.199
resolution before you in public hearing

0:15:22.240,0:15:26.480
so

0:15:23.199,0:15:29.360
i'm going to ask the board to continue

0:15:26.480,0:15:31.360
adjourn this public hearing uh brian do

0:15:29.360,0:15:34.639
you have a date in mind

0:15:31.360,0:15:38.959
you think probably uh

0:15:34.639,0:15:43.680
the next meeting in october at least

0:15:38.959,0:15:46.399
um yeah maybe the the first

0:15:43.680,0:15:46.720
actual village board meeting in october

0:15:46.399,0:15:49.120
which

0:15:46.720,0:15:50.639
will give us a little bit of time we

0:15:49.120,0:15:53.120
have to find a contractor that's

0:15:50.639,0:15:54.160
going to go in and clean this up and i

0:15:53.120,0:15:57.040
haven't had the time

0:15:54.160,0:15:57.040
to do it yet

0:15:58.399,0:16:02.959
so that let's put it over let's put the

0:16:01.600,0:16:08.399
public hearing over

0:16:02.959,0:16:11.680
for the first meeting of the october uh

0:16:08.399,0:16:12.560
month and um you know what it will

0:16:11.680,0:16:16.560
either

0:16:12.560,0:16:16.560
go forward or it will be a control date

0:16:18.399,0:16:23.600
we have a can we have a motion to

0:16:20.399,0:16:26.480
adjourn to october 14th

0:16:23.600,0:16:26.480
can i have a motion

0:16:29.519,0:16:35.360
so motion by trustee lammers second

0:16:32.720,0:16:37.759
second recorded by trustee panesa all

0:16:35.360,0:16:41.040
those in favor

0:16:37.759,0:16:41.040
aye any opposed

0:16:41.120,0:16:44.320
okay um

0:16:47.440,0:16:51.839
did that passed

0:16:55.680,0:16:59.600
okay so the next item on the agenda i

0:16:58.079,0:17:02.000
think is the hearing

0:16:59.600,0:17:05.839
of for eight tribal in order to remedy

0:17:02.000,0:17:05.839
for 114 6f

0:17:06.000,0:17:08.640
is that correct

0:17:09.039,0:17:17.039
john yes mayor on board

0:17:12.959,0:17:18.799
at the last meeting trustee huber

0:17:17.039,0:17:21.280
made a motion to adjourn a public

0:17:18.799,0:17:24.400
hearing to 9 9 today

0:17:21.280,0:17:27.760
seconded by trustee panesa

0:17:24.400,0:17:27.760
they were waiting for

0:17:28.240,0:17:33.919
more information at the last meeting i

0:17:32.000,0:17:36.960
don't know if brian

0:17:33.919,0:17:39.280
got any more information okay uh craig

0:17:36.960,0:17:41.440
brian do you want to start us off with

0:17:39.280,0:17:41.440
this

0:17:42.559,0:17:49.440
ryan i'll defer to you okay i

0:17:46.160,0:17:50.880
i have not heard from the owner of the

0:17:49.440,0:17:54.080
property

0:17:50.880,0:17:57.280
about any attempt whatsoever to

0:17:54.080,0:18:00.640
take care of the violations so i

0:17:57.280,0:18:04.799
i would ask the board to

0:18:00.640,0:18:06.880
um at the next meeting pass a resolution

0:18:04.799,0:18:08.000
and go on to the property and cut all

0:18:06.880,0:18:10.559
the bushes and

0:18:08.000,0:18:11.440
obnoxious not all the bushes obnoxious

0:18:10.559,0:18:15.360
growth

0:18:11.440,0:18:18.720
overgrown weeds and uh and tall grass

0:18:15.360,0:18:19.440
what i would ask so has this property

0:18:18.720,0:18:22.559
owner been

0:18:19.440,0:18:25.919
uh ordered to appear before the

0:18:22.559,0:18:28.400
village board to contest this

0:18:25.919,0:18:29.520
yeah i think we actually had a public

0:18:28.400,0:18:32.000
hearing last month

0:18:29.520,0:18:32.640
on this right brian correct yes

0:18:32.000,0:18:36.400
absolutely

0:18:32.640,0:18:38.640
and pictures were introduced yes

0:18:36.400,0:18:40.160
okay um i think what we'll need to do

0:18:38.640,0:18:42.720
though is

0:18:40.160,0:18:43.919
since that public hearing was continued

0:18:42.720,0:18:45.840
to today

0:18:43.919,0:18:47.440
let's journey so that you can provide a

0:18:45.840,0:18:50.640
cost analysis

0:18:47.440,0:18:51.360
to the to the board of trustees and they

0:18:50.640,0:18:53.120
can

0:18:51.360,0:18:56.640
you know make an informed decision as to

0:18:53.120,0:19:00.000
what as to what action to take

0:18:56.640,0:19:02.640
at that point in time okay

0:19:00.000,0:19:03.520
so the same contractor that you know

0:19:02.640,0:19:06.000
maybe you can

0:19:03.520,0:19:07.039
bring them by trabuco and they can give

0:19:06.000,0:19:10.640
us an estimate

0:19:07.039,0:19:13.760
as to what needs to be done and and

0:19:10.640,0:19:15.919
if the board so is so inclined to um

0:19:13.760,0:19:17.520
outlay the money and put it on that

0:19:15.919,0:19:21.679
person's taxes

0:19:17.520,0:19:21.679
no as a recruitment we can do so

0:19:21.760,0:19:28.880
is that acceptable good

0:19:25.280,0:19:31.120
it is to me all right then we need a

0:19:28.880,0:19:32.880
motion from the board to yeah yeah i ask

0:19:31.120,0:19:36.640
a question i just want to confirm

0:19:32.880,0:19:39.039
uh the the the properties

0:19:36.640,0:19:40.400
currently is that correct property is

0:19:39.039,0:19:42.720
vacant

0:19:40.400,0:19:44.400
i i'm sorry you broke up trust me i'm

0:19:42.720,0:19:47.520
sorry my my question was

0:19:44.400,0:19:49.760
um the property attribute it's vacant

0:19:47.520,0:19:52.960
there's no one living there

0:19:49.760,0:19:54.240
correct to my knowledge there's nobody

0:19:52.960,0:19:56.400
there has been nobody living here for

0:19:54.240,0:20:00.000
quite a few years wow

0:19:56.400,0:20:01.440
okay the owner comes and comes and goes

0:20:00.000,0:20:03.600
but

0:20:01.440,0:20:07.840
as far as i know nobody resides there

0:20:03.600,0:20:07.840
wow okay

0:20:08.559,0:20:15.280
okay um so could i get a motion to

0:20:11.760,0:20:15.280
adjourn this public hearing

0:20:16.159,0:20:21.919
second second executed by trustee

0:20:19.600,0:20:25.200
lammers all those in favor

0:20:21.919,0:20:25.200
aye any opposed

0:20:25.280,0:20:29.919
okay there's a resolution on the agenda

0:20:27.919,0:20:31.440
to approve the memorandum of agreement

0:20:29.919,0:20:34.400
with the pba

0:20:31.440,0:20:36.240
um i think i'd like to ask that we go

0:20:34.400,0:20:40.640
into executive session with

0:20:36.240,0:20:44.000
the uh attorney about this

0:20:40.640,0:20:46.000
matter on there yep

0:20:44.000,0:20:48.080
i think i i just want to go back to that

0:20:46.000,0:20:51.120
prior vote i think there might have been

0:20:48.080,0:20:52.320
a naval i just wanted to be properly

0:20:51.120,0:20:56.320
recorded

0:20:52.320,0:21:00.080
so can can you take the world call

0:20:56.320,0:21:03.440
okay so we had a motion uh

0:21:00.080,0:21:06.320
made by trustee lammers in a second by

0:21:03.440,0:21:06.320
trustee comorning

0:21:06.880,0:21:10.640
is that well the motion the motion was

0:21:08.559,0:21:12.720
by trustee command

0:21:10.640,0:21:14.799
and seconded by trustee lammers to

0:21:12.720,0:21:16.400
adjourn to october 14.

0:21:14.799,0:21:18.720
okay so we'll do a roll call vote

0:21:16.400,0:21:22.960
trustee komornick hi

0:21:18.720,0:21:27.120
trustee huber trustee davis

0:21:22.960,0:21:30.559
hi rusty panessa hi

0:21:27.120,0:21:33.280
trustee lammers and let the record show

0:21:30.559,0:21:45.840
that trustee market john is absent

0:21:33.280,0:21:45.840
and i will vote i

0:21:48.400,0:21:54.640
okay uh could we uh could i

0:21:51.760,0:21:54.640
ask that we

0:21:56.640,0:22:00.000
get a motion to suspend the rules so i

0:21:58.960,0:22:03.679
can change the

0:22:00.000,0:22:06.240
um the agenda because i'd like to

0:22:03.679,0:22:07.280
talk about the memorandum of agreement

0:22:06.240,0:22:09.039
with the pba

0:22:07.280,0:22:13.039
an executive session come out of

0:22:09.039,0:22:15.600
executive session and vote on that

0:22:13.039,0:22:17.280
i'll move i'll make a motion when going

0:22:15.600,0:22:20.080
to executive session

0:22:17.280,0:22:21.200
uh suspend the rules and then uh could i

0:22:20.080,0:22:24.400
get a second

0:22:21.200,0:22:27.520
second all those in favor aye

0:22:24.400,0:22:30.799
the opposed okay

0:22:27.520,0:22:34.640
so uh we have corey youssevich on

0:22:30.799,0:22:38.559
the uh zoom call if you

0:22:34.640,0:22:42.880
would put yourself on video corey

0:22:38.559,0:22:43.760
uh and i'd like to ask if you could be

0:22:42.880,0:22:46.960
able to take

0:22:43.760,0:22:55.840
the uh share the screen sure if you've

0:22:46.960,0:22:55.840
been given permission

0:22:55.919,0:23:01.520
one sec so uh what we're going to

0:22:59.520,0:23:03.360
do here is this this next item on the

0:23:01.520,0:23:05.280
agenda is a discussion of the seven

0:23:03.360,0:23:08.159
projects community import

0:23:05.280,0:23:09.200
input uh meeting that we had on august

0:23:08.159,0:23:13.440
16th

0:23:09.200,0:23:16.480
the video that we put out the um

0:23:13.440,0:23:19.760
the survey that was uh online

0:23:16.480,0:23:21.200
and the meeting with the september third

0:23:19.760,0:23:24.400
planning board

0:23:21.200,0:23:26.640
uh meeting uh all those were

0:23:24.400,0:23:28.240
places where we had public discussion

0:23:26.640,0:23:31.840
and public input on

0:23:28.240,0:23:34.559
the um seven projects that were

0:23:31.840,0:23:35.200
presented are you able to share the

0:23:34.559,0:23:38.480
screen

0:23:35.200,0:23:38.480
i think so am i in

0:23:40.400,0:23:46.320
you're in there it goes on a little

0:23:43.919,0:23:46.320
delay

0:23:46.400,0:23:53.440
okay so i came last week

0:23:50.320,0:23:56.320
or not last week last meeting rather and

0:23:53.440,0:23:57.120
i talked about some of the results we

0:23:56.320,0:24:00.080
had

0:23:57.120,0:24:01.760
um this is for we had a public meeting

0:24:00.080,0:24:04.799
on august 16th

0:24:01.760,0:24:05.600
at the methodist church where we

0:24:04.799,0:24:09.120
presented

0:24:05.600,0:24:10.559
a number of future projects we have

0:24:09.120,0:24:12.159
planned

0:24:10.559,0:24:14.159
and then we also had a tour of the

0:24:12.159,0:24:17.760
church some of you were there

0:24:14.159,0:24:19.840
and uh we also had an online survey that

0:24:17.760,0:24:22.080
people took

0:24:19.840,0:24:23.120
so now that uh we've closed the survey

0:24:22.080,0:24:24.799
and everything

0:24:23.120,0:24:27.279
and we've obviously had the meeting

0:24:24.799,0:24:30.559
we've compiled all of the information

0:24:27.279,0:24:32.720
and gotten our final results and so

0:24:30.559,0:24:34.320
this is just sort of a just put this

0:24:32.720,0:24:36.559
together this afternoon

0:24:34.320,0:24:37.440
uh just to talk about the results of

0:24:36.559,0:24:39.200
that meeting

0:24:37.440,0:24:41.200
are of this meeting and the survey of

0:24:39.200,0:24:44.320
what people liked and didn't like

0:24:41.200,0:24:46.240
and um matt also

0:24:44.320,0:24:47.679
met with the planning board on september

0:24:46.240,0:24:50.000
3rd and

0:24:47.679,0:24:52.400
they discussed some of the results as

0:24:50.000,0:24:55.440
well as giving their own feedback

0:24:52.400,0:24:55.440
to these projects

0:24:55.679,0:24:59.200
so i'm just gonna bring you through real

0:24:58.640,0:25:01.360
quick

0:24:59.200,0:25:03.039
again i presented some of this last

0:25:01.360,0:25:05.120
meeting but this is sort of our

0:25:03.039,0:25:06.799
our final head count we ended up having

0:25:05.120,0:25:08.640
62 people

0:25:06.799,0:25:10.000
sign in at this meeting which was an

0:25:08.640,0:25:12.720
outstanding turnout

0:25:10.000,0:25:14.000
and then we had another 120 people take

0:25:12.720,0:25:15.600
the survey online so

0:25:14.000,0:25:17.120
we got a lot of a lot of really good

0:25:15.600,0:25:20.320
responses

0:25:17.120,0:25:23.360
um again quick overview these are the

0:25:20.320,0:25:25.679
seven projects i'll be talking about

0:25:23.360,0:25:28.080
and we put the percentage of people who

0:25:25.679,0:25:29.760
were interested in it

0:25:28.080,0:25:31.520
the other percentage is leftover of

0:25:29.760,0:25:32.000
people who were either uninterested or

0:25:31.520,0:25:34.799
just

0:25:32.000,0:25:37.360
didn't answer that part of the survey or

0:25:34.799,0:25:40.559
didn't talk

0:25:37.360,0:25:42.000
about it on the boards so we did that

0:25:40.559,0:25:45.039
and then we have a few quotes on

0:25:42.000,0:25:46.159
there and the quotes we picked were

0:25:45.039,0:25:49.039
stemming from

0:25:46.159,0:25:50.000
which ones we saw most often so a lot of

0:25:49.039,0:25:52.799
these quotes

0:25:50.000,0:25:54.559
are there just because they said

0:25:52.799,0:25:56.080
something that it appeared a lot of

0:25:54.559,0:25:57.200
other people were saying as well so we

0:25:56.080,0:26:00.240
just want to get a

0:25:57.200,0:26:02.480
overall grand scheme

0:26:00.240,0:26:03.600
and the first one is going pavilion if

0:26:02.480,0:26:05.919
you recall this was

0:26:03.600,0:26:08.080
one of the concepts for what we think

0:26:05.919,0:26:11.200
could go there

0:26:08.080,0:26:13.360
and it had 87 interested rate which was

0:26:11.200,0:26:15.200
really good it was our highest one

0:26:13.360,0:26:17.600
um one of the big problems someone

0:26:15.200,0:26:20.480
brought up as the second quote says is

0:26:17.600,0:26:22.400
what happens during the winter season so

0:26:20.480,0:26:23.919
as we move forward with that project or

0:26:22.400,0:26:25.120
as the private investor moves forward

0:26:23.919,0:26:27.039
with that project

0:26:25.120,0:26:28.640
um that'd be certainly something to

0:26:27.039,0:26:30.240
consider

0:26:28.640,0:26:32.640
the cobbler building which is up on

0:26:30.240,0:26:34.799
freinery's as matt said is

0:26:32.640,0:26:37.360
the park itself is just about done looks

0:26:34.799,0:26:37.360
very nice

0:26:37.440,0:26:43.039
and for this 85 were interested

0:26:41.120,0:26:44.320
we also had a lot of suggestions uh the

0:26:43.039,0:26:47.360
radio station

0:26:44.320,0:26:49.760
was probably the most popular one

0:26:47.360,0:26:52.000
a visitor center was also really popular

0:26:49.760,0:26:54.000
uh there was a few

0:26:52.000,0:26:56.320
ice cream shop recommendations but for

0:26:54.000,0:26:58.159
the most part just about every quote

0:26:56.320,0:27:00.799
says something about radio station or

0:26:58.159,0:27:03.279
visitor center

0:27:00.799,0:27:04.080
falls view overlook this one we gave a

0:27:03.279,0:27:07.200
concept

0:27:04.080,0:27:10.799
as you see here with multiple options

0:27:07.200,0:27:12.799
so for this not only were 84 interested

0:27:10.799,0:27:14.159
but we also took a tally of which of

0:27:12.799,0:27:16.240
those three options

0:27:14.159,0:27:17.600
people were most interested in and the

0:27:16.240,0:27:20.960
stone one as you can see

0:27:17.600,0:27:24.159
was 54 brick wasn't too far behind with

0:27:20.960,0:27:27.039
33 and then the wood was 13 so

0:27:24.159,0:27:28.640
as we prepare an rfq for that definitely

0:27:27.039,0:27:28.960
going to take that into consideration

0:27:28.640,0:27:31.919
that

0:27:28.960,0:27:33.840
stone was the most popular one and uh

0:27:31.919,0:27:35.360
everyone really liked the overlook idea

0:27:33.840,0:27:36.480
that some of the suggestions were a

0:27:35.360,0:27:39.039
restaurant

0:27:36.480,0:27:41.440
or some you know some sort of business

0:27:39.039,0:27:43.360
um a boutique hotel was another one

0:27:41.440,0:27:46.960
people really enjoyed

0:27:43.360,0:27:49.840
about how to use the actual building

0:27:46.960,0:27:49.840
mary ross park

0:27:50.240,0:27:56.559
83 interested in that a lot of people

0:27:54.080,0:27:58.720
enjoyed the idea to make use of the park

0:27:56.559,0:28:00.880
but people still brought up how

0:27:58.720,0:28:02.240
you know i i the image there i think

0:28:00.880,0:28:03.919
there's a lot of concrete so people

0:28:02.240,0:28:06.159
wanted a little bit more green

0:28:03.919,0:28:07.840
there even if it is still used as an

0:28:06.159,0:28:08.640
outdoor eating spot just to add a bit

0:28:07.840,0:28:11.840
more

0:28:08.640,0:28:11.840
a bit more plants

0:28:11.919,0:28:17.520
the boathouse 76

0:28:15.600,0:28:18.799
were interested in that everyone really

0:28:17.520,0:28:20.880
liked obviously

0:28:18.799,0:28:22.799
boathouse aspect of it as well as having

0:28:20.880,0:28:24.960
it for event and art space

0:28:22.799,0:28:26.399
um of course work on cleaning up the

0:28:24.960,0:28:29.039
lake is a

0:28:26.399,0:28:29.679
big topic people brought up but for the

0:28:29.039,0:28:32.880
most part

0:28:29.679,0:28:32.880
people enjoyed the boathouse

0:28:33.200,0:28:38.480
methodist church was 75 interested

0:28:36.559,0:28:40.640
and this again they actually got to tour

0:28:38.480,0:28:43.120
the church and we had little boards

0:28:40.640,0:28:44.000
inside each room where people could talk

0:28:43.120,0:28:47.919
about what they wanted

0:28:44.000,0:28:49.279
to see there child care was a big one

0:28:47.919,0:28:51.279
and then an art center and community

0:28:49.279,0:28:54.080
center those were the three

0:28:51.279,0:28:55.760
main main things art center theater

0:28:54.080,0:28:58.960
center was was sort of

0:28:55.760,0:29:00.399
one and all in the same um and then this

0:28:58.960,0:29:02.480
this was a quote that we liked because

0:29:00.399,0:29:04.320
it kind of encapsulates

0:29:02.480,0:29:06.000
a bunch of ideas we're using the

0:29:04.320,0:29:08.000
sanctuary and house

0:29:06.000,0:29:10.000
for income whether it be a restaurant or

0:29:08.000,0:29:10.799
a home and then the classrooms being

0:29:10.000,0:29:13.440
used

0:29:10.799,0:29:16.159
as a community center so that that was a

0:29:13.440,0:29:16.159
really good quote

0:29:16.240,0:29:20.960
mill street parking lot this had 72

0:29:19.520,0:29:22.960
percent interest

0:29:20.960,0:29:24.880
um of course parking is something this

0:29:22.960,0:29:25.679
village desperately needs as the quote

0:29:24.880,0:29:29.600
says that we

0:29:25.679,0:29:32.320
understand but a big fear was

0:29:29.600,0:29:32.960
not having it just be used for business

0:29:32.320,0:29:35.440
parking

0:29:32.960,0:29:38.080
and if apartments were to go on top for

0:29:35.440,0:29:38.080
it to be parking

0:29:38.399,0:29:41.520
residential parking people wanted it to

0:29:40.080,0:29:43.120
be public parking

0:29:41.520,0:29:46.000
some even suggested having it metered

0:29:43.120,0:29:48.640
parking to make money off of it

0:29:46.000,0:29:50.399
but uh 72 that was our lowest interest

0:29:48.640,0:29:52.480
but still having

0:29:50.399,0:29:55.279
you know almost three quarters of the

0:29:52.480,0:29:55.840
people who talked about it interested in

0:29:55.279,0:29:58.240
it

0:29:55.840,0:30:00.000
is still really good so a lot of the

0:29:58.240,0:30:01.360
projects a lot of positive feedback

0:30:00.000,0:30:03.840
which we really liked

0:30:01.360,0:30:06.000
and a lot of recommendations that um

0:30:03.840,0:30:07.360
we're going to consider

0:30:06.000,0:30:09.679
so what's the next steps for these

0:30:07.360,0:30:11.120
projects well goering hall and the

0:30:09.679,0:30:14.480
united methodist church

0:30:11.120,0:30:17.760
both private properties at the moment um

0:30:14.480,0:30:20.880
they have to go for the planning board

0:30:17.760,0:30:24.080
and go through go through that process

0:30:20.880,0:30:26.720
cobbler shop and boathouse we're both

0:30:24.080,0:30:28.240
uh currently working on agreements for

0:30:26.720,0:30:30.720
those two

0:30:28.240,0:30:33.440
mary ross and mill street parking we're

0:30:30.720,0:30:36.159
going to continue to survey for it

0:30:33.440,0:30:37.520
again those are those are not immediate

0:30:36.159,0:30:39.840
projects that are going to happen

0:30:37.520,0:30:41.360
and seeing as some of the feedback we

0:30:39.840,0:30:43.120
got we definitely want to

0:30:41.360,0:30:44.399
go back out and reach out to a lot more

0:30:43.120,0:30:46.399
people

0:30:44.399,0:30:48.640
and then falls view we're developing a

0:30:46.399,0:30:50.880
request for qualifications

0:30:48.640,0:30:52.799
for falls you park with um with those

0:30:50.880,0:30:54.159
concepts in mind and who voted on which

0:30:52.799,0:30:56.640
one so

0:30:54.159,0:30:58.399
that's just sort of an overall view of

0:30:56.640,0:31:00.640
of all the projects that we

0:30:58.399,0:31:02.640
presented and what people liked and

0:31:00.640,0:31:04.000
didn't like and talked about so

0:31:02.640,0:31:05.440
we have a plan going forward and what we

0:31:04.000,0:31:06.159
want to do with each of those properties

0:31:05.440,0:31:07.840
and uh

0:31:06.159,0:31:09.519
you know hopefully we can get that get

0:31:07.840,0:31:12.640
that moving in 2021

0:31:09.519,0:31:12.640
and even late 2020.

0:31:12.799,0:31:19.840
okay very good thank you corey

0:31:16.240,0:31:19.840
are there any questions from the board

0:31:23.120,0:31:28.480
nope nope well good job corey cory to

0:31:26.960,0:31:31.440
put a lot of work into that

0:31:28.480,0:31:33.279
and um has been putting a lot of work so

0:31:31.440,0:31:36.480
we're very interested in

0:31:33.279,0:31:38.000
uh making this a very good solid effort

0:31:36.480,0:31:40.399
because cory's going to take all this

0:31:38.000,0:31:42.320
information and use it in the next round

0:31:40.399,0:31:44.640
of the downtown revitalization

0:31:42.320,0:31:47.519
initiative grant request which is

0:31:44.640,0:31:48.399
the 10 million dollar uh grant that they

0:31:47.519,0:31:51.279
give out to

0:31:48.399,0:31:52.559
one community in the mid hudson region

0:31:51.279,0:31:55.760
we're in one of the

0:31:52.559,0:31:59.039
uh most competitive places for that but

0:31:55.760,0:32:00.799
it's um you know it's it's uh

0:31:59.039,0:32:02.720
definitely within our reach we've put in

0:32:00.799,0:32:04.159
very competitive applications in the

0:32:02.720,0:32:07.200
past and we've been

0:32:04.159,0:32:10.559
encouraged to continue doing that

0:32:07.200,0:32:12.550
uh in the future so um

0:32:10.559,0:32:13.760
this is something that i think

0:32:12.550,0:32:15.840
[Music]

0:32:13.760,0:32:17.360
will be very useful to put in the

0:32:15.840,0:32:18.799
application that this community has

0:32:17.360,0:32:22.000
gotten together and

0:32:18.799,0:32:24.720
has had the opportunity

0:32:22.000,0:32:26.720
to give input into these projects

0:32:24.720,0:32:30.080
through a variety of methods

0:32:26.720,0:32:32.880
and has shown up to give input

0:32:30.080,0:32:33.360
for this so what i would like to ask the

0:32:32.880,0:32:36.720
board

0:32:33.360,0:32:38.159
is uh if we could ask the attorney to

0:32:36.720,0:32:41.519
start the process

0:32:38.159,0:32:43.919
uh the way corey laid it out uh there

0:32:41.519,0:32:44.880
and i'd also like to ask corey to start

0:32:43.919,0:32:48.399
to put together

0:32:44.880,0:32:49.120
what we need to get the next survey

0:32:48.399,0:32:53.039
requests

0:32:49.120,0:32:56.080
out um just to give you some background

0:32:53.039,0:32:59.760
uh we are interested

0:32:56.080,0:33:02.480
in getting some more information about

0:32:59.760,0:33:03.440
uh people's input on the mill street

0:33:02.480,0:33:06.399
property

0:33:03.440,0:33:07.840
uh and i think the uh issue with the

0:33:06.399,0:33:11.679
mary ross property

0:33:07.840,0:33:14.720
is that there's a question as to

0:33:11.679,0:33:18.080
uh in what method would be the best

0:33:14.720,0:33:21.679
method for the village and for um

0:33:18.080,0:33:22.880
the village residents for the property

0:33:21.679,0:33:25.200
to be used in the

0:33:22.880,0:33:26.720
future should it be what kind of

0:33:25.200,0:33:28.960
agreement should it be and what should

0:33:26.720,0:33:32.240
be the terms of the agreement so

0:33:28.960,0:33:32.799
uh those are the uh issues at hand for

0:33:32.240,0:33:36.799
those

0:33:32.799,0:33:38.080
two items um so if there's no questions

0:33:36.799,0:33:39.840
on this i'd like to ask

0:33:38.080,0:33:41.919
if we could get a motion to ask the

0:33:39.840,0:33:45.039
attorney to take

0:33:41.919,0:33:47.200
the next step in drafting

0:33:45.039,0:33:49.440
the documents that are necessary to move

0:33:47.200,0:33:52.240
us forward

0:33:49.440,0:33:54.320
as the community has given input and as

0:33:52.240,0:33:57.279
the community is desired

0:33:54.320,0:33:58.080
so uh that would mean that in the case

0:33:57.279,0:34:01.120
of the

0:33:58.080,0:34:04.720
um the agreement for the

0:34:01.120,0:34:05.519
uh cobbler shop that we move forward

0:34:04.720,0:34:07.180
with

0:34:05.519,0:34:09.200
an agreement to

0:34:07.180,0:34:12.560
[Music]

0:34:09.200,0:34:16.079
have that licensed out for private use

0:34:12.560,0:34:19.200
in a way that's best for the village and

0:34:16.079,0:34:21.679
that would mean for the falls view park

0:34:19.200,0:34:23.359
that we go through the steps necessary

0:34:21.679,0:34:25.839
to get us to the place where we can put

0:34:23.359,0:34:29.359
out a request for proposals

0:34:25.839,0:34:31.359
um the request for proposals would be uh

0:34:29.359,0:34:32.480
just the first step of the process there

0:34:31.359,0:34:35.440
would be a

0:34:32.480,0:34:37.280
um a process where the community would

0:34:35.440,0:34:39.200
get together and look at the results of

0:34:37.280,0:34:42.639
those proposals it would have the

0:34:39.200,0:34:44.960
absolute right to reject all proposals

0:34:42.639,0:34:46.800
that and that would be stated in the

0:34:44.960,0:34:48.720
request for proposals

0:34:46.800,0:34:50.159
and it would have the absolute right to

0:34:48.720,0:34:53.839
change uh

0:34:50.159,0:34:56.960
to to ask that the developer who has the

0:34:53.839,0:34:58.079
winningest proposal to change their

0:34:56.960,0:35:01.359
proposal

0:34:58.079,0:35:04.000
uh so that it uh can more

0:35:01.359,0:35:06.240
meet the needs of village residents and

0:35:04.000,0:35:08.720
the desires of the board

0:35:06.240,0:35:10.320
so um just so you know just not to

0:35:08.720,0:35:12.640
interrupt you i apologize

0:35:10.320,0:35:14.400
um but i just want to you know let

0:35:12.640,0:35:17.760
everybody know that this is a

0:35:14.400,0:35:19.599
pretty involved process but it there's a

0:35:17.760,0:35:22.000
it's a 10-step process that basically

0:35:19.599,0:35:24.000
has to go through new york state parks

0:35:22.000,0:35:25.520
and uh there's going to have to

0:35:24.000,0:35:29.040
ultimately be

0:35:25.520,0:35:32.560
an act of the new york state legislature

0:35:29.040,0:35:36.240
at the end of the day and um you know

0:35:32.560,0:35:38.880
allowing this to go forward so those

0:35:36.240,0:35:41.040
preceding steps uh that i'll i'll break

0:35:38.880,0:35:43.520
down in a memo for everyone

0:35:41.040,0:35:45.280
will kind of educate you as to the

0:35:43.520,0:35:49.440
process that's involved

0:35:45.280,0:35:51.359
but um it's it's uh something that

0:35:49.440,0:35:53.040
you know is is going to involve a public

0:35:51.359,0:35:55.599
hearing obviously

0:35:53.040,0:35:58.240
um and we're going to have to have a

0:35:55.599,0:36:00.560
legislative sponsor which uh

0:35:58.240,0:36:02.000
would be probably the assemblyman kieran

0:36:00.560,0:36:04.800
lawler

0:36:02.000,0:36:07.040
who would have to go and step up to the

0:36:04.800,0:36:09.920
plate for us up in albany

0:36:07.040,0:36:11.040
so we're gonna you know if you're going

0:36:09.920,0:36:13.920
to consider this

0:36:11.040,0:36:15.599
we'll put together the best uh you know

0:36:13.920,0:36:16.720
the project and in the best light

0:36:15.599,0:36:20.480
possible

0:36:16.720,0:36:22.640
um for success right there

0:36:20.480,0:36:24.960
okay very good so could i get a motion

0:36:22.640,0:36:27.359
to move forward with our attorney

0:36:24.960,0:36:30.400
working on those documents

0:36:27.359,0:36:32.480
i'll make it second i'll second it

0:36:30.400,0:36:34.160
seconded by trustee lammers all those in

0:36:32.480,0:36:38.160
favor

0:36:34.160,0:36:41.599
any opposed okay very good

0:36:38.160,0:36:45.359
uh the next item on the agenda is

0:36:41.599,0:36:48.480
uh so we are in need of an independent

0:36:45.359,0:36:51.440
engineering study for um

0:36:48.480,0:36:53.599
a retaining wall and that is the one

0:36:51.440,0:36:56.160
that is located at gallucci park

0:36:53.599,0:36:57.839
and so i would like to get that done as

0:36:56.160,0:37:00.880
soon as possible and

0:36:57.839,0:37:02.480
we're also in need of a for a grant

0:37:00.880,0:37:05.070
purpose to

0:37:02.480,0:37:07.359
get a damn uh structure

0:37:05.070,0:37:10.160
[Music]

0:37:07.359,0:37:11.520
person engineering firm and uh it's

0:37:10.160,0:37:13.520
likely that those

0:37:11.520,0:37:15.520
uh two engineering firms might be the

0:37:13.520,0:37:16.480
same it's it's possible that they could

0:37:15.520,0:37:18.320
be different

0:37:16.480,0:37:20.240
we would have the ability to choose two

0:37:18.320,0:37:24.160
different engineering firms but

0:37:20.240,0:37:27.440
uh i would like to get a

0:37:24.160,0:37:30.880
motion to put out for a request

0:37:27.440,0:37:32.320
for qualifications for an engineering

0:37:30.880,0:37:34.800
firm to provide

0:37:32.320,0:37:36.480
the study for the retaining wall and the

0:37:34.800,0:37:39.839
dam structure

0:37:36.480,0:37:41.599
uh as stated here are there any

0:37:39.839,0:37:46.400
questions

0:37:41.599,0:37:50.480
we can't use k-stated so uh

0:37:46.400,0:37:53.359
so uh kc's uh wheelhouse is not in

0:37:50.480,0:37:54.560
uh dams for this next section that has

0:37:53.359,0:37:58.000
to be done

0:37:54.560,0:37:59.200
and they uh also we should get somebody

0:37:58.000,0:38:04.000
independent of

0:37:59.200,0:38:06.160
everybody for the analysis of the wall

0:38:04.000,0:38:07.760
casey is already the engineer for the

0:38:06.160,0:38:09.520
dot project

0:38:07.760,0:38:12.079
that we're doing with the contractor

0:38:09.520,0:38:12.079
that we have

0:38:12.320,0:38:16.000
yes i understand but they're also the

0:38:14.240,0:38:19.200
village engineers too

0:38:16.000,0:38:21.200
and i guess i'm

0:38:19.200,0:38:24.640
confusing why we gotta get another one

0:38:21.200,0:38:24.640
just for that one wall

0:38:26.000,0:38:29.200
yeah so we're just looking for an

0:38:28.320,0:38:31.599
independent

0:38:29.200,0:38:32.560
third party to come in and look at

0:38:31.599,0:38:35.599
things that hasn't

0:38:32.560,0:38:35.599
already looked at things

0:38:36.240,0:38:43.440
um it's possible that there might be

0:38:40.160,0:38:44.400
um that this that this study might not

0:38:43.440,0:38:47.520
be used just

0:38:44.400,0:38:48.079
for uh building purposes but might be

0:38:47.520,0:38:50.960
used

0:38:48.079,0:38:51.280
in um in the courtroom or somewhere like

0:38:50.960,0:38:54.400
that

0:38:51.280,0:38:56.240
so we want to have a uh independent

0:38:54.400,0:39:01.440
third party review

0:38:56.240,0:39:05.280
ready okay

0:39:01.440,0:39:05.280
okay so could i get a motion

0:39:06.480,0:39:10.000
i'll make it second

0:39:10.720,0:39:14.000
i'll second it second by trustee davis

0:39:13.440,0:39:17.760
all those in

0:39:14.000,0:39:20.800
favor aye aye any opposed

0:39:17.760,0:39:24.079
okay john would you

0:39:20.800,0:39:24.079
talk to us about safety

0:39:26.960,0:39:32.240
yeah we uh we did another inventory of

0:39:30.320,0:39:33.520
our supplies and we have adequate

0:39:32.240,0:39:36.880
supplies here

0:39:33.520,0:39:40.240
at the moment for everything

0:39:36.880,0:39:42.800
including the uh the election

0:39:40.240,0:39:44.000
as far as building safety is concerned i

0:39:42.800,0:39:47.280
spoke with our rep

0:39:44.000,0:39:48.880
in perma that some of you may recall we

0:39:47.280,0:39:52.240
had a very aggressive

0:39:48.880,0:39:53.599
safety committee go around to all our

0:39:52.240,0:39:57.119
facility buildings

0:39:53.599,0:39:59.839
and remedy anything that we thought

0:39:57.119,0:40:01.520
would be a hazard and we took care of

0:39:59.839,0:40:03.119
that 100

0:40:01.520,0:40:04.640
and we're going to start those

0:40:03.119,0:40:10.720
inspections up again

0:40:04.640,0:40:14.160
in october

0:40:10.720,0:40:15.599
i think that's it okay very good

0:40:14.160,0:40:18.079
thank you john are there any questions

0:40:15.599,0:40:18.079
for john

0:40:18.720,0:40:22.800
john you want to did you you talked

0:40:20.480,0:40:26.000
about the election did you talk about

0:40:22.800,0:40:29.680
the enhanced procedures

0:40:26.000,0:40:29.680
for the election next week

0:40:31.040,0:40:36.880
as far as people that show up

0:40:34.160,0:40:37.680
to vote and what they're going to need

0:40:36.880,0:40:40.720
to be

0:40:37.680,0:40:43.599
doing as they and what will in the

0:40:40.720,0:40:46.800
temperature yeah the way the way we have

0:40:43.599,0:40:49.280
it set up right now is we have

0:40:46.800,0:40:51.040
six inspectors that we traditionally had

0:40:49.280,0:40:54.079
two per ward

0:40:51.040,0:40:57.520
we also have a seventh person this year

0:40:54.079,0:40:58.720
who will be at the door similar to a

0:40:57.520,0:41:00.160
greeter

0:40:58.720,0:41:02.960
will take the temperature of the

0:41:00.160,0:41:04.720
individual make sure the individual has

0:41:02.960,0:41:06.880
a mask

0:41:04.720,0:41:08.560
if the individual doesn't have a mask we

0:41:06.880,0:41:12.480
will provide one

0:41:08.560,0:41:16.160
we will also have at that station

0:41:12.480,0:41:18.400
sanitizing material

0:41:16.160,0:41:20.319
and we will have pens if they don't have

0:41:18.400,0:41:21.440
a pen they can have one we'll have a

0:41:20.319,0:41:24.960
clean pen box

0:41:21.440,0:41:27.680
and we'll have a recycled pin box that

0:41:24.960,0:41:30.480
our pen box that that seventh person

0:41:27.680,0:41:33.040
will clean continuously during the day

0:41:30.480,0:41:34.560
we are going to not have three privacy

0:41:33.040,0:41:36.319
booths because of the size of the

0:41:34.560,0:41:38.640
courtroom we're going to have one

0:41:36.319,0:41:40.720
booth which means one person can come in

0:41:38.640,0:41:42.960
at a time

0:41:40.720,0:41:44.880
go through the process of making sure

0:41:42.960,0:41:47.599
that they're an eligible voter

0:41:44.880,0:41:49.040
give them a ballot let them go to the

0:41:47.599,0:41:51.920
privacy station

0:41:49.040,0:41:52.720
mark the ballot come out place it into

0:41:51.920,0:41:56.960
the box

0:41:52.720,0:41:58.880
the ballot box and exit the building

0:41:56.960,0:42:00.720
right after that the second person will

0:41:58.880,0:42:03.920
go over to the privacy booth

0:42:00.720,0:42:05.920
wipe it down to ensure that it's clean

0:42:03.920,0:42:08.000
and we'll repeat that process throughout

0:42:05.920,0:42:10.000
the day

0:42:08.000,0:42:11.359
judging from the amount of absentee

0:42:10.000,0:42:14.880
ballots i have

0:42:11.359,0:42:15.599
so far i would say that is going to be a

0:42:14.880,0:42:18.800
very

0:42:15.599,0:42:20.880
low voter turnout this year because of

0:42:18.800,0:42:23.040
covet 19.

0:42:20.880,0:42:24.560
and we've been going right along telling

0:42:23.040,0:42:26.480
people that they could

0:42:24.560,0:42:27.680
even up until today that they could

0:42:26.480,0:42:30.800
process an

0:42:27.680,0:42:32.160
absentee ballot if they wanted to but of

0:42:30.800,0:42:34.000
course if they don't want to

0:42:32.160,0:42:36.640
and they want to come out and vote we're

0:42:34.000,0:42:40.480
going to be there from 10 to 9 at night

0:42:36.640,0:42:42.560
the doors will close precisely at nine

0:42:40.480,0:42:43.680
so that the absentee ballots can be

0:42:42.560,0:42:47.040
counted

0:42:43.680,0:42:49.680
and marked into the book i have veteran

0:42:47.040,0:42:51.599
inspectors they're all very good at it

0:42:49.680,0:42:52.880
some of them even work for the county at

0:42:51.599,0:42:55.280
times during

0:42:52.880,0:42:56.160
presidential elections and state

0:42:55.280,0:43:00.000
elections

0:42:56.160,0:43:02.400
and so forth so i've got a great team

0:43:00.000,0:43:04.480
they're all signed up they're all aware

0:43:02.400,0:43:06.000
of how we should keep distancing the

0:43:04.480,0:43:08.800
floor is marked with tape

0:43:06.000,0:43:09.839
six foot apart the sidewalk outside will

0:43:08.800,0:43:14.480
be marked

0:43:09.839,0:43:16.480
six feet and i will be there myself

0:43:14.480,0:43:19.119
pretty much throughout the entire day to

0:43:16.480,0:43:23.040
ensure that the safety precautions

0:43:19.119,0:43:24.480
are adhered to and of course if anyone

0:43:23.040,0:43:26.720
has any questions at all

0:43:24.480,0:43:29.440
about it you can call me here at the

0:43:26.720,0:43:29.440
village hall

0:43:31.960,0:43:38.240
845-297-8773

0:43:34.079,0:43:40.240
extension 5 and i will get back with

0:43:38.240,0:43:42.480
them if they have any questions at all

0:43:40.240,0:43:44.240
and again i will be available the entire

0:43:42.480,0:43:48.160
day up until

0:43:44.240,0:43:51.520
the final ballot is counted

0:43:48.160,0:43:54.720
okay so election next week

0:43:51.520,0:43:58.640
tuesday september 15th

0:43:54.720,0:44:01.680
from 10 a.m till 9 pm

0:43:58.640,0:44:05.920
at 2582 south avenue

0:44:01.680,0:44:09.839
um and

0:44:05.920,0:44:14.960
okay very good thank you john

0:44:09.839,0:44:14.960
okay next item up on the agenda is a um

0:44:15.760,0:44:23.839
report from the police commissioner

0:44:24.960,0:44:31.359
uh mayor there's a we need an approval

0:44:27.839,0:44:31.359
to hire a police officer

0:44:31.599,0:44:36.400
it's just above the committee reports oh

0:44:33.760,0:44:38.319
i didn't see that i'm sorry

0:44:36.400,0:44:40.319
i don't have that so i have an old

0:44:38.319,0:44:42.079
agenda so um

0:44:40.319,0:44:43.520
walter you want to talk to us about that

0:44:42.079,0:44:46.079
one uh yes

0:44:43.520,0:44:47.680
um his name is john reynolds he's uh

0:44:46.079,0:44:51.040
presently employed by the

0:44:47.680,0:44:51.680
mta police um he's been there for uh 18

0:44:51.040,0:44:53.520
years

0:44:51.680,0:44:55.040
and he comes with a lot of experience

0:44:53.520,0:44:57.920
and training

0:44:55.040,0:45:00.240
um which would be very beneficial um for

0:44:57.920,0:45:01.920
our officers in the department

0:45:00.240,0:45:03.359
um the field training officer which will

0:45:01.920,0:45:04.880
help us a lot when we're doing our

0:45:03.359,0:45:06.720
recruiting of new officers

0:45:04.880,0:45:07.839
that we don't we have a couple of field

0:45:06.720,0:45:09.040
training officers but the more the

0:45:07.839,0:45:12.400
better

0:45:09.040,0:45:14.400
um and i hope to like to step them at

0:45:12.400,0:45:18.480
a different step than the usual starting

0:45:14.400,0:45:21.839
for officers i sent a memo to

0:45:18.480,0:45:25.760
scott about that yeah

0:45:21.839,0:45:25.760
i haven't got a response back but

0:45:27.520,0:45:33.520
we can hire contention upon the attorney

0:45:30.839,0:45:38.720
approval

0:45:33.520,0:45:38.720
that'd be great okay uh any discussion

0:45:41.520,0:45:47.440
okay could i get a motion wait i have

0:45:43.920,0:45:49.280
one are we hiring them just as part-time

0:45:47.440,0:45:51.920
yes he's just a part-time officer

0:45:49.280,0:45:51.920
part-timer

0:45:55.440,0:45:58.240
any questions

0:45:58.640,0:46:04.000
and his name is uh reynolds yes

0:46:01.680,0:46:06.480
john reynolds john reynolds so could if

0:46:04.000,0:46:09.599
there's no more discussion

0:46:06.480,0:46:12.560
could i get a motion to uh

0:46:09.599,0:46:13.440
hire john reynolds as a part-time police

0:46:12.560,0:46:16.880
officer

0:46:13.440,0:46:16.880
and is there a um

0:46:21.200,0:46:24.480
yeah i'll make a motion that we have

0:46:23.040,0:46:28.560
john reynolds

0:46:24.480,0:46:33.040
and um if it's reviewed by our

0:46:28.560,0:46:36.079
um attorney

0:46:33.040,0:46:36.640
we have uh attorney rich zuckerman who

0:46:36.079,0:46:39.119
handles

0:46:36.640,0:46:40.319
has been handling our police affairs for

0:46:39.119,0:46:43.280
the last couple years

0:46:40.319,0:46:45.040
and there was a question about what step

0:46:43.280,0:46:49.599
that we could put on because john has

0:46:45.040,0:46:51.200
several uh specialized um

0:46:49.599,0:46:54.079
i don't know i don't want to say degrees

0:46:51.200,0:46:54.079
but a specialized

0:46:54.720,0:47:00.319
what's that qualification and um

0:46:58.319,0:47:02.000
so we're looking at possibly starting

0:47:00.319,0:47:04.480
him at a higher step

0:47:02.000,0:47:06.000
but uh that's in review so upon review

0:47:04.480,0:47:10.880
of the attorney

0:47:06.000,0:47:12.640
um we can hire okay so uh so i'd like to

0:47:10.880,0:47:14.319
ask also if that would include the

0:47:12.640,0:47:17.359
probation

0:47:14.319,0:47:17.359
and the in the um

0:47:18.160,0:47:21.200
so is there a six-month probation yes so

0:47:20.880,0:47:22.480
should

0:47:21.200,0:47:25.839
still be under the probation point of

0:47:22.480,0:47:25.839
that yeah

0:47:26.960,0:47:33.440
you want to go up two steps

0:47:30.000,0:47:33.440
step three step four

0:47:35.680,0:47:40.000
and as well walter said he has

0:47:38.440,0:47:43.040
[Music]

0:47:40.000,0:47:46.240
several um qualifications that help us

0:47:43.040,0:47:47.520
in training and uh some other things so

0:47:46.240,0:47:50.000
he would be a great asset to the

0:47:47.520,0:47:50.000
department

0:47:50.160,0:47:56.480
okay very good so um

0:47:53.359,0:47:57.200
we have a motion is there a second i'll

0:47:56.480,0:47:59.599
second it

0:47:57.200,0:48:00.960
seconded by trustee lammers all those in

0:47:59.599,0:48:04.400
favor

0:48:00.960,0:48:09.359
hi hi any opposed

0:48:04.400,0:48:13.119
nay okay and you can put me down as an i

0:48:09.359,0:48:21.839
all right next item on the agenda

0:48:13.119,0:48:21.839
uh the police report

0:48:24.400,0:48:29.280
walter yeah mayor post up there

0:48:31.200,0:48:35.040
do you want me to share it yes you could

0:48:33.200,0:48:35.760
because um i couldn't get my copy to

0:48:35.040,0:48:49.839
print out

0:48:35.760,0:48:49.839
hold on

0:49:00.839,0:49:03.839
stop

0:49:04.480,0:49:19.119
all right one second

0:49:16.800,0:49:20.720
all right this might take a second um

0:49:19.119,0:49:22.000
you know mayor if you know can't get it

0:49:20.720,0:49:31.839
um

0:49:22.000,0:49:31.839
i think it should come up

0:49:36.079,0:49:40.720
i think it's there can you all see it

0:49:39.119,0:49:42.839
yeah you're good if you can enlarge a

0:49:40.720,0:49:47.190
little bit then that would be

0:49:42.839,0:49:50.000
great if you can't we'll have to squint

0:49:47.190,0:49:59.839
[Music]

0:49:50.000,0:49:59.839
you're 52 58 too

0:50:00.319,0:50:08.240
there you go that's better that's good

0:50:05.359,0:50:10.160
okay all right so basically um there's a

0:50:08.240,0:50:12.240
almost a double enough traffic tickets

0:50:10.160,0:50:13.359
uh there's been a steady increase um

0:50:12.240,0:50:15.119
officers are back

0:50:13.359,0:50:16.960
stopping more vehicles now and you know

0:50:15.119,0:50:20.240
this month or last month they

0:50:16.960,0:50:21.760
wrote 130 tickets um most everything

0:50:20.240,0:50:25.040
else is pretty much the same

0:50:21.760,0:50:27.520
um varsities were down one um

0:50:25.040,0:50:28.960
accents from down one but basically

0:50:27.520,0:50:29.839
everything is pretty much the same i

0:50:28.960,0:50:32.319
don't know if you can go down a little

0:50:29.839,0:50:35.280
further we've added a new category

0:50:32.319,0:50:35.280
which the mayor wanted

0:50:36.640,0:50:41.119
a little bit further a little bit

0:50:38.839,0:50:43.359
further

0:50:41.119,0:50:44.960
uh well there it is it's uh it you can't

0:50:43.359,0:50:45.920
see it on there but it's called uh use

0:50:44.960,0:50:48.000
of force

0:50:45.920,0:50:49.599
yeah anytime the off we're going to have

0:50:48.000,0:50:50.079
those filled in probably for the next

0:50:49.599,0:50:51.599
meeting

0:50:50.079,0:50:54.400
i just want to check on a couple of

0:50:51.599,0:50:56.319
incidents over the last couple of months

0:50:54.400,0:50:57.680
but we'll have that printed out that

0:50:56.319,0:51:00.800
anytime officers use

0:50:57.680,0:51:04.079
force during an arrest we'll have that

0:51:00.800,0:51:09.119
um indicated in the monthly report

0:51:04.079,0:51:12.400
that's a great addition

0:51:09.119,0:51:17.599

good uh very good thank you and

0:51:12.400,0:51:17.599

are there any questions from the board

0:51:20.400,0:51:23.599

once again great i think you're doing a

0:51:22.240,0:51:26.240

very good job

0:51:23.599,0:51:27.440

very good job uh walter i think you

0:51:26.240,0:51:30.800

should talk about

0:51:27.440,0:51:34.160

the um the call outs uh

0:51:30.800,0:51:36.480

just to help us understand

0:51:34.160,0:51:38.160

what the most of the reasons were for

0:51:36.480,0:51:40.160

the call outs

0:51:38.160,0:51:42.880

um well i think only this once we had

0:51:40.160,0:51:45.680

two sick call outs which was good

0:51:42.880,0:51:47.119

um but sometimes this officers you know

0:51:45.680,0:51:48.160

mainly if they said that's the only time

0:51:47.119,0:51:49.760

we get call outs

0:51:48.160,0:51:51.599

or we're running short on the shift

0:51:49.760,0:51:53.119

where somebody we weren't able to fill

0:51:51.599,0:51:55.599

the shift and we'll call out to see if

0:51:53.119,0:51:58.720
somebody's available at that time

0:51:55.599,0:51:59.119
um but uh we've been getting pretty much

0:51:58.720,0:52:01.200
by

0:51:59.119,0:52:03.359
with uh covering all of our tours right

0:52:01.200,0:52:04.480
now and these three new people we bought

0:52:03.359,0:52:07.760
on is helping a lot

0:52:04.480,0:52:07.760
because they're in the schedule now

0:52:08.960,0:52:12.240
good and i just want to talk briefly

0:52:11.760,0:52:15.040
about

0:52:12.240,0:52:17.680
the reform act uh one with working with

0:52:15.040,0:52:20.559
the county we had our meeting yesterday

0:52:17.680,0:52:22.960
they're working on our use of force and

0:52:20.559,0:52:24.800
deadly force policies

0:52:22.960,0:52:26.559
they've hoped next week to have them all

0:52:24.800,0:52:28.319
available for all agencies in the county

0:52:26.559,0:52:30.880
that they've looked at

0:52:28.319,0:52:32.559
they said most of them are pretty good a

0:52:30.880,0:52:33.760
lot of them they've made indications

0:52:32.559,0:52:36.960

where chain has to be

0:52:33.760,0:52:38.800

changed has to come so i'll know more

0:52:36.960,0:52:40.319

better by next month on what those

0:52:38.800,0:52:43.920

policies are

0:52:40.319,0:52:44.240

um i also posted on our um our website

0:52:43.920,0:52:46.640

the

0:52:44.240,0:52:47.680

police department's website that uh

0:52:46.640,0:52:50.160

starting

0:52:47.680,0:52:51.839

last about two weeks ago but ours is

0:52:50.160,0:52:52.559

september 22nd they're going to have a

0:52:51.839,0:52:55.040

forum

0:52:52.559,0:52:58.319

where you can call in and ask questions

0:52:55.040,0:53:01.040

about this reform act how it works

0:52:58.319,0:53:02.559

and make suggestions for reforming the

0:53:01.040,0:53:05.440

police or questions on

0:53:02.559,0:53:07.520

why the police do something and i it's

0:53:05.440,0:53:09.280

gonna be posted on our site i'll add it

0:53:07.520,0:53:11.200

to the village site if you'd like

0:53:09.280,0:53:13.520
um it gives the date and time and how to

0:53:11.200,0:53:16.480
make connections to be uh

0:53:13.520,0:53:16.480
on the conference call

0:53:18.240,0:53:23.200
okay and uh walter is uh talking about

0:53:21.520,0:53:26.160
the police reform act which

0:53:23.200,0:53:28.160
requires that we gather to together a

0:53:26.160,0:53:29.440
group of citizens from various

0:53:28.160,0:53:32.480
backgrounds

0:53:29.440,0:53:36.160
um so we're looking for a

0:53:32.480,0:53:39.280
faith based or non-profit

0:53:36.160,0:53:42.240
representative we're looking for

0:53:39.280,0:53:43.680
a person who is familiar with

0:53:42.240,0:53:46.720
incarceration

0:53:43.680,0:53:49.839
as a representative a person who has had

0:53:46.720,0:53:54.000
a large amount

0:53:49.839,0:53:56.800
of is in a situation where they

0:53:54.000,0:53:57.920
are coming into contact with our police

0:53:56.800,0:54:01.599
a lot

0:53:57.920,0:54:02.240
and um also added to that so we're going

0:54:01.599,0:54:05.520
to look

0:54:02.240,0:54:08.640
for three to five people

0:54:05.520,0:54:09.599
plus uh there will be our village

0:54:08.640,0:54:13.119
attorney

0:54:09.599,0:54:16.559
the commissioner and or the lieutenant

0:54:13.119,0:54:19.680
and uh the mayor and or a

0:54:16.559,0:54:20.640
village trustee on that committee as

0:54:19.680,0:54:22.720
well

0:54:20.640,0:54:24.079
we do want to keep it into a group

0:54:22.720,0:54:26.559
that's able to have meaningful

0:54:24.079,0:54:27.359
discussion so there is a desire to keep

0:54:26.559,0:54:30.880
it into

0:54:27.359,0:54:32.160
a small enough group to allow for that

0:54:30.880,0:54:35.520
there will be

0:54:32.160,0:54:38.240
uh times when we will be

0:54:35.520,0:54:39.520
asking the for public input in the

0:54:38.240,0:54:41.920
appropriate forum

0:54:39.520,0:54:44.480
and so uh we'll that will be one of the

0:54:41.920,0:54:48.880
next later steps of this

0:54:44.480,0:54:51.599
uh we've also uh reached out to

0:54:48.880,0:54:53.200
the uh criminal justice program at

0:54:51.599,0:54:56.960
marist college

0:54:53.200,0:55:00.480
and i've received two resumes from

0:54:56.960,0:55:04.000
two individuals from that program

0:55:00.480,0:55:07.200
that are interested in working on

0:55:04.000,0:55:09.200
this police reform uh act

0:55:07.200,0:55:10.960
work that we have to do with the village

0:55:09.200,0:55:13.119
of weaponers falls so i'm gonna

0:55:10.960,0:55:14.319
forward that information on to the

0:55:13.119,0:55:17.200
commissioner and

0:55:14.319,0:55:18.720
uh we'll be discussing that for the next

0:55:17.200,0:55:20.720
meeting

0:55:18.720,0:55:21.839
i'm mary i just have one intern that i

0:55:20.720,0:55:24.160
just uh got

0:55:21.839,0:55:26.400
from suny new polls and he's in the

0:55:24.160,0:55:27.839
process of uh doing our survey putting

0:55:26.400,0:55:29.839
together a survey for the community that

0:55:27.839,0:55:31.440
will be an annual survey

0:55:29.839,0:55:32.960
um that's one of the requirements by the

0:55:31.440,0:55:34.640
reform act that they want

0:55:32.960,0:55:37.350
that you should do surveys of your

0:55:34.640,0:55:38.799
community good

0:55:37.350,0:55:42.319
[Music]

0:55:38.799,0:55:43.839
okay uh so are there any questions from

0:55:42.319,0:55:46.000
the board

0:55:43.839,0:55:47.359
um on the monthly stat report i see you

0:55:46.000,0:55:49.440
have traffic tickets

0:55:47.359,0:55:52.160
is there a possibility to do parking

0:55:49.440,0:55:52.160
tickets too

0:55:53.760,0:55:58.400
um we normally do like winter

0:55:56.480,0:56:00.880
enforcement a lot of parking tickets at

0:55:58.400,0:56:03.119
night parking

0:56:00.880,0:56:04.640
the other parking uh like overtime

0:56:03.119,0:56:06.079
parking we usually don't enforce that

0:56:04.640,0:56:08.960
unless we get complaints

0:56:06.079,0:56:09.280
on the street or an area um if they see

0:56:08.960,0:56:12.160
any

0:56:09.280,0:56:13.599
type of real violations like parked you

0:56:12.160,0:56:15.520
know the wrong way or

0:56:13.599,0:56:16.880
parked in no parking zone they do they

0:56:15.520,0:56:18.559
do write them

0:56:16.880,0:56:20.960
probably not as much as they do moving

0:56:18.559,0:56:20.960
tickets

0:56:21.920,0:56:25.599
um i would just like to see going

0:56:23.440,0:56:26.960
forward the parking ticket um just as

0:56:25.599,0:56:28.799
observation out there

0:56:26.960,0:56:31.040
driving around in the public visiting a

0:56:28.799,0:56:33.280
couple people that live in the village

0:56:31.040,0:56:35.280
um i definitely think that some of the

0:56:33.280,0:56:36.960
signs that we have that two hour parking

0:56:35.280,0:56:38.799
that we're not enforcing so i would like

0:56:36.960,0:56:40.240
to start to see that happening

0:56:38.799,0:56:42.839
okay do you want to add a category on

0:56:40.240,0:56:45.839
this list so yes please

0:56:42.839,0:56:45.839
okay

0:56:49.200,0:56:54.729
okay uh any other questions

0:56:51.610,0:56:54.729
[Applause]

0:56:58.880,0:57:05.839
okay very good thank you walter

0:57:02.720,0:57:13.839
the next report

0:57:05.839,0:57:13.839
on the agenda is

0:57:14.000,0:57:27.839
highway trustee huber

0:57:29.760,0:57:32.160
kevin

0:57:33.920,0:57:39.839
hey hear me now matt yes okay

0:57:37.119,0:57:40.880
uh the highway's been busy this month

0:57:39.839,0:57:45.200
like they always

0:57:40.880,0:57:46.880
uh uh monday picked up village brush

0:57:45.200,0:57:48.720
pickup is still going ongoing for

0:57:46.880,0:57:51.280
mondays

0:57:48.720,0:57:53.200
and uh they have poured a little over

0:57:51.280,0:57:56.880
400 feet of sidewalk

0:57:53.200,0:57:56.880
probably saw him on south nazir

0:57:57.520,0:58:01.280
elm i think he's got

0:58:02.720,0:58:07.440
south avenue and presbyterian church elm

0:58:05.520,0:58:10.000
street

0:58:07.440,0:58:11.760
they they're cleaning brush the spring

0:58:10.000,0:58:13.680
street dock

0:58:11.760,0:58:14.799
they've been down by the lake it's he

0:58:13.680,0:58:17.359
opened it up

0:58:14.799,0:58:18.079
where the boat ramp is so it's nice and

0:58:17.359,0:58:20.960
wide

0:58:18.079,0:58:22.960
down there as you can see the lake and

0:58:20.960,0:58:26.079
yeah what you got here

0:58:22.960,0:58:26.079
marked off a few things

0:58:34.839,0:58:37.839
oh

0:58:46.160,0:58:50.240
yeah i can hear you now yeah just uh

0:58:49.119,0:58:53.920
could you

0:58:50.240,0:58:53.920
go back about five lines

0:58:54.160,0:58:57.599
start over a little bit where i lose you

0:58:57.200,0:59:00.319
at the

0:58:57.599,0:59:00.880
sidewalk park at the uh boat the boat

0:59:00.319,0:59:04.160
down

0:59:00.880,0:59:04.640
oh the whole house he had to uh excavate

0:59:04.160,0:59:07.599
out

0:59:04.640,0:59:08.400
excavate and install a new four-inch pvc

0:59:07.599,0:59:10.880
sewer lateral

0:59:08.400,0:59:12.799
connection for the old highway garage

0:59:10.880,0:59:14.559
for the new bow house

0:59:12.799,0:59:18.319
it was i guess a problem down there with

0:59:14.559,0:59:22.319
the funnel

0:59:18.319,0:59:23.839
and uh clean some brush and debris on

0:59:22.319,0:59:27.359
spring street doctor to hear that one

0:59:23.839,0:59:30.720
say that's it got that

0:59:27.359,0:59:34.400
yep kevin

0:59:30.720,0:59:38.960
kevin back to the boat house and uh

0:59:34.400,0:59:42.400
the plumbing of the pcb piping um

0:59:38.960,0:59:43.760
wasn't that done already he thought

0:59:42.400,0:59:45.040
about once before

0:59:43.760,0:59:46.559
this time he added the pipe because he

0:59:45.040,0:59:47.200
had to dig out to dig it out for the

0:59:46.559,0:59:49.760
gentleman

0:59:47.200,0:59:51.280
so he can get in there to add the fight

0:59:49.760,0:59:54.799
from the inside

0:59:51.280,0:59:58.079
back a few months okay

0:59:54.799,1:00:00.559
so we had to pay for it twice no

0:59:58.079,1:00:01.359
we had to pay for him to make the

1:00:00.559,1:00:03.280
connection

1:00:01.359,1:00:04.559
on the other side so when the new

1:00:03.280,1:00:05.920
contractor

1:00:04.559,1:00:08.640
what should have happened is we should

1:00:05.920,1:00:10.960
have done this all at one time

1:00:08.640,1:00:12.640
we did it at two different times and

1:00:10.960,1:00:16.640
that had more to do with

1:00:12.640,1:00:19.040
the other contractor leaving the job

1:00:16.640,1:00:19.040
early

1:00:20.240,1:00:31.920
during the coven

1:00:28.799,1:00:32.559
and also today he was uh hanging the new

1:00:31.920,1:00:35.839
uh

1:00:32.559,1:00:37.599
parking lot signs uh i don't know if

1:00:35.839,1:00:42.079
y'all haven't seen him yet

1:00:37.599,1:00:46.160
on uh gold star way mill street parking

1:00:42.079,1:00:48.400
the parking lot off of uh reservoir

1:00:46.160,1:00:49.280
he's got to do the one up on franny

1:00:48.400,1:00:51.200
reese when

1:00:49.280,1:00:52.640
the park is or that parking lot is

1:00:51.200,1:00:55.200
turned over to the village

1:00:52.640,1:00:57.119
at the end of august and i think there's

1:00:55.200,1:00:59.359
a couple a couple more i want to

1:00:57.119,1:01:01.040
think i think we've got to hang but

1:00:59.359,1:01:05.280
those signs are up today

1:01:01.040,1:01:08.079
they're on east main street hill street

1:01:05.280,1:01:10.720
reservoir old star way you see him going

1:01:08.079,1:01:13.440
down to the village

1:01:10.720,1:01:13.440
they look nice

1:01:15.760,1:01:22.480
good any questions for kevin

1:01:20.319,1:01:24.400
no just comment maybe kevin could take

1:01:22.480,1:01:26.960
it back to the highway i was approached

1:01:24.400,1:01:30.319
by a resident today that lives on mazir

1:01:26.960,1:01:33.839
and she was in front of her house

1:01:30.319,1:01:35.359
and um trying to play beat the clock to

1:01:33.839,1:01:37.119
have the stuff out there on mondays when

1:01:35.359,1:01:40.240
the guys picked everything up

1:01:37.119,1:01:40.960
and she wasn't quite finished the guys

1:01:40.240,1:01:43.280
actually

1:01:40.960,1:01:45.119
took the debris that she had in front of

1:01:43.280,1:01:46.880
her house took it away

1:01:45.119,1:01:49.599
and then came back and actually helped

1:01:46.880,1:01:52.640
her finish the remainder later so

1:01:49.599,1:01:55.119
great job by then and it went

1:01:52.640,1:01:57.680
it spoke volumes and there's a lot of

1:01:55.119,1:01:59.359
real happy neighbors out there

1:01:57.680,1:02:01.599
good good work good work by the

1:01:59.359,1:02:07.839
department by the public works

1:02:01.599,1:02:07.839
good here good to hear

1:02:08.640,1:02:11.839
that's all i got on a highway let me go

1:02:10.480,1:02:15.440
down the fire now

1:02:11.839,1:02:19.039
uh you we could skip down to fire okay

1:02:15.440,1:02:22.079
oh you're right yes yep

memorial servers

1:03:31.880,1:03:37.280
19th well

1:03:34.799,1:03:39.520
it's the 19th year of it the 1911

1:03:37.280,1:03:40.880
tragedy of on this friday evening at 6

1:03:39.520,1:03:44.240
00 pm in new zealand parks

1:03:40.880,1:03:46.000
also this is inc and math will be

1:03:48.079,1:03:51.440
halloween parade and

1:03:49.280,1:03:52.880
trunk or tree to be held saturday

1:03:51.440,1:03:58.880
october 24th

1:03:52.880,1:04:01.039
at noon rain date is october 31st

1:03:58.880,1:04:02.079
uh there is a public meeting will be

1:04:01.039,1:04:05.520
held on

1:04:02.079,1:04:07.440
october 20th at 6 p.m to offer residents

1:04:05.520,1:04:09.280
and an opportunity to give feedback on

1:04:07.440,1:04:11.680
plans for our village parks

1:04:09.280,1:04:13.760
we will be presenting finalized plans on

1:04:11.680,1:04:14.240
bain park and moving forward on a site

1:04:13.760,1:04:16.880
plan

1:04:14.240,1:04:18.880
we will also discuss a potential upgrade

1:04:16.880,1:04:20.640
to our other parks and potential new

1:04:18.880,1:04:22.319
parks

1:04:20.640,1:04:23.839
i don't i don't know where that location

1:04:22.319,1:04:25.280
is we don't have i don't have it written

1:04:23.839,1:04:28.640
down but i'm

1:04:25.280,1:04:31.039
assuming maybe spring street

1:04:28.640,1:04:32.160
or maybe we can have it outside i guess

1:04:31.039,1:04:34.880
because

1:04:32.160,1:04:36.160
we'll have to have a discussion on it

1:04:34.880,1:04:40.799
and

1:04:36.160,1:04:42.400
yes you got to come

1:04:40.799,1:04:45.039
and the christmas light parade tree

1:04:42.400,1:04:47.599
lighting date is saturday november 28th

1:04:45.039,1:04:49.920
rain snow date is sunday november 29th

1:04:47.599,1:04:52.079
at 6 pm

1:04:49.920,1:04:54.319
in the village's 105th celebration

1:04:52.079,1:04:54.640
committee a kickoff meeting will be held

1:04:54.319,1:04:57.280
on

1:04:54.640,1:04:59.039
sunday november 1st at 2pm all are

1:04:57.280,1:05:01.119
welcome to participate

1:04:59.039,1:05:02.799
but we will be reaching out to the many

1:05:01.119,1:05:06.160
organizations in our village to help

1:05:02.799,1:05:10.559
plan the year-long celebration

1:05:06.160,1:05:10.559
and that's all i have for recreation

1:05:14.880,1:05:21.440
okay um go to lake

1:05:18.400,1:05:24.720
i'll finish that one yep

1:05:21.440,1:05:28.799
okay uh

1:05:24.720,1:05:31.119
the late this year we i think we did a

1:05:28.799,1:05:32.400
tremendous job out there the five guys

1:05:31.119,1:05:35.440
that we have

1:05:32.400,1:05:38.160
they were out there a lot and

1:05:35.440,1:05:39.839
uh we hope we kept maintaining the

1:05:38.160,1:05:41.760
channel to be open

1:05:39.839,1:05:43.440
down by the spring street dock you've

1:05:41.760,1:05:46.400
been down there

1:05:43.440,1:05:47.119
it's it's wide open it looks i think it

1:05:46.400,1:05:50.319
looks great

1:05:47.119,1:05:52.960
it looks better than it has in years

1:05:50.319,1:05:55.119
and i want to you know thank the guys

1:05:52.960,1:05:58.480
that helped us do this brian

1:05:55.119,1:06:00.160
uh jeff just got there's two other guys

1:05:58.480,1:06:00.559
that get their names right on top my

1:06:00.160,1:06:03.280
head

1:06:00.559,1:06:04.400
i can't think of ryan could help me if

1:06:03.280,1:06:08.480
he hears me

1:06:04.400,1:06:12.160
megan baron baron yep ed

1:06:08.480,1:06:14.079
and greg oh and greg yep

1:06:12.160,1:06:15.599
so we we did a great i think i think

1:06:14.079,1:06:17.440
those guys did a great job

1:06:15.599,1:06:19.440
of doing it a lot of guys were out there

1:06:17.440,1:06:20.640
more than others we all were out there

1:06:19.440,1:06:22.720
we all fished in a hand

1:06:20.640,1:06:24.799
we did what we had to do and the

1:06:22.720,1:06:27.520
machine's still out there working

1:06:24.799,1:06:27.520
periodically

1:06:28.799,1:06:32.880
that's all i have okay any questions for

1:06:31.520,1:06:35.039
kevin

1:06:32.880,1:06:36.799
just just a stupid question about the

1:06:35.039,1:06:38.880
the pickup once you cut it are you

1:06:36.799,1:06:41.520
picking it up

1:06:38.880,1:06:42.160
we pick it up and we put it on the uh on

1:06:41.520,1:06:44.079
we

1:06:42.160,1:06:45.839
it's kind of like we bulldoze it as far

1:06:44.079,1:06:47.839
as we can push it then we pick it up and

1:06:45.839,1:06:51.760
put it on top of the weed

1:06:47.839,1:06:51.760
then it just dies off and floats away

1:06:52.480,1:06:56.079
we can get it to land we can get the

1:06:54.160,1:06:58.480
land but like if you

1:06:56.079,1:07:00.640
uh i went down to spring street and

1:06:58.480,1:07:01.119
looked out on the dock we tried pushing

1:07:00.640,1:07:04.079
it towards

1:07:01.119,1:07:04.880
the list roadside as far as we could out

1:07:04.079,1:07:07.680
there we're

1:07:04.880,1:07:09.359
open and there's land over there so

1:07:07.680,1:07:15.119
that's what we've tried to do but

1:07:09.359,1:07:17.359
it's i mean it's it's a big

1:07:15.119,1:07:18.319
i haven't seen like that in years you

1:07:17.359,1:07:21.440
know this time of year

1:07:18.319,1:07:21.440
in in august

1:07:23.359,1:07:27.520
gotcha yeah the lake the lake does look

1:07:25.920,1:07:30.160
good this year

1:07:27.520,1:07:30.640
i can see a difference from years past

1:07:30.160,1:07:32.480
and it's

1:07:30.640,1:07:34.079
more challenging to get it there because

1:07:32.480,1:07:36.480
there's more sediment

1:07:34.079,1:07:39.200
in the light than uh there ever has been

1:07:36.480,1:07:41.280
before so

1:07:39.200,1:07:42.480
but the guys did a great job so i'd like

1:07:41.280,1:07:44.960
to thank them again

1:07:42.480,1:07:47.039
yeah thank them and and uh they really

1:07:44.960,1:07:50.319
did a wonderful job

1:07:47.039,1:07:50.319
on the um

1:07:50.960,1:07:54.559
there was one thing that you said so the

1:07:52.640,1:07:59.039
the bank the bain park

1:07:54.559,1:08:02.640
the meeting on october 21st

1:07:59.039,1:08:03.200
uh 20th october 20th yes so that will

1:08:02.640,1:08:05.359
not be

1:08:03.200,1:08:06.799
there will not be a presentation of the

1:08:05.359,1:08:08.720
final plan

1:08:06.799,1:08:10.000
at that meeting there will be gathering

1:08:08.720,1:08:12.720
of input

1:08:10.000,1:08:13.440
for the making of the final plan or the

1:08:12.720,1:08:16.000
winner

1:08:13.440,1:08:17.359
for a spring production i was just

1:08:16.000,1:08:19.839
reading

1:08:17.359,1:08:22.719
yeah i just want to make sure everybody

1:08:19.839,1:08:24.480
has the right expectation

1:08:22.719,1:08:26.319
okay because there's more parts to it

1:08:24.480,1:08:27.759
than just the corner so even though

1:08:26.319,1:08:30.960
there's been one set of

1:08:27.759,1:08:32.400
um equipment purchased there's uh

1:08:30.960,1:08:35.199
definitely a lot more to that

1:08:32.400,1:08:36.159
the five acres of park that sits there

1:08:35.199,1:08:39.679
okay

1:08:36.159,1:08:42.719
okay on the water side um

1:08:39.679,1:08:47.040
the village has uh published its

1:08:42.719,1:08:51.359
notice of intent to apply for the usda

1:08:47.040,1:08:53.920
grant in an application to usda

1:08:51.359,1:08:54.560
and that is mainly for the filtration it

1:08:53.920,1:08:57.040
also

1:08:54.560,1:08:58.480
um has some other items in it some

1:08:57.040,1:09:02.560
smaller items

1:08:58.480,1:09:05.520
uh which include some distribution lines

1:09:02.560,1:09:06.000
as well as some pressure enhancements

1:09:05.520,1:09:09.279
for

1:09:06.000,1:09:11.759
increasing the pressure in the village

1:09:09.279,1:09:12.719
the village is also updating its

1:09:11.759,1:09:14.719
application

1:09:12.719,1:09:16.560
with environmental facilities

1:09:14.719,1:09:19.759
corporation through the

1:09:16.560,1:09:20.560
drinking water state revolving fund uh

1:09:19.759,1:09:23.600
it hopes

1:09:20.560,1:09:26.960
to be able to uh

1:09:23.600,1:09:29.520
get some more funding for um

1:09:26.960,1:09:32.319
the work that it needs to do it's going

1:09:29.520,1:09:35.839
to be using the remainder of its funding

1:09:32.319,1:09:37.199
on the interconnection with the town of

1:09:35.839,1:09:40.799
wappinger

1:09:37.199,1:09:49.600
and uh that's for a 2021

1:09:40.799,1:09:52.080
construction that goes into 2022 um

1:09:49.600,1:09:53.040
and i think that's okay but i also would

1:09:52.080,1:09:56.800
like the

1:09:53.040,1:10:01.280
to ask the board uh if we could

1:09:56.800,1:10:03.840
uh so on the sewer side i'll go to

1:10:01.280,1:10:04.640
now the the board is still doing the

1:10:03.840,1:10:07.760
same thing

1:10:04.640,1:10:09.280
with the environmental facilities

1:10:07.760,1:10:12.400
corporation on the

1:10:09.280,1:10:15.440
clean water state revolving fund uh

1:10:12.400,1:10:20.480
it's looking at some additional projects

1:10:15.440,1:10:20.480
to do at tri-municipal um

1:10:20.560,1:10:23.679
sewer commission and uh what it's

1:10:22.880,1:10:26.880
looking to do

1:10:23.679,1:10:29.360
is to improve the process

1:10:26.880,1:10:30.080
at the plant so that it's able to

1:10:29.360,1:10:33.040
process

1:10:30.080,1:10:34.960
more sewage in the future and that it'll

1:10:33.040,1:10:38.480
have a better outflow

1:10:34.960,1:10:42.640
for its treated uh outfall

1:10:38.480,1:10:42.640
that goes into the hudson river

1:10:43.760,1:10:49.199
so uh corey youssevich are you able to

1:10:46.239,1:10:49.199
talk about grants

1:10:50.719,1:10:56.840
yes i'm still here okay so you want to

1:10:53.520,1:10:59.199
give us a report on what's going on with

1:10:56.840,1:11:01.520
grants um

1:10:59.199,1:11:02.880
yeah well you just brought up the usda

1:11:01.520,1:11:06.960
one so

1:11:02.880,1:11:10.000
um we have 60 days to put that in

1:11:06.960,1:11:13.440
i spoke to john bolger from

1:11:10.000,1:11:15.840
kc and we're on schedule for that

1:11:13.440,1:11:18.320
so that's going to be submitted probably

1:11:15.840,1:11:22.239
by the end of this month

1:11:18.320,1:11:25.040
um we had a urban forestry grant

1:11:22.239,1:11:26.480
that was only a thousand dollars but we

1:11:25.040,1:11:30.480
were going to plant

1:11:26.480,1:11:34.000
45 trees at bayne park for

1:11:30.480,1:11:36.640
arbor day which was in may i believe

1:11:34.000,1:11:37.440
late may early april one of those um

1:11:36.640,1:11:40.800
that obviously

1:11:37.440,1:11:44.320
that got pushed back so

1:11:40.800,1:11:45.440
we are doing it now this fall i just put

1:11:44.320,1:11:48.560
the order in

1:11:45.440,1:11:50.159
for the trees today so

1:11:48.560,1:11:52.480
they they gave us an extension and

1:11:50.159,1:11:55.280
that's all that's fine

1:11:52.480,1:11:57.360
the epa grant we just sent in our final

1:11:55.280,1:12:00.239
phase one

1:11:57.360,1:12:01.920
uh it's for the bleachery we are already

1:12:00.239,1:12:02.960
we already sent in our phase ones for

1:12:01.920,1:12:05.199
temple field

1:12:02.960,1:12:06.719
and mill street and franny reese but for

1:12:05.199,1:12:09.520
any reese was deemed

1:12:06.719,1:12:11.600
clean so once that's underway we can

1:12:09.520,1:12:13.840
start phase two with all these

1:12:11.600,1:12:15.920
which is where we actually go in and

1:12:13.840,1:12:20.480
clean them up

1:12:15.920,1:12:22.320
uh our dazny funding

1:12:20.480,1:12:23.679
this is for different projects there's

1:12:22.320,1:12:27.440
the frannieres park and

1:12:23.679,1:12:28.719
and the boathouse they uh finally got

1:12:27.440,1:12:30.640
back to us

1:12:28.719,1:12:32.480
about pushing some paperwork forward

1:12:30.640,1:12:34.000
that was on hold for a bit

1:12:32.480,1:12:36.480
so hopefully that can start getting

1:12:34.000,1:12:37.600
underway a little more um the boathouse

1:12:36.480,1:12:39.360
itself

1:12:37.600,1:12:40.800
is being worked on i know we've just got

1:12:39.360,1:12:41.679
you you were discussing the piping

1:12:40.800,1:12:44.400
before

1:12:41.679,1:12:45.840
but um our architect just went there

1:12:44.400,1:12:48.960
today at one o'clock

1:12:45.840,1:12:50.960
to make sure everything was still on our

1:12:48.960,1:12:53.920
new schedule because obviously

1:12:50.960,1:12:55.600
kovit uh extended that project farther

1:12:53.920,1:12:57.600
than we needed

1:12:55.600,1:12:59.600
um for any reese is about done as you

1:12:57.600,1:13:01.280
said

1:12:59.600,1:13:05.360
and i'm trying to think off the top of

1:13:01.280,1:13:08.800
my head

1:13:05.360,1:13:11.440
the 9 element plan the nine element plan

1:13:08.800,1:13:13.120
we um we've still sent in

1:13:11.440,1:13:15.760
recommendations

1:13:13.120,1:13:17.600
for that for recommendations for each

1:13:15.760,1:13:19.040
municipality to do and that's going to

1:13:17.600,1:13:21.280
be incorporated

1:13:19.040,1:13:23.120
with the water characterization study

1:13:21.280,1:13:25.360
and we also

1:13:23.120,1:13:27.600
this is sort of nine element plan sort

1:13:25.360,1:13:30.960
of on its own thing but

1:13:27.600,1:13:32.880
we are currently underway on becoming a

1:13:30.960,1:13:35.199
climate smart community

1:13:32.880,1:13:36.880
um we have already signed up to

1:13:35.199,1:13:37.760
basically pledge to be a climate smart

1:13:36.880,1:13:39.600
community

1:13:37.760,1:13:42.560
and uh we're going through the process

1:13:39.600,1:13:44.880
now me actually todd bowen as well

1:13:42.560,1:13:46.159
and someone from cornell cooperative

1:13:44.880,1:13:49.840
extension

1:13:46.159,1:13:50.239
to analyze where the village is at right

1:13:49.840,1:13:53.520
now

1:13:50.239,1:13:56.159
with different projects and see how

1:13:53.520,1:13:56.960
like what our score is essentially if

1:13:56.159,1:14:00.239
you have

1:13:56.960,1:14:03.760
120 points you're a bronze

1:14:00.239,1:14:07.280
uh 170 you're a silver and 220 or

1:14:03.760,1:14:10.480
gold uh the higher your rank is the more

1:14:07.280,1:14:11.920
eligible or the more favorable you are

1:14:10.480,1:14:14.400
for future grants

1:14:11.920,1:14:16.080
so we're counting ours now we're looking

1:14:14.400,1:14:17.520
pretty good for just starting off we're

1:14:16.080,1:14:18.800
actually either

1:14:17.520,1:14:22.000
when it's all tallied up we're either

1:14:18.800,1:14:24.800
going to be at or near bronze

1:14:22.000,1:14:27.440
so the more we do with that um the more

1:14:24.800,1:14:31.840
favorable grants will be in the future

1:14:27.440,1:14:34.320
um we applied for a police grant

1:14:31.840,1:14:36.320
a few months ago i think it was two

1:14:34.320,1:14:38.000
months ago

1:14:36.320,1:14:39.440
we unfortunately didn't get it it was a

1:14:38.000,1:14:42.400
highway

1:14:39.440,1:14:43.199
traffic safety grant and we were using

1:14:42.400,1:14:47.199
it to apply

1:14:43.199,1:14:49.840
to have another officer

1:14:47.199,1:14:51.360
able to be on the clock during vital

1:14:49.840,1:14:53.120
times in the summer

1:14:51.360,1:14:55.120
when there's a lot more activity going

1:14:53.120,1:14:56.800
on outdoors

1:14:55.120,1:14:59.040
they unfortunately said that wasn't

1:14:56.800,1:15:01.040
something uh they wanted to

1:14:59.040,1:15:03.040
go into this round so we unfortunately

1:15:01.040,1:15:11.199
didn't get that grant

1:15:03.040,1:15:14.400
and um

1:15:11.199,1:15:14.400
let me think let me think

1:15:15.360,1:15:19.280
i'll just jump in here because uh

1:15:17.920,1:15:21.600
another thing that's going on with the

1:15:19.280,1:15:24.800
nine element plan is we are

1:15:21.600,1:15:27.440
um putting together our

1:15:24.800,1:15:28.640
uh pilot projects and for the pilot

1:15:27.440,1:15:32.239
projects

1:15:28.640,1:15:34.960
where uh actually uh this this process

1:15:32.239,1:15:39.199
was able to get us to a point where

1:15:34.960,1:15:42.560
um we're going to try biochar

1:15:39.199,1:15:45.520
and we're going to try biochar in three

1:15:42.560,1:15:47.440
different kinds of applications one

1:15:45.520,1:15:48.080
application is going to be used in a

1:15:47.440,1:15:51.120
small

1:15:48.080,1:15:54.239
sewer plant upstream and another

1:15:51.120,1:15:57.600
application is going to be used in a an

1:15:54.239,1:15:59.610
area where septic systems are

1:15:57.600,1:16:00.960
um filling up

1:15:59.610,1:16:04.560
[Music]

1:16:00.960,1:16:08.239
a pines with lots of phosphorus

1:16:04.560,1:16:09.600
and nutrients which are uh turning this

1:16:08.239,1:16:13.280
pond green

1:16:09.600,1:16:13.920
uh this uh pines is actually going over

1:16:13.280,1:16:16.560
a dam

1:16:13.920,1:16:17.760
and entering into a tributary which gets

1:16:16.560,1:16:21.040
into the creek

1:16:17.760,1:16:24.400
just above the village and uh has

1:16:21.040,1:16:24.880
really caused a lot of um damage we

1:16:24.400,1:16:27.920
think

1:16:24.880,1:16:30.320
to the lake with and so

1:16:27.920,1:16:30.960
this is going to be a place where we'll

1:16:30.320,1:16:34.400
get to

1:16:30.960,1:16:38.080
uh test what is coming in

1:16:34.400,1:16:41.199
to the uh watershed from these sources

1:16:38.080,1:16:44.000
from sewer septic which would be the

1:16:41.199,1:16:44.560
the place where the plant is green and

1:16:44.000,1:16:46.960
another

1:16:44.560,1:16:49.120
uh location way up at the top at the

1:16:46.960,1:16:52.239
headwaters and pine plains where

1:16:49.120,1:16:55.120
uh agricultural contamination is getting

1:16:52.239,1:16:55.440
uh so if you if you're not um familiar

1:16:55.120,1:16:57.440
this

1:16:55.440,1:16:59.280
this report is gonna come out it's gonna

1:16:57.440,1:17:02.480
say that agricultural

1:16:59.280,1:17:06.400
uh use land use is one of the um

1:17:02.480,1:17:08.480
one of the top causes of the

1:17:06.400,1:17:10.320
phosphorus and nitrates and fecal

1:17:08.480,1:17:13.600
coliform that we have

1:17:10.320,1:17:16.800
in the the watershed but

1:17:13.600,1:17:20.080
the purpose of these pilot projects is

1:17:16.800,1:17:21.679
one to see if biochar works

1:17:20.080,1:17:23.280
and those three different kinds of

1:17:21.679,1:17:26.320
applications and

1:17:23.280,1:17:28.400
two it's also uh to show

1:17:26.320,1:17:30.640
you know it's it gives us a chance to

1:17:28.400,1:17:33.679
measure at these three different

1:17:30.640,1:17:36.400
uh locations exactly what

1:17:33.679,1:17:38.800
is going into the watershed before the

1:17:36.400,1:17:40.719
biochar and after the biochar

1:17:38.800,1:17:42.159
this will be new information that we

1:17:40.719,1:17:46.719
don't have

1:17:42.159,1:17:49.760
as much of uh informa as much data for

1:17:46.719,1:17:50.400
and um in the case of the place where

1:17:49.760,1:17:52.880
it's

1:17:50.400,1:17:54.640
likely septic uh we're going to be

1:17:52.880,1:17:58.080
studying the land use

1:17:54.640,1:18:00.400
that's around that site um

1:17:58.080,1:18:01.280
we think that we're going to get some a

1:18:00.400,1:18:03.840
lot more

1:18:01.280,1:18:05.920
useful information and the information

1:18:03.840,1:18:09.520
that we get we think is going to

1:18:05.920,1:18:13.199
be information that will help us

1:18:09.520,1:18:16.800
with the three main causes of nutrients

1:18:13.199,1:18:18.560
in the leg as well as fecal coliform so

1:18:16.800,1:18:22.080
we're gonna be able to

1:18:18.560,1:18:27.840
see if these um if these practices

1:18:22.080,1:18:27.840
will help in those situations

1:18:28.000,1:18:32.480
so tomorrow actually we're going to be

1:18:30.159,1:18:36.239
uh meeting with the engineer

1:18:32.480,1:18:39.600
and um a sewer plant upstream

1:18:36.239,1:18:43.120
to see if uh this is something that

1:18:39.600,1:18:46.320
uh we can install in that sewer plant to

1:18:43.120,1:18:46.320
see if it makes a difference

1:18:47.679,1:18:52.080
cory did you have anything else uh well

1:18:50.480,1:18:54.400
i would just also

1:18:52.080,1:18:56.080
like to bring up i i know you briefly

1:18:54.400,1:18:59.440
brought up

1:18:56.080,1:19:04.080
uh the tap project with central hudson

1:18:59.440,1:19:07.360
um but that

1:19:04.080,1:19:08.719
uh what did you say that they i know

1:19:07.360,1:19:11.600
they stopped

1:19:08.719,1:19:13.760
um yeah just they give an update for us

1:19:11.600,1:19:15.520
what to expect and that we're expecting

1:19:13.760,1:19:19.120
more information to come

1:19:15.520,1:19:20.480
so okay so yeah they're we're still at

1:19:19.120,1:19:22.719
the moment

1:19:20.480,1:19:23.760
on pace because we we made our deadline

1:19:22.719,1:19:26.239
later

1:19:23.760,1:19:26.960
than it had to be anyway but so yeah

1:19:26.239,1:19:28.800
this is

1:19:26.960,1:19:30.000
one of those unforeseen circumstances

1:19:28.800,1:19:32.560
that uh

1:19:30.000,1:19:34.719
that we planned for so we'll just have

1:19:32.560,1:19:38.400
to wait and see

1:19:34.719,1:19:41.199
but no i think that's that's

1:19:38.400,1:19:44.719
that's about it okay very good thank you

1:19:41.199,1:19:44.719
corey are there any questions

1:19:44.960,1:19:51.280
keep looking into uh the uh

1:19:48.080,1:19:54.000
zion parking lot is that still

1:19:51.280,1:19:54.000
floating out there

1:19:54.640,1:19:59.679
it is but it's not like in the next

1:19:57.360,1:20:02.239
stage

1:19:59.679,1:20:03.199
you know time i think there's there's uh

1:20:02.239,1:20:05.520
for one

1:20:03.199,1:20:07.440
uh we should actually announce uh

1:20:05.520,1:20:09.440
tonight that uh we would

1:20:07.440,1:20:10.719
and actually john i would like you to

1:20:09.440,1:20:13.520
prepare something

1:20:10.719,1:20:14.400
for the board for the september 30th

1:20:13.520,1:20:16.639
meeting

1:20:14.400,1:20:17.600
but uh prepare it in a way that we can

1:20:16.639,1:20:21.120
send it over

1:20:17.600,1:20:24.159
to deborah magdalen the

1:20:21.120,1:20:27.520
rector of zion church who will be

1:20:24.159,1:20:32.320
moving back to california after

1:20:27.520,1:20:35.920
a long and very successful and

1:20:32.320,1:20:37.760
uh meaningful uh

1:20:35.920,1:20:40.159
years of service here in the village of

1:20:37.760,1:20:42.480
webinars falls at zion church she's

1:20:40.159,1:20:44.840
she's really reached out and done a lot

1:20:42.480,1:20:47.920
in her time

1:20:44.840,1:20:49.520
here uh so that is one reason why we

1:20:47.920,1:20:52.080
will probably

1:20:49.520,1:20:54.320
wait to see who the new leadership is

1:20:52.080,1:20:57.120
and what's gonna happen there

1:20:54.320,1:20:58.159
are there any uh any questions about the

1:20:57.120,1:21:01.760
reports

1:20:58.159,1:21:04.880
that we gave up to this point

1:21:01.760,1:21:08.320
from anybody uh

1:21:04.880,1:21:09.840
so i would also like to um there was one

1:21:08.320,1:21:11.840
thing that should have been on the

1:21:09.840,1:21:16.320
agenda and it's not

1:21:11.840,1:21:19.920
and i would just like to acknowledge

1:21:16.320,1:21:23.679
and uh thank two people

1:21:19.920,1:21:25.840
who have spent decades of their lives

1:21:23.679,1:21:27.360
working for the good of this

1:21:25.840,1:21:30.800
municipality

1:21:27.360,1:21:33.679
and i would uh like to get a resolution

1:21:30.800,1:21:34.960
on behalf of the village board passed in

1:21:33.679,1:21:38.080
honor of

1:21:34.960,1:21:42.400
trustee ronnie komornick who

1:21:38.080,1:21:45.120
first came on the board in 1985

1:21:42.400,1:21:47.679
yep that's right yeah you have your

1:21:45.120,1:21:52.400
picture you can hold up

1:21:47.679,1:21:52.400
yeah i do come on hold on

1:21:54.000,1:21:59.760
wow oh my not even photoshopped

1:21:59.920,1:22:06.080
and uh three-time deputy mayor

1:22:03.280,1:22:07.199
scott davis is that right no i've been

1:22:06.080,1:22:09.600
deputy mayor

1:22:07.199,1:22:10.480
15 times under three different mayors

1:22:09.600,1:22:13.840
okay three

1:22:10.480,1:22:16.480
three times under yeah and 15 terms

1:22:13.840,1:22:17.040
all right that's that's very impressive

1:22:16.480,1:22:21.679
so

1:22:17.040,1:22:25.280
um i'd just like to say whereas

1:22:21.679,1:22:27.440
trustees and davis have given the

1:22:25.280,1:22:28.239
village of wappinger's falls decades of

1:22:27.440,1:22:30.960
their lives

1:22:28.239,1:22:31.840
and faithful service to their community

1:22:30.960,1:22:34.080
and whereas

1:22:31.840,1:22:36.239
their service has been conscientiously

1:22:34.080,1:22:38.719
and impeccably reformed

1:22:36.239,1:22:41.040
and with the utmost care for the people

1:22:38.719,1:22:44.480
of the village of wapping drew's falls

1:22:41.040,1:22:47.199
and whereas trustees comornik and davis

1:22:44.480,1:22:47.840
have gone above and beyond the call of

1:22:47.199,1:22:49.760
duty

1:22:47.840,1:22:51.679
for the people of the village of

1:22:49.760,1:22:55.360
wappinger's falls

1:22:51.679,1:22:57.679
and whereas uh the mayor

1:22:55.360,1:23:00.080
the board appointed officials village

1:22:57.679,1:23:02.159
staff our paid consultants and all

1:23:00.080,1:23:05.520
village residents have benefited from

1:23:02.159,1:23:08.800
and remarked upon their devotion

1:23:05.520,1:23:10.960
and whereas their service has not only

1:23:08.800,1:23:12.880
been performed in a way that shows their

1:23:10.960,1:23:14.800
care for village residents

1:23:12.880,1:23:16.760
but has been instrumental in the

1:23:14.800,1:23:19.920
successful revitalization

1:23:16.760,1:23:21.199
revitalization of this community

1:23:19.920,1:23:25.760
acknowledging

1:23:21.199,1:23:29.120
that these efforts of trustees kimornik

1:23:25.760,1:23:31.679
and trustee davis have

1:23:29.120,1:23:33.120
been performed consistently to the

1:23:31.679,1:23:35.600
highest standards

1:23:33.120,1:23:36.320
which earned them both the highest level

1:23:35.600,1:23:38.560
of

1:23:36.320,1:23:40.239
praise and respect from the mayor and

1:23:38.560,1:23:42.560
the village board of trustees

1:23:40.239,1:23:44.239
and village residents and having

1:23:42.560,1:23:47.679
considered the enormity and

1:23:44.239,1:23:50.080
importance of their contributions

1:23:47.679,1:23:50.960
to the village board the village board

1:23:50.080,1:23:54.400
sees it fit

1:23:50.960,1:23:56.480
to recognize them both publicly

1:23:54.400,1:23:58.639
therefore i would ask that it be

1:23:56.480,1:23:59.360
resolved that the village board hereby

1:23:58.639,1:24:03.199
bestows

1:23:59.360,1:24:06.239
a formal resolution of recognition

1:24:03.199,1:24:08.560

1:24:06.239,1:24:11.199
for their remarkable service to the

1:24:08.560,1:24:13.199
village of wappinger's falls

1:24:11.199,1:24:14.480
furthermore all village residents to

1:24:13.199,1:24:16.400
whom this resolution

1:24:14.480,1:24:18.080
is made known should express their

1:24:16.400,1:24:21.040
gratitude to both

1:24:18.080,1:24:22.639
trustee davis and trustee kimornik as

1:24:21.040,1:24:24.960
pillars of our community

1:24:22.639,1:24:25.920
and beacons of our shared virtues and

1:24:24.960,1:24:28.800
values

1:24:25.920,1:24:30.159
and furthermore let it be known forever

1:24:28.800,1:24:33.600

1:24:36.880,1:24:41.280
weapons falls

1:24:38.320,1:24:41.760
in a long long time will be forever

1:24:41.280,1:24:44.080

make a vote
